ORDER.

No. 3333Dis./D/10L-7/54.—9th July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 2862Dis./D/10L-124/53, dated the 3rd August 1953, read with its corrigendum No. 3702Dis./D/10L-124/53, dated the 5th October 1953, the industrial disputes between Messrs. G. McKenzie & Co., 208, Lower Circular Road, Calcutta-17 (Managing Agents: Messrs. British India Corporation, Ltd., Cawnpore), and their workmen represented by G. McKenzie Mazdoor Union, 129A, Circular Garden Reach Road, Calcutta, regarding the matters specified in the schedule to the said order, dated the 3rd August 1953, was referred for adjudication to the Second Industrial Tribunal.

And whereas the said Second Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

the matter of an industrial dispute existing between Messrs. G. McKenzie & Co., 208, Lower Circular Road, Calcutta-17 (Managing Agents, Messrs. British India Corporation, Ltd., Cawnpore), and their workmen represented by G. McKenzie Mazdoor Union, 129-A, Circular Garden Reach Road, Calcutta.

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI M. N. GAN, *Judge, Second Industrial Tribunal.*

Appearances:

For the Union: Shri Patit Paban Pathak, assisted by Shri Benoy Roy Choudhury, Secretary of the Union.

For the Company: Shri S. C. Sen, Advocate and Shri N. K. Raha, Pleader of Orr Dignam & Co., Solicitors.

AWARD.

An industrial dispute between Messrs. G. McKenzie & Co., 208, Lower Circular Road, Calcutta-17 (Managing Agents: Messrs. British India Corporation, Ltd., Cawnpore), and their workmen represented by G. McKenzie Mazdoor Union, 129-A, Circular Garden Reach Road, Calcutta, regarding the matters specified in the schedule to the order of reference was referred to this Tribunal under Government order Nos. 2862Dis./D/10L-124/53, dated the 3rd August 1953, and 3702Dis./D/10L-124/53, dated the 5th October 1953, for its adjudication.

This was received in the office of this Tribunal on 10th June 1953 and usual notices were issued to the parties for appearence and written statements. Both parties filed their written statements in due course and the case was heard on 4th June 1954, the day fixed for its hearing.

In its written statement, the Union on behalf of the workmen stated that G. McKenzie & Co. (1919), Ltd., is an automobile engineering unit,

one of the largest of its kind, with most up to date machineries and appliances. The Company has its show room and workshop at 208, Lower Circular Road, Calcutta and its Head Office at Cawnpore. The Lower Circular Road unit employs about 250 workers of whom mostly are skilled and highly skilled. The workmen were always subjected to unfair labour practice and many of the legitimate demands of the workers were rejected. The present dispute cropped up with the unwarranted and arbitrary dismissal of one Tafiruddin, an active member of the Union, on 29th June 1953. The workmen demonstrated their protest and staged a stay-in-strike, from the morning of 30th June 1953. At the intervention of the police, the management agreed to discuss the whole matter with the workers and take back all who wish to return to work. The workers thereupon came out of the factory. Tafiruddin was denied admittance into the workshop on 1st July 1953 and the matter was reported to the Labour Commissioner for his settlement. Since the stoppage of work on 30th June 1953 was provoked by the management, they were entitled to full wages for that period on 30th June 1953. Hence the claim.

In reply, the Company stated that Tafiruddin was asked to go along with Bimal Ghose, N. C. Rout, N. Khan and Thakur to the Peninsular Motor Corporation, Ltd., on the 25th June and they went willingly or without any objection having been raised either verbally or in writing. On the 26th next, the Company received a complaint from the Works Manager of the Peninsular Motor Corporation, Ltd., about the behaviour of the said employees and was informed that it would be necessary for the employees to come on the 27th June to complete the work in its workshop. On the 27th June the said employees did not return to the Peninsular Motor Corporation, Ltd., as they were required to do. Afterwards, all except Tafiruddin returned. Mr. E. L. D'Cruz, the Works Manager, requested him to go to the Corporation, which he refused. Tafiruddin repeatedly disobeyed the orders of the Works Manager and the Sales Manager and refused to submit any explanation when called for. After repeated attempts to make proper amends, Tafiruddin declined to comply with the request of the Manager and accordingly he was dismissed on justifiable grounds after a proper enquiry. That was on 29th June 1953. Tafiruddin however entered the workshop on 30th June and all the workers stopped work and did not do any work for the rest of the day. When the workers refused to go out of the workshop at the closing time, the police was called to the workshop at 6 p.m. After some discussion, the workers were pursuaded to leave the workshop at 8-30 p.m. On Wednesday, the 1st July next, Tafiruddin again entered the workshop without any permission and a letter, signed by four workers, was sent to the Management for his unconditional reinstatement. The Company replied its inability to reinstate the worker, when the workers again stopped work from 11-30 a.m. to 3-30 p.m. On the 2nd July next, the work started at 2-30 p.m. as the workers refused to give an undertaking at first and stopped work. In the said circumstances, the Company denied its liability to pay any wages for the period of stoppage of work.

The issues are:

(1) Whether Shri Tafiruddin is entitled to be reinstated. What relief is he entitled to.

(2) Whether the workmen are entitled to wages for the period they stopped work.

FINDINGS.

Issue No. 1: On 12th October 1953, the Manager of the Company informed this Tribunal that Issue No. 1 has been settled out of court (*vide*

Ext. E). The Management proved the letters of Tafiruddin (Exts. C, C1 and C2) and receipt which he signed on receiving payment in full satisfaction of his claims (*vide* Ext. B). Tafiruddin was absent during hearing. He did not take any interest in this case. In his letter to the Assistant Labour Commissioner, Mr. D'Cruz, the acting Works Manager, explained the reasons for the dismissal of Tafiruddin. The reasons no doubt support the order of dismissal on justifiable grounds. I have since verified by an enquiry from the learned representative of the Union this real position about settlement. Issue No. 1 was not pressed for hearing by the parties (*vide* Order No. 4, dated 5th June 1954, recorded in the Order Sheet). I, therefore, find that there is no outstanding dispute regarding this issue.

Issue No. 2: This relates to wages for the period of stoppage of work on 30th June 1953. The Union claims that the workers are entitled to full wages as the strike was provoked by an unwarranted action on the part of the Management over the dismissal of Tafiruddin. The Management denied its liability on the allegation that the stoppage of work was not provoked by any action on their side.

It appears from the evidence of O.P.W. 3 Mr. E. L. D'Cruz, the acting Works Manager, that the workers worked up to 11 a.m. and were duly paid for that work. They did not work after that period having struck work out of sympathy for the dismissal of one Tafiruddin. Accordingly it is contended that they were not entitled to any wages for the rest of the day. Mr. D'Cruz said he wrote Ext. 1 which explains the facts that led to the dismissal of Tafiruddin. Shri Kalipada Mandal, the only witness on the Union side, did not speak anything regarding this. I have already stated above that Tafiruddin is absent throughout this enquiry. The strike is admitted. It is not possible on materials now on record to say that the strike was in any way provoked by any unwarranted action on the part of the Management. The workers, soon after Tafiruddin forced his entry into the workshop, struck work and illegally stayed in the workshop after the closing time, till 8-30 p.m. when they left only at the intervention of the police. The management agreed to discuss the matter of dispute with the workers. All the workers were taken in except Tafiruddin and again they struck work on the next two days. This will appear from the pleadings and not denied by the Union. In this state of things, and in the background of what happened previous to the date of the strike, the Tribunal cannot but find that the strike was not justified. The strike is no doubt a legitimate weapon in the hands of the workers and the workers have inherent right to stop work, when they desire. But this right has got to be exercised only when all other avenues for peaceful settlement of the dispute have failed. Since in this case the workers did not take any reasonable attitude in the matter of settlement of the dispute over the dismissal of Shri Tafiruddin, it cannot be said that the Management provoked their strike on 30th June 1953, and since the strike was not provoked by the Management, the workmen are not entitled to wages for the period they stopped work on 30th June 1953. I decide the issue accordingly. This is my award.

Taken at my dictation and corrected by me.

And whereas the said Second Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between Messrs. Chowringhee Stores, Ltd., 35, Chowringhee Road, Calcutta, and their employees as represented by the Chowringhee Stores Employees' Union, 23/1, Ramtanu Bose Lane, Calcutta-6, referred under Government order No. 3357Dis./D/11L-243/53, dated the 3rd September 1953.

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI M. N. GAN, *Judge, Second Industrial Tribunal.*

The industrial dispute existing between Messrs. Chowringhee Stores, Ltd., 35, Chowringhee Road, Calcutta and their employees as represented by the Chowringhee Stores Employees' Union, 23/1, Ramtanu Bose Lane, Calcutta-6, regarding the matters specified in the schedule to the order of reference, has been referred to this Tribunal for its adjudication. The reference was received in the office of the Tribunal on 8th September 1953 and usual notices were issued to the parties for appearance and written statement. Parties filed their written statement and 21st June 1954 was fixed for hearing.

The employees in their written statement stated that the Chowringhee Stores, Ltd., (hereinafter called the Company), is the largest and best equipped retail store in Calcutta with an authorised capital of 10 lakhs, but it carries on wholesale business on an extensive scale in Calcutta and deals with foodstuff, provisions, wines, etc. In 1947, it was converted into a private limited concern. The number of staff at present is about 50. Since after the formation of the Union, the employees' grievances were numerous. It formulated their demands as follows:—

(1) The present wages are exceptionally low. There are neither grades nor scales of annual increment.

(2) There is no dearness allowance for employees, to meet the increased cost of living.

(3) No Bonus.

(4) Provisions for leave and holidays are irregular.

(5) No Provident Fund or gratuity.

(6) No security of service.

Rules for appointment, discharge, dismissal and retrenchment have never been framed.

The Company, in reply, stated that its paid-up capital was Rs. 60,000. It did not carry on wholesale business in Calcutta. During the War-period the number of employees was increased to about 50, but due to trade recession there was less for the last few years. It denied that the employees' condition was plightful. The wages paid were more than adequate and considering its financial position there could only be the question of retrenchment and reduction of wages.

Regarding the dearness allowance it was included in the wages. Bonus was paid on profits. Owing to financial stringency and loss, the Company was not prepared to consider the question of Provident Fund.

As to holidays and leave, it was the usual custom in the Shipping Industry not to allow holidays in the office on all public holidays.

Regarding the increment it pointed out that certain increments were, in fact, given to the employees as and when the occasion permitted.

Issues as per schedule to the Order of Reference are—(i) Dearness allowance, (ii) Bonus, (iii) Holidays, (iv) Leave, (v) Provident Fund and (vi) Grades and scales of pay.

Both parties filed a joint petition on 21st June 1954, the day fixed for hearing of the case stating, that the dispute had been amicably settled. The terms of settlement contained in separate sheets of paper form Annexures "A" and "B" to this petition.

Heard Mr. S. Mehta, the Director and Attorney for the Company and Mr. Jiten Banerjee, Secretary for the Union. The dispute has been settled in terms of compromise, which are fair and reasonable. They are accordingly accepted. The case is disposed of in terms of the agreement (marked Annexures "A" and "B") which forms part of this award.

AWARD.

The Government of West Bengal referred under Government order No. 3303Dis./D/7L-17/52, dated 28th November 1952, the industrial dispute

between Bengal Jute Mills Co., Ltd., Shibpur, Howrah, and their workmen represented by Howrah Zillah Chatkal Mazdoor Union to this Tribunal for adjudication. The award on this dispute was published in the *Calcutta Gazette*, on 16th April 1953.

On 4th March 1953, one Uday Nath Das, an employee of the Bengal Jute Mills Co., Ltd., applied under section 33A of the Industrial Disputes Act stating as follows:—

> On 30th December 1952, the petitioner was most arbitrarily asked to accept temporary ticket and work as a temporary hand in the Batching Department, while he was employed in the Preparing Department as a permanent hand. The petitioner protested against such a *mala fide* act on the part of the Management and on that date, viz., 30th December 1952, the Company dismissed him from service. On 26th February 1953 the petitioner approached the Labour Officer of the Company with a letter from the Labour Directorate, but the Labour Officer did not give him any job and asked him to quit the place. The petitioner, therefore prays for reinstatement with full wages for the period of unemployment.

The Company, in its written statement, states as follows:—

> Udaynath was not a permanent workman, but joined as a *budli* in the Preparing Department on 20th August 1951 and worked in the night shift till 26th November 1952, when the night shift was abolished. Thereafter he continued to work as a *budli* in the Preparing Department in the day shift. As there was no job available for him in the Preparing Department, the Company asked him to join the Batching Department on 29th December 1952, which he refused. He absented himself from work from 29th December 1952 and was never dismissed by the Company. The workman was asked to report for duty and he did so on 26th February 1953, when he was again asked to join the Batching Department, as no work could be found for him in the Preparing Department. The Company never dismissed this workman, but only transferred him from one department to another, and this application under section 33A did not lie.

The case was taken up for hearing on 23rd June 1954. On that date, the complainant was not present and no one appeared for him either. The Company was represented by Shri J. Raman of the I.J.M.A. and Shri M. N. Chakrabarty, Labour Officer. Shri M. N. Chakrabarty, deposed on behalf of the Company and proved the Company's case as made out in the written statement. It further appears that Udaynath reported for duty again on 30th March 1953 and was employed by the Company and is still in the employment of the Company. I do not find that this workman was ever dismissed by the Company. It appears that he refused employment from 29th December 1952 to 28th March 1953. Section 33 of the Industrial Disputes Act was not contravened by the Company and the complaint under section 33A is incompetent. The application under section 33A is, therefore, rejected.

The Government of West Bengal referred under Government order No. 3303Dis./D/7L-17/52, dated 28th November 1952, the industrial dispute between Bengal Jute Mill Co., Ltd., Shibpur, Howrah, and their workmen represented by Howrah Zillah Chatkal Mazdoor Union to this Tribunal for adjudication. The award on this dispute was published in the *Calcutta Gazette* on 16th April 1953.

On 15th May 1953 Katoria, a woman worker of the Bengal Jute Mill Co., Ltd., filed a complaint under section 33A of the Industrial Disputes Act, 1947, stating as follows:—

> The petitioner served in the Winding Department of the Company for a long time with a spotless record. She was compelled by circumstances to go on leave with the permission of the Management. For reasons of illness, the petitioner prayed for further extension of leave and she had to remain on leave up to 27th February 1953. After the expiry of the said leave, she went to resume her duties, but the Management did not allow her to join. The petitioner made several representations to the Management but to no effect. The Company discharged the petitioner during the pendency of an adjudication proceeding without the permission of the Tribunal. The petitioner, therefore, prays for reinstatement with full compensation for the period of unemployment.

The Company, in its written statement, states as follows:—

The workman concerned went on leave for eight weeks from 17th November 1952 to 11th January 1953. On 12th January 1953 she applied for extension of leave for two weeks, *i.e.*, from 12th January 1953 to 25th January 1953, which was granted by the Company. Since 26th January 1953 when the workman was to rejoin her duties, she remained absent without leave unauthorisedly. On 2nd May 1953 the workman submitted a letter tendering her resignation from the Company. This letter of resignation was considered by the Company and on 5th May 1953, she was informed about the Company's acceptance of her resignation. Neither the workman presented herself for employment on 27th February 1953, nor the Company discharged her, as alleged. The workman terminated her service with the Company of her own accord, and as such, the allegation of throwing her into unemployment, is misleading. The Company has in no way contravened section 33 of the Industrial Disputes Act and the application is incompetent.

On the date of hearing on 23rd June 1954, the complainant was not present and no one appeared to represent her in the proceeding. Shri J. Raman of the I.J.M.A. and Shri M. N. Chakrabarty, Labour Officer, appeared for the Company. O.P.W. 1 Shri M. N. Chakrabarty, deposed on behalf of the Company, and the case was heard in the absence of the complainant.

The case of the Company was proved by O.P.W. 1 Shri M. N. Chakrabarty. The resignation letter submitted by Katoria is Ext. A. In the circumstances, it appears that the Company never dismissed the complainant and did not contravene section 33 of the Industrial Disputes Act. The application under section 33A of the Industrial Disputes Act, 1947, is incompetent and is rejected.

AWARD.

The Government of West Bengal referred under Government order No. 3303Dis./D/7L-17/52, dated 28th November 1952, the industrial dispute between Bengal Jute Mill Co., Ltd., Shibpur, Howrah, and their workmen represented by Howrah Zilla Chatkal Mazdoor Union to this Tribunal for adjudication. The award on this dispute was published in the *Calcutta Gazette* on 16th April 1953.

On 2nd March 1953, Issuf, a workman of the Company, complained under section 33A of the Industrial Disputes Act stating that he was discharged by the Company on 23rd February 1953. It is further stated that the petitioner was not served with any charge-sheet, nor was he shown any reason whatsoever for the discharge. The applicant, therefore, prayed for reinstatement with full compensation for the period of unemployment.

The Company, in its written statement, states that the workman has not been discharged by the Company, as alleged. He was on sick leave from 16th July 1952 to 21st February 1953 and resumed his duty on 22nd February 1953. It is further stated that the workman discontinued work from 12-54 p.m. on 22nd March 1952 and remained absent without leave till 2nd March 1953 when he submitted an application praying for leave for the unauthorised period of absence. The question of issuing a charge-sheet did not arise as the Company never contemplated any action against the workman. The applicant has continued in the employment of the Company since 2nd March 1953 and has not been discharged, as alleged. The application under section 33A of the Act is, therefore, misconceived and should, therefore, be rejected.

On the date of hearing on 23rd June 1954, the complainant did not appear. None appeared for him either. Shri J. Raman of the I.J.M.A. and Shri M. N. Chakrabarty, Labour Officer, appeared for the Company. O.P.W. 1 Shri M. N. Chakrabarty, deposed on behalf of the Company. The case was heard in the absence of the complainant O.P.W. 1 proved the case of the Company.

It appears that the complainant was never discharged or dismissed by the Company and he is still in the employment of the Company. The application under section 33A is misconceived and is rejected.

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of a complaint under section 33A filed by Samsuddin, a workman of Bengal Jute Mill Co., Ltd., as represented by Howrah Zilla Chatkal Mazdoor Union.

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI M. C. BANERJI, *District Judge (Retd.), Judge, First Industrial Tribunal.*

AWARD.

The Government of West Bengal referred under Government order No. 3303Dis./D/7L-17/52, dated 28th November 1952, the industrial dispute between Bengal Jute Mill Co., Ltd., Shibpur, Howrah, and their workmen represented by Howrah Zillah Chatkal Mazdoor Union to this Tribunal for adjudication. The award of this dispute was published in the *Calcutta Gazette* on 16th April 1953.

On 10th April 1953, Samsuddin, a workman of the Bengal Jute Mill Co., Ltd., applied under section 33A of the Industrial Disputes Act stating as follows:—

> The petitioner is a permanent worker of the Company in the Spinning Department of the Mill for a long time with spotless record. The petitioner has been working as a Shifter Sardar. On 9th February 1953 the petitioner went to attend duties but for reasons unknown, the Management did not allow him to join his work. The Management thus discharged him without notice in contravention of section 33 of the Industrial Disputes Act. The petitioner, therefore, prays that he should be reinstated with compensation for the period of unemployment.

The Company, in its written statement, states as follows:—

> Samsuddin, who had been working as a Spinner, was allowed to work as a Shifter Sardar in the night shift from 6th June 1950. With the closure of night shift on 29th November 1952, he was asked to resume work in the day shift as a Spinner, as no post of Shifter Sardar was available for him in the day shift. On 9th February 1953 Samsuddin absented himself without leave and subsequently on 11th February 1953 sent an application for one week's leave without pay with effect from 9th February 1953. He continued to be absent without leave even after 16th February 1953 until 21st February 1953 when he submitted another application requesting leave from 16th February 1953 to 21st February 1953, which was granted to him by the Company. Since 22nd February 1953, he has remained absent without leave unauthorisedly.

The Company never terminated the services of the workman as alleged in the petition. The Company did not violate the provisions of section 33 of the Act and the application under section 33A of the Act did not lie.

On the date of hearing on 23rd June 1954, the complainant was represented by Shri Patit Paban Pathak and the Company was represented by Shri J. Raman of the I.J.M.A. and Shri M. N. Chakrabarty, Labour Officer. The case was adjourned to the following day at the request of the representative of the complainant. On 24th June 1954, the complainant did not appear and filed a petition stating that he did not press the complaint under section 33A of the Act. The Company was represented by Shri J. Raman of the I.J.M.A. and Shri M. N. Chakrabarty, Labour Officer. O.P.W. 1 Shri M. N. Chakrabarty was examined on behalf of the Company. He proved the Company's case. Ext. A is the leave application filed by the applicant on 11th February 1953. Ext. B is the second application dated 21st February 1953 for leave filed by Samsuddin. Ext. C is a letter issued by the Company to Samsuddin for showing cause why he should not be dismissed for being absent without leave. This was issued in June 1953. Ext. C was issued to Samsuddin after the filing of the application under section 33A of the Industrial Disputes Act. It appears that on 30th November 1953, Samsuddin submitted a resignation letter (Ext. D). From the evidence it appears that Samsuddin was never dismissed and that the application under section 33A of the Industrial Disputes Act is misconceived. The application under section 33A of the Industrial Disputes Act is therefore rejected.

No. 3426Dis./D/11L-273/53.—14th July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 5035Dis./D/11L-273/53, dated the 28th December 1953, the industrial dispute between Messrs. Golden Soap Factory, Ltd., 15, G. T. Road North, Lillooah, Howrah, and their workmen represented by Golden Soap Factory Workers' Union, 6, Peary Mohan Mukherjee Street, post office Belur Math, Howrah, regarding the matters specified in the schedule thereto was referred for adjudication to the Fourth Industrial Tribunal;

And whereas the said Fourth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

Industrial dispute between Messrs. Golden Soap Factory, Ltd., 15, Grand Trunk Road North, Lillooah, Howrah, and their workmen represented by Golden Soap Factory Workers' Union, 6, Peary Mohan Mukherjee Street, post office Belur Math, Howrah, referred under Government order No. 5035Dis./D/11L-273/53, dated 28th December 1953 (Case No. 3/54).

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI S. C. MUKHERJI, *District Judge, Judge, Fourth Industrial Tribunal.*

For the workmen : Shri Dinesh Rai.

For the Company : Shri T. K. Jagadish, Labour Adviser.

By Government order No. 5035Dis./D/11L-273/53, dated 28th December 1953, the aforesaid dispute was referred to this Tribunal for adjudication. The issues framed by the Government were the same as the issues framed by this Tribunal and they were as follows:—

(1) Provision for annual increment.

(2) Leave and holidays.

(3) Rules of service condition—appointment, dismissal, service cards, etc.

Notice of the aforesaid dispute having been served on the parties, the Union filed its written statement on 3rd February 1954 and the Company filed its written statement on 17th February 1954. The case was fixed for hearing on 7th June 1954.

The parties appeared. The Union after a consideration of the circumstances of the case filed a petition that they have no interest in the subject matter of the present dispute. It is, therefore, needless to enter into the controversies between the parties.

AWARD.

As the Union has no interest to the subject matter of the dispute, I proceed to make a "no dispute" award in this case. I award accordingly. Let the petition filed by the Union be appended with the schedule attached to this Award.

AWARD.

During the pendency of the adjudication case referred to the Tribunal by Government order Nos. 2885Dis./D/4L-8/52, dated 28th October 1952 and 4384Dis./D/4L-8(A)/53, dated 18th November 1953, the petitioner B. Roy, an employee of India General Navigation & Railway Co., Ltd. and Rivers Steam Navigation Co., Ltd., in their Joint Traffic Audit Department has been discharged from service with effect from 15th November 1953, without obtaining any permission from the Tribunal. Messrs. Kilburn & Co., Ltd., are the Managing Agents of Messrs. India General Navigation & Railway Co., Ltd., and the address of the said Managing Agents is 4, Fairlie Place, Calcutta. Messrs. McNeil & Barry, Ltd., are the Managing Agents of Messrs. Rivers Steam Navigation Co., Ltd. and the address of the said Managing Agents is 2, Fairlie Place, Calcutta. Petitioner B. Roy

was appointed as an Audit Inspector with effect from 1st April 1930 (*vide* Ext. 1). The letter was issued by the Superintendent, India General Navigation & Railway Co., Ltd. and Rivers Steam Navigation Co., Ltd., Joint Traffic Audit Department, 4, Fairlie Place, Calcutta. Ext. 2, dated 18th November 1930, shows that B. Roy was confirmed in the said post by Messrs. Kilburn & Co., Ltd., Ext. 3, dated 18th February 1949, issued by Messrs. Kilburn & Co., shows that the said Managing Agents gave increment to B. Roy at Rs. 180 per month "plus dearness allowance in accordance with the existing scale". Ext. 4, issued by the said Managing Agents on the 25th September 1950, indicates that the salary of Shri B. Roy was raised to Rs. 200 per month plus dearness allowance. Ext. 5, dated 30th July 1949, issued by both Messrs. Kilburn & Co., Ltd., and McNeil & Barry, Ltd., laid down service rules concerning tours of officers in the matter of inter-dominion visits, *i.e.*, India and Pakistan. Ext. 10, dated 26th October 1953, issued by the Superintendent, India General Navigation & Railway Co., Ltd. and Rivers Steam Navigation Co., Ltd., Joint Traffic Audit Department, 9A, Esplanade East, Calcutta, is the letter addressed to Shri B. Roy informing him that he was to make over charge to Shri K. D. Mukherjee immediately as Shri Roy's service terminates on the 31st instant in terms of letter of 15th October 1953, from the Senior Labour Welfare Officer, India General Navigation & Railway Co., Ltd., Dacca. It is admitted that on the basis of this letter, Ext. 10, B. Roy have to make over charge to Shri K. D. Mookherjee on the 26th October 1953 at Calcutta, where he was then temporarily posted as Audit Inspector, after the expiry of his leave which he had taken when he was serving in Joint Traffic Audit Department of the above two Companies. Ext. 10 further says that Shri B. Roy is to obtain payment of his salary and allowances due for October 1953 from the Accounts Department of India General Navigation & Railway Co., Ltd., Calcutta, and for his other dues he was referred to apply to the India General Pakistan Provident Institution, Dacca. These facts are not controverted.

It further appears from the evidence that at the time of the partition of the country, *i.e.*, on the 15th August 1947, Shri B. Roy was posted at Narayangunj and that he was receiving his salary, increment, dearness allowance, etc., from the Calcutta Office of the Joint Companies, even after the 15th August 1947. From Narayangunj he was transferred to Upper-Cachar Section in Silchar within the jurisdiction of the Local Agents' Office situated at Fenchugunj which is in Pakistan. But Silchar is situated in India. It is admitted that the jurisdiction of the Local Office at Fenchugunj included some part of Pakistan and some part of India. Shri B. Roy's headquarter was at Silchar within India, but his jurisdiction (of duty) included one station in Pakistan.

It further appears that B. Roy became a member of Provident Fund when he was serving in Upper-Cachar Section under the jurisdiction of the Local Agency at Fenchuganj. In January 1951 the Fenchuganj Local Agency was split up and Silchar became a separate Agency like Fenchuganj Local Agency. It is admitted that the leave which Shri B. Roy obtained in 1951 was granted by Messrs. Kilburn & Co. (India), Ltd., and after the expiry of that leave he was appointed temporarily in Calcutta office of the said Managing Agents and it is also admitted that in 1952, Shri B. Roy was once transferred by Kilburn & Co. (India), Ltd., to a station in Mongyer in Behar, but Shri B. Roy did not join there. It is also admitted that there was an award in respect of certain employees of Messrs. Kilburn & Co. (India), Ltd., in the matter of bonus and that the petitioner Shri B. Roy was paid such bonus on the basis of the said award, by the said Company. That was after the partition of India.

The contention of the Company is that Kilburn & Co. with its office in Calcutta were the Managing Agents of the Joint Steamer Companies so far as the Audit Inspector Shri B. Roy was concerned and that the said Company continued and act as such even after the partition of India and creation of Pakistan and that later on the Pakistan Government put pressure upon the Company and brought about a splitting up of the same and as a result thereof a new Company, called Kilburn & Co. (Pakistan), Ltd., came into existence in Pakistan including East Bengal and district of Sylhet (including Fenchuganj) but excluding Silchar which is in India. The Company's contention is that although Kilburn & Co. (Pakistan), Ltd., came into existence it could not assume control of the Audit Inspecting Staff which continued to be Managed by Kilburn (India), Ltd., having its Head Office in Calcutta and Local Agency at Silchar.

Kilburn (India), Ltd., without taking any consent of the employee Shri B. Roy transferred his Provident Fund Account to Kilburn (Pakistan), Ltd., Dacca. Subsequently when a declaration form regarding the said Provident Fund issued from the Dacca Office was served upon Shri B. Roy while he was posted at Calcutta in the service of Kilburn & Co. (India), Ltd., he refused to sign the said declaration and rather protested as to why his Provident Fund Account has been transferred to Kilburn & Co. (Pakistan), Ltd., without his knowledge and consent. B. Roy is not willing to have his service or Provident Fund account transferred to Kilburn & Co. (Pakistan), Ltd. and hence this trouble.

The contention of Shri B. Roy is that although the duty of Audit Inspection in Calcutta was not over and there were huge arrears to cope with, he was asked by Kilburn & Co. (India), Ltd., to proceed to join his service under Kilburn & Co. (Pakistan), Ltd. As Shri B. Roy refused to comply with that order, Kilburn & Co. (Pakistan), Ltd., issued a dismissal order against him from Dacca and on that basis he was asked by Kilburn & Co. (India), Ltd., to make over charge of his office at Calcutta to Shri K. D. Mookherjee of Kilburn & Co. (India), Ltd., on the 26th October 1953.

The question is whether this discharge order contravenes section 33 of the Industrial Disputes Act and if so whether it was justified or not and what relief is Shri B. Roy entitled to get from the Joint Steamer Companies as aforesaid.

DECISION.

In the present case there is no controversy that the petitioner B. Roy is a workman within the purview of the Industrial Disputes Act. I asked the lawyer on the side of the Company as to whether there is any challenge that the petitioner is a workman, within the meaning of section 33 of the Industrial Disputes Act. The learned lawyer replied that the Company does not and would not challenge that the Audit Inspector Shri B. Roy was a workman within the purview of the said section.

It is not the case that the employer asks the employee to join his duty at a particular station on transfer and that the employee refuses to go there. If that were the case certainly the ready answer would be that the employee should be dismissed summarily because it would be misconduct on the part of the employee. Before partition of India and the creation of Pakistan Shri B. Roy, an inhabitant of Dacca district, was holding service under the Joint Steamer Companies having their jurisdiction in Calcutta, Dacca, Barisal, Mongyer, Assam and other places in India. After the partition of India and the creation of Pakistan B. Roy continued to have the permanent residence in Dacca district and at the time of the partition he himself was holding service in Narayanganj in Dacca district. Under the law therefore he could be held to be a Pakistan national but the Company, *i.e.*, his

employer had no right to alter the service condition of the employee Shri B. Roy simply because of his Pakistan nationality. Admittedly the Company has got many employees of different nationalities, all serving in India. By the political partition of India B. Roy's nationality may have automatically changed from British India to Pakistan but I do not think that the splitting of the Companies itself could create any alteration of service condition affecting the employee Shri B. Roy unless he gives his consent thereto expressly or impliedly. When the Company was split up into Kilburn & Co. (India), Ltd., and Kilburn & Co. (Pakistan), Ltd., B. Roy ought to have been given option to choose this or that Company. He was not given such option. On the other hand it appears clearly from the evidence that he was treated as an employee of Kilburn & Co. (India), Ltd. Therefore the order of transferring his Provident Fund Account from India to Pakistan without the knowledge and consent of the employee Shri B. Roy was a clear alteration of service condition which is illegal and unjustified. To confirm the said illegal act, the Company was out to transfer Shri B. Roy to Kilburn & Co. (Pakistan), Ltd., and relying on the alleged dismissal order passed by Kilburn & Co. (Pakistan), Ltd., B. Roy was asked to make over charge to Mr. K. D. Mookherjee of Kilburn & Co. (India), Ltd., in Calcutta. This discharge order is therefore illegal.

From the evidence I find that after the discharge of Shri B. Roy, Kilburn & Co. (India), Ltd., gave extension of service of a retired Audit Inspector and also appointed some new hands to cope with the Auditing work in Calcutta. This shows that B. Roy who claims to be the second oldest Audit Inspector of this Company has been sacked without any justification simply because he was unwilling to abide by the decision of Kilburn & Co. (India), Ltd., made behind his back to the effect that his provident fund account and service should be transferred to Kilburn & Co. (Pakistan), Ltd. Therefore Shri B. Roy should be reinstated in his service under Kilburn & Co. (India), Ltd., and his Provident Fund Account must remain in India and the order of transferring the said Provident Fund Account to Pakistan is to be set aside. For the purpose of "loss of earning" compensation Shri B. Roy is entitled to get back wages to the extent of 4 months' salary plus dearness allowance. The said amount shall be paid and he shall be reinstated within 15 days from the date of publication of the award in the *Calcutta Gazette*.

And whereas during the pendency of proceedings before the said Tribunal a complaint in writing was received from Shri Kalipada Mondal and others, employees of the said Company before the said Tribunal against the said Company alleging that the said Company had dismissed the said Shri Kalipada Mondal and others concerned in such dispute;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Tribunal has adjudicated upon the said complaint and submitted its award to the State Government;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an application under section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), filed by Shri Kalipada Mondal and other workmen, employees of G. McKenzie & Co., against the aforesaid Company arising out of an industrial dispute referred under Government order Nos. 2862Dis./D/10L-124/53, dated 3rd August 1953, and 3702Dis./D/10L-124/53, dated 5th October 1953 (Case No. 5 of 1954).

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI M. N. GAN, *Judge, Second Industrial Tribunal.*

Appearances:

For the Union: Shri Patit Paban Pathak, assisted by Shri Benoy Roy Choudhury, Secretary of the Union.

For the Company: Shri S. C. Sen, Advocate, and Shri N. K. Raha, Pleader of Orr Dignam & Co., Solicitors.

AWARD.

This is an application by Shri Kalipada Mandal and other workmen employed by G. McKenzie & Co. (1919), Ltd., under the provisions of section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), for reinstatement. This was filed on 8th January 1954. It is alleged among others that the petitioners were the permanent employees of the Company working in different capacities with varied period of service. They were with others agitating over the demand of Puja bonus, and a charter of demands including the demand for bonus was placed to the Company on 7th September 1953. The Company instead of meeting their demands, declared a lock-out on 6th October 1953 on false and baseless grounds and thereby throwing as many as 180 workmen out of employment. The petitioners were not given any charge-sheet. In the meantime, the Company reopened the factory on 30th October 1953 and began to take in some workmen by selection. About 100 of the old employees were

already taken in and a number of new recruits were also made. The petitioners repeatedly approached the Management for work but were refused. Hence this application for reinstatement and for any other relief to which they are entitled.

The Company contests this application and contends that this is not maintainable inasmuch as the lock-out does not attract the provisions of section 33 of the Industrial Disputes Act, 1947 (XIV of 1947). It denied having received any charter of demands from the workmen but stated that there was a demand for payment of Puja bonus. It explained fully its position that it was unable to pay Puja bonus as its financial position did not justify that. The matter was reported to the Labour Commissioner. While the Puja bonus was being considered by him the petitioners and other workmen without waiting for the result committed the following offences on the 6th October 1953 and during the pendency of the adjudication proceeding before this Tribunal. They commenced, instigated and participated in an illegal strike, incited others to participate in it, confined Mr. E. L. D'Cruz, the acting Works Manager, in the factory premises, between 9-15 a.m. to 2-15 p.m. and acted in a manner subversive of discipline. The petitioners were guilty of gross misconduct for which they were liable to be dismissed. The Management issued notices immediately after the strike without any effect. Mr. D'Cruz was rescued only with the help of the police. The Company had already filed applications under section 33 of the Industrial Disputes Act, 1947 (XIV of 1947), for permission to dismiss these workers for gross misconduct. Some of the workmen admitted their guilt, expressed repentance for what they did and requested to allow them to work, The Management considering the merits of each case and in view of the repenting attitude of the workmen concerned, condoned their guilt where it thought fit and proper to do so and permitted them to resume their work. It also took new recruits purely on a temporary basis just to carry out its obligations. The allegation that the selection of these workmen was unfair is false and denied. The conduct of these petitioners were found unsatisfactory and therefore they could not be taken in before the decision of the Tribunal was known.

DECISION.

Points for decision are—

(1) Whether the petitioners are entitled to reinstatement in service?

(2) To what other relief they are entitled?

This case was heard along with the Company's three applications under section 33 of the Industrial Disputes Act, 1947. I have passed orders in the three cases permitting only three workers among the petitioners in this case to be dismissed. The remaining petitioners may therefore be taken as continuing in Company's service. The question of their reinstatement, in the strict sense of the term, does not arise. The petitioners were refused work when they approached the Management after the factory reopened after a lock-out. It has been urged on the side of the Company that the declaration of lock-out does not attract the provisions of section 33A of the Industrial Disputes Act, 1947, as it does not attract section 33 of the Act. It is true that lock-out does not attract section 33 of the Act but the question is not that. It is the refusal of the Management to provide the petitioners with work. That is the subject matter of dispute in this case. To my mind, this can legitimately come under sections 33 and 33A of the Act. Admittedly, the work was refused to these workers. Mr. D'Cruz said that all the workers approached the Management for work and those who signed the undertaking and expressed regret for their conduct were taken in. Apparently, the petitioners did neither of the kind, namely, signed any undertaking or expressed any regret. The Management justified its action on two grounds; (1) the service record of these persons are not good; (2) they were guilty of gross misconduct for which they merit

dismissal. The Management did not show in which way the service records of these petitioners are bad, bad to the extent of keeping them permanently away from work. None of them received any warning beforehand nor told in any proceeding that they were unfit for further service. Accordingly, this comes as a surprise to everybody. Therefore, it cannot possibly be argued that these workers should not be provided with work because of their past records. It appears that the Management issued charge-sheet against them. It is only a handful of them that submitted explanations. There was no enquiry against the petitioners.

Question now is whether the materials on record justify their dismissal from service for their alleged misconduct on 6th October 1953. I am not repeating the evidence that I have discussed in my order disposing of the connected three applications under section 33 of the Act. It is enough to point out here that the alleged strike of workers on 6th October 1953 is now established. It was over the demand of payment of Puja bonus. By itself, this is not an illegal act. This demand was followed by a refusal by the Company on the ground of loss. Then followed, by all accounts, a very regrettable and ugly incident. The Works Manager, who happened to be in the factory at the time, was surrounded by the workers and was wrongfully kept confined there till he was rescued by the police. The illegality of this action is so patent that I do not consider it necessary to discuss the point further in this case. I have found the Management's evidence on this point to be worthy of belief and that adduced on behalf of the Union is untrue.

Question now is whether these petitioners excepting the three, namely, Subhash Roy, Madhusudan Rout, and Bimal Kumar Ghose, took any active part in this incident. On a scrutiny of the Management's evidence, I have found that there is absolutely no reliable evidence to definitely connect the petitioners, excepting the said three, with this incident. On the other hand, there is good scope for reasonable doubt regarding the complicity of these persons in this act. Accordingly, in my opinion, all these petitioners cannot be dismissed; neither it is desirable in the interest of industrial peace that they should be dismissed. They will accordingly report themselves to the Company's factory, for duty within 15 (fifteen) days from the date of the operation of this award, when they will be taken in and provided with work. The period of their absence, since 6th October 1953 will be treated, as one on leave without pay. In my judgment, they are not entitled to any other relief. Regarding the said three petitioners, the Company has got the Tribunal's permission to dismiss them from service. This application is, therefore, allowed in part.

Taken at my dictation and corrected by me.

excluding the conservancy staff as represented by Naihaty Municipal Employees' Union, Naihaty, 24-Parganas, regarding the matters specified in the schedule thereto was referred for adjudication to the First Industrial Tribunal;

And whereas the said First Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between Naihaty Municipality, Naihaty, 24-Parganas, and their clerks, durwans and other employees excluding the conservancy staff, as represented by Naihaty Municipal Employees' Union, Naihaty, 24-Parganas.

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI M. C. BANERJI, *District Judge (Retd.), Judge, First Industrial Tribunal.*

The Government of West Bengal, in the Department of Labour, by order No. 4298Dis./D/14L-7/53, dated 11th November 1953, referred, under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the industrial dispute between the Naihaty Municipality, Naihaty, 24-Parganas, and their clerks, durwans and other employees excluding the conservancy staff, as represented by Naihaty Municipal Employees' Union, Naihaty, 24-Parganas, regarding the matters specified in the following schedule to this Tribunal for adjudication:—

SCHEDULE.

(1) Revision of the existing scales of pay of clerks, typists and other categories of employees.

(2) Revision of existing dearness allowance of the employees.

(3) Whether the employees are entitled to any house rent allowance in lieu of free accommodation?

(4) Whether a scheme of gratuity for the benefit of the employees should be introduced?

(5) What should be the number of holidays that the members of the staff will enjoy in a year? Should any employee not allowed to enjoy a holiday be paid extra wages for work done on a holiday?

(6) What should be the period of probation?

(7) What should be the rules of the Provident Fund?

Notices were issued on both parties, who filed written statements setting forth their respective cases.

The dispute is between the Naihaty Municipality and its employees in the office and the teachers and other employees in the Municipal Free Primary

School. The Naihaty Municipality has in its employment the following categories of employees:—

(1)	Clerical and supervisory staff, outdoor and indoor ..	41
(2)	Subordinate staff, including sweepers and methors in the dispensary	9
(3)	Teachers in the Free Primary Schools	15
		65
(4)	Conservancy Mazdoors	270
	..	335

The present dispute is between the municipality and 65 employees mentioned in the first three categories enumerated above. The Naihaty Municipality recorded a population of 51,000 souls in the 1951 census. It was superseded by the West Bengal Government for three years from 26th July 1949 to 30th June 1952 and during this period, Shri N. C. Kar, M.A., W.B.C.S., a senior Deputy Magistrate and Deputy Collector, was the Officer-in-charge of the municipality. The present body of Commissioners came into office on 1st July 1952.

It appears that industrial disputes cropped up between the municipality and its workmen as early as 1949, during the period of supersession. On 7th September 1949, an agreement was made by the Officer-in-charge of the municipality and the conservancy mazdoors by which the conservancy mazdoors were granted an increase in dearness allowance of Rs. 3 and leave without pay for 10 days in a year. Some time after that, an industrial dispute was again raised between the municipality and the conservancy mazdoors represented by the Naihaty Municipal Workers' Union and it was referred to the Tribunal on 4th April 1951 for adjudication. The award of this Tribunal was published in the *Calcutta Gazette*, on 27th September 1951. The learned Judge did not grant any further increase in wages to the conservancy mazdoors, in view of the financial condition of the municipality and the increase allowed by the agreement, dated 7th September 1949. There was a minor revision of some of the conditions of service.

The municipal rate was payable at 17 1/16th per cent. of the valuation of holdings and the rate was increased to 18 13/16th per cent. with effect from 1st April 1950. There was a civil suit against the municipality by some ratepayers opposing the increase of municipal rates. But this suit has since been withdrawn in January 1953 and the municipal revenues have been increased to some extent as a result of the revision of rates in April 1950. In August 1951, the Officer-in-charge of the municipality raised the scale of wages of all employees in the superior staff and the sub-staff who are here represented by the Municipal Employees' Association. This increase in emoluments was allowed only in the basic pay and was made effective from 1st March 1951. The emoluments of the teachers were not included in this revision. The teachers used to enjoy fixed pay and the revision of their basic wage was effected by the Commissioners in their meeting, dated 26th February 1953, with effect from 1st March 1953. They were given two time scale grades and Headmasters were given an allowance of Rs. 10 per month.

On 23rd June 1952 the Employees' Union submitted charter of demands for revision of wages and other terms and conditions of service of all employees. This charter of demands appears as Annexure A to the Association's written statement. The municipality did not agree to take up any further pecuniary burden, owing to financial disability. In October 1952, the municipality granted an increase of wage to the conservancy mazdoors to the extent of Re. 1-8 per head. The conservancy mazdoors got a further increase of Re. 1-8 in November

1953, after a strike for 7 days. As the municipality did not agree to revise the wages, etc., of the superior and the subordinate staff an industrial dispute was raised which was taken up for conciliation by the Assistant Labour Commissioner, Barrackpore. As conciliation failed, 7 out of the 18 damands of the Association have been referred to this Tribunal for adjudication.

The appearances for the parties were as follows:—

For the Union: Shri Patit Paban Pathak and Shri Sahayram Pal, Assistant Secretary.

For the Municipality: Shri S. C. Sen, Advocate and Shri Ajit Kumar Mukherjee, Chairman.

The issues framed for the decision of this case are the same as those mentioned in the order of reference and are as follows:—

ISSUES.

(1) Revision of the existing scales of pay of clerks, typists and other categories of employees.

(2) Revision of existing Dearness Allowance of the employees.

(3) Whether the employees are entitled to any house rent allowance in lieu of free accommodation?

(4) Whether a scheme of gratuity for the benefit of the employees should be introduced?

(5) What should be the number of holidays that the members of the staff will enjoy in a year? Should any employee not allowed to enjoy a holiday be paid extra wages for work done on a holiday?

(6) What should be the period of probation?

(7) What should be the rules of the Provident Fund?

Issue Nos. 1 and 2.—Revision of the existing scales of pay of clerks, typists and other categories of employees and revision of existing dearness allowance of the employees.

Annexure A to the written statement of the Union shows the charter of demands over which the present reference is based. In the written statement, the Union relied upon the statements of demands as made in this charter of demands. Demand No. 1 shows the existing scales of basic pay of the employees and the demanded scales. This statement appears as Appendix A to this award. The existing scale of salaries are the same as were fixed by the Officer-in-charge of the municipality by order, dated 3rd August 1951 and was made effective from 1st March 1951. Ext. A is a copy of this order. Ext. A shows also the basic salary of the employees as fixed on 1st March 1951. Appendix A will show that the Union demanded a substantial increase in the time-scale grades of the employees by its charter of demands, dated 23rd June 1951. The demand No. 2 on dearness allowance is the basis of Issue No. 2. Dearness allowance is paid at 15 per cent. of the basic pay with a minimum of Rs. 6 per month to each superior staff and Rs. 2 to each office menial staff from the municipal funds. Government subvention towards dearness allowance is also given to the staff excepting the conservancy menials according to the following scales:—

Officers getting Rs. 35 per month or over—Rs. 16 per month.

Officers getting below Rs. 35 per month—Rs. 8 per month.

The Union demands that the dearness allowance should be at a flat rate of Rs. 45 per month for each employee. The municipality in its written statement states

that the municipality has already considered sympathetically the wage position of the employees during the period when the Governmnt administered the municipality and revised the wages of the employees. The financial position of the municipality would not justify any further expenditure for the purpose of increasing the wages of the employees and providing for them better amenities at the cost of the citizens of the town. In fact, the financial position of the municipality is not only not prosperous but gloomy and the chances of any improvement are remote. This fact has been explained to the employees and also to the Labour Directorate. The municipality cannot concede to the revision of the scales of pay as demanded by the Union for financial reasons and it considers that in view of its present financial position and its commitments, the present scales of pay of the employees are proper and fair. The municipality denies that the cost of living has increased since 1951 when the wage structure was revised to meet the increasing cost of living. The municipality cannot concede to the Union's demand for higher dearness allowance.

It appears that the Naihaty Municipality comprises only an area of 1:68 square miles, and out of this, more than half belongs to the jute and other mills and the Eastern Railway. Ext. B and Ext. B(1) are the Annual Administration Report of the municipality for the years 1951-52 and 1952-53 respectively. Ext. B was submitted by the Officer-in-charge, Shri Kar, on 30th June 1952, and Ext. B(1) was submitted by the present Chairman of the municipality, Shri Ajit Kumar Mukherjee. Ext. B(2) is the Annual Administration Report of the municipality for the year 1953-54. Up to 1949-50, the municipal rates were as follows:—

		Per cent.
Holding	.. ..	9¼
Conservancy	.. ..	4 11/16
Water	.. ..	1 9/16
Lighting	.. ..	1 9/16
	Total ..	17 1/16

During the period of supersession, the Officer-in-charge of the municipality raised the conservancy rate to 6¼ per cent. and the water rate to 1¾ per cent. and the total municipal rates thus came to 18 13/16 per cent. This rate was made effective from 1st April 1950 when quinquennial assessment was made. The learned spokesman for the Union pointed out to me that under the Bengal Municipal Act, the maximum rate which can be realised from a rate-payer is 30¼ per cent. and the municipality had still a large margin for making a further increase of the municipal rates, and that it was necessary for the municipality to replenish its revenue by increase of its rates and to pay the employees reasonable wages as claimed in the charter of demands. Ext. C is a statement showing the increase of municipal rates for the general rate-payers in the revision of assessment of 1949-50. It appears that for the total existing municipal rates of Rs. 96,722-4, an increase of Rs. 71,800-1 was made, which accounted for a 74 per cent. increase on the existing rate. Ext. C(1) shows the resultant increase after hearing of review petitions in 1950-51. It appears that after hearing of review petitions, the increase of taxes came down from Rs. 71,800-1 to Rs. 50,166-7, making up an increase of 52 per cent. The suggestion of the learned spokesman of the Union that the taxes of the municipality should be further raised will mean that although on 1st April 1950, the municipal rates of the rate-payers were increased by more than 50 per cent. there should be a further increase only to provide better emoluments to the employees. There cannot be another assessment within the quinquennial period from 1st April 1950. There should be a revision on 1st April 1955 and there may be some increase at that time. It must

be considered that the powers of taxation should be exercised with due caution, with due regard to the paying capacity of the rate-payers. The taxes are paid in return for amenities of life which the municipality provides for the people in the form of road, light, water, sanitation and health. Taxes cannot be paid out of proportion to the benefits which the municipality can provide for the people. That is why, to my mind, it is not reasonable for the Naihaty Municipality to raise its municipal rates to the maximum fixed by the statute. The municipal authorities can have no moral justification for increasing the taxes without correspondingly increasing the amenities of life of the rate-payers, which under the statute are their responsibilities. For every increase in the revenue, a substantial part should be set apart for increasing and improving the amenities of the rate-payers. It appears from the Administration Report, Ext. B(1) of this municipality that out of a daily average supply of 307,533 gallons of water to the inhabitants in the municipality as much as 222,533 gallons are supplied by the Mills and 85,000 gallons are supplied by the municipal tube-well at Gorifa. The reports state that the water-supply of the town is most inadequate and there is suffering for water scarcity in the town. The report further states that the Public Health Department of the Government have made suggestions to the municipality for improvement of water-supply at a considerable cost, but the municipality has not been able to take any scheme for improvement of water-supply for want of proper finances. It is, therefore, clear that the municipality has also other liabilities to cover any increase of income that may accrue to it by increase of taxes. The income and expenditure for four years as disclosed in Ext. B(2) are as follows:—

Statement of receipt and expenditure of the Municipality.

		Receipt.	Expenditure.
		Rs.	Rs.
1950-51	..	2,99,372	2,77,664
1951-52	..	3,98,205	3,68,499
1952-53	..	3,81,747	3,24,710
1953-54	..	4,00,961	3,60,181

The closing balance of 1953-54 was Rs. 40,780 and for 1952-53 Rs. 57,037. Ext. D. is the notes of Audit of the accounts of the Naihaty Municipality for 1952-53. Audit notes for 1953-54 accounts are as yet not available. It shows that the cash balance of Rs. 57,037-5-3 on 31st March 1953 was not sufficient to meet the entire liabilities of the municipality, which amounted to Rs. 86,920. There is a huge amount of unrealised taxes, which on 31st March 1953, amounted to Rs. 2,87,467. At the end of 1953-54, this amount appears to be more than Rs. 3½ lakh. It appears that out of the unrealised balance in 1953-54, a sum of Rs. 2,46,251 was due from the E.I.R., the Government, the Hooghly-Chinsurah Municipality and some amounts are in dispute with the Mills, and that Rs. 1,22,858 were due from the rate-payers. Although the municipality will have its position improved when the dues from the Government, the Mills and the Railways are realised, I do not find that these amounts will be received in the very near future.

The financial condition of the municipality, as shown by the Audit Report, Ext. D, is not satisfactory. The municipality cannot attain a financial equilibrium until the large dues from the Railways, etc., are realised and the collection of rates from rate-payers is improved. The Union submitted the wage scales of the employees of the Titaghur Municipality (Ext. 1), Kamarhatty Municipality [Ext. 1(a)], and the Baranagore Municipality [(Ext. 1(b)], and the dearness allowance paid to the employees by the Garulia Municipality (Ext. 2), and the Bhatpara Municipality [Ext. 2(a)].

It appears that the basic wage scales of the employees of the Titaghur Municipality, Kamarhatty Municipality and the Baranagore Municipality are higher than that allowed by the Naihaty Municipality. The dearness allowance paid by the Garulia Municipality, the Baranagore Municipality are also higher than that paid to the employees of the Naihaty Municipality. The municipality filed the basic wage scales and dearness allowance allowed to the employees by the Halisahar Municipality (Ext. E), which is adjacent to the Naihaty Municipality, and by the Garulia Municipality [Ext. E(1)], and by the Bhatpara Municipality [(Ext. E(2)]. The scales of basic wages and dearness allowance of Halisahar is not better than those given by the Naihaty Municipality. Although the scale of dearness allowance allowed by the Garulia Municipality and the Bhatpara Municipality are higher than those granted by the Naihaty Municipality, the basic wage scales given by these municipalities are not more favourable than those given by the Naihaty Municipality. It is not possible to come to any conclusion from the wage charts of other municipalities without an overall picture of their financial position. The necessity of complying with a theoretical definition of "living wage" cannot transcend "financial limitations" (Report of the Central Pay Commission, page 32).

In view of the financial condition of the Naihaty Municipality and also the fact that the basic wage scales of the municipality were revised by the Officer-in-charge on 1st March 1951, it is awarded that there should be no further revision or increase of the basic wage scales of the employees of the municipality at the present time. Issue No. 1 is accordingly answered.

It appears to me that the dearness allowance paid by the municipality for the clerical staff receiving the minimum pay is only Rs. 22 and for the sub-ordinate staff getting basic wage below Rs. 35 is only Rs. 10. There should be an increase in the dearness allowance. It is awarded that for employees receiving basic wages below Rs. 35 per month, an additional dearness allowance of Rs. 5 shall be paid and for employees receiving basic wages of Rs. 35 per month or above, an additional dearness allowance of Rs. 10 shall be paid per month. This increase in the dearness allowance will be a substantial addition to the emoluments of the employees and will, to some extent, relieve their hardship. I believe, the municipality will not be put to any difficulty for these increases in the dearness allowance of the employees. These increases should be allowed to all employees who are parties to this proceedings, including the teachers. Issue No. 2 is accordingly answered.

Issue No. 3.—Whether the employees are entitled to any house rent allowance in lieu of free accommodation?

The Union in its demand No. 5 states as follows:—

"Some staff are enjoying housing or house rent allowance without any specific rate. The Union demands provision of free quarters to all employees, or in lieu house rent allowance at 10 per cent. of pay with a minimum of Rs. 10 per month for each employee."

The municipality, in its written statement, stated that it could not concede to this demand.

It appears that the Head Clerk and the Sanitary Inspector get free house accommodation. The compounder gets a house allowance of Rs. 8 and the two mid-wives get a house allowance of Rs. 15 each. No other employee gets any house rent or free house accommodation. The house allowance to the compounder and the mid-wives are given in view of the strenuous nature of their work and the free house accommodation to the Head Clrek and the Sanitary Inspector are given for the convenience of the municipality. I do not find any justification for this claim for other employees. I have not been shown any such practice prevalent in any municipality. This claim is rejected.

Issue No. 4.—Whether a scheme of gratuity for the benefit of the employees should be introduced?

In demand No. 7, the Union states as follows:—

"On retirement or termination of service or on death of the employee, the gratuity money shall be paid ordinarily within three months at the latest to the person, or to his nominee, or legal heirs of the deceased in case of death."

The municipality, in its written statement, states as follows:—

"The municipality introduced the scheme of provident fund about 50 years ago whereby the municipality contributes 6¼ per cent. Under the present financial position of the municipality, it cannot grant a further contribution in the shape of gratuity, as demanded."

It appears from the statement of the Chairman of the municipality that the municipality has adopted a scheme of gratuity or additional contribution according to a scheme made by the Local Self-Government Department of the Government of West Bengal. The adoption of this scheme of additional contribution or gratuity by the Naihaty Municipality was approved by the Government. According to this scheme, the Commissioners may, on the recommendation of the Chairman, grant from the revenues at the time of retirement, to any servant who has subscribed to the Provident Fund and has rendered continuous good service for not less than 15 years, an additional contribution at the rate of half a month's pay for each completed year of service rendered by such servant, subject to a maximum of 15 months' pay. The amount of contribution shall be calculated on the pay drawn by him at the time of retirement. There is a condition that this payment is to be made if the funds of the municipality so permits. In any case, I consider that the municipality should make this additional contribution to its servants on the terms as mentioned above at the time of their retirement. The municipality should be able to find the necessary fund for such payment and payment should not be refused on the ground of paucity of funds. As the municipality has adopted this scheme, it is only proper that no objection should be raised against this retiral benefit, which is absolutely necessary in the interest of the retiring employees. This issue is accordingly answered.

Issue No. 5.—What should be the number of holidays that the members of the staff will enjoy in a year? Should any employee not allowed to enjoy a holiday be paid extra wages for work done on a holiday?

In demand No. 11, the Union states as follows:—

"Holidays as sanctioned by the West Bengal State Government as also other local holidays shall be allowed to all staffs. If the employee is required to work on such holidays, he shall be given over-time remuneration at the rate as mentioned in item No. 9 above."

The municipality in its written statement states that the demand is not understood and wanted a clarification on the point.

At the time of the argument, the first part of the issue, *i.e.*, what should be the number of holidays that the members of the staff will enjoy in a year was not pressed, as the municipal employees were enjoying all holidays as sanctioned by the Government for its employees.

The Union pressed the second part of issue, where it is claimed that an employee who was not allowed to enjoy a holiday should be paid extra wages for work done on holidays. The learned spokesman for the Union argued that there is set of workers who work without any holidays throughout the year. They are the Valve Inspector, Sanitary Inspector, Assistant Sanitary

Inspector, Water Works Inspector, Labour Supervisor and Motor Mechanics. From the very nature of the work done by these employees, the work must be performed from day to day without any break. As for example, a conservancy mazdoor is one of such class of employees maintained by the municipality. The conservancy mazdoor is not, however, involved in this proceeding. If the municipality is to give permission to the employees as mentioned above, or to a conservancy mazdoor to enjoy holidays, it will be required to employ additional hands on holidays and this will entail a great extra cost, which from the financial condition of the municipality, it is not possible to impose upon it at the present time. Nor is it proper that the municipality should pay any extra wages to these categories of employees for work done by them on holidays. Such holidays do not exist for these employees, in view of the peculiar nature of the work done. Such a claim was also made before the learned Tribunal adjudicating on the dispute between the Calcutta Corporation and its employees in July 1948, as well as in May 1950, and the claim was rejected by both the Tribunals. I do not consider that these out-door employees should be given any holidays or paid any extra wages for work done on holidays. This issue is accordingly answered.

Issue No. 6.—What should be the period of probation?

The Union claims that the probationary period of an employee shall not exceed six months in any case. The municipality states that it generally confirms an employee appointed in a permanent vacancy after the completion of a probationary period of one year. I do not consider that this rule requires any alteration.

Issue No. 7.—What should be the rules of Provident Fund?

In demand No. 14, the Union states that the Provident Fund should be extended to all employees in permanent service. The rate of municipal contribution towards an employee's Provident Fund shall not be less than 8 1/3 per cent. of his salary, the employee being required to subscribe an equal amount. On retirement or termination of service or on death of an employee, the Provident Fund money shall ordinarily be paid in full within three months at the latest to the person concerned or to the nominee or legal heirs of the deceased in case of death.

The municipality in its written statement states that the Provident Fund introduced by the municipality is based upon the Model Rules for the Management of the Provident Fund of the Municipalities and District Boards. The Union's demand in this respect is, therefore, not understood. It appears, however, from the Union's statement that they asked for increase in the employee's contribution from 6¼ per cent. to 8 1/3 per cent. This is a matter outside the scope of the order of reference. The municipality cannot concede to the demand made by the Union. The claim that contribution to the Provident Fund should be increased from 6¼ per cent. to 8 1/3 per cent. on either side and that peons and durwans should be allowed to contribute to the Provident Fund is not allowed, in view of the financial condition of the municipality. The superior staff are enjoying Provident Fund for the last 50 years. The learned Chairman for the municipality informs me that payment to the Provident Fund is made with the utmost despatch. No instance of avoidable delay in the payment of Provident Fund to the employees has been mentioned before me by the Union. It is awarded that payment of the Provident Fund to the employees should be made without any avoidable delay. This issue is accordingly awarded.

PUBLIC SERVICE COMMISSION, WEST BENGAL.

Advertisement No. 24(a).

APPLICATIONS are invited for a temporary post of Executive Engineer, Kalyani Building Division. Candidates who applied for the post in response to Commission's advertisement No. 61(a), dated 30th January 1954, need not apply again. Their previous applications will be considered.

(1) **Qualifications.**—

(i) Citizenship of India as defined in Part II of the Constitution of India.

(ii) B.E. degree in Civil Engineering of the Calcutta University or its equivalent.

(iii) Eight years' experience as Civil Engineer after graduation, preferably in responsible position.

(iv) Age not more than 50 years on 1st August 1954, relaxable for an exceptionally qualified candidate and for a person in Government service. The upper age limit is relaxable by three years for members of Scheduled Castes and Scheduled Tribes.

The upper age limit is relaxable for a non-Muslim Government servant in undivided Bengal who had originally opted to serve in East Bengal and was working under the Government of East Bengal after partition but has since formally resigned his service under that Government and has come over to India as refugee.

A candidate who before the 15th August 1947 was detained, imprisoned, interned or externed on account of country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(2) **Pay.**—The scale of pay is Rs. 500—30—680—40—1,200 per month plus usual allowances. Higher initial pay may be given to a candidate specially well-qualified and experienced according to qualifications and experience.

(3) **Instructions regarding submission of applications.**—Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House, (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed **(not handwritten)** form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 10th March 1949, provided the blanks are filled up in the candidates' own handwriting.

The applications must be addressed to the Secretary and should reach him not later than the 14th August 1954.

(4) **Particulars and certificates required.**—Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

(5) **Fee.**—Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXXVI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal orders, however, may be accepted from candidates. They should be crossed and made payable to "the Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers. In no case will the fee paid with the application be refunded.

The Commission may remit genuinely indigent and bona fide displaced persons' fee.

For the purpose of the concessions referred to above the definition of "Displaced Person" will be as follows:—

Definition.—"Displaced Person" means a person ordinarily resident in the territories now comprising Pakistan, who has arrived from the said territory after the end of December 1950 in the Indian Union on account of civil disturbances or fear of such disturbances or the partition of India and intends to take up his permanent residence in the Union of India:

Provided that a person already in the permanent employ of Government shall not be deemed as a displaced person.

Note.—(i) "A displaced person claiming age concession must furnish with his application satisfactory evidence that he is a bona fide displaced person and came out to India after the end of December 1950, e.g., refugee registration card or a certificate from a gazetted officer or a Member of Parliament or State Legislature, in original.

(ii) A member of the Scheduled Caste or Scheduled Tribe claiming age concessions must furnish with his application a certificate in original from a gazetted officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

(iii) A displaced person seeking remission of the application fee must furnish besides the evidence required under Note (i) above, a certificate (in original) from a district officer or a gazetted officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee."

(6) **Address.**—Candidates should give their present address and should communicate at once any subsequent change of address.

(7) **Canvassing.**—Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendation from persons interested in the candidates or otherwise known to them will be disregarded.

(8) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

(i) High post-graduate qualifications in Veterinary Science, e.g., diploma in Veterinary State Medicine or diploma in Tropical Veterinary Medicine or Associateship of the Indian Veterinary Research Institute.

(ii) Ability to conduct research as evidenced by published scientific papers.

(iii) Combination of teaching and clinical experience.

Age should not ordinarily be below 25 years or above 45 years on 31st December 1954, relaxable in the case of candidates possessing exceptionally high qualifications or for persons holding substantive appointments under the Central or State Government.

The upper age limit is relaxable by 3 years for Scheduled Castes and Scheduled Tribes.

The upper age limit is relaxable for a non-Muslim Government servant in undivided Bengal who had originally opted to serve in East Bengal and was working under the Government of East Bengal after partition but has since formally resigned his service under that Government and has come over to India as refugee.

A candidate who before the 15th August 1947 was detained, imprisoned, interned or externed on account of his activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(2) **Pay.**—The scale of pay is Rs. 350—30—680—40—1,200 per month plus the usual allowances.

A candidate not already serving in West Bengal Veterinary Service, if selected, will be given higher initial pay on age basis on the date of assuming duties as follows:—

Age.	Pay in the time-scale.
	Rs.
25 or under	350
26	380
27	410
28	440
29	470
30	500
31	530
32	560
33	590
34	620
35 and above	650

(3) **Instructions regarding submission of applications.**—Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed **(not handwritten)** form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 10th March 1949, provided the blanks are filled up in the candidates' own handwriting.

The applications must be addressed to the Secretary and should reach him not later than the 14th August 1954.

(4) **Particulars and certificates required.**—Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

(5) **Fee.**—Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXXVI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal orders, however, may be accepted from candidates. They should be crossed and made payable to "the Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers. In no case will the fee paid with the application be refunded.

The Commission may remit genuinely indigent and bona fide displaced persons' fee.

For the purpose of the concessions referred to above the definition of "Displaced Person" will be as follows:—

Definition.—"Displaced Person" means a person ordinarily resident in the territories now comprising Pakistan, who has arrived from the said territory after the end of December 1950 in the Indian Union on account of civil disturbances or fear of such disturbances or the partition of India and intends to take up his permanent residence in the Union of India:

Provided that a person already in the permanent employ of Government shall not be deemed as a displaced person.

Note.—(i) "A displaced person claiming age concession must furnish with his application satisfactory evidence that he is a bona fide displaced person and came out to India after the end of December 1950, e.g., refugee registration card or a certificate from a gazetted officer or a Member of Parliament or State Legislature, in original.

(ii) A member of the Scheduled Caste or Scheduled Tribe claiming age concessions must furnish with his application a certificate in original from a gazetted officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

(iii) A displaced person seeking remission of the application fee must furnish besides the evidence required under Note (i) above, a certificate (in original) from a district officer or a gazetted officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee."

(6) **Address.**—Candidates should give their present address and should communicate at once any subsequent change of address.

(7) **Canvassing.**—Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendation from persons interested in the candidates or otherwise known to them will be disregarded.

(8) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

K. P. SEN,
Commissioner of Excise, West Bengal.

NOTICE.

APPLICATIONS are invited for admission to the next term of the **Prince of Wales's Military College, Dehra Dun,** commencing in January 1955.

Course.—The College provides a public school education for boys who wish to obtain commissions in the Army, Navy or Air Force. The educational training is designed to bring boys up to the standard of the Senior Cambridge School Certificate and the Qualifying Examinations for entry into the National Defence Academy. Compulsory physical training, games and parades ensure physical fitness and smartness; while special attention is paid to the imparting of discipline, self-reliance and social training to all cadets.

Admission.—Candidates for admission to the next term of the College which commences from January 1955, will have to qualify at an Entrance Examination to be held at Calcutta some time in 3rd week of September 1954 followed by an interview.

Age limits.—Candidates must have been born *not* earlier than 21st January 1943 and *not* later than 20th January 1944. **The age limits can in no case be relaxed.**

Educational qualifications.—No educational qualification is prescribed for admission to this College but it is expected that the candidate should have read up to Class VII standard of a Secondary School.

Fees.—The fees are Rs. 750 per term *plus* additional expenses of Rs. 400 (e.g., uniforms, pocket money, books, washing, etc.). The actual cost is thus Rs. 2,300 per annum. A cadet spends 5 to 6 years at the College.

Scholarships.—A limited number of scholarships of Rs. 1,000 per annum is awarded to the deserving cadets after admission to the College by the West Bengal Government.

Applications.—Application on the prescribed form in duplicate which can be had on request from the Assistant Secretary, Home (Defence) Department, Government of West Bengal, Writers' Buildings, Calcutta, should be submitted so as to reach him on or before the 16th August 1954.

IN THE COURT OF THE MUNSIF OF BETTIAH, DISTRICT CHAMPARAN.

PART VI.—Bills introduced in Parliament of India; Reports of Select Committees presented to Parliament; and Bills published before introduction in Parliament.

COUNCIL OF STATES.

The following Bill was introduced in the Council of States on the 6th May, 1954:

BILL NO. XI OF 1954.

A Bill further to amend the Industrial Disputes Act, 1947.

BE it enacted by Parliament in the Fifth Year of our Republic as follows:—

1. Short title and commencement.—(*1*) This Act may be called the Industrial Disputes (Amendment) Act, 1954.

(*2*) It shall be deemed to have come into force on the 1st day of April, 1954.

2. Amendment of section 25A, Act XIV of 1947.—In sub-section (*2*) of section 25A of the Industrial Disputes Act, 1947 (hereinafter referred to as the principal Act), for the *Explanation*, the following *Explanation* shall be substituted, namely:—

"*Explanation.*—In this section and in sections 25C, 25D and 25E, 'industrial establishment' means—

(*i*) a factory as defined in clause (*m*) of section 2 of the Factories Act, 1948 (LXIII of 1948); or

(*ii*) a mine as defined in clause (*j*) of section 2 of the Mines Act, 1952 (XXXV of 1952); or

(*iii*) a plantation as defined in clause (*f*) of section 2 of the Plantations Labour Act, 1951 (LXIX of 1951)."

3. Amendment of section 25J, Act XIV of 1947.—In the proviso to sub-section (*1*) of section 25J of the principal Act, after the words "which a workman has under", the words, figures and brackets "the Minimum Wages Act, 1948 (XI of 1948) or any notification or order issued thereunder or" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

The Industrial Disputes (Amendment) Act, 1953, provides for payment of lay-off compensation to workers in factories covered by the Factories Act, 1948, and in mines coming under the Mines Act, 1952. Workers in plantations have, however, not been included in the Act. In view of the insistent demand of plantation workers, the question of extending the provisions relating to lay-off benefits to them was placed before the Meeting of the Industrial Committee on Plantations held at Calcutta in January, 1954. The Committee recommended that the provisions of the Industrial Disputes (Amendment) Act, 1953, relating to lay-off should be applied to the plantation industry with effect from the 1st April, 1954, subject to the condition that none of the provisions of the Act derogated from the effect of any statutory notifications issued by Governments or of any agreements or contracts entered into between the parties requiring the provision by employers of a minimum number of days of work or wages or compensation to workers. The Bill is intended to give statutory effect to the above recommendation.

PARLIAMENT SECRETARIAT.

NOTIFICATION.

New Delhi, the 26th May 1954.

No. CS.7(33)/54-L.—Under rule 49 of the Rules of Procedure and Conduct of Business in the Council of States, the Chairman has been pleased to order the publication in the *Gazette of India* of the following Bill together with the Statement of Objects and Reasons relating thereto, and the Bill and the Statement of Objects and Reasons are accordingly published for general information :—

[TO BE INTRODUCED IN THE COUNCIL OF STATES.]

BILL NO. XIII OF 1954.

A Bill to amend and codify the law relating to intestate succession among Hindus.

BE it enacted by Parliament in the Fifth Year of the Republic of India as follows :—

CHAPTER I.

PRELIMINARY.

1. Short title and extent.—(*1*) This Act may be called the Hindu Succession Act, 1954.

(*2*) It extends to the whole of India except the State of Jammu and Kashmir, and applies also to Hindus domiciled in the territories to which this Act extends who are outside the said territories.

2. Application of Act.—(*1*) This Act applies—

(*a*) to any person who is a Hindu by religion in any of its forms or developments, including a Virashaiva, a Lingayat or a follower of the Brahmo, Prarthana or Arya Samaj,

(*b*) to any person who is a Buddhist, Jaina or Sikh by religion, and

(*c*) to any other person domiciled in India who is not a Muslim, Christian, Parsi or Jew by religion, unless it is proved that any such person would not have been governed by the Hindu law or by any custom or usage as part of that law in respect of any of the matters dealt with herein if this Act had not been passed.

Explanation.—The following persons are Hindus by religion within the meaning of this Act,—

(*a*) any illegitimate child both of whose parents are Hindus,

(*b*) any child, legitimate or illegitimate, one of whose parents is a Hindu and who is brought up as a member of the tribe, community, group or family to which such parent belongs or belonged, and

(*c*) any person who is a convert or re-convert to the Hindu religion.

(*2*) The expression 'Hindu' in any portion of this Act shall be construed as if it included a person who, though not a Hindu by religion, is, nevertheless, a person to whom this Act applies by virtue of the provisions contained in sub-section (*1*).

3. Definitions and interpretation.—(*1*) In this Act, unless the context otherwise requires,—

(*a*) 'agnate'—one person is said to be an 'agnate' (*gotraja*) of another if the two are related by blood or adoption wholly through males;

(*b*) 'cognate'—one person is said to be a 'cognate' (*bandhu*) of another if the two are related by blood or adoption but not wholly through males;

(*c*) 'full blood', 'half blood' and 'uterine blood'—

(*i*) two persons are said to be related to each other by full blood when they are descended from a common ancestor by the same wife, and by half blood when they are descended from a common ancestor but by different wives.

(*ii*) two persons are said to be related to each other by uterine blood when they are descended from a common ancestress but by different husbands;

Explanation.—In this clause 'ancestor' includes the father and 'ancestress' the mother;

(*d*) 'heir' means any person, male or female, who is entitled to succeed to the property of an intestate under this Act;

(*e*) 'intestate'—a person is deemed to die intestate in respect of property of which he or she has not made a testamentary disposition capable of taking effect;

(*f*) 'related' means related by legitimate kinship:

Provided that illegitimate children shall be deemed to be related to their mother and to one another, and their legitimate descendants shall be deemed to be related to them and to one another; and any word expressing relationship or denoting a relative, shall be construed accordingly;

(*g*) 'son' includes a son adopted in accordance with the law for the time being in force relating to adoption among Hindus.

(*2*) In this Act, unless the context otherwise requires, words importing the masculine gender shall not be taken to include females.

(*3*) For the purposes of this Act, the domicile of a Hindu shall be determined in accordance with the provisions contained in sections 6 to 18 inclusive of the Indian Succession Act, 1925 (XXXIX of 1925).

4. Over-riding effect of Act.—Save as otherwise expressly provided in this Act,—

(*a*) any text, rule or interpretation of Hindu law or any custom or usage as part of that law in force immediately before the commencement of this Act shall cease to have effect with respect to any matter for which provision is made in this Act;

(*b*) any other law in force immediately before the commencement of this Act shall cease to apply to Hindus in so far as it is inconsistent with any of the provisions contained in this Act.

CHAPTER II.

INTESTATE SUCCESSION.

General.

5. Act not to apply to certain properties.—This Act shall not apply to—

(*i*) any joint family property or any interest therein which devolves by survivorship on the surviving members of a coparcenary in accordance with the law for the time being in force relating to devolution of property by survivorship among Hindus;

(*ii*) any property succession to which is regulated by the Indian Succession Act, 1925 (XXXIX of 1925) by reason of the provisions contained in section 24 of the Special Marriage Act, 1872 (III of 1872);

(*iii*) any estate which descends to a single heir by a customary rule of succession or by the terms of any grant or enactment;

(*iv*) the following estates situate in the State of Travancore-Cochin, namely, Idapally, Poonjar and Kilimanoor estates and the Valiamma Thanpuran Kovilagam estate, including the Palace Fund.

6. Intestate succession to be regulated by this Chapter.—Save as otherwise expressly provided in section 5, this Chapter regulates the succession to the property of a Hindu dying intestate after the commencement of this Act in the following cases, namely:—

(*a*) where the property is movable property, unless it is proved that the intestate was not domiciled in the territories to which this Act extends at the time of his or her death;

(*b*) where the property is immovable property situate in the said territories whether the intestate was domiciled in the said territories at the time of his or her death or not.

7. No distinction between divided and undivided sons, etc., for purposes of succession.—For purposes of intestate succession, no distinction shall be made—

(*1*) between a son who was divided and a son who was undivided from the intestate or between a son who was divided and a son who was reunited with him;

(*2*) between a female heir who is married and one who is unmarried, or a female heir who is a widow and one who is not a widow or between a female heir who is poor and one who is rich or between a female heir with issue and one without issue or possibility of issue.

Succession to the property of males.

8. General rules of succession in the case of males.—Save as otherwise expressly provided in sections 16 to 26 inclusive, the property of a male Hindu dying intestate shall devolve according to the rules set out in this Chapter:—

(*a*) firstly, upon the preferential heirs, being the relatives specified in class I of the Schedule;

(*b*) secondly, if there is no preferential heir of class I, then upon the preferential heirs being the relatives specified in class II of the Schedule;

(*c*) thirdly, if there is no preferential heir of any of the two classes, then upon his relatives being the agnates specified in section 12; and

(*d*) lastly, if there is no agnate, then upon his relatives being the cognates specified in section 13.

9. Order of succession among preferential heirs.—As amongst the preferential heirs, those in class I of the Schedule shall take together, and those standing in the first entry in class II shall be preferred to those standing in the second entry, and those standing in the second entry to those standing in the third entry and so on in succession.

10. Distribution of property among preferential heirs in class I.—The property of an intestate shall be divided among the preferential heirs in class I in accordance with the following rules:—

Rule 1.—The intestate's widow, or, if there are more widows than one, all the widows together, shall take one share.

Rule 2.—Each surviving son of the intestate shall take one share.

Rule 3.—The heirs in the branch of each pre-deceased son of the intestate shall take between them one share if there is a son or son's son of such pre-deceased son; and half a share in other cases.

Rule 4.—The distribution of the share or half share referred to in rule 3 among the heirs in the branch of a pre-deceased son shall be so made that his widow (or widows together) and each of the surviving sons get equal portions and the branch of each of his pre-deceased sons gets the same portion if it contains a son of such pre-deceased son and one-half of such portion in other cases.

Rule 5.—Each surviving daughter of the intestate shall take half a share.

Rule 6.—The heirs in the branch of each pre-deceased daughter of the intestate shall take between them the share of such pre-deceased daughter.

11. Mode of distribution amongst preferential heirs in class II.—The property of an intestate shall be divided between the preferential heirs in any one entry in class II of the Schedule so that they share equally.

12. Agnates who are heirs.—In the absence of any preferential heirs specified in class I or class II of the Schedule, agnates of the deceased, related to the intestate within five degrees, shall be entitled to succeed in accordance with the rules set out in this Act.

13. Cognates who are heirs.—In the absence of any preferential heir and agnates, cognates of the deceased, related to the deceased within five degrees, shall be entitled to succeed in accordance with the rules set out in this Act.

14. Order of succession amongst agnates and cognates.—The order of succession among agnates or cognates, as the case may be, shall be determined in accordance with the rules of preference laid down hereunder:—

Rule 1.—Of two heirs, the one who has fewer or no degrees of ascent is preferred.

Rule 2.—Where the number of degrees of ascent is the same or none, that heir is preferred who has fewer or no degrees of ascent.

Rule 3.—Where the number of degrees of descent is also the same or none, the heir who is in the male line is preferred to the heir who is in the female line at the first point (counting from the intestate to the heir) where the lines of the two heirs can be so distinguished.

Rule 4.—Where the two lines cannot be so distinguished the heir who is a male is preferred to the heir who is a female.

Rule 5.—Where neither heir is entitled to be preferred to the other under the foregoing rules, they take together.

15. Computation of degrees.—(*1*) For the purposes of determining the order of succession amongst agnates or cognates, relationship shall be reckoned from the intestate to the heir in terms of degrees of ascent or degrees of descent, or both, as the case may be.

(*2*) Degrees of ascent and degrees of descent shall be computed exclusive of the intestates.

(*3*) Every generation constitutes a degree either ascending or descending.

Succession to the property of male Marumakkattayis, etc.

16. Rules of succession to male Marumakkattayis, etc., dying intestate.—Notwithstanding anything contained in this Act, the separate or self-acquired property of a male Hindu who dies intestate in respect thereof, shall—

(*a*) in the case of a perso to whom the Marumakkattayam or Aliyasantana law would have applied if this Act had not been passed, devolve in the order and according to the rules set out in sections 17 to 24 inclusive; and

(*b*) in the case of a person to whom the Nambudri law would have applied if this Act had not been passed, devolve in the order and according to the rules set out in section 25.

17. Lineal descendant defined.—In sections 18 to 25 inclusive and in sections 30 and 31, the expression "lineal descendant", used with reference to any person, means any descendant, of that person, whether in the male or female line or partly in the male and partly in the female line, and includes any child of that person.

18. Devolution of property where there is a lineal descendant.—(*1*) Where the intestate has left him surviving a lineal descendant or descendants and also his mother or a widow or widows or both his mother and a widow or widows, the whole of the intestate's property shall devolve on them.

(*2*) In the absence of the mother and widow, the whole of the property shall devolve on the lineal descendant or descendants.

19. Rules of distribution.—The distribution of the property among the heirs referred to in section 18 shall be made in accordance with the following rules, namely:—

(*a*) each child whether son or daughter shall be entitled to an equal share;

(*b*) where a child has pre-deceased the intestate, the lineal descendants of such child shall, subject to the provisions of clause (*e*), be entitled to the share which the child would have taken had he or she survived the intestate;

(*c*) grand-children of the intestate by a deceased child shall be entitled in equal shares to what such child would have taken had he or she survived the intestate:

Provided that where any such grand-child has also pre-deceased the intestate, the lineal descendants of such grand-child shall, subject to the provisions of clause (*e*), be entitled to the share which the grand-child would have taken had he or she survived the intestate.

(*d*) the property shall devolve in the like manner on the remoter surviving lineal descendants of the intestate;

(*e*) the descendants of a child, grand-child or other lineal descendant of the intestate shall not be entitled to any share in his or her property, if such child, grand-child or other descendant is living at the time of the death of the intestate;

(*f*) the widow, or, where there are more widows than one all the widows together, shall be entitled to a share equal to that of a child, such share being taken equally by the widows where there are more widows than one:

(*g*) the mother shall be entitled to a share equal to that of a child.

20. Devolution of property where there is no lineal descendant but there is a widow or mother.—(*1*) Where the intestate has not left him surviving any lineal descendant but has left his mother and a widow or widows, one-half of the property shall devolve on his mother and the other half on his widow or widows in equal shares.

(*2*) In the absence of a widow; the whole of the property shall devolve on the mother.

21. Devolution of property where there is no mother but there is a widow or lineal descendant of mother.—(*1*) Where the intestate has not left him surviving any lineal descendant or his mother but has left a widow or widows and also a lineal descendant or descandants of his mother, one-half of the property shall devolve on the widow or widows in equal shares and the other half on such lineal descendant or descendants.

(*2*) In the absence of any lineal descendant of the intestate's mother, the whole of the property shall devolve on the widow or widows in equal shares and, in the absence of the widow, the whole of the property shall devolve on the mother's lineal descendants.

22. Devolution where there is maternal grand-mother or her descendant or the father.—(*1*) Where the intestate has not left him surviving any of the heirs mentioned in sections 18, 20 and 21 but has left his father and his maternal grand-mother or her lineal descendant or descendants one-half of the property shall devolve on his father and the other half on his maternal grand-mother or, in her absence, on her lineal descendant or descendants.

(*2*) In the absence of any lineal descendant of the maternal grand-mother the whole of the property shall devolve on the father, and, in the absence of the father, the whole of the property shall devolve on the maternal grand-mother or her lineal descendant or descendants, as the case may be.

23. Devolution in other cases.—(*1*) Where the intestate has not left him surviving any of the heirs mentioned in sections 18, 20, 21 and 22, the whole of the property shall devolve on his mother's maternal grand-mother, or, in her absence, on her lineal descendant or descendants.

(2) In the absence of any such descendant, the whole of the property shall devolve on a remoter female ascendant of the intestate in the female line or, in her absence, on her lineal descendant or descendants, the nearer ascendant and her descendants, excluding the more remote ascendant and her descendants.

24. Rules for distribution among lineal descendants of mother or other descendant.—The distribution of the intestate's property or any share thereof to which two or more lineal descendants of his mother or other ascendant are entitled under the foregoing sections shall be made in accordance with the rules specified in clauses (*a*) to (*e*) of section 19, as if the mother or other ascendant had died intestate in respect of such property or share leaving her surviving the descendants aforesaid.

25. Special rules of succession to Nambudri males.—Notwithstanding anything contained in this Act, the separate or self-acquired property of a male Hindu to whom the Nambudri law would have applied if this Act had not been passed shall, if he dies intestate in respect thereof, devolve in the order, and in accordance with the rules, specified below, namely:—

(*a*) where the intestate has left him surviving any lineal descendant or descendants or a widow or widows or both such descendant or descendants and a widow or widows, the whole of the property shall devolve on them in accordance with the rules specified in clauses (*a*) to (*f*) of section 19;

(*b*) where the intestate has not left him surviving any of the relatives mentioned in clause (*a*) the property shall devolve in the order, and in accordance with the rules, specified in sections 7 to 15.

Intestate succession to the property of females.

26. Property of a female Hindu to be her absolute property.—(*1*) Save as otherwise provided in sub-section (*2*), where a female Hindu acquires any property, movable or immovable, after the commencement of this Act, whether such property is acquired by inheritance or devise, or at a partition, or in lieu of maintenance or arrears of maintenance, or by gift from any person, whether a relative or not, before, at or after her marriage, or by her own skill or exertion, or by purchase, or by prescriptions, or in any other manner whatsoever, such property shall be held by her as full owner thereof and not as a limited owner.

Explanation.—Any such property as is referred to in this sub-section shall also include property held by a female Hindu as her *stridhana* immediately before the commencement of this Act.

(*2*) Nothing contained in sub-section (*1*) shall apply to—

(*a*) any property acquired by a female Hindu by way of gift or under a will, where the terms of the gift or will, expressly or by necessary implication, prescribe a restricted estate in such property; or

(*b*) any ancestral property acquired by a female Hindu by way of inheritance or at a partition, where under any law or custom or usage having the force having the force of law a male owner acquiring any such property in similar circumstances would have held it subject to restrictions on his right of alienation with respect thereto;

and any such property shall be held by the female Hindu subject to the terms of the will or gift or, as the case may be, subject to the same restrictions as would have applied if the property had been held by a male owner.

27. General rules of succession in the case of female Hindus.—Save as otherwise expressly provided in sections 29, 30 and 31, the property of a female Hindu held by her as full owner, if she dies intestate in respect thereof, shall devolve according to the rules set out in section 28—

(*a*) firstly, upon the children, including the children of any pre-deceased child;

(*b*) secondly, upon the husband;

(*c*) thirdly, upon the mother and father;

(*d*) fourthly, upon the heirs of the husband;

(*e*) fifthly, upon the heirs of the mother; and

(*f*) lastly, upon the heirs of the father.

28. Order of sucession and manner of distribution among heirs of a female Hindu.—The order of succession among the heirs referred to in section 27 and the distribution of the intestate's property among those heirs shall take place according to the following rules, namely:—

Rule 1.—Among the heirs specified in section 27, those in one clause shall be preferred to those in any succeeding clause, and those included in the same clause shall take together.

Rule 2.—If any child of the intestate had pre-deceased the intestate leaving his or her own children alive at the time of the intestate's death, the children of such child shall take the share which such child would have taken if living at the intestate's death.

Rule 3.—The devolution of the property of the intestate on the heirs referred to in clauses (*d*), (*e*) and (*f*) of section 27 shall be in the same order and according to the same rules as would have applied if the property had been the husband's or the mother's or the father's, as the case may be, and such person had died intestate in respect thereof immediately after the intestate's death.

29. Special rules of succession in the case of certain properties of female Hindus.—Nothing contained in sections 26 to 28 shall apply to any property in which a female Hindu had, at the commencement of this Act, the limited estate known as the Hindu woman's estate, and such property shall, on her death, devolve on the persons who, under this Act, would have been the heirs of the last full owner thereof if such owner had died intestate immediately after her.

Succession to the property of female Marumakkattayis, etc.

30. Rules of succession to Marumakkattayam or Aliyasantana female dying intestate.—Notwithstanding anything contained in this Act, the separate or self-acquired property of a female Hindu to whom the Marumakkattayam or Aliyasantana law would have applied if this Act had not been passed shall, if she dies intestate in respect thereof, devolve in the order and according to the rules set out hereunder, namely:—

(*a*) where the intestate has left her surviving a lineal descendant or descendants, the whole of such property shall devolve on such descendant or descendants in accordance with the provisions contained in clauses (*a*) to (*e*) of section 19;

(*b*) in the absence of any lineal descendant of the intestate, the whole of the property shall devolve on the intestate's mother or, in her absence, on her lineal descendant or descendants.

(*c*) where the intestate has not left her surviving any lineal descendant of herself or of her mother but has left her husband and her maternal grand-mother or her lineal descendant or descendants, one-half of the property shall devolve on her husband and the other half shall devolve on her grand-mother or, in her absence, on her lineal descendant or descendants;

(*d*) in the absence of the intestate's maternal grand-mother and her lineal descendants, the whole of the property shall devolve on the intestate's husband, and, in the absence of the husband, the whole of the property shall devolve on her maternal grand-mother or her lineal descendant or descendants as the case may be;

(*e*) where the intestate has not left her surviving any of the heirs mentioned in the foregoing clauses, the whole of the property shall devolve on her mother's maternal grand-mother or in her absence on her lineal descendant or descendants and, in the absence of any such descendant, on a remoter female ascendant in the female line or, in her absence, on her lineal descendant or descendants, the nearer ascendant and her descendants excluding the more remote ascendants and her descendants;

(*f*) the distribution of the intestate's property or any share thereof to which two or more lineal descendants of her mother or other ascendant are entitled under the foregoing clauses shall be made in accordance with the rules specified in clauses (*a*) to (*e*) of section 19, as if the mother or other ascendant had died intestate in respect of such property or share leaving her surviving the descendants aforesaid.

31. Rules of succession to Nambudri female dying intestate.—Notwithstanding anything contained in this Act, the separate or self-acquired property of a female Hindu to whom the Nambudri law would have applied if this Act had not been passed shall, if she dies intestate in respect thereof, devolve in the order, and in accordance with the rules set out hereunder, namely:—

(*a*) where the intestate has left her surviving any lineal descendant or descendants, the whole of the property shall devolve on such descendant or descendants in accordance with the rules specified in clauses (*a*) to (*e*) of section 19;

(*b*) in the absence of any lineal descendant, the property shall devolve on her husband;

(*c*) in the absence of the husband, the property shall devolve upon the other heirs in the order, and in accordance with the rules set out in section 27.

Section to the property of a hermit.

32. Rules for hermits, etc.—(*1*) Where a person completely and finally renounces the world by becoming a hermit (*vanaprastha*), or an ascetic (*yati* or *sanyasi*) or a perpetual religious student (*naishthika brahmachari*), his property shall devolve upon his heirs in the same order and according to the same rules as would have applied if he had died intestate in respect thereof at the time of such renunciation.

(*2*) Any property acquired by such a person after his renunciation shall devolve on his death, not upon his relatives, but as follows:—

(*a*) in the case of a hermit (*vanaprastha*), upon a spiritual brother belonging to the same hermitage (*dharmabhratraikatirtha*);

(*b*) in the case of an ascetic (*yati* or *sanyasi*), subject to any custom or usage governing the case, upon his virtuous disciple (*sacchishya*); and

(*c*) in the case of a perpetual religious student (*naishthika brahmachari*) upon his preceptor (*acharya*).

General provisions relating to succession.

33. Full blood preferred to half blood.—Heirs related to an intestate by full blood shall be preferred to heirs related by half blood, if the nature of the relationship is the same in every other respect.

34. Mode of succession of two or more heirs.—If two or more heirs succeed together to the property of an intestate, they shall take the property :—

(*a*) save as otherwise expressly provided in this Act, *per capita* and not *per stirpes*; and

(*b*) as tenants-in-common and not as joint tenants.

35. Right of child in womb.—A person who was in the womb at the time of the death of an intestate and who is subsequently born alive shall have the same right to inherit to the intestate as if he or she had been born before the death of the intestate; and the inheritance shall be deemed to vest in such a case with effect from the date of the death of the intestate.

36. Presumption of survivorship.—Where two persons have died in circumstances rendering it uncertain whether either of them, and if so which, survived the other, then, for all purposes affecting succession to property, it shall be presumed, until the contrary is proved, that the younger survived the elder.

37. Application of Partition Act, 1893, in certain cases.—Where, after the commencement of this Act, a share in any immovable property of an intestate or in any business carried on by such intestate, whether solely or in conjunction with others,—

(*a*) devolves upon one or more of the intestate's son, son's son, son's son's son, together with other relatives, and one of the later sues for partition, or

(*b*) devolves upon a female heir, together with any of the male relatives specified in class I of the Schedule, and any one of such male relatives compels the female heir to take her share of the property of the intestate for separate enjoyment (which he is hereby empowered to do),

the provisions of the Partition Act, 1893 (IV of 1893) shall apply as if there was a partition and as if he or she were the transferee of a share of a dwelling-house and the intestate's family were an undivided one.

Disqualification of heirs.

38. Hermit, etc., disqualified.—A person who has completely and finally renounced the world in any of the modes set forth in sub-section (*1*) of section 32 shall be disqualified from inheriting the property of any of his relatives by blood marriage or adoption.

39. Unchaste wife disqualified.—A woman, who after marriage, has been unchaste during her husband's lifetime, shall, unless he has condoned the unchastity, be disqualified from inheriting his property:

Provided that the right of a woman to inherit to her husband shall not be questioned on the above ground, unless a Court of law has found her to have been unchaste as aforesaid in a proceeding to which she and her husband were parties and in which the matter was specifically in issue, the finding of the Court not having been subsequently reversed.

40. Disqualification of certain widows remarrying.—The widow of a pre-deceased son, the widow of a pre-deceased son of a pre-deceased son, the father's widow and the brother's widow shall not be entitled to succeed as heirs, if on the date the succession opens, they have remarried.

41. Murderer disqualified.—A person who commits murder or abets the commission of murder shall be disqualified from inheriting the property of the person murdered, or any other property in furtherance of the succession to which he or she committed or abetted the commission of the murder.

42. Convert's descendants disqualified.—Where, before or after the commencement of this Act, a Hindu has ceased or ceases to be one by conversion to another religion, children born to him or her after such conversion and their descendants shall be disqualified from inheriting the property of any of their Hindu relatives, unless such children or descendants are Hindus at the time when the succession opens.

43. Succession when heir disqualified.—If any person is disqualified from inheriting any property under this Act, it shall devolve as if such person had died before the intestate.

44. Disease, defect, etc., not to disqualify.—No person shall be disqualified from succeeding to any property on the ground of any disease, defect or deformity, or save as provided in this Act, on any other ground whatsoever.

Escheat.

45. Failure of heirs.—If an intestate has left no heir qualified to succeed to his or her property in accordance with the provisions of this Act, such property shall go to the Government; and the Government shall take the property subject to all the obligations and liabilities to which an heir would have been subject.

CHAPTER III.

TESTAMENTARY SUCCESSION.

46. Testamentary succession.—Any Hindu may dispose of by will or other testamentary disposition any property, which is capable of being so disposed of by him, in accordance with the provisions of the Indian Succession Act, 1925 (XXXIX of 1925), or any other law for the time being in force and applicable to Hindus.

Explanation.—In this Schedule, references to a brother or sister, do not include references to a brother or sister by uterine blood.

STATEMENT OF OBJECTS AND REASONS.

This, the third instalment of the Hindu Code, seeks to amend and codify the law relating to intestate succession. The original draft of the provisions relating to intestate succession contained in the Rau Committee's Bill underwent substantial changes in the hands of the Select Committee which considered the Rau Committee's Bill in 1948. This Bill follows to a large extent the scheme adopted by the Select Committee but takes into account the various suggestions made from time to time for the amendment of the Select Committee's version of the Bill. In particular, special provisions have been included for regulating succession to the property of intestates governed by the Marumakkattayam, Aliyasantana or Nambudri laws of inheritance.

The notes on clauses explain in detail the various provisions in the Bill.

C. C. BISWAS.

NEW DELHI:
The 20th May, 1954.

Notes on clauses.

Clause 1.—Like the Hindu Marriage and Divorce Bill and the Hindu Minority and Guardianship Bill, this law also will have extraterritorial effect.

Clauses 2 and 4.—These clauses are and will be a common feature of all Bills relating to Hindu law.

Clause 3.—The expression "related" is so defined that the rights of illegitimate children are safeguarded as against their mother and their own legitimate descendants. This definition follows the Rau Committee's draft where it is pointed out that no confine relationship to legitimate kinship might prevent a Naikin's property from passing to her son or daughter and that there is also no reason why Naikin's children should not have mutual rights of inheritance.

The question of domicile becomes relevant with respect to clause 6 and domicile is determined by the usual rules applicable thereto as laid down in sections 6 to 18 of the Indian Succession Act, 1925.

Clause 5.—This clause excludes from the application of this law joint-family property which under the Mitakshara law devolves on heirs by the rule of survivorship and property to which the Indian Succession Act, 1925, applies by reason of a marriage having taken place under the Special Marriage Act, 1872. It also excludes estates which are in their nature or by custom impartible.

Clause 6.—This clause lays down the well-known principles which apply to regulate succession to the movable and immovable properties of an intestate. (Compare section 5 of the Indian Succession Act, 1925.)

Clause 7.—Under the existing Hindu law, rules of succession exist whereby a reunited son may be preferred to a son who remains separate; a maiden daughter may be preferred to a married daughter; as between married daughters, a married daughter who is indigent may be preferred to a married daughter who is possessed of means and so on. In view of the scheme of succession adopted in the Bill, these distinctions have necessarily to be ruled out.

Clauses 8 to 10.—Before 1937, the "simultaneous heir" of a male Hindu dying intestate comprised only the son, the son of a pre-deceased son and the son of a pre-deceased son of a pre-deceased son. The Hindu Women's Rights to Property Act, 1937, added to the list the widows of the first two as well as the intestate's own widow. Class I of the preferential heirs in the Schedule now adds to the existing list of simultaneous heirs, the daughter, and further seeks, as far as possible, to treat the other grandchildren of an intestate, whose parent has pre-deceased the intestate, on the same footing as the son of a pre-deceased son, except that in the former case the share to be divided among the children will be less than in the latter case.

The following illustrations explain how shares will be allotted in certain cases:—

Illustrations.

(*1*) The surviving heirs of an intestate are three sons, A, B and C, five grandsons by a pre-deceased son, D, and two great grandsons by a pre-deceased son of another pre-deceased son E. A, B and C take one share each under rule 2, and the branches of D and E get one share each under rule 3. The grandsons in D's branch and the great grandsons in E's branch divide the share allotted to their respective branches equally by virtue of rule 4. Each son of the intestate, therefore, takes one-fifth of the heritable property, each grandson one-twenty-fifth, and each great-grandson one-tenth.

(*2*) Only a widow or daughter or daughter's daughter or daughter's son or son's daughter survives an intestate. She or he takes the whole of the heritable property.

(*3*) The surviving heirs are the widow and two grandsons by a pre-deceased son. The widow takes one share under rule 1 and the grandsons together take one share under rule 3. The widow therefore takes one-half of the heritable property and each grandson one-fourth.

(*4*) The surviving heirs are a widow, a daughter and two grandchildren by a pre-deceased daughter. The widow takes one share under rule 1; the daughter gets half a share under rule 5; and the grandchildren by the pre-deceased daughter divide the share allotted to the mother, *viz.*, half a share equally between themselves by the virtue of rule 6. The widow, therefore, gets, one-half of the heritable property, the daughter one-fourth and each grandchild ene-eighth.

(*5*) The surviving heirs are a daughter and the widow of a pre-deceased son. Under rule 5, the daughter takes half a share and under rule 3 the daughter-in-law also takes half a share. The heritable property is thus equally divided between the two.

(*6*) The surviving heirs are a son, a daughter and the widow of a pre-deceased son. Under rule 2, the son gets one share; under rule 5 the daughter gets half a share; under rule 3 the widow of the pre-deceased son gets half a share. In the result, the son takes half the property and the daughter and the daughter-in-law takes one-fourth each.

(*7*) The surviving heirs are a son, a daughter, and the widow and the son of a pre-deceased son. Under rule 2 the son gets one share; under rule 5 the daughter gets half a share; under rule 3 the widow and the son of a pre-deceased son get between them one share which has then to be equally distributed between them. In the result, the son takes two-fifths of the property and the other one-fifth each.

(*8*) The surviving heirs are—

(*a*) a widow,

(*b*) a son,

(*c*) a daughter,

(*d*) the widow of a pre-deceased son,

(*e*) the widow and a son and daughter of another pre-deceased son.

Under rule 1 the widow gets one share; under rule 2 the son gets one share; under rule 5 the daughter gets half a share under rule 3 the widow of the first mentioned pre-deceased son gets half a share; under the same rule the heirs mentioned in (*c*) above between them get one share which has then to be distributed among them. In the result, the widow and the son of an intestate each take one-fourth of the property, the daughter and the daughter-in-law mentioned in (*d*) each take one-eight; the widow and the daughter of the other pre-deceased son mentioned in (*e*) take one-tenth each and the daughter of the pre-deceased son one-twentieth.

(*9*) The surviving heirs are—

(*a*) a son by a pre-deceased son,

(*b*) a son and daughter by a pre-deceased daughter,

(*c*) two daughters by a pre-deceased son.

Under rule 3 the son of the pre-deceased son gets one share; under rule 6 the son and daughter of the pre-deceased daughter between them get half a share; and under rule 3 the two daughters of the pre-deceased son mentioned in (*c*) divide half a share equally between themselves. In the result, the son of the pre-deceased son takes one half the son and daughter of the pre-deceased daughter mentioned in (*b*) take one sixth and one twelfth respectively and the two daughters of the pre-deceased son mentioned in (*c*) take one eighth each.

(*10*) The surviving heirs are—

(*a*) a son,

(*b*) the widow and three sons of a pre-deceased son,

(*c*) the widow of a pre-deceased son of the pre-deceased son referred to in (*b*).

The son gets one share under rule 2, and the heirs in entries (*b*) and (*c*) together get one share. The latter share should be distributed by virtue of rule 4 so that the widow and each of the sons in entry (*b*) get one portion each and the widow in entry (*c*) gets one-half of such a portion. In the result, the intestate's son gets one-half of the heritable property, the widow of his pre-deceased son gets one-ninth, each of the three sons of such pre-deceased son also gets one-ninth and the widow of the intestate's grandson gets one-eighteenth.

Clauses 11 to 14.—With respect to the other heirs, the scheme of this Bill follows the scheme of the Select Committee on the Hindu Code which found the Rau Committee's enumerated heirs defective because the list of heirs was too large and no limit was set to the *agnates* or *cognates* entitled to succeed. That Select Committee also found the order of preference not satisfactory and did not like uniformity in succession to be broken in any case. Apart from the changes made in clause 10 and the Schedule, the present Bill follows the scheme of the Select Committee, the heirs being rearranged on a more rational basis and relatives who are far removed from the intestate and persons who are not heirs at all, like *Acharya* and *Sishya*, being eliminated from the list of heirs. Further, certain persons have been grouped together for simultaneous succession, like father and mother, brother and sister and so on. The number of possible heirs of *agnates* and *cognates* is also narrowed down.

The illustrations giving below explain how the rules laid down in clause 14 will operate:—

Illustrations.

In the following illustrations, the letters F and M stand for the father and mother respectively in that portion of the line which ascends from the intestate to the common ancestor, and the letters S and D for the son and daughter respectively in that portion of the line which descends from the common ancestor to the heir. Thus MFSS stands for the intestate's mother's father's son's son (mother's brother's son) and FDS for the intestate's father's daughter's son (sister's son).

(*i*) The competing heirs are (1) FFSSD (father's brother's son's daughter) and (2) FDDS (sister's daughter's son). Although No. (2) is descended from a nearer ancestor, yet, as No. (1) is an *agnate* while No. (2) is only a *cognate*, No. (1) is preferred to No. (2).

(*ii*) The competing heirs are (1) SDSS (son's daughter's son's son) and (2) FDDS (sister's daughter's son). No. (1) who has no degree of ascent is preferred to No. (2) who has one degree of ascent.

(*iii*) The competing heirs are (1) FDDD (sister's daughter's daughter) and (2) MFSSD (maternal uncle's son's daughter). The former who has one degree of ascent is preferred to the latter who has two such degrees.

(*iv*) The competing heirs are (1) FDSSS (sister's son's son's son) and (2) MFSSD (maternal uncle's son's daughter). The former who has only one degree of ascent is preferred to the latter who has two such degrees.

(*v*) The competing heirs are (1) MFDSS (mother's sister's son's son) and (2) MFFDS (mother's father's sister's son). The former who has two degrees of ascent is preferred to the latter who has three such degrees.

(*vi*) The competing heirs are (1) MFM (mother's father's mother) and (2) FFFDSS (father's father's sister's son's son). The number of degrees of ascent in both cases is the same, *viz.*, three, but the former has no degree of descent while the latter has three such degrees. The former is therefore preferred.

(*vii*) The competing heirs are (1) FMF (father's mother's father) and (2) MFF (mother's father's father). The number of degrees of ascent in both the cases is the same, and there are no degrees of descent. The lines of the two heirs diverge the very first point, No. (1) being in the male line and No. (2) in the female line. No. (1) is preferred to No. (2).

(*viii*) The competing heirs are (1) FDSS (sister's son's son) and (2) FDDS (sister's daughter's son). The heirs are equally near both in ascent and descent. The dissimilarity in the lines occurs at the third point. At this point, No. (1) is in the male line and No. (2) in the female line. No. (1) is therefore preferred.

(*ix*) The competing heirs are (1) FMFSS (father's mother's brother's son) (2) FMFDS (father's mother's sister's son). The former is preferred.

(*x*) The competing heirs are (1) FDDS (sister's daughter's son) and (2) FDDD (sister's daughter's daughter). The former is preferred.

(*xi*) The competing heirs are a daughter's daughter's son of one sister (FDDDS) and a daughter's daughter's son of another sister (FDDDS). Both of them take the estate in equal shares.

Clause 15.—The illustrations given below explain how degrees are to be computed.

Illustrations.

(*i*) The heir to be considered is the father's mother's father of the intestate. He has no degrees of descent, but has three degrees of ascent represented in order by (*1*) the intestate's father, (*2*) that father's mother, and (*3*) her father (the heir).

(*ii*) The heir to be considered is the father's mother's father's mother of the intestate. She has no degrees of descent, but has four degrees of ascent represented in order by (*1*) the intestate's father, (*2*) that father's mother, (*3*) her father, and (*4*) his mother (the heir).

(*iii*) The heir to be considered is the son's daughter's son's daughter of the intestate. She has no degrees of ascent, but has four degrees of descent represented in order by (*1*) the intestate's son, (*2*) that son's daughter, (*3*) her son, and (*4*) his daughter (the heir).

(*v*) The heir to be considered is the mother's father's father's daughter's son of the intestate. He has three degrees of ascent represented in order by (*1*) the intestate's mother, (*2*) her father, and (*3*) that father's father, and two degrees of decent represented in order by (*1*) the daughter of the common ancestor, *viz.*, the mother's father's father and (2) her son (the heir).

Clauses 16 to 25.—These clauses lay down special rules of succession in the case of male Hindus governed by the Marumakkhattayam, Aliyasantana or Nambudri laws of inheritance. A departure has necessarily to be made in these cases because the laws applicable to these persons have always been based on the matriarchate while the laws in the rest of India are founded upon the agnatic family. These clauses are based on a draft furnished by the Government of Madras.

Clause 26.—The Rau Committee vested a Hindu woman with full rights over *stridhana* property and laid down certain rules of succession with respect to *stridhana*. The Select Committee on the Hindu Code incorporated the substance of all these provisions in a separate Chapter headed "Woman's Property" and provided that after the commencement of the Code, whatever property was acquired by a woman became her absolute property and devolved on her own heirs. Clause 26 follows the Select Committee's draft and declares that whatever property is acquired by a Hindu woman after this law, it shall be her absolute property, and the term "property" is defined as comprehensively as possible for the purpose.

Clauses 27 and 28.—Under the existing law, succession to *stridhana* property varies according as a woman is married or unmarried and according as she is married in an approved form or in an unapproved form. It also varies according to the source from which the *stridhana* came. The rules of descent again vary from school to school. Clause 27, however, evolves a new and uniform scheme of succession to a woman's property and clause 28 regulates the manner of distribution thereof.

Clause 29.—This clause contains a saving with respect to properties in which a female Hindu has at the commencement of this law only a limited estate.

Clauses 30 and 31.—See the notes to clauses 16 to 25.

Clause 32.—Under the existing law, where a person enters into a religious order renouncing all worldly affairs, his action is tantamount to civil death and it excludes him altogether from inheritance. But if he acquires property subsequent to the renunciation, it passes to his spiritual heirs. This clause is in accordance with the existing law.

Clause 33.—The illustrations given below explain the scheme of this clause.

Illustrations.

(*i*) A brother by full blood is preferred to a brother by half blood; but a brother by half blood succeeds before a brother's son by full blood, a brother being a nearer heir than a brother's son.

(*ii*) A paternal uncle by half blood is preferred to a Paternal uncle's son by full blood, an uncle being a nearer heir than an uncle's son.

(*iii*) A full brother's daughter's daughter is preferred to a half brother's daughter's daughter but the former is not preferred to a half brother's daughter's son, as the nature of the relationship is not the same in the two cases. The latter, who is a nearer heir by virtue of rule 4 in section 14 is preferred although he is only related by half blood.

Clauses 34, 35 and 36.—These clauses are self-explanatory and are in accordance with the existing law.

Clause 37.—Where any immovable property or any business devolves upon male and female heirs, this clause would enable the male heirs, if they so desire, to compulsorily buy off the share of the female heirs.

Clause 38.—See the notes to clause 32.

Clause 39.—Under the existing law, chastity during the life time of the husband is a condition precedent to the taking by the widow of her husband's estate unless the unchastity had been condoned by him.

Clause 40.—The principle underlying this clause is that the widow is the surviving half of her husband and, therefore, when she remarries, she ceases to continue to be such. (Section 2 of the Hindu Widows Remarriage Act, 1856, also contains a somewhat similar provision.) As the law stands, remarriage disables a widow of a *gotraja sapinda* from succeeding to the property of a male Hindu when on the date the succession opens, she has ceased to be the widow of a *gotraja sapinda* by reason of remarriage. This rule is being applied to the widows mentioned in the Schedule who are the only widows now entitled to succeed.

Clause 41.—A murderer even if not disqualified under Hindu law from succeeding to the estate of the person whom he has murdered is so disqualified upon principles of justice, equity and good conscience. The murderer is not to be regarded as the stock for a fresh line of descent but should be regarded as non-existent when the succession opens (51 I.A. 368).

Clause 42.—Change of religion and loss of caste, which at one time were grounds of forfeiture of property and of exclusion from inheritance, have ceased to be so since the passing of the Caste Disabilities Removal Act, 1850. But that Act applies only to protect the actual person who either renounces his religion or has been excommunicated. Consequently, where the property of a Muslim converted from Hinduism has passed according to Muslim law to his descendants, Hindu collaterals cannot claim by virtue of that Act to succeed under Hindu law. This clause, therefore, lays down that the heir should be a Hindu when the succession opens. Reconversion after the succession opens will not, therefore, be possible and this restriction will in most cases remove any abuse of the provision contained in the clause.

Clause 44.—Under the Hindu law, blindness, deafness, dumbness, want of any limb or organ, lunacy, idiocy, leprosy and other incurable diseases disqualified a person from inheriting but the Hindu Inheritance (Removal of Disabilities) Act, 1928, declared that no person shall be excluded from inheritance on any of these grounds unless he was from birth a lunatic or an idiot. This clause seeks to remove all such disqualifications.

Clause 45.—Escheat as such has not been unknown to Hindu law.

Clause 46.—This clause confirms the existing law that a Hindu may dispose of by testamentary disposition any property which he is capable of so disposing of.

S. N. MUKHERJEE, Secy.

LOK SABHA.

The following Bill was introduced in the Lok Sabha on 21st May 1954:—

*BILL No. 28 OF 1954.

A Bill further to amend the Territorial Army Act, 1948.

BE it enacted by Parliament in the Fifth Year of the Republic of India as follows:—

1. Short title.—This Act may be called the Territorial Army (Amendment) Act, 1954.

2. Amendment of section 2, Act LVI of 1948.—In section 2 of the Territorial Army Act, 1948 (hereinafter referred to as the principal Act), after clause (*d*), the following clause shall be inserted, namely:—

'(*dd*) "public utility service" means any undertaking which supplies power, light, gas or water to the public, or carries on a public transport, or maintains any system of public conservancy or sanitation and which is declared by notification in the Official Gazette, by the Central Government to be a public utility service to which this Act applies:

Provided that no such notification shall be issued unless the Central Government is satisfied that, having regard to the needs of the Territorial Army, the persons employed in any such public utility service should, in the public interest, be made compulsorily liable for service in that Army under this Act.'.

3. Insertion of new section 6A in Act LVI of 1948.—After section 6 of the principal Act, the following section shall be inserted, namely:—

"6A. *Liability of certain persons for compulsory service in the Territorial Army.*—(1) Without prejudice to the provision contained in section 6, every person employed under the Government or in a public utility service who has attained the age of twenty years but has not completed the age of forty years shall, subject to the other provisions contained in this section and subject to such rules as may be made in this behalf, be liable, when so required to do, to perform service in the Territorial Army.

(2) Where it appears to the prescribed authority that, having regard to the strength of the Territorial Army or of any unit thereof in any area or place or, having regard to the exigencies of service in the Territorial Army, it is necessary that persons compulsorily liable to perform service in the Territorial Army under sub-section (*1*) should be called upon for such service, the prescribed authority may call upon such number of persons as he thinks fit for the purpose of performing service in the Territorial Army.

(3) In requisitioning the services of any persons under sub-section (*2*), the prescribed authority shall have regard to the age, physical fitness, qualifications and experience of the persons to

*The President has, in pursuance of clause (*3*) of article 117 of the Constitution of India, recommended to the Lok Sabha the consideration of the Bill.

be called upon for service and the nature of the work previously performed by them while employed under the Government or in the public utility service, and the work to be performed by them in the Territorial Army.

(4) For the purpose of enabling it to exercise any of the powers conferred by sub-section (3), the prescribed authority may require any such persons to fill up such forms as may be prescribed and sign and lodge them with the prescribed authority within such time as may be allowed in this behalf.

(5) Any person whose services are requisitioned under this section may be required to join the Territorial Army as an officer or as an enrolled person according to the rules made in this behalf by the Central Government, and where any person has so joined the Territorial Army, he shall be entitled to the same rights and privileges and be subject to the same liabilities as an officer or enrolled person under the provisions of this Act.

Explanation.—For the purposes of this section, the expression "person employed under the Government or in a public utility service" shall not include—

(*a*) a woman;

(*b*) a member of the regular Army, the Navy or the Air Force or a member of any Reserve Force;

(*c*) a person who is not a citizen of India;

(*d*) a person employed under the Government in any country or place outside India for so long as he is so employed; and

(*e*) any other persons as may be exempted from the operation of this Act by the Central Government, by notification in the Official Gazette, on the ground that, having regard to the nature of the service performed by such persons or to the exigencies of the service in which they are employed, it is, in the opinion of the Central Government, expedient in the public interest that they should not be liable to perform service under this Act."

4. Insertion of new section 10A in Act LVI of 1948.—After section 10 of the principal Act, the following section shall be inserted, namely:—

"10A. *Punishment for failure to lodge forms duly filled up, etc.*— If any person fails without sufficient cause—

(*a*) to fill up the prescribed forms and lodge them with the prescribed authority as required by sub-section (4) of section 6A or

(*b*) to report himself for service when so required to do by the prescribed authority under sub-section (2) of that section, or

(*c*) to submit himself to medical or other examination when so called upon to do by the prescribed authority under rules made under this Act,

he shall be punishable with imprisonment which may extend to three months or with fine which may extend to two hundred rupees or with both."

5. Amendment of section 14, Act LVI of 1948.—In sub-section (*2*) of section 14 of the principal Act, clause (*a*) shall be relettered as clause (*aaa*), and before that clause as so relettered, the following clauses shall be inserted, namely:—

"(*a*) prescribe the form under sub-section (*4*) of section 6A, the particulars that should be furnished therein and the authority with which, and the period within which, the form should be lodged;

(*aa*) prescribe the procedure for requiring persons liable for compulsory service in the Territorial Army to be medically or otherwise examined with a view to determining whether they satisfy the conditions imposed under this Act;".

STATEMENT OF OBJECTS AND REASONS.

Recruitment to the urban units of the Territorial Army has not so far been satisfactory, especially in the technical units. The Bill seeks to impose compulsory liability for enrolment in the Territorial Army for certain categories of employees, namely, Government servants and employees of specified public utility concerns in selected age groups. It is proposed to utilize this liability to fill up deficiencies in the authorised strength of the Territorial Army units. The Bill, if enacted, will also facilitate expansion of the Territorial Army in an emergency. Public utility concerns have been included in the compulsory enrolment scheme in order to ensure that essential services continue to function in an emergency.

The Bill seeks to provide the necessary legal basis for calling for particulars regarding age, calling up for inquiry and medical examination, of persons liable to be enrolled under the scheme, the registration and calling up of the persons considered fit for service in the Territorial Army and other allied matters.

MAHAVIR TYAGI.

NEW DELHI;
The 13th May, 1954.

FINANCIAL MEMORANDUM.

The scheme for the liability to compulsory enrolment of Government servants and certain categories of employees of public utility concerns involves expenditure from the Consolidated Fund of India. The scheme is at present intended to enable Government to fill up deficiencies in the authorised strengths of certain Territorial Army Units. The expenditure on the pay and allowances of the enrolled personnel and requirement of training officers, etc. will be the same as for the normal authorised strength of Territorial Army Units. A small amount of expenditure may have to be incurred on the registration of personnel covered by the scheme for compulsory enrolment and on the administrative arrangements for their call up, where necessary.

An extract from the explanatory notes to the Defence Services Estimates for the year 1954-55 is given below.

EXPLANATORY NOTES.

The Territorial Army was constituted under the Territorial Army Act, 1948 and commenced raising in 1949. When fully formed, it will be composed of combatant technical and administrative units. The personnel of the Territorial Army are given periodical military training. During the training period and when embodied for service, they are entitled to pay, allowances, etc., at the same rates as for corresponding ranks of the regular Indian Forces.

MEMORANDUM REGARDING DELEGATED LEGISLATION.

The Bill which seeks to amend the Territorial Army Act, 1948, imposes a liability on all persons employed under the Government or in a public utility service, who have attained the age of twenty years but have not completed the age of forty years for compulsory military service. Having imposed a potential liability for compulsory military service on all such persons, the Bill leaves most of the matters relating to administrative details for giving effect to the scheme, from the stage of requisitioning the services of such persons to the stage of their being actually called out for service in the Territorial Army, to be prescribed by subordinate legislation by the Central Government. For the successful implementation of the scheme, the powers to determine the circumstances under which the services of such persons should be requisitioned for the purpose of performing service in the Territorial Army, and the authorities by which the services of such persons should be requisitioned, to prescribe the standards of physical fitness and other qualifications of such persons, to prescribe forms for obtaining particulars from such persons, to lay down the procedure to be followed in holding medical and other examinations, etc., have been delegated to the Central Government to be prescribed by means of subordinate legislation, as it is not practicable for Parliament to lay down such details in the Bill. Some of the powers delegated to the Central Government such as the power to determine the circumstances under which the services of persons liable for compulsory military service in the Territorial Army should be requisitioned, etc., which may not appear *prima facie* to be normal in character are really so if one has regard to the fact that in enactments relating to the Army, the Navy and the Air Force, it is not possible for Parliament to lay down matters relating to such administrative details in the law itself. The proposed delegations are, therefore, normal.

(a) Report not received.

Calcutta, the 13th/14th July 1954.

S. N. MUKHERJEE,
for Director of Agriculture, West Bengal.

DIRECTORATE OF AGRICULTURE, WEST BENGAL.

Calcutta, the 13th October 1953.

Second Forecast of Cotton Crop of West Bengal for 1953-54.

Season.—The weather conditions have not been favourable at the sowing time in the districts except Howrah, Jalpaiguri and Cooch Behar. It has been reported that considerable areas in the districts of 24-Parganas, Midnapore and Burdwan have been damaged due to heavy rainfall at the sowing time.

Area sown.—1,150 acres have been estimated to be under cotton this year compared to 1,810 acres, the final estimate of last year.

The entire area is reported to have been sown with Parbhani American variety this year but the extent of cultivation of U.P. Deshi variety which grows only in Jalpaiguri and Midnapore is negligibly small which has not been included in this forecast in view of the fact that the area is less than 10 acres.

The decrease in acreage is due to the unfavourable weather conditions at the sowing time.

D. BASU,
for Director of Agriculture, West Bengal.

The details of the Canal System are—

(a) The Mayurakshi Dwarka Branch Canal takes off on the right from the Mayurakshi Dwarka Main Canal at chainage 212·00 in mauza Chakmukunda (jurisdiction list No. 122), police-station Mohammadbazar and flows away towards the east with a slight southernly inclination before taking a turn towards the north-east to cross the Mohammadbazar-Sainthia Road at chainage 178·25 of the Mayurakshi Dwarka Branch Canal. Distributory No. 5 branches off from this Branch Canal at chainage 174·50 in mauza Kabilpur (jurisdiction list No. 151), police-station Mohammadbazar. Then the Branch Canal again moves towards the south up to chainage 225·5. It then goes towards the north-west up to chainage 515·50 when it takes a generally easternly direction, throwing off its Distributories Nos. 6, 7 and 8 on the left at chainages 479·0, 516·15 and 655·0 in mauzas Hasiara (jurisdiction list No. 1) in police-station Mohammadbazar, Nandura (jurisdiction list No. 9, and Mahurapur (jurisdiction list No. 77), in police-station Mayureshwar respectively crossing the Eastern Railway Loop Line south of Godadharpur Railway Station. At chainage 743·0 Distributories Nos. 9 and 10 take off on the left and right banks respectively, in mauza Kustar (jurisdiction list No. 98) in police-station Mayureshwar. The Canal then crosses the road from Mayureshwar at chainage 780·0 and continues up to chainage 876·0 and turns towards the north-east.

(b) Distributory No. 4 takes off from this Branch Canal at chainage 165·0 in mauza Angargaria (jurisdiction list No. 143), police-station Mohammadbazar and flows for 1 mile 1320 feet towards the south-east up to mauza Daulpur (jurisdiction list No. 155) in same police-station.

Distributory No. 5 takes off from this Branch Canal at chainage 174·50 in mauza Kabilpur (jurisdiction list No. 151) and flows for 0 mile 4765 feet towards the north-east, terminating on the north of same mauza.

Distributory No. 6 takes off from this Branch Canal on the left bank at chainage 479 in mauza Hasiara (jurisdiction list No. 1) in police-station Sainthia and flows for 1 mile 4730 feet towards the north keeping in the west of the Eastern Railway Loop Line and terminates in mauza Dumra (jurisdiction list No. 12), police-station Mayureshwar.

(c) Distributory No. 9 takes off from this Branch Canal on the left at its chainage 743·00 in mauza Kustar (jurisdiction list No. 98), police-station Mayureshwar and follows generally a northernly course before turning towards the east near its end in mauza Papara (jurisdiction list No. 121), police-station Rampurhat. Its length is 12 miles 1640 feet. It has 7 minors 4 on the right and 3 on the left. The minors have a total length of 13 miles 760 feet.

There are falls and regulators at chainages 0, 154·0, 309·5, 481·0, 565·0, 674·50 and 780 and cross drainages at chainages 6, 47, 56, 74, 83·5, 103·15, 135 and 587·0 of this Branch Canal.

(d) The Mayurakshi Bakreswar Branch Canal takes off from the Mayurakshi Bakreswar Main Canal on the left at chainage 158·6 in mauza Suri (jurisdiction list No. 8), police-station Suri

and flows generally eastward from its offtake up to chainage 270. It then takes a south-easterly turn and continues in that direction crossing the Eastern Railway Ondal-Sainthia Branch Line near Mahishadahary halt and the Eastern Railway Loop Line near Bataspur Railway Station at chainage 342·0 and 547·22 respectively. Distributory No. 1 takes off from this Branch Canal on the right at chainage 117·50 in mauza Dhalla (jurisdiction list No. 26), police-station Suri and Distributory No. 2 on the left at chainage 157·0 in mauza Bara Alunda (jurisdiction list No. 23), police-station Suri.

(*e*) Distributory No. 1 takes off from the right bank of the Mayurakshi Bakreswar Branch Canal and flows towards the south-east up to chainage 186·60 in mauza Goalgram (jurisdiction list No. 54), police-station Suri, where it breaks up into minors 3 and 4. The Distributory crosses the Ondal-Sainthia Branch line at chainage 9·05 near the Suri and Konri Railway Stations. At chainage 11·0 in mauza Faridpur (jurisdiction list No. 33), police-station Suri, it throws off minor No. 2 on the left and No. 1 on the right. Minor No. 3 inclines more to the south and then turns eastwards to cross the Suri-Ahmedpur Road in the 10th mile of the road in mauza Dhobajal (jurisdiction list No. 67, police-station Sainthia. Minor No. 4 goes eastwards from the bifurcation point before inclining towards the south. The length of the Distributory is 3 miles 2910 feet and the total length of minors 2, 3, and 4 is 12 miles 3130 feet. There are falls and regulators across the Distributory at chainages ·0·00, 69·25, 104·55, 151·20 and a cross drainage at chainage 8·0.

(f) Distributory No. 4 takes off from the Mayurakshi Bakreswar Branch Canal at chainage 270·0 in mauza Kunuri (jurisdiction list No. 29), police-station Sainthia. It more or less follows the Suri-Sainthia Road in a north-easterly slant almost up to Sainthia and then turns due eastwards to cross the Eastern Railway Loop Line, south of Sainthia Junction Station. Its total length is 7 miles 1620 feet, of which the length up to Sainthia is 4 miles 2740 feet. Its minor No. 1 takes off on the left at chainage 56·0 in mauza Rangaipur (jurisdiction list No. 33), police-station Sainthia and slopes towards the north-east, crossing the Suri-Sainthia Road at mile 8th of the road. GOVERNMENT OF WEST BENGAL

MEDICAL AND PUBLIC HEALTH DEPARTMENT

Medical

NOTIFICATION.

No. Medl./5292/5M-10/54.—17th July 1954.—In exercise of the power conferred by section 33 of the Bengal Medical Act, 1914 (Bengal Act VI of 1914), and in supersession of the rules and forms published with notification No. 2905Medl., dated the 6th July 1935, as subsequently amended, the Governor is pleased to make the following rules namely:—

RULES.

PART I.

Definitions.

1. In these rules, unless there is anything repugnant in the subject or context,—

(*a*) "Council" means the West Bengal Medical Council.
(*b*) "Form" means a form in the appendix to these rules.
(*c*) "Member" means a member of the West Bengal Medical Council.
(*d*) "President" means the President of the West Bengal Medical Council.
(*e*) "Registrar" means the Registrar appointed under section 14.
(*f*) "Returning Officer" means the Registrar and includes any officer deputed for the time being by the Registrar to perform, or assist him in, his duties under these rules.
(*g*) "Registered practitioner" means a person borne on the register maintained by the Council under section 15: and "Registration number" means the serial number in the register, maintained by the Council under section 15 of the registered practitioners.
(*h*) "Rule" means a rule of these rules.
(*i*) "Section" means a section of the Act.
(*j*) The expression "the Act" means the Bengal Medical Act, 1914.

PART II.

Appointment of members by nomination of the State Government.

[Clause (a) of sub-section (1) of section 4.]

2. (1) At least sixty days before the expiry of the term of office of any nominated member, the Registrar shall draw the attention of the President to the approaching vacancy, and the latter shall forthwith report it to the State Government for necessary action to fill the vacancy.

(2) In the case of a casual vacancy for which a fresh nomination will be necessary under clause (a) of sub-section (1) of section 10, the Registrar shall on receiving information that such a vacancy has occurred report the vacancy to the President forthwith and the President shall intimate the same to the State Government, for necessary action for a fresh nomination.

PART III.

Election of members under clause (b) or clause (c) of sub-section (1) of section 4.

3. (1) In case of a general election, the Registrar shall, at least sixty days before the expiry of the term of office of the Council, request the Registrar of the University of Calcutta and the Secretary of the State Medical Faculty of West Bengal, as the case may be, to arrange for election of members under clause (b) or clause (c) of sub-section (1) of section 4, in such manner as the Faculty of Medicine of the University of Calcutta or the Governing Body of the State Medical Faculty, as the case may be, consider convenient, so as to complete the elections in ample time before the end of the term of office of the Council.

(2) When the elections have been completed the names of the persons elected with their addresses, qualifications and registration numbers, shall be forthwith reported to the President by the Registrar of the University of Calcutta in case the election is under clause (b), of sub-section (i) of section 4 and by the Secretary of the State Medical Faculty in case the election is under clause (c) of the said sub-section: and the President shall report the same to the State Government for publication of the names in the *Calcutta Gazette* under section 7.

PART IV

General election under clauses (d) and (e) of section 4(1).

The electoral roll.

4. (1) For the purposes of a general election under clauses (d) and (e) of sub-section (1) of section 4, the Returning Officer shall cause to be prepared a draft electoral roll separately for each of the two electorates under these clauses, in which shall be included the names and other requisite particulars of all persons appearing to be entitled to vote at such election up to the date appointed by the Returning Officer in that behalf.

The electoral roll under clause (d) shall be in form I: and the electoral roll under clause (e) shall be in the form of the Medical List, prepared under sub section (i) of section 32.

(2) The date appointed under sub-rule (1) shall be notified by the Returning Officer, in the *Calcutta Gazette* and in such other manner as he may think fit, together with the period (with dates) during which the draft electoral roll shall be kept open for public inspection under sub-rule (3).

(3) The draft electoral roll shall be kept open in the office of the Returning Officer for public inspection for a period of not less than fifteen days. Any claim for inclusion of a new name or any objection to any entry in the draft electoral roll shall be made in form II(a) or form II(b) or form II(c), as the case may be. Such claim or objection shall be filed within the said period and shall be examined and decided by the Returning Officer and his decision shall be final.

(4) The draft electoral roll shall be corrected in accordance with the decision of the Returning Officer and the roll thus corrected shall be the final electoral roll for the election. In the preparation of the final electoral roll, registrations and restorations after the date appointed under sub-rule (1) or new qualifications or employment obtained after that date shall be disregarded. No person whose name is not included in the final electoral roll for the election shall be entitled to participate in the election. Changes of address after the final electoral roll has been prepared shall be disregarded.

(5) As soon as the final electoral roll has been prepared under sub-rule (4), the Returning Officer shall notify the fact in the *Calcutta Gazette* and in such other manner as he may think fit and request all electors generally to participate in the election. He shall at the same time appoint and notify, in the same manner, such date or dates or latest date as the case may be, and, if necessary, such time and place as may be deemed suitable, for each of the following operations, namely—

(a) the receiving of nomination papers sent or delivered under sub-rule (5) or rule 5.

(b) the scrutiny of nomination papers under sub-rule (9) of rule 5.

(c) the latest date for the sending of voting papers with the relative identification envelopes under clause (b) of sub-rule (3) of rule 6.

(d) the latest date and hour for receiving voting papers under sub-rule (8) of rule 6.

(e) the scrutiny of voting papers and counting of votes, under rule 7.

The Returning Officer shall in the same notification invite electors who desire to nominate a candidate or to be nominated as such candidate, to obtain from him on application, nomination papers in form III(a) or form III(b) according as the nomination is for election under clause (d) or under clause (e) of sub-section (1) of section 4.

Nomination of candidates for election.

5. (1) Any person whose name is included in the final electoral roll prepared under sub-rule (4) of rule 4 for the electorate under clause (d) of sub-section (1) of section 4 may be nominated as a candidate for election under the said clause (d): and any person whose name is included in the final electoral roll for the electorate under clause (e) of sub-section (1) of section 4 may be nominated as a candidate for election under that clause (e):

Provided that the person is not disqualified for election to the Council under section 6:

Provided further that in case of an election under clause (d) of sub-section (1) of section 4, the person also fulfils the requirements laid down in the proviso to clause (d) of section 4.

(2) Every such nomination shall be made in writing in form III(a) or form III(b), as the case may be, with complete and correct particulars as required therein, and shall be subscribed by a proposer and a seconder, qualified to do so under sub-rule (4) and the candidate shall make and sign the declaration specified in the form.

(3) No elector may subscribe, whether as proposer or seconder, more nomination papers than the number of vacancy or vacancies to be filled at the election by the particular electorate. If more nomination papers be subscribed by the same elector, then only the permissible number of such nomination papers first received by the Returning Officer shall, if otherwise in order, be held to be valid, but if the Returning Officer is unable to determine the order in which such nomination papers were received by him, all of such nomination papers shall be held to be invalid.

(4) The proposer and the seconder of a candidate under clause (d) of sub-section (1) of section 4 shall be persons whose names are included in the final electoral roll prepared for the said clause (d), and the proposer and the seconder of a candidate under clause (e) of sub-section (1) of section 4 shall be persons whose names are included in the final electoral roll prepared for the said clause (e): otherwise, the nomination paper shall be invalid.

(5) A nomination paper may be sent by post or delivered otherwise, but a nomination paper received by the Returning Officer after the latest date and hour notified therefor under sub-rule (5) of rule 4, shall be invalid.

(6) On receipt of each nomination paper the Returning Officer shall forthwith endorse thereon the date and hour of its receipt.

(7) The Returning Officer shall examine each nomination paper and shall record thereon his decision accepting or rejecting the same, and, if a nomination paper is rejected, shall state in brief his reason for such rejection, e.g., that it does not comply with the requirements of any particular rule or the provision of any section of the Act, or that it has arrived after the latest date and time fixed for the receipt of nominations.

(8) Every nomination paper in respect of which the requirements of these rules have not been complied with shall be invalid.

(9) On the date an at the time and place notified under sub-rule (5) of rule 4 for the scrutiny of nomination papers, every candidate and his proposer and seconder may attend and the Returning Officer shall allow them to examine the nomination papers of all candidates which have been received by him and on which he has noted the result of his examination under sub-rule (7). He shall decide all objections to his decision under that sub-rule as well as any question which may be raised as to the validity of any nomination, and his decision shall, subject to the provisions of sub-rules (1) and (2) of rule 12, be final.

(10) Any candidate may withdraw his candidature by notice in writing subscribed by him and delivered to the Returning Officer up to 3 O'clock in the afternoon on the first working day succeeding the date appointed for the scrutiny of nominations, or where an objection is decided under sub-rule (9), on the first working day succeeding the date of such decision. A candidate who has withdrawn his candidature shall not be allowed to cancel the withdrawal or to be re-nominated as a candidate for the same election. The candidature of any duly nominated candidate shall remain valid for all purposes of these rules unless withdrawn in accordance with this sub-rule.

Election and voting.

6. (1) In a general election under clause (d) of sub-section (1) of section 4, if the number of duly nominated candidates after any withdrawal of candidature under sub-rule (10) of rule 5, does not exceed two, the Returning Officer shall, without calling for a poll, declare such candidate or candidates to be elected subject to the operation of sub-section (2) of section 4;

and if such number exceeds two, he shall take steps to call for a poll in the manner hereinafter laid down.

(2) In a general election under clause (e) of sub-section (1) of section 4,—

(a) if amongst the number of duly nominated candidates after any withdrawal of candidature under sub-rule (10) of rule 5, there be not more than four who are Graduates or Licentiates in Medicine of the University of Calcutta, the Returning Officer shall forthwith declare them to be elected subject to the operation of sub-section (2) of section 4;

and if in such case, the number of the remaining duly nominated candidates after any withdrawal of candidature under sub-rule (10) of rule 5 be not more than five, the Returning Officer shal lalso declare them to be elected without calling for a poll, subject similarly to

the operation of sub-section (2) of section 4, and if the number of such remaining duly nominated candidates be more than five, the Returning Officer shall proceed to take steps to call for a poll in the manner hereinafter laid down, for election to fill up five seats.

(b) if amongst the duly nominated candidates after any withdrawal of candidature under sub-rule (10) of rule 5, there be more than four who are Graduates or Licentiates in Medicine of the University of Calcutta, the Returning Officer shall proceed to take steps to call for a poll for the election of nine members of whom not less than four shall be Graduates or Licentiates in Medicine of the Calcutta University: *provided* that if in such case the total number of duly nominated candidates after any withdrawal of candidature under sub-rule (10) of rule 5, including Graduates or Licentiates in Medicine of the University of Calcutta and those who are not so be not more than nine, the Returning Officer shall without calling for a poll, declare all of them to be elected subject to the operation of sub-section (2) of section 4.

(3) When in pursuance of sub-rules (1) and (2), polling is required to be taken, the Returning Officer shall—

(a) cause to be prepared serially numbered voting papers in form IV(a) or form IV(b) according as the election is to be held under clause (d) or clause (e) of sub-section (1) of section 4;

and thereupon publish in the *Calcutta Gazette*, and in such other manner as he may think fit, the said names, classified according as they come under clause (d) or clause (e) of sub-section (1) of section 4, and arranged in alphabetical order of their surnames.

(b) proceed to issue by registered post to each elector whose name is included in the final electoral roll of the electorate under clause (d) of sub-section (1) of section 4, one voting paper in form IV(a), with one identification envelope in form V, to his address as mentioned in the final electoral roll;

and to each elector, whose name is included in the final electoral roll under clause (e) of sub-section (1) of section 4, one voting paper in form IV(b), with one identification envelope in form V, to his address as mentioned in the final electoral roll:

Provided that such a voting paper with an identification envelope shall also be issued to an elector to whom a voting paper has not already been sent, on his applying in writing to the Returning Officer for the same at any time before the latest date and time notified under clause (d) of sub-rule (5) of rule 4 for receiving voting papers. In no other case shall a voting paper be issued after the latest date notified under clause (c) of sub-rule (5) of rule 4 for sending voting papers, nor shall a voting paper not delivered to a voter by the office be re-issued to him on its return to the office of the Returning Officer.

(4) No election shall be invaliidated by reason of the non-receipt by any elector of a voting paper.

(5) When poll is taken under sub-rule (1) of rule 6, an elector whose name is borne on the final electoral roll of the electorate under clause (d) of sub-section (1) of section 4, may vote for a maximum number of two candidates under that clause;

and an elector, whose name is borne in the final electoral roll of the electorate under clause (e) of sub-section (1) of section 4, may vote—

(i) for a maximum of five candidates when the poll is taken for election of five candidates, under clause (a) of sub-rule (2) or

(ii) for a maximum number of nine candidates when the poll is taken for election of nine candidates under clause (b) of sub-rule (2) provided that he shall not vote for more than five candidates who are not Graduates or Licentiates in Medicine of the University of Calcutta.

A voting paper, in which votes are given for more candidates than what is permissible under the rule shall be rejected.

(6) An elector, whose name is borne on the final electoral roll and who is desirous of recording votes, shall mark the voting paper issued to him, with a *single* cross X (and no other mark) in the *proper column* against the name or names of the candidate or candidates (not exceeding the number of members to be elected) for whom he intends to vote and no elector shall record more than one vote or put more than one cross X mark against the name of any one candidate. A voting paper on which a vote or votes are marked otherwise than by a cross X as laid down in this sub-rule, or on which more than one such cross mark or other kind of mark is put against the name of any one candidate shall be rejected.

(7) A vote recorded otherwise than on the voting paper sent to the elector, shall be rejected; and every voting paper in respect of which any requirement of these rules has not been complied with or on which a mark is placed in such a manner as to make it doubtful to which candidate the vote is given or on which the elector has placed any mark whereby he may be afterwards identified or on which an alteration or erasure occurs indicating a change of vote or which is not received by the Returning Officer on or before the latest day and time notified under clause (d) of sub-rule (5) of rule 4 for the receiving of voting papers, shall be invalid.

(8) After recording his vote or votes on the voting paper, the elector shall enclose it in the relative identification envelope, close the envelope, sign the declaration printed on the envelope, furnishing correctly all particulars required therein. The identification envelope shall then be either delivered personally by the elector or sent singly by post, to the Returning Officer.

(9) Only one voting paper shall be enclosed in one identification envelope: and if two or more voting papers are enclosed in the same identification envelope, the identification envelope and the voting papers therein, shall be rejected.

(10) No voting paper shall be accepted unless it is enclosed in the identification envelope supplied with it, and any defect, e.g., incompleteness in the entries required on the identification envelope, or its receipt after the latest day and time notified under clause (d) of sub-rule (5) of rule 4 for its receipt with the proper voting paper, shall invalidate both the envelope and the voting paper enclosed.

(ii) On receiving the identification envelopes, the Returning Officer shall divide them into two batches, namely, one for those relating to election under clause (d) of sub-section (1) of section 4 and the other for those relating to election under clause (e) of that section: and shall examine the envelopes in each batch, and where he rejects any of them for non-fulfilment of the requirements of sub-rules (8) and (10), he shall record his decision "rejected" noting thereon in which respect it does not fulfil these requirements. and make a separate bundle of the rejected envelopes in each batch and deal with them under sub-rules (3) to (5) of rule 7.

The Returning Officer shall place the identification envelopes, which he provisionally accepts, in a separate bundle for each electorate, without opening the envelopes, and deal with them under sub-rules (3) to (5) of rule 7.

Scrutiny and counting of votes.

7. (1) The Returning Officer shall attend for the purpose of scrutiny and counting of votes on the date and at the time and place notified under clause (e) of sub-rule (5) of rule 4: and on any such subsequent date, or dates as may be necessary to complete the scrutiny and counting.

(2) A candidate may be present in person or may send a representative, duly authorised by him in writing, to watch the process of scrutiny and counting.

(3) The Returning Officer shall show all identification envelopes, whether accepted or rejected, to the candidates or their representatives for examination of the propriety of their acceptance or rejection. Any objection taken to his decision of acceptance or rejection of any identification envelope shall be decided at once by the Returning Officer, and his decision shall be final.

(4) The rejected identification envelope shall be placed in separate bundles for the two electorates, namely the electorate under clause (d) of sub-section (1) of section 4 and the electorate under clause (e) of that sub-section. The bundles shall then be sealed and kept in safe custody under rule 9.

(5) The accepted identification envelopes shall be opened in the presence of the candidates or their representatives appearing under sub-rule (2), and the voting papers separated from the covers which will be kept aside from view.

(6) As the voting papers are separated from the envelopes, the Returning Officer will proceed to examine the voting papers in convenient batches, to see whether the votes have been recorded in accordance with sub-rules (6) to (10) of rule 6. He shall record his decision "rejected" on every voting paper which is found to be defective in any respect and which he rejects, and indicate thereon, the ground of rejection very briefly. The remaining voting papers shall be deemed as accepted.

(7) If any objection is taken to his decision of acceptance or rejection of any voting paper, such objection shall be decided by the Returning Officer at once and his decision shall be final.

(8) The Returning Officer shall separate or cause to be separated the accepted papers from those that have been rejected and keep them in separate bundles.

Declaration of the names of candidates selected.

8. (1) When the counting of the votes of each electorate has been completed by the conduct of the operation in one or more days as may be necessary, the Returning Officer shall, subject to the operation of sub-section (2) of section 4(*vide* rule 10) and to the provision of sub-rule (2) of this rule, forthwith declare the first two candidates in the case of an election under clause (d) of sub-section (1) of section 4 to whom the largest number of valid votes have been given to be elected.

In the case of an election under clause (e) of sub-section (1) of section 4, if the poll has been taken for the election of five members under clause (a) of sub-rule (2) of rule 6, the Returning Officer shall declare the first five candidates to whom the largest number of valid votes have been given, to be elected subject similarly to the operation of sub-section (2) of section 4(*vide* rule 10) and to the provision of sub-rule (2) of this rule;

and if the poll has been taken for the election of nine members under clause (b) of sub-rule (2) of rule 6, he shall first separate the names of the candidates who are Graduates or Licentiates of the University of Calcutta, and

declare the first four amongst them to whom the largest number of valid votes have been given, to be elected subject to the operation of sub-section (2) of section 4 (*vide* rule 10) and to the provision of sub-rule (2) of this rule: and then declare the first five candidates amongst the remaining duly nominated candidates (including Gradutes or Licentiates of the University of Calcutta and the other duly nominated candidates who are not so) to whom the largest number of votes have been given, to be elected subject similarly to the provisions of sub-section (2) of section 4 and sub-rule (2) of this rule.

(2) When an enquality of votes is found to exist between any candidates, and the addition of a vote will entitle any of them to be declared elected, the determination of the person or persons to whom such one additional vote shall be deemed to have been given shall be made by the lot to be drawn in the presence of the Returning Officer and in such manner as he may determine.

(3) The Returning Officer shall immediately report the results of the elections to the President, and the President shall forward the report to the State Government.

(4) When forwarding the report of the Returning Officer under sub-rule (3) to the State Government, the President shall report, for action under section 5, what seats, if any, could not be filled by election by any of the electoral bodies with the reasons why the seats could not be so filled: and also report whether the same person has been elected in more than one seat as a result of the elections under clauses (d) and (e) of sub-section (1) of section 4, and under any other clause of that sub-section.

Disposal of election papers.

9. On the completion of the election proceedings, the Returning Officer shall make into convenient bundles the nomination papers, the voting papers and the identification envelopes, seal each bundles, and make over these and all other papers, relating to the elections, to the Registrar, who will keep them in safe custody in his office till the next general election.

Reporting to Government about information of choice under sub-section (2) of section 4, and the consequent vacancies.

10. (1) If a person is a member elected under more than one of the clauses of sub-section (1) of section 4, the period within which he is required by sub-section (2) of that section, to inform the Registrar under which of the clauses he desires to be treated as elected, shall be upto 5 p.m. of the third day after the completion of all the elections under sub-rule (1) of rule 3 and sub-rules (1) and (2) of rule 8. If this third day be a holiday, the next working day shall be deemed to be the third day for the purpose. A choice once made by the candidate shall be final, and he shall not be permitted to withdraw or modify it later: and when he has not informed the Registrar of his choice before 5 p.m. of the date laid down above, he shall not be permitted to do so after that time.

(2) On the expiry of the period mentioned in the foregoing sub-rule, the Registrar shall report to the President whether the person has informed him of his choice or not within the period, and the President shall forward the same to the State Government for taking the same into consideration, when notifying in the *Calcutta Gazette* under rule 11, the names of the candidates who are to be deemed as finally elected and nominated under the several clauses of sub-section (1) of section 4.

(3) When forwarding the Registrar's report to the State Government, the President shall state what vacancies occur by the operation of sub-section (2) of section 4, and obtain the orders of the State Government, for taking action for filling up these vacancies in accordance with the provisions of Parts V and VI of these rules.

Publication of the names of members elected or nominated.

11. The names of the members elected or nominated to fill the several seats under clauses (a) to (e) of sub-section (1) of section 4, excepting the seats that become vacant by the operation of sub-section (2) of section 4, shall be published by notification in the *Calcutta Gazette,* under section 7, as soon after receipt of the report of the President made under sub-rules (2) and (3) of rule 10, as possible.

Similar notification shall be issued later in respect of the seats becoming vacant under sub-section (2) of section 4, after action has been taken to fill them according to the provisions of Parts V and VI of these rules.

Finality of the decision of the State Government.

12. (1) The State Government may, of its own motion or on objection made within three months from the date of the election, declare any election to the Council to be void on account of corrupt practice (e.g., bribery, undue influence, personation, publication of false statement) or any other sufficient cause, and may call on the electorate affected to make a fresh election within a specified date, and any decision of the State Government under this rule shall be final.

(2) The decision of the State Government on any question that may arise as to the intention, construction or application of these rules, shall be final.

Miscellaneous.

13. If a registered practitioner having been elected or nominated as a member, is found guilty of infamous conduct in any professional respect and his name is removed from the Register of registered practitioners, the Council shall declare his seat to be vacant.

The President shall report the fact to the State Government and the vacancy shall be filled in the manner laid down in Parts V and VI of these rules.

14. A register shall be maintained in form VI showing the names of the members, elected or nominated constituting the Council on a general election under these rules and also subsequent changes till the next general election.

PART V.

Filling up of casual vacancies amongst members elected under clause (b), (c) or (d) of section 4(1).

15. (1) When the office of a member elected under clause (b) or clause (c) of sub-section (1) of section 4 becomes vacant by his resignation or death or under sub-section (2) of section 4 or sub-section (1) of section 9, the Registrar shall forthwith report the vacancy to the President and under his orders thereon request the Registrar of the University of Calcutta or the Secretary of the State Medical Faculty of West Bengal, as the case may be, to elect a member in the vacancy within two months from the date on which the vacancy occurs, and intimate to the President the name of the person elected, with his qualifications, registration number, and address.

The President will thereupon report the same to the State Government for notification in the *Calcutta Gazette.*

(2) When such vacancy is amongst the members elected under clause (d) of sub-section (1) of section 4, an election shall be held in accordance with the same rules as laid down in Part IV of these rules for general election by the electoral body referred to in the said clause except that the period of publication of the draft electoral roll [*vide* sub-rule (3) of rule (4)] shall not be more than 7 days.

The programme of time for the several stages of the operation shall also be so arranged that the election may be completed within two months from the date of occurrence of the vacancy.

PART VI.

Filling up of a casual vacancy amongst members elected under clause (e) of section 4(1).

16. (1) When the office of a member elected under clause (e) of sub-section (1) of section 4 becomes vacant by his resignation or death or under sub-section (2) of section 4 or sub-section (1) of section 9, the Registrar shall forthwith report the vacancy to the President and the President shall thereupon determine in accordance with the provisions of clause (c) of sub-section (1) of section 10, the candidate or candidates who should be considered as having secured for the purposes of that clause, the maximum number of votes at the preceding election under clause (e) of sub-section (1) of section 4.

(2) If there be only one such candidate, he shall be deemed to have been elected in the place of the outgoing member: and the President shall forthwith report the same to the State Government for notification in the *Calcutta Gazette*.

(3) If there be more than one such candidate having the same maximum number of votes at the preceding election aforesaid, the President shall appoint a time and place for making a selection by drawing lot, and cause notices to be issued by registered post to all such candidates with the same maximum number of votes, inviting them to be present either personally or by a duly authorised agent, at the time and place appointed by the President for the purpose, and the President shall cause the lot to be drawn in the presence of the candidates invited or their duly authorised agents as may be present, in such manner as he thinks proper. The candidate thus selected by lot, shall be deemed to have been elected, and the President shall report the election to the State Government for notifying the same in the *Calcutta Gazette*.

(4) If on the happening of a contingency mentioned in proviso (*iii*) to clause (c) of sub-section (1) of section 10, a bye-election becomes necessary, such bye-election shall be held in accordance with the same rules as laid down in Part IV of these rules for a general election by the electoral body referred to in clause (e) of sub-section (1) of section 4.

PART VII.

Election of Vice-President under Section 11B.

17. (1) The election of the Vice-President shall be held at the first meeting of the Council at which the President shall preside.

(2) The President shall invite the members present at the meeting to make their nomination for the office of the Vice-President in such manner as the President considers fit. Every nomination shall be supported by another member present at the meeting as seconder: provided that no one member shall nominate or second more than one person.

(3) If there be only one person so nominated, he shall be declared as duly elected Vice-President.

(4) If there be more than one such person, the President shall proceed to take ballot in the following manner, namely—

(i) A slip of paper shall be given to every member present who shall write on it the name of the person he votes for, fold the slip and hand it over to the President.

(ii) The President shall then count the number of votes secured by each nominee: and declare the member who secures the largest number of votes as the duly elected Vice-President.

(iii) If the largest number of votes be secured by two or more nominees, the President may either give his casting vote for any one of them who shall then be declared as the duly elected Vice-President: or, the President may make the selection by lot drawn in such manner as he thinks fit, and the person so selected by lot shall be declared as the duly elected Vice-President.

PART VIII.

Election of the members of the Executive Committee (section 11C).

18. (1) The election of five members for the Executive Committee, as required by section 11C, shall be held at a meeting of the Council at which the President, or in his absence the Vice-President shall be the Chairman.

(2) The procedure for nomination shall be the same as laid down in sub-rules (2) to (4) of rule 17 for the election of the Vice-President, with this difference that a member may nominate or second as many as five persons.

(3) If there be only five person so nominated, all these five persons shall be declared as duly elected members of the Executive Committee.

(4) If there be more than five persons so nominated, the Chairman shall proceed to take ballot in the following manner, namely:—

(i) A voting paper with the names of the candidates nominated shall be given to every member present who shall put a cross mark against the name of the person he votes for, fold the slip and hand it over to the Chairman.

(ii) The Chairman shall then count the number of votes secured by each candidate in the voting paper and declare the five with the largest number of votes as duly elected members of the Executive Committee.

(iii) When an equality of votes is found to exist between any candidates, and the addition of a vote will entitle any of the said candidates to be declared elected, the determination of the person or persons to whom such an additional vote shall be deemed to have been given shall be made by lot to be drawn in the presence of the Chairman and in such manner as he may determine.

This notification is made, under the provisions of section 4, Act I of 1894, to all whom it may concern.

A plan of the land may be inspected in the office of the Special Land Acquisition Collector, Damodar Valley Project, Burdwan.

In exercise of the powers conferred by the aforesaid section, the Governor is pleased to authorize

the officers for the time being engaged in the undertaking, with their servants and workmen, to enter upon and survey the land and do all other acts required or permitted by that section.

Any person interested in the above land as is not waste and arable, who has any objection to the acquisition thereof, may, within thirty days after the date on which public notice of the substance of this notification is given in the locality, file an objection in writing before the Special Land Acquisition, Collector, Damodar Valley Project, Burdwan.

In exercise of the powers conferred by section 17(4) of the Land Acquisition Act, I of 1894, as amended by Act XXXVIII of 1923, the Governor is pleased to direct that the provisions of section 5A of the Act shall not apply to the waste or arable portions of the land in this case.

DECLARATION.

Burdwan.—No. 11468L.A.—28th July 1954.—Whereas it appears to the Governor that land is required to be taken by Government at the expense of the Damodar Valley Corporation for a public purpose, viz., for excavation of Distributory 17 in connection with Damodar Flood Control Project in the villages of Kaity and Barajpota, jurisdiction list Nos. 164 and 165, respectively, thana Rayna, district Burdwan, it is hereby declared that for the above purpose pieces of land comprising part of cadastral survey plot No. 1464 of village Kaity and parts of cadastral survey plot Nos. 1112 and 1324 of village Barajpota, and altogether measuring, more or less, ·09 of an acre, are required within the aforesaid villages of Kaity and Barajpota.

Mines of coal, iron-stone, slate or other minerals, lying under the land or any particular portion of the land, except only such parts of the mines and minerals as it may be necessary to dig, or carry away, or use in the construction of the work for the purpose of which the land is being acquired, are not needed.

This declaration is made, under the provisions of section 6, Act I of 1894, and section 6, clause (1), Act, XVIII of 1885, to all whom it may concern.

A plan of the land may be inspected in the office of the Special Land Acquisition Collector, Damodar Valley Project, Burdwan.

By order of the Governor,

S. N. MITRA,

Dy. Secy. to the Govt. of West Bengal.

Land Reforms.

NOTIFICATION.

No. 11324L.Ref.—27th July 1954.—The following draft of amendments which in exercise of the power conferred by section 59 of the West Bengal Estates Acquisition Act, 1953 (West Bengal Act I of 1954), the Governor proposes to make in the West Bengal Estates Acquisition Rules, 1954, published under notification No. 8074L.Ref., dated the 28th May 1954, is hereby published as required by sub-section (*1*) of the said section for the information of persons likely to be affected thereby.

2. Notice is hereby given that the draft will be taken into consideration on or after the 14th day of August 1954, and any objection or suggestion with respect thereto which may be received by the undersigned before that date shall be considered.

Draft amendments.

After rule 3 of the said rules *insert* the following rules, namely—

"Procedure for enquiry under section 5A(1).

3A. The procedure for enquiry under sub-section (*1*) of section 5A shall be as follows:—

(*1*) Where, in the opinion of the State Government or of any officer in its service to whom its powers under sub-section (*1*) of section 5A may be delegated, there are *prima facie* reasons for believing that transfer of any land whether by sale, mortgage, lease, exchange or gift has been made by an intermediary between the 5th day of May 1953 and the date of vesting with the object of increasing the amount of land which such intermediary may retain under Chapter II or of increasing the amount of compensation payable under Chapter III or Chapter IV, the State Government or such officer may record a formal order to that effect.

(*2*) Thereafter the State Government or such officer shall cause to be served on the transferor and the transferee or such other party as may be found to be interested in the transfer a copy of such order and a notice requiring the production of necessary documents and other evidence for proving that the transfer of such land was bonafide and shall specify in such notice a date, time and place for the production of such documents and other evidence and hearing of the case.

(*3*) Upon hearing the parties concerned and considering the evidence, if any, adduced and making such further enquiry as is deemed necessary, the State Government or such officer shall make an order accordingly.

Procedure for disposal of appeals under section 5A(6).

3B. The procedure for disposal of appeals under sub-section (*2*) of section 11 as laid down in rule 9 shall, *mutatis mutandis*, apply to the procedure for disposal of appeals under sub-section (*6*) of section 5A."

By order of the Governor,

S. BANERJEE,

Secy. to the Govt. of West Bengal.

NOTIFICATIONS.

No. 4596W.T.—14th July 1954.—In exercise of the powers conferred by section 75 of the Motor Vehicles Act, 1939 (IV of 1939), and in partial modification of existing orders on the subject, the Governor is pleased hereby to authorise and empower the Superintendent of Police in a district to exercise the powers and perform the functions conferred by the said section in consultation with the District Magistrate.

No. 4587W.T.—20th July 1954.—In exercise of the power conferred by clause (a) of section 2 of the Calcutta Hackney-carriage Act, 1919 (Bengal Act I of 1919), the Governor is pleased to extend to the Tamluk Municipality, in the district of Midnapore, all provisions of the said Act except sub-section (1) of section 6.

No. 4664W.T.—17th July 1954.—The following draft of an amendment which, in exercise of the power conferred by sub-section (1) and, in particular, by clause (za) of sub-section (2) of section 68 of the Motor Vehicles Act, 1939 (IV of 1939), the Governor proposes to make in the Bengal Motor Vehicles Rules, 1940, published at pages 2655-2829 of Part I of the *Calcutta Gazette* of the 10th October 1940, as subsequently amended, is hereby published as required by sub-section (1) of section 133 of the said Act, for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on or after the 22nd August 1954, and any objection or suggestion with respect thereto which may be received by the undersigned before that date shall be considered:—

Draft amendment.

After rule 67 of the said rules, *insert* the following new rule, namely:—

"67A. Carriage of goods in a stage carriage, or a public or private carrier—The Regional Transport Authority may attach to a stage carriage permit, or a public or private carrier's permit the condition that no goods, the sale, trade, movement or transport of which is prohibited except in accordance with a license, permit or other authority under any Act, rule, regulation, order or notification, shall be carried in any such vehicle without such license, permit or authority."

No. 4589W.T.—20th July 1954.—In exercise of the power conferred by sub-section (*1*) of section 71 of the Calcutta Hackney-carriage Act, 1919 (Bengal Act I of 1919), the Governor is pleased to make the following by-laws for the Tamluk Municipality in the district of Midnapore, namely:—

BY-LAWS.

1. **Appointment and duties of the Registering Officer.**—Every rickshaw in the Tamluk Municipality shall be annually registered by a Registering Officer appointed for registering hackney-carriages.

2. **Qualifications of bearers.**—Every person applying for a bearer's license shall be required to satisfy the Registering Officer—

(i) that he knows how to drive and control a rickshaw and is in all respects a fit person for such employment;

(ii) that he is well-acquainted with the principal streets, offices, and places in and around the town of Tamluk;

(iii) that he has a thorough knowledge of the tables of fares and distances prepared by the Commissioners of the municipality;

(iv) that he knows the rules of the road and the signals used by the bearers and drivers of vehicles and by the traffic police;

(v) that he is not less than 18 years of age.

3. **Contents of license.**—There shall be attached to each licence issued to a bearer—

(a) the thumb mark or signature of the bearer,
(b) a photograph of the bearer, to be supplied by him, and
(c) printed table of fares and distances prepared by the Commissioners for which no charge shall be paid by the bearer.

4. **Production of license, etc.**—Every bearer of a rickshaw shall carry with him and shall produce his license, when called upon to do so by the traffic police, any Commissioner or other person authorised by the Commissioners. He shall exhibit the table of fares and distances on a prominent part of the vehicle.

5. **Prohibition of smoking.**—No bearer shall smoke while driving a rickshaw nor shall he muffle up his face and head in such a manner as to endanger the proper driving of his vehicle.

6. **Condition of rickshaws.**—(a) The body of the rickshaw shall be sound and clean and all the boards strong and properly secured.

(b) The wheels shall be rubber-tyred, strong and sound so as to run smoothly and without rattling or shaking and shall be protected by properly fitted splash-boards.

(c) The springs and axles shall be of good metal, strong and properly riveted and free from rust.

(d) The iron supports at the back shall be properly curved and securely fixed at each side, strong and of sound metal and free from rust.

(e) The hood, apron and cushion shall be made of and covered with good cloth, canvas or other material approved by the Commissioners at a meeting.

(f) The shafts shall be of sound wood, strong, securely fixed and furnished at the fore-ends with a ring-shaped metal support and connected by a collision guard.

(g) The hood and apron shall be so fitted as to make the vehicle water-tight.

(h) Every rickshaw shall have two good lamps, one facing the front and one in the rear.

(i) Each lamp shall have a red glass window in the back and shall be so placed that the light from the window is visible from a point ten yards in the rear of the centre of the vehicle.

(j) Every rickshaw shall have a bell affixed to the handle bars or cross bars on the cycle and it shall be so constructed that it can be operated by fingers and can give continuous ringing as and when necessary.

7. **Dimensions and pattern of rickshaws.**—All rickshaws shall conform to the following dimensions and be of such pattern as may be fixed by the Commissioners at a meeting:—

Width of the seats—2 feet 3 inches.

Height of the seats—1 foot 4 inches.

NOTIFICATIONS.

No. 468Regn.—14th July 1954.—In exercise of the powers conferred by section 24 of the Bengal Muhammadan Marriages and Divorces Registration Act, 1876 (Bengal Act I of 1876), the Governor is pleased to make, with effect from the 1st August 1954, the following amendments in the rules published under notification No. 620Regn., dated the 14th August 1929, as subsequently amended, namely:—

Amendments.

In the said rules—

(a) *For* the words "Permanent Committee" wherever they occur, *substitute* the words "Advisory Committee" and

(b) *for* rule 3, *substitute* the following rule:—

"3(a) *Procedure for selection of candidates for Muhammadan Registrarship in districts other than Calcutta.*—On the occurrence of a vacancy caused by the removal, discharge, death, permanent disability or incapacity or sudden resignation of a Muhammadan Registrar or on the creation of a new office or post in any district other than the district of Calcutta, the Registrar shall forthwith make a temporary appointment to carry on the work of the office, intimate the vacancy to the Inspector-General of Registration if such vacancy is not already known to him and invite applications for permanent appointment in the vacancy, office or post. Applications may also be received by the Inspector-General of Registration, but on receipt he shall forward them to the Registrar of the district concerned. The Registrar shall then send to the Inspector-General of Registration all the applications for the post after recommending in order of preference the best four of the applicants. On receipt of the applications the Inspector-General of Registration shall ask the Advisory Committee to consider them along with his remarks and the remarks of the Registrar as the case may be, and submit their recommendations to the Inspector-General of Registration putting forward three for each vacancy in order of preference. He shall then communicate the recommendations to the State Government, who select one out of these three names, or, for any special reason, may select any other from the rest of the candidates.

(b) *Procedure in making temporary appointment.*—In making temporary appointments, the Advisory Committee need not be consulted. The District Registrar shall nominate a suitable person for each vacancy. The District Registrar's nomination shall be submitted to the State Government by the Inspector-General of Registration who, if he disapproves of the District Registrar's nominee may recommend the appointment of any other candidate. A temporary license shall then be issued to the candidate approved by the State Government.

(c) *Procedure in filling up vacancies, temporary or permanent, in Calcutta.*—In filling up vacancies, temporary or permanent, occurring in Calcutta, applications shall be received by the Inspector-General of Registration. In the case of a temporary vacancy, he shall select a suitable person for each vacancy and submit his nomination to the State Government. When a vacancy occurs on account of the removal, discharge, death, permanent disability or incapacity or sudden resignation a temporary arrangement may be made in the manner provided for appointment to temporary vacancy, pending the selection of a permanent incumbant of the post. In the case of a permanent vacancy, the Inspector-General of Registration shall consult the Advisory Committee, who shall be asked to submit three names for the consideration of the State Government, for each vacancy. He shall forward those names to the State Government with his remarks as well as the remarks of the Advisory Committee.

(d) Applications for extension of service of Muhammadan Registrars (in the districts and in Calcutta) and the procedure for their disposal—

If a Muhammadan Registrar is desirous of applying for an extension of service, he shall file an application at least six months before his term is due to expire. Such application shall be disposed of at least three months before the date of expiry of the term.

If the term be not extended, steps shall immediately be taken to select a permanent successor so that he may be in a position to take over on the retirement of the outgoing Registrar. In the matter of appointment of the permanent successor the same principles as in sub-rule (a) if it relates to any district other than Calcutta and as in sub-rule (c) if it relates to Calcutta shall be followed."

By order of the Governor,
K. K. HAJARA, Secy.

24-Parganas.—No. 469Regn.—10th July 1954.—The Governor is pleased to appoint Shri Jagadish Chandra Sikdar, Sub-Registrar of Hasnabad, in the district of 24-Parganas, to act, in addition to his own duties, as Joint Sub-Registrar of Habra-in the same district with effect from 1st July 1954, until further orders.

Burdwan.—No. 471Regn.—12th July 1954.—In exercise of the power conferred by section 2 of the Kazis Act, 1880 (Act XII of 1880), the Governor is pleased to appoint Shri Sirajuddin Ahmed to be the Kazi for the celebration of marriages and the performance of other rites and ceremonies within the police-station of Jamalpur in the district of Burdwan.

NOTIFICATION.

No. 2083F./F/1S-8(30)/54.—21st July 1954.—In exercise of the powers conferred by the proviso to article 309 of the Constitution of India, the Governor is pleased to make, in supersession of all previous rules issued on the subject, the following rules for the regulation of recruitment to the clerical establishment of the Secretariat and certain other offices:—

RULES FOR THE REGULATION OF RECRUITMENT TO THE CLERICAL SERVICES OF THE SECRETARIAT AND CERTAIN OTHER OFFICES OF THE GOVERNMENT OF WEST BENGAL.

1. These rules shall apply to the clerical establishments of the West Bengal Secretariat and the offices included in (2) and (2A) of Schedule "C" to the West Bengal Public Service Commission Regulations, 1937.

2. The clerical service of the Secretariat and the other offices is divided into two divisions—the Upper Division and Lower Division.

Upper Division.

3. *Pay.*—The Upper Division of the clerical service in the Secretariat and the Board of Revenue is graded as follows:—

(a) A time-scale of Rs.150—10—370—15—400 with an efficiency bar after the 12th stage.

(b) A selection grade of Rs. 400—20—500 attached to posts of "Senior Head Assistants", the number of which is limited to 7·5 per cent. of the total number of permanent Upper Division posts (including Head Assistants) in a Department; provided that no post of Senior Head Assistant shall be admissible unless there are more than one permanent Head Assistant in the Department.

(c) A special pay of Rs. 60 per month is attached to posts of Head Assistants.

4. *Method of recruitment.*—Recruitment to the Upper Division in the Secretariat and in the office of the Board of Revenue shall be as follows:—

(a) 50 per cent. by direct recruitment on the results of the competitive examination for recruitment to the West Bengal Civil Service (Executive) and allied services,

(b) 50 per cent. by promotion from Lower Division.

If as a matter of fact the proportion between the two categories is found to be uneven in any Department or in the office of the Board of Revenue steps should be taken to secure the correct proportion. After the proportion has been secured, vacancies in place of direct recruits shall be filled up by direct recruitment and those in place of promotees by promotion from Lower Division.

Upper Division vacancies in other offices mentioned in Schedule "C" to the Public Service Commission Regulations to which these rules apply shall be filled by promotion from the Lower Division unless otherwise expressly provided for in any existing departmental orders applicable to a particular office.

Promotion from the Lower Division to the Upper Divivsion will be made on the ground of merit. Unless other considerations are equal, seniority will not be taken into account.

Similarly, in the matter of selection of Upper Divivsion clerks for posts of Head Assistants, merit shall be the deciding factor and the time spent in the Upper Division shall not be taken into account unless it is impossible to choose between two or more clerks on merit alone.

Candidates directly recruited to the Upper Division shall be on probation for two years.

Qualifications.—For direct recruitment to Upper Division posts in the Secretariat and the office of the Board of Revenue the qualifications regarding age and academic fitness shall be the same as those laid down for admission to the West Bengal Junior Civil Service.

Lower Division.

6. *Pay.*—The Lower Division of the clerical service is graded as follows:—

(i) In the Secretariat Departments, the Secretariat Record Room and in the office of the Board of Revenue—

a time scale of Rs. 80—4—160—5—180 with efficiency bar after the 12th stage.

(ii) In the West Bengal Government Press and in the Pooling Section of the Port Office, Calcutta—

a time scale of Rs. 55—3—118—4—130 plus a compensatory allowance at 10 per cent. of the basic pay.

(iii) In other offices to which these rules apply—

a time scale of Rs. 70—3—118—4—150 with efficiency bar after the 12th stage.

Newly appointed clerks will be on probation for two years.

7. *Method of recruitment.*—Except as provided in rules 8 and 9 of these rules vacancies in the Lower Division of the Secretariat and of offices to which these rules apply will be filled up by means of a competitive examination to be held by the Public Service Commission, West Bengal.

8. Every year 20 per centum of the vacancies reported to the Public Service Commission, West Bengal, under sub-rule (1) of rule 15 by the Departments of the Secretariat and 20 per centum of the vacancies reported by the offices to which these rules apply, subject to a minimum of one vacancy in respect of the said Departments and one vacancy in respect of the said offices, shall be filled by the said Commission in such manner as they think fit from amongst the candidates who, after having qualified themselves in the clerkship examination, were first appointed in temporary or officiating vacancies in the said Departments or offices and have been serving continuously in the said Departments or offices as the case may be, for not less than three years and whose work in such Departments or offices, as the case may be, has been found to be satisfactory.

9. (a) A Department of the Secretariat may promote any permanent clerk in a Directorate under that Department to a Lower Division post in the Secretariat after considering the claims of all Assistants in the said Directorate who have rendered permanent service of not less than five years in that Directorate; but the total number of posts so filled from time to time in terms of this rule shall never exceed 10 per cent. of the strength of the permanent Lower Division posts of the particular Department.

(b) A Directorate may promote any permanent clerk in an office subordinate to it to a Lower Division post in that Directorate after considering the claims of all Assistants of the office subordinate to it who have rendered permanent service of not less than five years in the subordinate office; but the total number of posts so filled from time to time in terms of this rule shall never exceed 10 per cent. of the strength of the permanent Lower Division posts of that particular Directorate.

In both cases mentioned in (a) and (b) above, consultation with the Public Service Commission will not be necessary.

10. *Qualifications.*—The candidates must have passed the School Final Examination of the Board of Secondary Education, West Bengal or must possess such other qualification as may be deemed equivalent by the Commission in consultation with the Government. Candidates must file with their applications the original School Final (or equivalent) certificate with an attested copy thereof.

11. *Age.*—Candidates must be not less than 18 and not more than 23 years of age on the 1st June of the year in which the examination is held.

The School Final (or equivalent) certificate will be accepted as proof of age.

Candidates whose age is not indicated in the School Final (or equivalent) certificate must submit—

A certificate in original (with an attested copy thereof) from the Headmaster/Headmistress of the School which he/she last attended showing his/her exact age as recorded in the school register failing which the following evidence of age may be considered by the Commission:—

(a) An affidavit regarding his/her age, in original (with an attested copy thereof) sworn by his/her father or mother or some other person in a position to know by having been present or heard of his/her birth at the time of occurrence.

(b) A certificate regarding his/her age, in original (with an attested copy thereof) from a member of the Central or State Legislature or a Gazetted Officer who must have known the candidate and his/her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Note.—The attention of all candidates is drawn to the orders of Government that a declaration of age, made at the time of, or for the purpose of entry into Government service, shall be deemed to be absolutely conclusive and no revision of such a declaration shall be allowed at a later period for any purpose whatsoever.

12. *Fee.*—Candidates must submit their application in a form prescribed for the purpose and obtainable from the Secretary, Public Service Commission, West Bengal. Candidates must enclose with their applications a fee of Rs. 10 by postal order, crossed and endorsed to the Secretary, Public Service Commission, West Bengal or a receipted chalan from a Government Treasury in West

Bengal or the Reserve Bank of India, Calcutta, under head "XXXVI—Miscellaneous—Receipts of the Public Service Commission, West Bengal." Money orders or cheques are not accepted. In no circumstances will the fees be refunded.

13. The examination referred to in rule 7 will ordinarily be held in the month of June of each year. The examination will be conducted by the Public Service Commission, West Bengal.

14. *Subjects and papers for the examination.*—The examination will consist of the following subjects and papers and the pass marks in each paper and time allowed are indicated below:—

Subject.			Total marks.	Pass marks.	Time.
Paper I	English		100	40	3 hours.
Paper II	Bengali		100	40	3 hours.
Paper III	General Knowledge and Current Affairs.		100	30	3 hours.
Paper IV	Elementary Mathematics		100	30	3 hours.

The syllabus and other details are given in the Appendix. For those whose mother tongue is not Bengali, the examination in Paper II will be held in Hindi, Urdu or Nepali as the case may be. Such candidates shall on appointment to permanent posts have to pass a departmental examination in Bengali by the lower standard as contained in the Services (Training and Examination) Rules, West Bengal, published with notification No. 845F., dated 19th March 1953, during the period of probation.

15. (1) On the 1st of April of each year, Departments and other offices to which these rules apply shall send to the Public Service Commission a memorandum showing the number of permanent and temporary vacancies in the Lower Division that are then available or are expected to become available for appointment between 1st May of the current year and 30th April of the following year. This memorandum should show how the vacancies are to be reserved for candidates belonging to scheduled castes and scheduled tribes in accordance with the instructions contained in Finance Department memorandum No. 2948F., dated 13th June 1953.

(2) As soon as the results of the competitive examination are available, the Public Service Commission, West Bengal will arrange the names of the candidates in order of merit and will allot the candidates in the same order to the various Departments and offices for appointment to the vacancies, permanent as well as temporary, reported in the memorandum referred to in sub-rule (1) of this rule.

All vacancies occurring up to 30th April of the following year but not foreseen at the time of submission of the memorandum referred to in sub-rule (1) will also be reported to the Public Service Commission, West Bengal and filled up by candidates in the aforesaid list.

16. Vacancies in temporary posts and temporary vacancies in permanent posts in the Lower Division will ordinarily be filled up in order of merit from candidates who have qualified at the Clerkship Examination but did not stand sufficiently high in order of merit to secure permanent appointment. It must be distinctly understood that such temporary employment gives no claim to permanent employment, except as provided in rule 8.

17. No candidates, whether recruited on the results of the competitive examination or selected under provision of rule 8 shall be offered an appointment unless he produces an unconditional medical certificate of fitness for clerical service under Government from the Presidency Surgeon, who is entrusted with the duty of examining such candidates. The Public Service Commission may at their discretion allow a candidate time, which will in no case exceed three months, to have a temporary defect removed. Appointments to vacancies will not be delayed on this account and a candidate to whom this concession is granted can only be appointed to a vacancy which exists after he produces an unconditional medical certificate. The candidate shall learn typewriting during his probationary period and accurate typing at the rate of twenty words a minute will be demanded before confirmation.

Candidates who are appointed on probation in the West Bengal Secretariat Record Room will be required to pass the prescribed departmental examination conducted by the Public Service Commission.

18. If at any time during the period of probation or at its close, the probationer's work is not considered satisfactory by the appointing authority, he may be discharged and will have no claim to either gratuity or pension. If, however, he held lien on a permanent post before his appointment on probation under these rules and his work is found unsatisfactory, he will be reverted to the post on which he holds lien.

By order of the Governor,

B. DAS GUPTA, Secy.

LABOUR DEPARTMENT

NOTIFICATIONS.

No. 2395Lab./G/2L-13/54.—22nd July 1954.—The Governor is pleased to grant Shri G. Palit, District Judge, Judge, Industrial Tribunal, West Bengal, leave on average pay for twenty-nine days from the 1st June 1954 under rule 184(b)(ii) and proviso thereunder of the Bengal Service Rules, Part I.

No. 2369Lab./G/1A-15/54.—21st July 1954.—Whereas, in the opinion of the Governor,—

(1) the rules of the Provident Funds of the Factory mentioned in the schedule below with respect to the rates of contribution are not less favourable to the employees therein than those specified in section 6 of the Employees' Provident Funds Act, 1952 (XIX of 1952), and

(2) the employees in the said factory are also in enjoyment of other provident fund benefits which on the whole are not less favourable to them than the benefits provided under the Employees' Provident Funds Scheme, 1952, hereinafter referred to as the said scheme, in relation to the employees in any other factory of a similar character;

Now, therefore, in exercise of the power conferred by clause (a) of sub-section (1) of section 17 of the Employees' Provident Funds Act, 1952 (XIX of 1952), the Governor is pleased hereby to exempt the factory mentioned in the schedule below from the operation of all the provisions of the said scheme subject to the following conditions, namely:—

(1) The employer in relation to the factory (hereinafter referred to as the employer) shall within six months from the date of the publication of this notification, amend the constitution of the Provident Fund of the Factory in such manner as to ensure that—

(a) The Provident Fund vests in a Board of Trustees;

(b) The Board of Trustees includes representatives of employees equal in number to the representatives of the employers in the Board.

The Chairman of the Board of Trustees shall be a representative of the employers but in the case of an equality of votes shall have no casting vote. Matters on which the opinion is equally divided, shall be referred to the Regional Provident Fund Commissioner appointed under paragraphs 19 and 20 of the said scheme (hereinafter, referred to as the Regional Commissioner), whose decision in the matter shall be final and binding.

(2) The rules relating to the Provident Fund of the Factory shall not be amended except with the previous approval of the Regional Commissioner and a copy of every amendment made shall as soon as may be, be sent to him. Where any such amendment as approved by the Regional Commissioner prejudicially affects the interests of employees, any employee may refer the matter to the Central Commissioner appointed under sub-paragraph (1) of paragraph 19 of the said scheme whose decision thereon shall be final and binding and shall be given effect to by the employer or the Board of Trustees, as the case may be.

(3)(a) The employer shall maintain accounts of the Provident Fund in such manner and submit such returns to the Regional Commissioner as the Central Government may, from time to time, direct.

(b) The employer shall furnish to the Regional Commissioner such accounts relating to the Provident Fund of the Factory (which shall include an annual statement of the accounts of each subscriber) as the Central Government may prescribe from time to time.

(c) The employer shall invest all accumulations accrued after the date of exemption in the securities of the Central Government. The re-investment or conversion of securities on maturity shall also be in the securities of the Central Government.

(4) The employer and the Board of Trustees shall afford reasonable facilities for inspection of the accounts of the Provident Fund to any Inspector appointed under the said Act and the employer shall pay such inspection charges as the Central Government may, from time to time, specify.

(5)(a) The employer shall carry out such instructions as the State Government may, from time to time, issue for the purpose of enforcing all or any of the aforesaid conditions.

(b) The State Government reserve the right to impose such further conditions as may be deemed necessary in the interests of the employees in the factory.

(6) All expenses involved in the administration of the Provident Fund Scheme including the maintenance of accounts, submission of accounts and returns and payment of inspection charges shall be borne by the employer.

(7) Exemption granted by this notification is liable to be withdrawn for breach of any of the aforesaid conditions or for any other reason which the State Government may deem appropriate.

(8) The aforesaid conditions are in addition to the conditions mentioned in the Explanation to sub-section (1) of section 17 of the said Act.

The Schedule.

The Cost of Living Index Number for Darjeeling has come down by 1 point from 97 in April 1954 to 96 in May.

The fall is due to lower quotation during May for Kerosene oil, Fire-wood, Bell-metal and Cocoanut oil.

The number for Dooars has remained steady at 90, while there has been a rise in Terai by 5 points from 86 in April 1954 to 91 in May 1954 mainly due to rise in the prices of Rice, Paddy, Chira-Muri, Dal, Spices, Fish, Egg and Vegetable.

24-Parganas.—No. 10952L.A.—20th July 1954.—The following agreement is published under section 42 of the Land Acquisition Act, I of 1894, for general information:—

Agreement.

Memorandum of agreement made this 17th day of July 1954 between the Associated Aesby Industries Ltd., a Company Registered under the Indian Companies Act 1913, and having its registered office at 22, Strand Road, Calcutta-1 and factory at 81, Akshoy Kumar Mukherjee Road, Baranagore, (Calcutta-36) (hereinafter called "the Company") of the one part and "the Governor" of the State of West Bengal (hereinafter called the Governor) of the other part.

Whereas for the purpose of the extension of factory and for construction of Metal yard and quarters for the staff and workers, the Company has applied to the Government of West Bengal for the acquisition under the provisions of the Land Acquisition Act, 1894, of the pieces or parcels of the land containing 0·57 of an acre or thereabout situated in the village of Naopara, police-station Baranagore, in the district of 24-Parganas and more particularly described in the schedule hereto and delineated in the plan* hereunto annexed.

And whereas the said Government of West Bengal, being satisfied by an enquiry held under section 40 of the said Act, that the proposed acquisition is needed for the aforesaid purpose and that the said work is likely to prove useful to the public, has consented to acquire on behalf of the Company the pieces or parcels of the land hereinbefore described.

And whereas the said Government of West Bengal has required the Company under the provisions of section 41 of the above mentioned Act to enter into the agreement with the Governor hereinafter contained. Now this Indenture witnesseth that it is hereby agreed and declared as follows:—

1. On demand the Company shall and will pay to the said Government of West Bengal all and every compensation in respect of the said land tendered, paid or awarded or to be tendered, paid or awarded by the Collector under the Land Acquisition Act, 1894, or by Court to which a reference under part III of the said Act may be made, or by the Court or Courts to which an appeal from the award of the said Court may be preferred and all costs, charges and expenses of the proceedings in the aforesaid Courts or otherwise incidental to the proposed acquisition or payable in respect thereof under the provisions of the said Act.

2. On demand by the said Collector the obligations of the Company under the last preceding clause not being thereby limited, the Company shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.

3. On payment by the Company of all demands under the foregoing first clause, or, in the discretion of the said Government of West Bengal (on deposit by the Company of all estimated amounts as provided in the second clause), but not before possession shall have been taken under the provisions of the abovementioned Act, the Governor shall make over possession of the said land to the Company and shall execute and do

all such acts and deeds as may be necessary and proper for effectually vesting the same in the Company.

4. The said land be held by the Company for the purpose of such extension of factory and construction of Metal Yard and Quarters for the staff and workers as is hereinbefore mentioned and without the sanction in writing of the said Government of West Bengal first had and obtained for no other purpose whatsoever.

5. The said construction and extension shall be completed and fully equipped in all respects ready for use within two years from the date on which possession of the said land shall have been given to the Company.

6. Should the said construction and extension not be completed and fully equipped in all respects ready for use within the period stated in the last preceding clause or within such further period as in its discretion may be prescribed or allowed by the said Government of West Bengal or should the said land at any time thereafter cease for a period of twelve consecutive months, to be held and used or cease to be required for the purpose or purposes provided for in the foregoing fourth clause then and in any such case, the said Government may summarily re-enter upon and take possession of the said land together with all buildings thereon, whether such buildings were erected before or after transfer of the land to the Company, and thereupon the interest of the Company in the said land and buildings shall absolutely cease and determine.

7. On taking such possession, the said Government may sell or otherwise deal with the said land and buildings as it may think proper:

(i) Should the said Government sell the land with the buildings the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Company.

(ii) Should the said Government decide not to sell the land and buildings, the said Government shall retain the said land and buildings thereon in which case the Governor shall repay to the Company the market value as on the day of re-entry of all the buildings erected by the Company and all sums received from the Company in respect of all and every compensation as provided in the foregoing first clause (less the statutory allowance of 15 per cent. and less any amount received on account of trees and buildings which are not in existance at the time of resumption), but will not repay any sums paid and received on account of costs, charges and expenses.

(iii) Should the said Government decide to sell the buildings only upon such sale, the Governor shall, after deducting the expenses of taking possession and selling, pay the balance of the proceeds of sale to the Company, together with the sum received from the Company in respect of the compensation for the land (less the statutory allowance of 15 per cent. and less any amount received from the Company on account of trees and buildings which are not in existance at the time of resumption), but will not repay any sum paid and received on account of costs, charges and expenses.

8. The public shall be entitled to use the benefit of the acquisition on the following terms:

(i) The Company shall admit annually 2 apprentices for free training in various processes at their works. The first batch of apprentices shall be taken in within 3 months from the date of making over the possession of the land.

(ii) The apprentices shall be nominated by the Director of Industries, West Bengal, or such other officers as may be authorised by him. He shall be assisted by a representative of the firm in making the nomination.

(iii) The duration of training shall be one year and each apprentices shall be paid an allowance of Rs. 40 p.m. during the period by the firm.

(iv) The Company shall submit periodical progress report of the apprentices and shall grant certificate of proficiency to them who complete training satisfactorily.

(v) Any adverse report against an apprentice shall be brought to his notice forthwith, and the report together with the explanation, be submitted to the D.I. who shall suggest the disciplinary action, if any, to be taken in consultation with the authorities of the Company.

(vi) In recruiting staff the Company shall give preference to the apprentices trained under this Scheme.

9. Should any dispute or difference arise touching or concerning the subject matter of this agreement or any covenant, clause or thing herein contained the same shall be referred to the said Government of West Bengal and the opinion and decision of the said Government upon such dispute or difference shall be final and conclusive and binding on the parties hereto.

NOTIFICATION.

No. 4894R.O.—21st July 1954.—The following order is published for general information:—

Order.

In exercise of powers conferred by clause (j) of section 50(1) of the Guardians and Wards Act, 1890 (VIII of 1890), the High Court at Calcutta is pleased to issue the following rule regarding the payment of monies, payable to wards, to their guardians.

Rule.

Insert the following as rule 400B, *after* rule 400A (Slip No. 438), at page 165, Civil Rules and Orders, Volume I:—

"400B. Monies payable to wards shall be paid to their guardians direct, if possible, or by post, if direct payment is not possible. When for special reasons, to be recorded in writing, payment of an amount is made to the Advocate or pleader of a guardian, the Court shall insist on filing by the Advocate or pleader of a proper receipt from the guardian showing that the amount has been paid to him.

Note 1.—An advocate or a pleader failing to file the receipt within a reasonable time shall be required to deposit into the Court the amount received by him.

Note 2.—The receipt shall be kept with the record of the case to which it relates. During examination of the accounts of the ward's properties, the genuineness of the receipt shall be inquired into by the person appointed to examine the accounts."

B. K. BHATTACHARYA, Registrar.

LABOUR DEPARTMENT

ORDER.

No. 3422Dis./D/13L-39/54. --14th July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 1088Dis./D/-13L-14/53, dated the 1st April 1953, the industrial dispute between the "Swadhinata" of 33, Alimuddin Street, Calcutta-16, and Shri J. C. Gupta, Keeper of the East End Press of 199, Park Street, Calcutta, and their workers represented by Bengal Provincial National Trade Union Congress, 59B, Chowringhee Road, Calcutta-20, regarding the matters specified in the schedule thereto was referred for adjudication to the Third Industrial Tribunal;

And whereas the said Third Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between the "Swadhinata" of 33, Alimuddin Street, Calcutta-16 and Shri J. C. Gupta, Keeper of the East End Press of 199, Park Street, Calcutta, and their workers represented by Bengal Provincial National Trade Union Congress, 59B, Chowringhee Road, Calcutta-20.

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI J. N. MAITRA, *Judge, Third Industrial Tribunal.*

For the workers : Shri Jagannath Pandey assisted by Shri Bimal Sarkar.

For the "Swadhinata": Shri S. K. Acharyya, Counsel and Shri Patit Paban Pathak.

For Shri J. C. Gupta: Shri P. R. Mukherjee, M.A., LL.B.

AWARD.

1. By order No. 1088Dis./D/13L-14/53, dated the 1st April 1953, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between the "Swadhinata" of 33, Alimuddin Street, Calcutta-16, and Shri J. C. Gupta, Keeper of the East End Press of 199, Park Street, Calcutta and their workers represented by Bengal Provincial National Trade Union Congress, 59B, Chowringhee Road, Calcutta-20, regarding the matters specified in the schedule, to the Third Industrial Tribunal constituted under section 7 of the Industrial Disputes Act, 1947, by notification No. 592Dis./-D/12L-5/52, dated the 23rd February 1953, for adjudication.

2. After usual notices the parties entered appearance and filed their written statements. Shri J. C. Gupta also filed a supplementary written statement on 30th May 1953 in answer to the allegations of the "Swadhinata" against him. The pleadings were completed on 30th May 1953. The

parties were thereafter directed to file their lists of documents and after several adjournments the hearing was concluded on 19th June 1954 and the award was reserved.

3. The matters of dispute as stated in the schedule to the order of reference are as follows:—

(1) Who is the actual employer of the discharged workers named below —"Swadhinata" or Shri J. C. Gupta, Keeper of the East End Press? :—

(1) Shri Matilal Dhar, (2) Shri Mani Dhar, (3) Shri Sabdar Gani, (4) Shri Nirod Kushari, (5) Shri Sudhansu Biswas, (6) Shri Sushil Ghosh, (7) Shri Suryya Singh, (8) Shri Manoranjan Chakraborty.

(2) Reinstatement and/or compensation of the said discharged workers.

4. The newspaper "Swadhinata" began to be printed at and published from Ganasakti Printers, Ltd., at 33, Alimuddin Street, since 17th October 1952. Before this it used to be printed at and published from East End Press at 199, Park Street, from 9th February 1951 to 16th October 1952. The eight workmen named in the order of reference are press workers who last worked at the aforesaid East End Press up to 16th October 1952 and received their dues up to that date. The dispute arose out of termination of their employment with transfer of printing and publication of the aforesaid paper from Ganasakti Printers since 17th October 1952.

The eight workmen represented by Bengal Provincial National Trade Union Congress alleged that they were employed by the "Swadhinata" and last worked under it in East End Press up to 16th October 1952 and thereafter when the paper began to be printed and published from Ganasakti Printers from 17th October 1952, the Management of the "Swadhinata" declined to employ them.

The "Swadhinata" denied having ever employed the eight workmen and suggested that Shri J. C. Gupta, Keeper of the East End Press, had employed them. Shri J. C. Gupta in his turn denied having ever employed the workmen or having had any connection with them at any time.

DECISION.

Issue No. 1.—In support of their case, the workmen have examined P.W. 1 Shri Matilal Dhar (Serial No. 1 in the schedule to the order of reference), P.W. 2 Shri Manindra Kumar Dhar (Serial No. 2 in the schedule to the order of reference), P.W. 3 Shri Nirode Ranjan Kushari (Serial No. 4 in the schedule to the order of reference) and the then Press Manager of East End Press, P.W. 4 Shri Narayan Chandra Kushari, besides filing Exts. 1 and 2. The Management of the "Swadhinata" on the contrary has examined the Supervisor of Ganasakti Press of Dacres Lane, D.W. 1 Shri Nirmal Chandra Das and a member of the Board of editors of the "Swadhinata", D.W. 2 Shri Bangeswar Roy besides proving Exts. A to A5, B to B39, C, D and H to H3. Shri J. C. Gupta in his turn has himself deposed (D.W. 3), besides proving letters Exts. E, F and G.

The workmen alleged that they were employed by the "Swadhinata" from 1945 till 16th October 1952 at different presses beginning from Ganasakti Press of Dacres Lane and were last employed at East End Press since it resumed publication on 9th February 1951, while the "Swadhinata"

denied having ever employed them at any time or in any press or in East End Press and suggested that Shri J. C. Gupta, Keeper of the East End Press, was their employer. It has been said on behalf of the "Swadhinata" that the paper had or has no press of its own and had or has no direct connection with the printers' staff, as it used and uses to get its printing done on payment of printing charges to the presses concerned. Shri J. C. Gupta on the other hand denied having employed the workmen or having had any connection with them. I may straightaway note that there is nothing satisfactory to show relation of employer and employee between the "Swadhinata" and the workmen concerned or between Shri J. C. Gupta and the workmen concerned. It rather appears from the evidence and circumstances that the workmen concerned were employed at the East End Press by one Shri Rabi Bose and others, who had possession of the said press at the relevant time from September 1950 and that the employment of the workmen automatically came to an end with cessation of the printing and publishing of the paper "Swadhinata" from East End Press after 16th October 1952. It further appears that neither the workmen nor the "Swadhinata" have given out the whole truth in the matter.

The evidence shows that the "Swadhinata" which is the organ of the Communist Party started in 1945 and began to be printed at and published first from Mandal Press at 23 Dixon Lane. None of the eight workmen it appears from the evidence was connected with its printing from Mandal Press.

After Mandal Press, the "Swadhinata", the evidence shows, was printed at and published from Ganasakti Press at 8E, Dacres Lane, from about February 1946 to March 1948.

The "Swadhinata" admittedly ceased publication on and from 26th March 1948 following declaration of the Communist Party as illegal. The evidence further shows that Ganasakti Press was seized by Government and sold in auction and it was purchased by late Shri Sarat Chandra Bose. Although the workmen claimed in the written statement that after cessation of publication of the "Swadhinata", the Management of the "Swadhinata" continued its publication in different names and the workmen continued their connection with the "Swadhinata", but there is nothing on record to prove these. On the other hand the workmen had themselves admitted in the conciliation proceedings that their connection with the "Swadhinata" had ceased with the cessation of publication of the paper on and from 26th March 1948 and that they had joined different press after 26th March 1948.

The ban on the Communist Party was subsequently removed and the "Swadhinata" resumed publication. At first a two pager was printed and published from Kusumsri Press of 22, Giri Babu Lane, on 26th January 1951 (*vide* Ext. C). Thereafter it was printed at and published from East End Press at 199, Park Street, from 9th February 1951 to 16th October 1952.

From 17th October 1952 the "Swadhinata" is being printed and published from Ganasakti Printers, Ltd., at 33, Alimuddin Street. The evidence shows that this press is not owned by the "Swadhinata" but is a private limited company registered under the Indian Companies Act (*vide* Exts. H2 and H3). It may incidentally be mentioned here that the press "Ganasakti Printers, Ltd." not being the press of the "Swadhinata",

parties were thereafter directed to file their lists of documents and after several adjournments the hearing was concluded on 19th June 1954 and the award was reserved.

3. The matters of dispute as stated in the schedule to the order of reference are as follows:—

The "Swadhinata" admittedly ceased publication on and from 26th March 1948 following declaration of the Communist Party as illegal. Thereafter it was printed at and published from East End Press at 199, Park Street, from 9th February 1951 to 16th October 1952.

From 17th October 1952 the "Swadhinata" is being printed and published from Ganasakti Printers, Ltd., at 33, Alimuddin Street. The evidence shows that this press is not owned by the "Swadhinata" but is a private limited company registered under the Indian Companies Act (*vide* Exts. H2 and H3). It may incidentally be mentioned here that the press "Ganasakti Printers, Ltd." not being the press of the "Swadhinata",

question of the "Swadhinata's" employing the workmen concerned in this press does not at all arise.

As regards the claim of the workmen that they were employed by the "Swadhinata," there is no document to support such allegation. The oral evidence adduced by them is unsatisfactory and unreliable. P.W. 1 Shri Matilal Dhar deposed that out of the eight workmen, he alone had joined the employment of the "Swadhinata" in 1945 and the remaining seven from the time the "Swadhinata" began to be printed and published from East End Press. In the written statement a different case had however been put forward. It was stated therein that all the workmen were in continuous employment of the "Swadhinata" from 1945 till 16th October 1952. P.W. 1's evidence that he joined while the paper was being printed from Mandal Press is contrary to the case in the written statement. There it was stated that they started work while the paper was being printed from Ganasakti Press at 8E, Dacres Lane. He filed his appointment letter (Ext. 1), dated 24th December 1945, purported to have been granted by Shri N. C. Das (D.W. 1) said to be the Manager, "Swadhinata" Patrika. P.W. 1 had, however, to admit in cross-examination that he did not see Shri N. C. Das to sign the said appointment letter, Ext. 1, and that he got it in signed condition. D.W. 1 Shri N. C. Das denied having signed or granted that appointment letter to P.W. 1 or having ever served at Mandal Press. His evidence reveals that he was a Supervisor in the Ganasakti Press having joined there in April 1946 wherefrom the "Swadhinata" was being printed and published from about February 1946. It is, therefore, apparent that he could not have granted the said appointment letter (Ext. 1) to P.W. 1 Shri Matilal Dhar. Before the Conciliation Officer in connection with the present dispute, it was also admitted by the workmen that none of them had any written appointment letter. So, no reliance can be placed on Ext. 1. The evidence in the light of the pleadings would show that P.W. 1 Shri Matilal Dhar was not connected with the printing of the "Swadhinata" prior to its being printed from Ganasakti Press of Dacres Lane. Evidence of D.W. 1 further reveals that P.W. 1 was not in the employ of "Swadhinata" but was in the employ of Ganasakti Press and that he as well as P.W. 1 received their salary out of the fund of the said press. Evidence of D.W. 1 also reveals that for printing and publishing the "Swadhinata" from Ganasakti Press, the Management of the "Swadhinata" used to pay printing charges to the said press which in turn used to print the paper with its own employees. It will therefore appear that even P.W. 1 (not to speak of other workmen) was an employee of the "Swadhinata" in any press before printing of the paper commenced at East End Press.

As regards their work at East End Press from which the "Swadhinata" was printed and published from 9th February 1951, P.W. 1 said that all the workmen except himself joined the "Swadhinata" for the first time at East End Press, but none of them could produce any appointment letter to that effect. P.W. 2's claim that he joined the "Swadhinata's" service before the paper began to be printed and published from East End Press is negatived by P.W. 1. There is no other witness or document to support his version either. P.W. 3 was admittedly an employee in the East End Press and when it closed down, he claimed to have joined service of the "Swadhinata" on 9th February 1951, but there is no document or anything to support him. P.W. 4 Shri Narayan Chandra Kushari, who was the press Manager from 8th February 1951 till 15th October 1952, it appears from the evidence, was a press Manager of the East End Press and not of the "Swadhinata". The admitted receipts, Exts. A to A5, granted by him describe him as Manager of East End Press. He claims that he appointed all the eight workmen under the "Swadhinata" at the East End Press, but

he could give no explanation why no appointment letter on behalf of the "Swadhinata" was issued in their favour. In cross-examination he however admitted that all employees except those who were since retrenched were given appointment letters by Shri Rabi Bose on the letter pad of East End Press. His explanation that the workmen concerned were not given appointment letters as they were old employees cannot be accepted as none was old employee. His evidence is full of inconsistencies and cannot, therefore, be relied on. He was apparently working in concert with Shri Rabi Bose, who was then in actual possession of the East End Press and appointed these workmen on his behalf for printing the paper from that press. The fact that the workmen could not give satisfactory explanation how their employment was made or terminated or by whom also points that they were not in any case employed by the "Swadhinata". Out of the eight workmen, only three had deposed but each of them (P.W. 1 to P.W. 3) has given different version in this respect. The evidence on the contrary shows that as in the case of other two presses in the past, the "Swadhinata" got the printing done from East End Press on payment of printing charges to the then possessor of the press Shri Rabi Bose. Ext. B series admittedly granted by Shri Rabi Bose and Ext. A series admittedly granted by P.W. 4 show payment of different sums of money to them by the "Swadhinata" on account of such printing charges. It is, therefore, apparent that the Management of the "Swadhinata" had no connection with the printers' staff. The workers must have therefore worked as employees of the East End Press under Shri Rabi Bose and others who had then actual possession of the said press.

The evidence reveals that the East End Press was formerly known as Ittehad Press and that subsequently after arbitration, Nabayug Journals, Limited, Shri J. C. Gupta and others purchased it and then trouble arose. The Ittehad Press went into liquidation and a liquidator was appointed. The evidence further shows that when the liquidator went to take possession, Shri Rabi Bose on behalf of the press workers of Ittehad Press claimed payment of all arrears of pay from the liquidator and threatened that without such payment they would not give possession of the press to the liquidator. In this state Shri Rabi Bose for himself and other workers of Ittehad Press approached Shri J. C. Gupta for allowing them to continue the press on certain terms to start Dainik Ittehad. The press was after purchase styled "East End Press". Shri J. C. Gupta is admittedly a Keeper of the said press and also its part owner. After several visits to Shri J. C. Gupta, Shri Rabi Bose ultimately wrote to him on 7th September 1950 by Ext. E. The letter ran as below:—

> "Since all the arrear dues of the workers of Ittehad could not be liquidated out of the price you paid for the press, furniture and fittings, etc., and the stoppage of paper has ruined us.
>
> For our livelihood in future we, the workers of the Ittehad, propose that we should be given the use of the press for printing and publishing the Dainik Ittehad to be run by the workers co-operative. We may be given free use of the press for the three months and thereafter shall pay Rs. 450 (four hundred and fifty) per month. If you agree to this we shall waive all claims and our lien against the East End Press for our balance dues.
>
> We shall look to the Company and realise our balance dues from other assets of the Company.

We shall also rent the premises from the landlord in the name of the East End Press and pay the rent regularly.

Hope you will show your usual sympathy for the workers, we shall remain ever grateful to you."

Shri J. C. Gupta as Keeper of the press and representative of the purchasers replied on 8th September 1950 by Ext. F agreeing to the proposal. Thus Shri Rabi Bose came to get control and possession of the East End Press on terms as in Exts. E and F. The evidence also shows that after this Shri Rabi Bose and others started the Dainik Ittehad. It used to be printed and published from this press and then after some time the Dainik Ittehad ceased publication.

At this time the "Swadhinata" which was to resume publication admittedly started negotiation for its printing and publication from East End Press with Shri Rabi Bose in the month of January 1951 (*vide* D.W. 2). Shri Rabi Bose, it has been seen, was in possession of the East End Press at the time and according to D.W. 2, they at first negotiated with Shri Rabi Bose for 8/10 days. P.W. 4 Shri Narayan Chandra Kushari, it appears from his evidence, was also attached to the said press from before printing of the "Swadhinata" from there. He according to his own showing, after leaving the Paschim Banga Patrika joined press of the Dainik Ittehad at the instance of Shri Rabi Bose. It has already been seen that the Dainik Ittehad was printed and published from this press for some time immediately before the "Swadhinata" began to be printed from this press. So he too was there from before the "Swadhinata" began to be printed from this press. D.W. 2 said that the negotiation regarding printing and publishing of the "Swadhinata" from East End Press took place at first with Shri Rabi Bose for 8/10 days, and ultimately with Shri Rabi Bose and Shri J. C. Gupta on one day in the house of the latter. Shri J. C. Gupta denied that there was ever talk with him in this respect. His denial is also supported by circumstances. He had before then given control and actual possession of the press to Shri Rabi Bose and others as per Ext. F read with Ext. E. He could not therefore come into the picture, more so when his political creed is opposed to the one of the Communists whose organ "Swadhinata" is. Besides, none of the payments under the arrangement was made to Shri J. C. Gupta, but all to Shri Rabi Bose. It is, therefore, apparent that the arrangement was with Shri Rabi Bose alone and not with Shri J. C. Gupta. So the workmen concerned were employed not by the "Swadhinata" or by Shri J. C. Gupta but by those who were in possession of the press, namely, Shri Rabi Bose and others, who got it on the basis of the arrangement as embodied in Ext. F read with Ext. E.

The workmen did not allege that they were ever employed by Shri J. C. Gupta. The evidence also shows that he did not employ them. Shri J. C. Gupta may be Keeper and a part owner of the press but when actual control and possession of the press was given to Shri Rabi Bose and others by virtue of the letter, Ext. F, Shri Gupta can by no stress of imagination be construed to have been employer of the workmen. It, therefore, follows that neither the "Swadhinata" nor Shri J. C. Gupta was the employer of the workmen. I answer the issue accordingly.

It will not be out of place to mention here that when the workmen did not allege that they were employed by Shri J. C. Gupta or when they did not pray for re-employment under him or in the East End Press and when there was admittely no arrear due for work up to 16th October 1952, I think the latter part of the issue should not have at all been raised.

Issue No. 2.—In view of the above findings no decision is necessary. It follows that the workmen are entitled to no relief.

I award accordingly.

ORDER.

No. 3437Dis./D/10L-52/54.—15th July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 172Dis./D/-10L-21/51, dated the 19th October 1951, read with order No. 218Dis./D/-10L-21/51, dated the 5th February 1952 and corrigendum No. 750Dis./D/-10L-21/51, dated the 3rd April 1952, the industrial dispute between Messrs. National Carbon Co. (India), Ltd., 5, Rustomjee Parsee Road, Calcutta-2, and their workmen engaged in their factory represented by Shri Jamuna Ray, T. No. 834, Shri Paresh Nath Thakur, T. No. 1367, Shri Sakal Deo Singh, T. No. 922 and Shri Chabinath Singh, T. No. 530, all of the said Company, C/o. Messrs. National Carbon Co. (India), Ltd., 5, Rustomjee Parsee Road, Calcutta-2, was referred to the First Industrial Tribunal, for adjudication;

And whereas during the pendency of proceedings before the said Tribunal a complaint in writing was received from Shri Surjya Singh and others against the said Company before the said Tribunal alleging that the said Company had altered, to the prejudice of the said workmen, the conditions of service applicable to them immediately before the commencement of the said proceedings;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Tribunal has adjudicated upon the said complaint and submitted its award to the State Government;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of a complaint under section 33A of the Industrial Disputes Act filed by Surjya Singh and others against Messrs. National Carbon Company of India, Ltd.

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI M. C. BANERJI, *District Judge (Retd.), Judge, First Industrial Tribunal.*

For the Union: Shri Panchanan Bhattacharjee.

For the Company: Shri J. N. Chatterjee of the Indian Engineering Association, Shri A. C. Dutta, Labour Officer, Shri T. M. Divakaran, Production Engineer.

AWARD.

The Government of West Bengal, in the Labour Department, referred the industrial dispute between National Carbon Company of India, Ltd., and their workmen to this Tribunal by order No. 218-Dis./D/10L-74/52, dated 5th February 1952. This Tribunal was then presided over by Shri A. Das Gupta. The award of Shri A. Das Gupta was published in the *Calcutta Gazette* on 21st August 1952.

On 10th July 1952 Badri and six other workmen applied under section 33A of the Industrial Disputes Act and stated as follows:—

Eight persons were working on mix platform operation since the introduction of piece-rates in 1948. The Company tried to reduce the number of workers on the mix platform in 1950 on the plea of altered job conditions, but at the intervention of the Labour Commissioner, the Company had to maintain the original number of people. In the month of March 1952, during the pendency of the proceedings before the Tribunal, the Company forcibly reduced two men on the plea that some jobs were eliminated. In the month of July 1952, the Company forced these six men to do some of the jobs which were eliminated in the month of March while reducing hands. Under the circumstances, the applicants pray for maintenance of *status quo* and for compensation.

The Company, in its written statement, states as follows:—

The application under section 33A of the Industrial Disputes Act by Shri Badri Singh and others is not maintainable, as the application does not refer to any change in the condition of service prejudicial to the applicants. There has been no contravention of section 33 of the Act and the present application under section 33A of the Act is incompetent. The Company submits that the number of men required for manufacturing mix is not fixed; it varies depending upon each grade of mix manufactured and the amount of mix required per hour. Gang-rates were first set in mix manufacturing operations in 1947, and not in 1948, as alleged and these rates were based on six men. Due to changes in the mix formulations and the type and quality of materials used and due to the addition of some other operations, the number of operators in the gang was increased to 8. The night shift since its inception, always worked with six men, as less mix is required at night. In 1950, the Company reverted to the simple formulation previously used and therefore 7 operators were required in the gang. Accordingly, the eighth operator was removed from the gang and given alternative employment, but this led to a labour dispute. At the Union's request, the Labour Commissioner, Government of West Bengal, intervened. In the course of his investigations, the Labour Commissioner ascertained that the simplified formulation was only an interim measure and the Company intended to revert to the more complicated formulation immediately upon receipt of certain critical raw materials, which at that time, were in short supply. He, therefore, suggested that to avoid difficulties, the Company should allow the eighth operator to remain in the gang for day shift operation during the interim period. The Company agreed to this request. In February 1952, the mix platform was reorganised and certain mechanical equipments introduced, the sum-total of which improved efficiency and lightened work-load. In view of these changes, the gang-rate was re-studied and it was decided that the Company would balance the number of men at gang-rate as six for both day and night shifts. This change was put into effect on 6th March 1952, and operations on these basis continued up to 30th June 1952. During this period, the Company received no complaints from the operators about the gang-rates or the work-load. The output was as expected and from the check-up of the attitude

and earnings of the operators, the rates were absolutely fair and the work-load in line with their earlier efforts. The job-study for this gang-rate was carried out in February 1952, the month when the factory achieved an all-time high production. Since that time, the factory output has decreased. Consequently, the quantity of mix required has proportionately reduced. The result has been that the gang of 6 operators produced sufficient mix in 5 to 6 hours' time to meet the entire factory requirements, and because of this, during the remaining 2 or 3 hours, they were given alternative employment. In July 1952, due to change in the quality of raw materials available, it was again necessary to re-introduce the pulverizing and weighing of the acetylene black. There was a change, however, and the supply of acetylene black was not included in the gang operation but was carried out by a supplyman outside the rate. As a consequence of this change, gang rate was again re-studied and in view of the required requirements for mix, it was decided that 6 workers would easily carry out the additional pulverizing and weighing operations, provided the Company reduced the amount of mix expected per man per hour. The rate was consequently increased to compensate for this reduction in output. The Company submits that the present work-load has not been increased as a result of the changes made in July 1952, and can be easily handled by six men. This can be proved by examination of the amount of mix made during the night shift by the 6-man gang prior to the reorganisation of the mix platform, which took place in February 1952, and when all additional operations had to be done.

P.W. 1 Badri, deposed for the applicants and O.P.W. 1 Shri T. M. Divakaran, the Production Engineer, deposed for the Company.

Badri states in evidence that formerly there were 8 workers in the mix platform and for the last 3 or 4 years, 6 men are working. As a result of the increased work-load, the incidence of disease, specially T.B., has increased and charge-sheets have become numerous. The quantum of work has remained the same throughout these years. In cross-examination, he admits that in 1952, the Company installed a crane for hoisting the raw materials up to the platform, which was previously done manually. He, however, persists in saying that he had to do the same amount of work, because he has got to pull the drum. He admits that the hoist works electrically on pressing of a button. He also admits that the sal screen was brought from near the wall to near the platform in 1952. In cross-examination, he further says that Jatanpasi, Bankelal and Jung Bahadur, who later has gone home, are suffering from T.B. He, however, states that Bankelal and Jatanpasi are working and they have been cured. He also stated that all the 3 men are working on the mix platform now. O.P.W. 1 Shri T. M. Divakaran states in evidence that there were 6 men in the mix platform in 1947. When the mix formula was changed, it was increased to 7 in the beginning of 1948, and it was increased to 8 towards the end of 1948 or beginning of 1949. The quantity of production required and the type of mix made determined the number of men required. In the night shift, the Company always employed 6 men as less mixture was required at night. In the beginning of 1950, there was an acute shortage of raw materials and the Company had to go back to the old formulation and the number of workmen on the mix platform was reduced from 8 to 7. There was a dispute over the matter, the Labour Commissioner intervened and advised the Company not to disturb the number of men, as the arrangement was only for a short period, i.e., lasting for the period of shortage of the raw materials. Within a short time, the Company was able to procure the desired raw materials and 8

men continued to form the bench till February 1952. In February 1952, a number of changes were made in the mix platform. The Company installed an electric hoist in place of a manually worked hoist to raise the raw materials up to the platform. The sal ammoniac screen was brought near to the platform from about 25 feet to about 3 or 4 feet of the platform. Arrangement for weighing materials was simplified. Before February 1952, acetylene black had to be pulverised here and weighed and supplied by the same men, but these three operations were eliminated. Acetylene black in pulverised form was supplied in given quantities. The Company decided that for good production in the altered conditions of work, only 6 men were required in place of 8 and this change was made in the beginning of March 1952. For 4 or 5 months, there were no complaints. Finer quality of acetylene black could not be obtained from July 1952, and the quality which was received, had to be pulverised and the Company had to go back to the old process of pulverising the material. The Company, however, did not require the full production, since then and the number of men was not increased. The production required and the kind of mixture were the determining factors for ascertaining the number of men for the mix platform. In cross-examination, the witness states that since 1952, the Company required about the same quantity of mix for the day and the night shifts. Pulling of the hoist was the most difficult job. The production from the night shift of six men could increase after the introduction of the labour saving devices, if the Company wanted increased production, but the night shift was giving the production the Company wanted and had less work than before.

The complaint of the workers is that the number of workers on the mix platform was reduced from 8 to 6 with effect from March 1952, and that in July 1952, a job which was eliminated in March, viz., pulverising acetylene black was re-introduced without increase in the number of workmen. The reply of the Company is that in February 1952, some jobs were eliminated by introduction of labour saving devices and use of better quality of raw materials, and the number of workmen was reduced from 8 to 6. In July 1952, one operation was re-introduced, viz., pulverising the acetylene black. At that time, there was no increase in the complement of men, as the Company wanted less production per head and increased the rate of wage to compensate them for the reduction in output. There is no point therefore in asking for increased number of men on the platform. Ext. A is a chart showing the earnings of the mixing operators in January 1952. Ext. A(1) is the earnings of the same set of people in March 1952, Ext. A(2) is the earnings of these men in July 1952 and Ext. A(3) shows the earnings of the same set of men in August 1952. It appears to me that there has been no fall in earnings since January 1952. Ext. B(2) is the production of the mixing operators for 12 days in February 1952, by a 6-man gang. The average production appears to be 50 batches. In March and April 1953, the average production per day is shown to be 33·8 batches [*vide* Ext. B(1)]. In March 1954, the average is 36·4 batches (Ext. B). Ext. B(1) shows that the production in the night shift on some days exceeded that in the day shift. In the circumstances, it appears to me that the Company has reduced its overall production since February 1952. Ext. C is a report of the Production Engineer showing that he made an investigation about the mixing rate introduced in July 1952, and reported that the rates and job allocations were entirely satisfactory. It appears from the oral and documentary evidence adduced that there has been no increase of work-load or reduction in the earnings of the workmen on the mix platform of the Company. The plea that there has been an increase in the incidence of T.B. or increase in the number of charge-sheets against the

employees of this department has not been proved. The Company is to determine the job content and to administer job evaluation plans in the exercise of its management functions. It is clear that this management function was exercised by the Company without any detriment to the interest of the workmen, as is shown by their normal earnings before and after the introduction of the change in the job content. In the case of Indian National Coal Mines Workers Federation, reported in 1953, L.A.C., 633, it has been decided by the Hon'ble Labour Appellate Tribunal that it is a *prima facie* Management function to direct a particular process in a particular area of colliery. The workmen should not originally have any voice in the matter and the Appellate Tribunal could interfere with the Management function only if it was exercised *mala fide* to the prejudice of the workmen. Applying this principle, it appears that no *mala fides* on the part of the Company has been proved in the matter of allocation of the job content on the mix platform. The complaint by the workmen under section 33A of the Industrial Disputes Act is of no substance and is rejected.

ORDER.

No. 3402Dis./D/10L-9/54.—13th July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 3838Dis./D/10L-17/53, dated the 26th October 1953, read with its addendum No. 4673Dis./D/10L-17/53, dated the 5th December 1953, the industrial dispute between British India Electric Construction Co., Ltd., 6 and 14, Mayurbhanj Road, Kidderpore, Calcutta (Managing Agents Messrs. Balmer Lawrie & Co., Ltd., 21, Netaji Subhas Road, Calcutta-1), and their clerical staff, general staff and subordinate staff represented by Shri Bimal Chandra Sinha and others, 11, Gangadhar Banerjee Lane, Kidderpore, alcutta-23, and the British India Electric Construction Co., Ltd., Employees' Congress, Som-Shib-Nivas, 4/3, Bhukaylash Road, Calcutta-23, regarding the matters specified in the schedule thereto was referred for adjudication to the Third Industrial Tribunal;

And whereas the said Third Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between British India Electric Construction Co., Ltd., 6 and 14, Mayurbhanj Road, Kidderpore, Calcutta (Managing Agents—Messrs. Balmer Lawrie & Co., Ltd., 21, Netaji Subhas Road, Calcutta-1), and their clerical staff, general staff and subordinate staff represented by Shri Bimal Chandra Sinha and others, 11, Gangadhar Banerjee Lane, Kidderpore, Calcutta-23, and the British India Electric Construction Co., Ltd., Employees' Congress, Som-Shib-Nivas, 4/3, Bhukaylash Road, Calcutta-23.

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI J. N. MAITRA, *Judge, Third Industrial Tribunal.*

For Shri Bimal Chandra Sinha and others: Shri D. L. Sen Gupta, Advocate.

For the British India Electric Construction Co., Ltd., Employees' Congress: Shri N. R. Roy, Pleader, assisted by Shri Chitta Ranjan Das.

For the Company: Dr. J. K. Bose and Shri J. N. Chatterjee of Indian Engineering Association, assisted by Shri B. N. Bakshi.

AWARD.

1. By order No. 3838Dis./D/10L-17/53, dated the 26th October 1953, as amended by order No. 4673Dis./D/10L-17/53, dated the 5th December 1953, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between British India Electric Construction Co., Ltd., 6 and 14, Mayurbhanj Road, Kidderpore, Calcutta (Managing Agents—Messrs. Balmer Lawrie & Co., Ltd., 21, Netaji Subhas Road, Calcutta-1), and their clerical staff, general staff and subordinate staff represented by Shri Bimal Chandra Sinha and others, 11, Gangadhar Banerjee Lane, Kidderpore, Calcutta-23, and the British India Electric Construction Co., Ltd., Employees' Congress, Som-Shib-Nivas, 4/3, Bhukaylash Road, Calcutta-23, regarding the matters specified in the schedule, to the Third Industrial Tribunal constituted under section 7 of the Industrial Disputes Act, 1947, by notification No. 592Dis./D/12L-5/52, dated the 23rd February 1953, for adjudication.

2. After usual notices the parties entered appearance and filed their written statements. The pleadings were completed on 8th March 1954. The parties were thereafter directed to file their lists of documents. The hearing was concluded on 12th June 1954 and the award was reserved.

3. The matter of dispute as stated in the schedule to the order of reference is as follows:—

(1) Dearness allowance with date of giving effect thereto.

4. The Company paid dearness allowance at rates laid down by Bengal Chamber of Commerce up to July 1948, the latest rate being 70 per cent. of the basic salary on the first hundred rupees, 35 per cent. on the next one hundred rupees and 17½ per cent. on the remainder for the general and clerical staff and flat rate of Rs. 43 per month for the subordinate staff—these rates being based on the then cost of living index group of 311-32 as per Company's notice, dated 17th June 1948, Annexure C3 to the written statement of British

India Electric Construction Co., Ltd., Employees' Congress (hereafter described as Employees' Congress). Since then though there has been rise in the costs of living index group for which higher rates of dearness allowance are admissible under the scheme of Bengal Chamber of Commerce, yet the Company struck to the aforesaid rates of dearness allowance in respect of the general clerical and subordinates staff employed in its factory. Hence the dispute—the aforesaid categories of staff demanding higher rates of dearness allowance as admissible under the scheme of the Bengal Chamber of Commerce, while the Company refusing to go beyond the aforesaid rates of dearness allowance which they had paid for July 1948 (*vide* confidential letter dated 21st August 1948, Annexure B, to the written statement of the Company).

DECISION.

The parties have not adduced any oral evidence. They rely on the annexures to their respective written statements. Besides, the Company filed certain documents which have been marked Exts. A to T, while the workmen filed a copy of letter, dated 24th May 1947, marked Ext. 1.

Before entering into the controversies, it is necessary to state the facts leading to the dispute as are either admitted or established in evidence. The British India Electric Construction Co., Ltd. (hereinafter called the Company), like the Indian Galvanizing Co., Ltd., and Bridge & Roof Co. (India), Ltd., is under the Managing Agency of Messrs. Balmer Lawrie & Co., Ltd., and its head office is located in Calcutta and is in the same building in which the offices of its Managing Agents are located. Its factory and office are situated at 6 and 14, Mayurbhanj Road, Kidderpore, Calcutta. The Company took over electric workshop of Messrs. Balmer Lawrie & Co., Ltd., The latter owns major shares of the Company. The Managing Agents have the power of appointing Company's staff and fixing their remuneration.

In December 1946, the Managing Agents decided to reorganize the staff and on 14th January 1947 introduced with retrospective effect from 1st January 1947 new grades and scales of wages as per Annexure "A" to the written statement of Employees' Congress.

In February 1947, the Managing Agents introduced the scheme of dearness allowance linked to the middle-class cost of living index on the lines of the scheme of the Bengal Chamber of Commerce. This was made applicable to the general, clerical and subordinate staff of the Company employed both at the head office and at the factory (*vide* Annexures A4, B, C and C1 to the written statement of the Employees' Congress). The Company went on paying dearness allowance at the Bengal Chamber of Commerce's rates to the general, clerical and subordinate staff employed both at the head office and at the factory up to July 1948. From August 1948, though the Company has been giving higher rates of dearness allowance to these employees at its head office as per Bengal Chamber of Commerce scheme consequent on further rise in the costs of living index, it has refused to extend this benefit to its employees at its factory but has continued to pay latter at the old rates based on the living index of 311-32 as stated in paragraph 4. In the circumstances the above categories of workmen at the factory claim that the scheme of dearness allowance of Bengal Chamber of Commerce in its entirety and not piecemeal constituted a condition of their service and should be implemented.

In the meantime the award of the First Engineering Tribunal appointed in October 1947, to which the Company and its workmen were among other parties, was published in the *Calcutta Gazette* on the 3rd July 1948. The said Tribunal noticed the fact that many of the engineering concerns who were

members of the Bengal Chamber of Commerce were paying dearness allowance to their employees according to the scales of the Bengal Chamber of Commerce. Though the said Tribunal did not accede to the general claim of the workmen of all the engineering concerns who were parties to the reference for dearness allowance at the scales of the Bengal Chamber of Commerce, it however protected the existing advantages and benefits of the workmen by making reservation in the following terms:—

> "This award will not affect adversely any other kind of existing advantages which the employees of a firm may be enjoying in excess of the benefits given by this award, unless an express provision has been made in this award concerning such advantage."

Shortly after the publication of the First Engineering Tribunal award, the Company to pay from August 1948 dearness allowance at increased rates beyond the costs of living index group of 311-32 as provided in the Bengal Chamber of Commerce's scheme (*vide* Annexure "B" to its written statement) but continued to pay dearness allowance to these workmen of the factory at the old rates as paid for July 1948, which was lower than the one admissible under the Bengal Chamber of Commerce scheme with increase in costs of living, but higher than what had been fixed at first by the First Engineering Tribunal and subsequently by the Second Engineering Tribunal (*vide* statement Ext. R).

Consequent upon this, the Enployees' Congress, formerly known as the British India Electric Construction Company Employees' Union with registered No. 1138, made a representation on behalf of the factory workmen concerned to the Labour Commissioner, West Bengal, by their letter No. PB/DRN/52/11/48, dated the 26th November 1948 (Annexure "D" to the written statement of the Employees' Congress). The letter was signed by D. N. Bhowmick for General Secretary of the Union. The Labour Commissioner wrote to the Works Manager of the Company on 25th Februaiy 1949 regarding the Union's demand by Annexure "C" and the Works Manager replied to it on 11th March 1949 by Annexure "D".

Then there was the award of Second Engineering Tribunal on 31st August 1950, fixing higher rates of dearness allowance than those in the award of the First Engineering Tribunal. This second award also made reservation as follows:—

> "Where a more liberal policy is already being pursued as regards dearness allowance, we shall direct that the existing scale of dearness allowance, whether based on the Bengal Chamber of Commerce scheme or anything else, shall not be reduced".

In the meantime the workmen of the Indian Galvanizing Co., Ltd., under the same Managing Agents being put to identical position raised a dispute which was ultimately referred on 6th February 1951 to the Tribunal presided over by Shri S. K. Niyogi for adjudication. The workmen claimed that after such reference the Company as well as the Managing Agents assured them that the award that would be made between the Indian Galvanizing Co., Ltd., and their workmen would be the determining factor in respect of the dispute with this Company and as such advised the workmen to await the award of that case, to which the workmen agreed.

The said Tribunal of Shri S. K. Niyogi made its award on 27th July 1951. There was an appeal filed against it. The appeal was decided on 16th October 1952. It was reported in 1953, L.A.C., page 93. The Indian Galvanizing Co., Ltd., has been directed to pay the clerks employed at the factory dearness allowance according to the scales of the Bengal Chamber of Commerce with retrospective effect from August 1948.

On the basis of the decision of the Hon'ble Appellate Tribunal in the said case, the workmen of this Company revived their old claim with regard to dearness allowance as they had same dispute as that of the workmen of the Indian Galvanizing Co., Ltd., based on similar set of facts and as the Company assured that the decision in that case would be the guide in the matter of the dispute with this Company.

The Employees' Congress on behalf of the workmen presented a charter of demands on 19th January 1953 to the Labour Commissioner and the Works Manager of the Company (*vide* Annexure "F" to the written statement of the Employees' Congress). On 21st July 1953 Shri Bimal Chandra Sinha and others made similar demand to the Works Manager for payment of dearness allowance according to the Bengal Chamber of Commerce scale with arrears (Annexure "G"). On 19th August 1953, General Secretary of the Employees' Congress again wrote to the Labour Commissioner in the matter (Annexure "G 1"). On 25th August 1953 another letter was written to the Labour Commissioner (Annexure "G 2"). A series of representations in respect of dearness allowance were thus made by the Employees' Congress on behalf of the workmen. In the circumstances the Government made the present reference on 26th October 1953 to this Tribunal for adjudication.

Behind this background the workmen represented by Shri Bimal Chandra Sinha and others and by the Employees' Congress contend that the general, clerical and subordinate staff of the factory are eligible to be paid from August 1948 dearness allowance on the lines of Bengal Chamber of Commerce linked to the cost of living index. The Company resists the claim.

As preliminary objection it has been urged on behalf of the Company that as the workmen have not terminated under section 19(6) of the Industrial Disputes Act, the award of the Second Engineering Tribunal which is still operative and binding on the parties, their claim for higher rates of dearness allowance than those in the award of the Second Engineering Tribunal cannot be sustained. The objection is without substance. In the present case the claim has been laid not *simpli citer* on the basis of the awards but as a condition of service and protected by the awards. So, no question of termination of the award on the part of the workmen arises. It was rather necessary on the part of the Company to do so if it wanted to avoid the liability.

Likewise, the contention of the Company that when the claim is laid on the basis of the awards of the First and Second Engineering Tribunals, the remedy of the workmen lay not on the basis of a fresh reference but by way of implementation of the award under section 22 of the Industrial Disputes Act cannot be upheld. When nothing could be shown that the reference by the Government has contravened the provisions in section 10 of the Act, it is obvious that the Tribunal cannot go behind it and has got to adjudicate upon the reference. Besides the claim, it has already been seen, has been laid as service condition and as protected under the awards. So the question before this Tribunal is not one of implementation of an award under section 22 of the Industrial Disputes Act but one of construction whether the Bengal Chamber of Commerce scheme of dearness allowance was a service condition of the three categories of workmen named in the order of reference and whether the said service condition was protected under the awards. So, I am unable to uphold any of the preliminary objections raised on behalf of the Company.

Now as to merits, the Company alleges that in the past they adopted several schemes in the matter of dearness allowance which were abandoned having been found unsuitable and laterly it adopted the Bengal Chamber of Commerce scheme of dearness allowance up to a certain stage not permanently

but provisionally in order to see how it works on actual application. After the said scheme was tried for some time, it became evident that the said scheme was also unsatisfactory and the additional burden was too heavy for the Company to bear. The Company could not, however, forthwith stop payment according to the said scheme as the question of dearness allowance was then a specific issue before the First Engineering Tribunal to which this Company and its workmen were among others parties. After the First Engineering Tribunal made its award, the Company discontinued from August 1948 payment according to Bengal Chamber of Commerce scheme which was on trial by their circular No. OTJ., dated 21st August 1948 (Annexure "B" to the Company's written statement). It is said that in doing so the Company did not curtail the then existing advantage in the form of dearness allowance, nor did it adversely affect any workman. For, at the time of the award of the First Engineering Tribunal the Company was paying dearness allowance at the rate of 70 per cent. of the basic salary on the first hundred rupees, 35 per cent. on the next one hundred rupees and 17½ per cent. on the remainder to the general and clerical staff and at flat rate of Rs. 43 per month to the subordinate staff and it paid at the said rates to these categories of employees at the factory in July 1948 and that though with further increase in the cost of living index the Company did not pay higher rates of dearness allowance it has however been paying dearness allowance at the aforesaid rates to the aforesaid categories of the employees at the factory from August 1948 and these rates are much higher than those awarded by the First Engineering Tribunal and subsequently awarded by the Second Engineering Tribunal. So it is said that the Company is not liable to pay according to the Bengal Chamber of Commerce scheme beyond these rates which are the existing rates. After giving careful consideration to the arguments advanced on either side and having regard to the annexures and the exhibits on record and the decision of the Hon'ble Labour Appellate Tribunal in the case of Indian Galvanizing Co., Ltd., and their workmen reported in 1953, L.A.C., page 93, I find nothing to resist the claim of the workmen. After the decision in the case of Indian Galvanizing Co., Ltd., and their workmen, it is too late in the day for the Company, to contend that it did not adopt the Bengal Chamber of Commerce scheme of dearness allowance beyond the rates at which it had paid in July 1948 and has been paying since August 1948. The notice which Messrs. Balmer Lawrie & Co., acting as the Managing Agents of the Company issued on 18th February 1947 on the subject of dearness allowance to the clerical and subordinate staff of the Company is on identical terms with the one noticed by the Hon'ble Labour Appellate Tribunal in the case of Indian Galvanizing Co., Ltd., and their workmen. This notice was construed by the Hon'ble Labour Appellate Tribunal as having given whole of the Bengal Chamber of Commerce scheme of dearness allowance to the clerical staff with whom the appeal was concerned. Said notice also applied to the subordinate staff as specifically mentioned therein. The Managing Agents gave benefit of the above notice to general staff by their letter, dated 24th July 1947, with retrospective effect from March 1947 (*vide* Annexure 10, Ext. 1). It further appears that these three categories of workmen employed both at the Head Office and the factory were paid dearness allowance from March 1947 up to July 1948 according to the Bengal Chamber of Commerce scheme. It also appears that in between March and July 1948 the cost of living index exceeded 300 and the Company paid dearness allowance at the higher rates corresponding to such increase in the cost of living index figure as contemplated in the Bengal Chamber of Commerce scheme. So the Company's contention that they adopted the Bengal Chamber of Commerce scheme of dearness allowance up to cost of living index figure of 300 only cannot be sustained. On similar facts and circumstances the Hon'ble Labour Appellate Tribunal construed the notice, dated 18th February 1947, as showing that the Company offered payment of dearness allowance according to the Bengal

Chamber of Commerce scheme linked to the middle-class living index figure as published by that body and the clerical staff accepted it as a condition of their service. It was further held that the scheme conferred on the employees an advantage from the time it was introduced into the conditions of service, for it entitled the employees to an automatic increase with exact precision, in the amount of dearness allowance, with the rise of the cost of living index. It was also held that this advantage they were enjoying as of right at the time when the award of the First Engineering Tribunal was given. All these equally apply in the present case to general, clerical and subordinate staff employed at the factory of this Company.

The Hon'ble Labour Appellate Tribunal also held that dearness allowance according to the scale of the Bengal Chamber of Commerce was at the time of the First Engineering Tribunal "an existing advantage" and that it came within the saving of the award of the First Engineering Tribunal. So it is too late in the day for the Company to say that under the award of the First Engineering Tribunal what was protected was not whole of the Bengal Chamber of Commerce scheme of dearness allowance but the highest rates of dearness allowance which the Company paid up to July 1948.

From August 1948, it is said by the Company that the position has changed. The Company declined to follow the Bengal Chamber of Commerce scheme of dearness allowance any further with the rise of the cost of living index beyond the rates of dearness allowance at which they paid to these categories of staff for July 1948. Then while the Company was paying from August 1948 at the old rates but different from the Bengal Chamber of Commerce scheme, the award of the First Engineering Tribunal lapsed on 31st March 1949 with the expiry of one year from the date it came into force. Then payment of dearness allowance by the Company to these categories of staff however continued at the old rates but different from the Bengal Chamber of Commerce scheme. These rates which are the existing rates from August 1948, are 70 per cent. of the basic salary on the first hundred rupees, 35 per cent. on the next one hundred rupees and 17½ per cent. on the remainder for the general and clerical staff and a flat rate of Rs. 43 per month for the subordinate staff. So the position at the time of Second Engineering Tribunal was that these categories of workmen of the factory were not actually receiving dearness allowance according to the Bengal Chamber of Commerce scheme from August 1948 but at different rates which were lesser than the Bengal Chamber of Commerce scheme but greater than those awarded by the First Engineering Tribunal. Then my attention has been drawn to the observations in the award of the Second Engineering Tribunal that what was pointed out to that Tribunal was that the Bengal Chamber of Commerce scheme of dearness allowance was actually being applied to the Head Office of some engineering concerns (and not to the factory). From all these it is contended on behalf of the Company that the award of the Second Engineering Tribunal, which is operative and binding on the parties could have at best protected the existing rate of dearness allowance which the Company was then paying and not Bengal Chamber of Commerce scheme of dearness allowance for these categories of employees at the factory. On careful scrutiny it, however, appears that such contention cannot be sustained. When these categories of employees have been found eligible to be paid dearness allowance according to the Bengal Chamber of Commerce scheme as a condition of their service and when further it has been found to be within the saving of the award of the First Engineering Tribunal on the analogy of the case of Indian Galvanizing Co., Ltd., it is obvious that claim of dearness allowance according to the Bengal Chamber of Commerce scheme must be deemed to have been protected by the award of the Second Engineering Tribunal, although they were not then actually receiving dearness allowance at that rate and although only case of the employees of the Head Office of some engineering concerns having

then been paid at the Bengal Chamber of Commerce scheme of dearness allowance was brought to the notice of the said Tribunal and not of the employees of the factory. Having regard to the reservations made in the award of the Second Engineering Tribunal and having regard to the facts and circumstances of the case, I am of opinion that the Bengal Chamber of Commerce scheme of dearness allowance to which these categories of employees at the factory were eligible as a condition of their service and which came within the saving of the first award was protected by the award of the Second Engineering Tribunal for them. So I find no reasonable answer on the part of the Company why it should refuse to accede to the demand of general, clerical and subordinate staff employed at the factory of the Company to higher dearness allowance under the Bengal Chamber of Commerce scheme, more so when they have been paying dearness allowance at higher rates according to the Bengal Chamber of Commerce scheme to the same categories of employees at their Head Office. I, therefore, find that these categories of employees at the factory are entitled to be paid dearness allowance according to the Bengal Chamber of Commerce scheme linked to the rise in the cost of living index.

As to the objection of the Company that the workmen having not raised the present dispute before the Second Engineering Tribunal to which the Company and their workmen were parties, they cannot now agitate the matter. I am unable to sustain it. When it has been found by the Hon'ble Labour Appellate Tribunal in the case of Indian Galvanizing Co., Ltd., that the existing advantage in the shape of Bengal Chamber of Commerce scheme of dearness allowance was within the saving of the award of the First Engineering Tribunal, such advantage of being paid dearness allowance according to the scheme of Bengal Chamber of Commerce must be presumed to have continued till the matter of dearness allowance came up again for adjudication before the Second Engineering Tribunal. So, there was nothing for these workmen to agitate at the time, it having been an existing advantage as a condition of their service and it having been protected by the award of the First Engineering Tribunal. The contention of the Company that under the award of the Second Engineering Tribunal what was at best protected is not the Bengal Chamber of Commerce scheme of dearness allowance but the rates of dearness allowance which the Company was then paying to these categories of employees being 70 per cent. of the basic salary on the first hundred rupees, 35 per cent. on the next one hundred rupees and 17½ per cent. on the remainder for the general and clerical staff and a flat rate of Rs. 43 per month for the subordinate staff cannot be sustained. The award of the Second Engineering Tribunal, it has already been seen, must be deemed to have protected the Bengal Chamber of Commerce scheme of dearness allowance for those who were eligible to the said scale of dearness allowance.

Likewise the plea of the Company that the workmen have waived their present claim cannot be sustained. It has already been noted that as soon as the Company refused to pay from August 1948 dearness allowance according to the Bengal Chamber of Commerce scheme and in place it continued to pay at the old rates of July 1948, complaint was made by the then Union on behalf of the workmen and it was repeated until reference was made to this Tribunal for adjudication. There was no doubt lull intermittently and for long period in between 1950 and 1952, but the explanation for it offered by the workmen is that they were awaiting result of adjudication upon identical dispute with the Indian Galvanizing Co., Ltd., and their workmen under the same Managing Agents. It was natural that when similar issue was raised, its result should be awaited by the parties. In the circumstances it cannot be held that the claim was waived.

Now, as to the question raised by the Company as to who comes within the scope of the present reference, the Government order makes mention of three

categories of employees of the factory, namely general, clerical and subordinate staff. There is no dispute between the parties that clerical and subordinate staff are all workmen who would be bound by the award in this case. As to the general staff, the Company alleges that all of them are not workmen within the meaning of the Act. The circular of the Managing Agents attached to Ext. 1 defines who are general staff. There is no evidence before this Tribunal showing the duty of the different employees grouped under the head "General Staff". The workmen represented by Shri Bimal Chandra Sinha and others apparently in answer to the query from the Company wrote to the Assistant Secretary to the Government of West Bengal, Labour Department, on 28th December 1953, after the reference, to the effect that by general staff they mean and include those who have got to do manual and clerical work as distinct from the exclusive clerical staff. According to them general staff does not include supervisory staff. So, I agree with the Company that the award in this case would apply only to those of the general staff who are workmen within the meaning of the Act and to none else.

As regards claim of the workmen represented by Shri Bimal Chandra Sinha and others and by Employees Congress that the above categories of employees who have joined service since August 1948 should also get dearness allowance according to the Bengal Chamber of Commerce scale, I do not agree. In respect of the new entrants after July 1948, there cannot be any question of their pre-existing rights being protected under the awards of the First and Second Engineering Tribunals. It has already been stated that the Company declined to implement the Bengal Chamber of Commerce scheme of dearness allowance from August 1948. So these new entrants cannot claim Bengal Chamber of Commerce scheme of dearness allowance as their condition of service beyond the rates at which they are being paid. So, only those workmen of the above three categories who joined service before August 1948 be entitled to get dearness allowance according to the scheme of the Bengal Chamber of Commerce to the full extent linked to the cost of living index and none else.

As to the contention of the Company that when dearness allowance is being paid to the subordinate staff at a flat rate and not on percentage basis, their case does not come within the scheme of Bengal Chamber of Commerce, I am unable to uphold it. From different annexures appended to the written statements of the workmen and the Employees' Congress, it appears that though the subordinate staff was being paid at a flat rate, it was being paid on the basis of the cost of living index figure of the Bengal Chamber of Commerce scheme as it varied from time to time, the flat rate being the lowest of the then particular cost of living index group. Annexure A2 of the written statement by the workmen reveals that the subordinate staff was paid dearness allowance at a flat rate of Rs. 25 per month for March 1947 on the then cost of living index group. Annexure A3 to the same written statement shows that it was paid at the rate of Rs. 31 per month on different cost of living index group. Annexure A4 shows payment at the rate of Rs. 34 per month on the index group of 281 to 290. Annexure A6 shows payment at the rate of Rs. 37 per month on the index group of 291 to 300. Annexure A5 shows payment at the rate of Rs. 43 per month at the index level 300 to 332. It has already been noted that subordinate staff is being paid at this rate of Rs. 43 from August 1948 notwithstanding rise in the cost of living index group since then. It is, therefore, apparent that in the case of the subordinate staff too, the Bengal Chamber of Commerce scheme of dearness allowance linked to the cost of living index figures was adopted and they are eligible to it.

The Company also alleges that due to its precarious financial condition it it unable to pay in future higher rates of dearness allowance according to the

Bengal Chamber of Commerce scheme or the arrears from August 1948, being the excess over what had already been paid.

The capacity of the employer to pay is an important factor in determining the amount of dearness allowance but the present case is not one for fixation of dearness allowance but for dearness allowance said to have been offered and accepted as a condition of service and protected by the awards. So the question of capacity of the employer to pay cannot, strictly speaking, arise in this case except regarding claim for the past (that is, the arrears) which has arisen out of peculiar circumstances of the case and about which accounts have already been settled. Likewise, Company's claim for limitation of the amount of dearness allowance to two-third of the Bengal Chamber of Commerce scheme beyond the index group of 332 from which the Company stopped payment on account of precarious financial position of the Company cannot be upheld; as otherwise it would in effect allow the Company to go back upon what they promised as a condition of service and enable it to pay dearness allowance according to the existing scale as in vogue since August 1948 without legally terminating the existing contract. The case of Powells, Ltd., and their workmen reported in 1952, L.A.C., page 334, cited by the Company in this respect has no application to the peculiar facts of the present case. This is not a case where dearness allowance is being fixed but one where it is claimd as a condition of service and protected by the successive awards of the Engineering Tribunals. So, I am of opinion that the various categories of the employees at the factory with whom we are concerned are entitled to be paid dearness allowance according to the Bengal Chamber of Commerce scheme so long the service conditions are not changed or the operation of the award does not come to an end.

As regards the claim to accumulated arrears from August 1948, this stands on a somewhat different footing. Ordinarily this would have been allowed in full to the workmen. But having regard to the precarious financial condition of the Company and also the larger interests of the employer and employees themselves, I must hold that this should not be allowed in full in the present case. If the additional burden of entire arrear dues be now imposed on the Company, it will be too heavy for the Company in its present financial stringency to bear and may lead to its collapse, thereby throwing out all its workers out of employment. This is an eventuality which should be avoided by all means as the goose that lays golden eggs has to be preserved and not killed outright. It appears that the paid-up capital of the Company is Rs. 5 lakhs while it had incurred a loss of Rs. 3,46,940 between July 1949 and June 1953. It was further alleged that the accounts for second half of 1953 would reveal a further loss of half lakh, thus total loss exceeding 4 lakhs. Then it appears that if these three categories of staff at the factory have got to be paid in full their arrears dues from August 1948 till June 1954, the total amount of arrears being the excess over what had already been paid would come to Rs. 2,32,435. This would increase the total loss to more than 6½ lakhs thereby wholly wiping out the paid-up capital. So, if the arrears are allowed from August 1948, the Company cannot obviously bear the burden and would likely close down thereby producing more evil than good. I think, this is a position which will be conducive to well being neither of the Company nor of the employees. So, considering all the evidence and circumstances I think, it will be fair and equitable if the Company is directed to pay the arrears of dearness allowance according to the Bengal Chamber of Commerce scheme being the excess over what had already been paid from the date of the present reference, that is from 26th October 1953. The Company is accordingly directed to pay such arrears from 26th October 1953 up to June 1954 within two months from the date the award becomes enforceable. The Company is also to pay dearness allowance according to the Bengal Chamber of Commerce scheme from July 1954 onwards until

the operation of the award comes to an end or until Bengal Chamber of Commerce scheme of dearness allowance is terminated according to law.

I award accordingly.

ORDER.

No. 3511Dis./D/10L-56/54.—20th July 1954.—Whereas under the Government of West Bengal, order No. 1455Dis./D/10L-91/53, dated the 30th April 1953, the industrial dispute between Messrs. Gresham & Craven Co. of India, Ltd., 22, Gobra Road, Calcutta, and their workmen represented by Shri Manoranjan Biswas, Secretary, East Calcutta Engineering Workers' Union, 9/1A, Dr. Suresh Sarkar Road, Calcutta, was referred for adjudication to the Third Industrial Tribunal, West Bengal, regarding the matters specified in the schedule thereto;

And whereas during the pendency of proceedings before the said Tribunal a complaint in writing was received from Shri Hiramon Shresta, a worker of the said Company, against the said Company alleging that the said Company discharged the said workman concerned in such dispute;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Tribunal has adjudicated upon the said complaint and submitted its award to the State Government;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an application under section 33A of the Industrial Disputes Act, 1947, as amended by Industrial Disputes (Appellate Tribunal) Act, 1950, filed by Shri Hiraman Shresta against Messrs. Gresham & Craven of India, Ltd., in connection with Government order No. 1455Dis./D/10L-91/53, dated the 30th April 1953.

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI J. N. MAITRA, *Judge, Third Industrial Tribunal.*

Miscellaneous case No. 15 of 1954 under section 33A of the Industrial Disputes Act.

Shri Hiraman Shresta .. *Petitioner,*

versus

Messrs. Gresham & Craven of India, Ltd. .. *Opposite Party.*

Present for the workman: Shri Hiraman Shresta himself.

Present for the Company: Shri J. N. Chatterjee, Deputy Labour Adviser, Indian Engineering Association.

AWARD.

This is a complaint under section 33A of the Industrial Disputes Act by Shri Hiraman Shresta. The workman Shri Hiraman Shresta was discharged from service on 20th June 1953, on the ground of misconduct during the pendency of the reference made by Government order No. 1455Dis./D/10L-91/53, dated 30th April 1953, before this Tribunal. Hence the complaint under section 33A by the workman. He alleges that he was a member of the Works Committee elected by the workers and was Assistant Secretary of the Union. The Company therefore, by way of victimisation discharged him on false charges. The Company opposite party denies all these allegations and pleads that it acted *bona fide* in the matter.

The point which therefore arises for determination in this case is, whether the discharge is justified.

DECISION.

In support of the case the petitioner has deposed (P.W. 1). The opposite party Company on the other hand has examined its night shift Chargeman, D.W. 1 Shri Gopal Chandra Banerjee, the Electrician, D.W. 2 Shri Jahed Ali, the Fitter, D.W. 3, Shri Pasupati Maity and the Welfare Officer, D.W. 4 Shri Biswa Nath Dutta, besides proving documents, Exts. A to E.

The workman Shri Hiraman Shresta after cross-examining D.W. 1 left the Tribunal and took no further part in the proceeding. Thereafter the proceeding continued in his absence under rule 15 of the Bengal Industrial Disputes Rules, 1947.

The petitioner Shri Hiraman Shresta was an operator who was on duty in the night shift on the 10th of January 1952. In that night he was put to work on Lathe Machine. He admittedly came to duty late by 15 minutes having reached at 8-15 p.m. in place of 8 p.m. The Chargeman condoned his late coming and allowed him full attendance as he had claimed to have attended the Works Committee meeting before. Thereafter Shri Hiraman Shresta reported to the Electrician, D.W. 2, that the machine in which he was to work was out of order. D.W. 2 in turn brought it to the notice of the Chargeman, D.W. 1 and requested him for a helper to help him (D.W. 2), to repair the machine. D.W. 1 accordingly directed the Fitter (D.W. 3) to help the Eelectrician to repair the said machine. The Chargeman also put the workman Shri Hiraman Shresta to idle-time pending repair of the machine. After about 45 minutes the machine was brought to order by D.W. 2 and D.W. 3. They found that the machine was intentionally jammed by putting it on gear. They accordingly made complaint about it to the Chargeman (as per Annexures "A1" and "A2" to the written statement of the Company). When thereafter Shri Hiraman Shresta was told that the machine was brought to order and he was to resume duty, he took D.W. 2 to task why they had repaired the machine so quickly. Shri Hiraman Shresta then resumed his duty after two hours, that is, at 10 p.m. and worked up to 1 a.m. The evidence shows that during this period his output was very low as he produced only 3 VB-27 Pistons in place of normal output of 4½ Pistons.

After recess break from 1 a.m. to 1-30 a.m. when the Chargeman went on his usual round to wake up the workmen and to ask them to resume duty, he (D.W. 1), found Shri Hiraman Shresta sleeping outside the factory. He awoke him and asked him to go to duty and then left for other workers. Thereafter when the Chargeman was out on his second round at about 1-45 a.m., he found Shri Hiraman Shresta sitting at the same place where he was previously found sleeping along with two other workmen, who were on idle-time. The Chargeman again asked him to go to his duty but Shri Hiraman Shresta did not carry out his instructions. The Chargeman found him on his third round, 15 or 20

minutes later, sleeping there. He awoke him and asked him to go to duty. Thereafter the evidence shows that the Works Manager came on his round at 3 a.m. when he found Shri Hiraman Shresta sleeping outside the factory during his duty hours. The Chargeman was asked by the Works Manager to explain why Shri Hiraman Shresta was absent from his machine. The Chargeman accordingly made report (Annexure "B" to the written statement). On these facts a charge-sheet was issued to the complainant on 15th June 1953 (Ext. C1). He was charged for intentional tampering with the machine, insubordination and gross negligence in the performance of duty (Ext. C). The workman submitted explanation on the reverse of the charge-sheet on 17th June 1953. He admitted that after there was break for tiffin at 1 a.m., he had fallen asleep as he had no sleep previously and that somebody had awakened him at 3 a.m., and that he was then called by the Works Manager and was questioned whether he was sleeping. In his deposition he also admitted of having been questioned whether he tampered with the machine. As regards production he admitted that he produced 3½ Pistons in place of normal output of 4½ Pistons during work from 10 p.m. to 1 a.m. Although he denies having been thrice called by the Chargeman to go to duty after recess hour was over, the evidence of the Chargeman is that he awoke him and asked him thrice to resume duty. There is nothing to show why the Chargeman would depose falsely against him. This is not a new case either as it finds mention in the charge-sheet itself that the Chargeman had told him thrice to go to work after the tiffin bell. Then the evidence of the Electrician and the Fitter (D.W. 2 and D.W. 3), read with their report shows that the machine was purposely jammed by putting it on gear. Further evidence of D.W. 2 that when Shri Hiraman Shresta was asked to resume duty he took them to task why they repaired the machine so quickly confirms this. Shri Hiraman Shresta was admittedly questioned by the Works Manager whether he tampered with the machine. These would suggest that in order to find an excuse for sleep he had purposely put the machine to gear and thus jammed it. P.W. 1's evidence that he helped in the repair is denied by D.W. 2 and D.W. 3. Their denial is supported by circumstances. The evidence also shows that after explanation was submitted an enquiry was held. The workman admits that after he had submitted explanation, the Works Manager questioned him in his office. Annexure "E9" is the proceeding of the enquiry which shows that Shri Hiraman Shresta was asked to cross-examine the witnesses if he liked and to produce witnesses, if any, in support of his explanation. It appears that he had declined to do so. So his evidence to the contrary before this Tribunal cannot be accepted.

In view of the evidence and circumstances before the Management, it was justified in holding that the charges were established. The action against him, it will therefore appear, took place in normal and natural course and had nothing to do with his alleged Union activities. I am, therefore, of opinion that the discharge was justified. The complaint must accordingly fail.

I award accordingly.

ANNEXURE.

In the matter of a complaint under section 33A of the Industrial Disputes Act filed by Shri Sontosh Goon against Manindra Cotton Mills, Ltd.

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI M. C. BANERJI, *District Judge, (Retd.), Judge, First Industrial Tribunal.*

AWARD.

This application relates to the Government Order of Reference No. 4055-Dis./D/8L-20/52, dated 22nd December 1952, over an industrial dispute between Manindra Cotton Mills, Ltd., and their workmen represented by Manindra Mill Sramik Sangha. The award on this dispute was published in the *Calcutta Gazette,* dated 21st January 1954.

On 27th January 1953 Sontosh Goon, a permanent workman of the Company working in the capacity of a Sizer, applied under section 33A of the Industrial Disputes Act, 1947, stating that he was served with a charge-sheet containing false allegations on 29th December 1952 and was discharged on 8th January 1953, without taking permission of the Tribunal. It is further stated that the petitioner is an active member of the Manindra Mill Sramik Sangha, being the Treasurer of the same, and that he was, therefore, victimised by the Company. The petitioner prays that he should be reinstated with compensation for the period of unemployment.

The Company, in its written statement, states that through inadvertence, the order of dismissal was served on the petitioner on 8th January 1953, but very soon thereafter, the mistake was detected and before this application under section 33A was filed by the petitioner, he was informed that he was suspended and not dismissed or discharged on the grounds referred to in the notice, dated 8th January 1953. The Company states further that for some time before the petitioner was placed under suspension, he was attempting to instigate and illegally incite loyal workers of the Mill to take part in a strike and other subversive

activities during the pendency of the proceeding before the Tribunal. He was also guilty of other misconduct, viz., wilful insubordination and disobedience to the lawful and the reasonable order of his superior, habitual negligence or neglect of work, etc. The petitioner was not, therefore, entitled to any relief, as prayed for.

On the date of hearing on 4th June 1954, the parties filed a joint petition of compromise, which appears as Appendix A to this award. On a perusal of the compromise petition, it appears that the terms thereof are reasonable and the petition should be accepted. I, therefore, accept the compromise petition in Appendix A and award in accordance with the terms thereof. The compromise petition in Appendix A shall form a part of this award.

In the matter of an industrial dispute between Messrs. A. Firpo, Ltd., Chowringhee Road, Calcutta, and their workmen as represented by Firpo United Workers' Union, 249B, Bowbazar Street, Calcutta-12.

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI M. C. BANERJI, *District Judge (Retd.), Judge, First Industrial Tribunal.*

The Government of West Bengal, in the Labour Department, by order No. 5083Dis./D/11L-202/53, dated 29th December 1953, referred, under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the

industrial dispute between Messrs. A. Firpo, Ltd., Chowringhee Road, Calcutta, and their workmen represented by Firpo United Workers' Union, 249, Bowbazar Street, Calcutta-12, regarding the matters specified in the following schedule to this Tribunal for adjudication :—

SCHEDULE.

(1) Whether the employees are justified in claiming full cash dearness allowance in lieu of food? If so, under what conditions?

Notices were issued on both parties and they filed written statements setting forth their respective cases.

The Union, in its written statement, states as follows:—

Shri S. K. Niyogi, Judge, Industrial Tribunal, made an award on 3rd April 1952, which was published on 1st May 1952, fixing a new scale of dearness allowance, from which Rs. 10 would be deducted for one meal supplied to them by the Company. The Labour Appellate Tribunal of India by its judgment, dated 20th May 1953, assessed the value of the food in one meal supplied by the Company at Rs. 12-8 was to be deducted instead of Rs. 10 from the new scale of dearness allowance fixed by Shri S. K. Niyogi. The workers belonging to the factory, soda factory and the godown in No. 22, Chowringhee Road, represented by the Firpo, United Workers' Union, felt the amount of Rs. 12-8 fixed by the Labour Appellate Tribunal to be too heavy and they could not afford to spend the sum from the poor pay they were getting. By letter, dated 1st July 1953, Ramcharan, the Assistant Secretary of the Union, made a suggestion to stop the supply of food by the Company and to pay instead the scheduled amount in cash. A labour dispute was raised and a conciliation proceeding was started by the Assistant Labour Commissioner. Conciliation failed and the dispute has been referred to the Tribunal for adjudication. It is prayed that the Company should not compel the workers, other than the kitchen staff, to take food supplied by the Company and the Company should pay the workers excluding the kitchen staff the full amount of dearness allowance fixed by the Tribunal abovenamed.

The Company, in its written statement, states as follows:—

Having regard to the fact that an award relating to the revision of dearness allowance was made by Shri S. K. Niyogi and published in the *Calcutta Gazette* on 1st May 1952, and the said award was confirmed in a modified manner by the Hon'ble Labour Appellate Tribunal on 20th May 1953, and the said award is still binding between the employers and their workmen, the Government of West Bengal had no jurisdiction to make the order of reference and the same is *ultra vires* the powers of Government and is illegal, invalid and inoperative. The Tribunal has no jurisdiction to entertain or adjudicate upon the dispute purporting to have been referred to it by the said order. The employers stated that the workmen concerned had no right to call upon the employers to stop the food supplied by the Company. The Union concerned instigated the workmen to force the workmen to rescind a fundamental and vital condition of employment and to substitute in its place an unworkable condition detrimental to the interest of the Company. The Company denies that the workers concerned have any right to work without meals supplied by the Company. It is a fundamental and vital term of employment of the workers concerned to take meals so long as the employers may supply the same. The demand of the workmen is wholly unjust and if it is to be conceded to the

running of the department concerned will have to be stopped. In the circumstances, the claim of the workers concerned should be rejected as frivolous.

For the Union: Shri Jatin Chakrabarty, General Secretary.

For the Company: Mr. C. Corti, Director.

The issue framed for the decision of this case is the same as that mentioned in the order of reference and is as follows:—

ISSUE.

(1) Whether the employees are justified in claiming full cash dearness allowance in lieu of food? If, so, under what conditions?

AWARD.

DECISION.

Issue No. 1.

On the date of hearing on 28th June 1954, the parties filed a joint petition of compromise, which appears as Appendix A to this award. On a perusal of the terms of the compromise petition, it appears that they are reasonable and should be accepted. I, therefore, accept the compromise petition in Appendix A and award in accordance with the terms thereof. The compromise petition in Appendix A shall form a part of the award.

SCHEDULE.

(1) Whether it is possible for the canteen to offer food at rates cheaper than those prevailing at present ?

(2) Whether durwans are entitled to overtime pay ?

(3) Whether men employed in the Paper Cutting Section should be considered as semi-skilled ?

(4) Whether discriminatory tactics have been employed in the cases of Santosh Mondal, Vice Department, Narayan Mistry, Fitter, and Bejoy Chandra Das, Carpenter. What relief are they entitled to ?

(5) Whether suspension of Abdul Aziz during pendency of conciliation proceedings is a violation of section 33 ? What benefit he is entitled to ?

(6) Bonus for the periods 1950-51 and 1951-52.

(7) Revision of Standing Orders.

AWARD.

Issue no 2.—Whether durwans are entitled to overtime pay?

The Britannia Biscuit Company has factories in Calcutta, Delhi and Bombay. In Calcutta the factory was situated at Dum Dum. Since January 1952, the Company commenced erection of a new factory at Behala by way of shifting its factory from Dum Dum. As a consequence several durwans had to be detained at Dum Dum and some were posted at Behala during the said transitional period. The contention of the durwans is that usually as a service condition they would get one day's weekly off but because of this removal of the factory from Dum Dum to Behala they had to work on the off days also (17 off days in 17 weeks) but the Company has not paid any extra amount for this overtime work. The durwans contend that now the normal situation has been restored and they do not work more than 8 hours a day as before.

On behalf of the Company it is urged that durwans enjoy better service condition in other respect than other workmen in the factory, such as "leave", and therefore durwans cannot claim extra payment for overtime work and that the overtime work is not a frequent incident so far as the durwans are concerned and that for this special overtime work the durwans should not get anything.

In the evidence I find that when the durwans were put to overtime work as aforesaid the Management assured them that for this overtime work, the claim of the durwans would be considered by the Management. There is no challenge of this allegation made by the durwans. It is admitted that for fire brigade training work durwans were paid separately. Everybody should have some fixed hours of work. It is not at all fair that the Management should not pay any extra allowance to the durwans for the special overtime work obtained from them by the Management during the factory removal period. That overtime work was not confined to a day or two only or at intervals but it was a regular prolongation of actual duty period for a reasonably long period of time, say 17 days. In these circumstances my opinion is that the durwans who rendered such overtime work during the said transitional period are to be paid an extra allowance at the flat rate of Rs. 15 per head for the entire overtime period and the said payment is to be made by the Company within a week from the date of the publication of the award.

Issue No. 3.—Whether men employed in the Paper Cutting Section should be considered as semi-skilled ?

In this factory there is a section called Machine Section, e.g., where mixing, kneading, etc., are done. There is another section called Packing Section where the finished biscuits are packed in tin and cardboard boxes and suitably labelled. In the Biscuit Factory packing is also an important work. If the lining inside the boxes and the padding therein be defective, the whole biscuits would be spoilt within a short time and there will be greater breakage.

The Unions contend that the (Paper Cutting Section men) paper cutters should be paid wages at par with that of the Machine Section men inasmuch as the works done by both the sections are almost of equal nature and that these involve equal amount of risk and require equal amount of skill.

From the evidence I find that previously the Paper Cutting Section had several accidents but the incidence of such accidents is now rare as the workers have become much experienced in handling the paper cutting machines. At the desire of both the parties I inspected the paper cutting machines and mixing machine in operation in the Behala Factory of this company in the presence of the representatives of both the parties. In the Paper Cutting Section I

found 3 machines, 2 of which are of modern type. They require less amount of skill in handling them. I think an ordinary cooly can operate these easily and do the work of paper cutting like the workmen who are doing that work for a long time. But the old type machine is really difficult to operate on the part of a new man unless he is trained for a fairly long time. The workmen operating the old type paper cutting machine and the men operating the mixing machine in the Machine Section appear to me to be equally skilled and trained and in my opinion there should not be any distinction between the two regarding their wages and allowances. I find that the old type paper cutting treadle machine men should be considered as semi-skilled. There is no satisfactory evidence that any reliable expert was ever engaged by the company to evaluate the jobs of the paper cutting machine men compared with those of the Machine Section men. So I have no hesitation in coming to the conclusion that the old type paper cutting machine (treadle machine) men should be considered as semi-skilled in view of the evidence adduced and also of what I have personally seen with my own eyes at the local inspection.

Issue No. 4.—Whether discriminatory tactics have been employed in the cases of Santosh Mondal, Vice Department, Narayan Mistry, Fitter and Bijoy Chandra Das, Carpenter. What relief are they entitled to?

The Unions gave up the cases of Santosh Mondal, and Narayan Mistry. The case of Bijoy Chandra Das, Carpenter, alone has been canvassed at the hearing. His case is that he has been working in this factory for the last 4½ years as a carpenter and he was appointed at a salary of Rs. 35 per month and now he gets only Rs. 46 per month plus Rs. 35 as dearness allowance whereas one Bachan Singh who is not superior to him in any respect has been recently appointed by the management to do the same nature of work at a salary of Rs. 100 per month and it is contended that this discrimination between Bijoy Chandra Das and Bachan Singh should be done away with.

The contention of the management is that Bachan is not a ordinary carpenter but he is a joiner and he can make furniture which Bijoy Das cannot do. From the evidence I find that Bachan Singh was a joiner in the Engineering Firm of Britannia Building Co., and as head mistry of that firm he did the works of panelling joinery and other skillful works in the Behala factory of this Biscuit Company when the aforesaid Engineering Company constructed the new factory at Behala. Thereafter Bachan Singh has been appointed as a carpenter in this Biscuit Company. It is the option of the company to decide whom it will appoint as a special joiner or carpenter and on what wages. It is not a case of discrimination between two workmen working in a factory. Bijoy Das was in service from before. Bachan Singh was not in service at all when these wages were settled. Moreover from the evidence of Bijoy Das I find that a carpenter like Bachan Singh could not be available at less than Rs. 100 as monthly salary at the time when Bachan Singh was selected for the post. In these circumstances I hold that the contention of Bijoy Chandra Das is unfounded and that no discriminatory tactics have been employed by the company in the matter of appointment of Bachan Singh as a carpenter at a higher wages than those of Bijoy Chandra Das.

Issue No. 5.—Whether suspension of Abdul Aziz during pendency of conciliation proceedings is a violation of section 33. What benefit he is entitled to?

Abdul Aziz was suspended by the Manager as per Company's order, dated 11th June 1952, marked Annexure "A" with effect from 12th June to 16th June (both days inclusive) under clauses 16(K) and 16(M) of the Standing

Order after a charge-sheet was given to him on 9th June 1952 (*vide* Ext. D), wherein it was said—

(i) That Abdul Aziz on the 7th June 1952, at mid-day, without possessing any authority to do so, took up on behalf of another worker, that worker's alleged complaint against an item of foodstuff supplied to him.

(ii) Also that Abdul Aziz took it upon himself to argue the case with the canteen Supervisor is an arrogant and insulting manner.

(iii) Also that Abdul Aziz without authority went into the kitchen of the canteen and carried on the argument with the canteen staff which Abdul Aziz had no right whatsoever to do.

(iv) That Abdul Aziz refused the offer of the Canteen Supervisor to replace the item of Foodstuff complained of, although it was the normal procedure in such a case.

(v) That numerous reports were received by the management against Abdul Aziz's persistently creating annoyance and disturbances in the canteen over the slightest alleged grievances.

Abdul Aziz explained that on the date in question he was booked his own name for the said meal and that he did not plead on behalf of any other worker. Abdul Aziz contradicted the charges brought against him and pleaded that he never went into the kitchen and that he refused to return the defective egg because it was already made *Jutha* by him and as there was no extra egg at the disposal of the Canteen at that time which could be given to him as a substitute. The facts are that Abdul Aziz and his nephew Md. Ali were taking meal from the same dish in the canteen, and that the egg which fell in the share of Abdul Aziz was a little defective in that a portion of the yellow was missing. The canteen' boy and the canteen supervisor argued with him that due to defect in boiling process followed by scaling off of the shell, that part of the yellow went off and that the said defective egg was not intentionally served out to him.

It appears from the evidence that Abdul Aziz was an Office bearer of the Union and the Union also selected him as a member of the Committee to deal with complaints regarding the canteen. Therefore, it is simply natural that Abdul Aziz would create a breeze over this defect in the egg served out to him. The Company has not produced its papers to show that Abdul Aziz was not booked for his meal on that day, although Abdul Aziz had clearly stated in his reply to the charge that he was not taking share of any meal booked by another person and that the meal concerned was booked in his own name. There was some debate no doubt between Abdul Aziz and the canteen Supervisor, and it is admitted that on the report of the said canteen Supervisor this charge-sheet was framed against Abdul Aziz. I find no satisfactory evidence on the side of the management to show the ground of charge No. 1, in Ext. D. As regards charge No. 2, there is no tangible evidence as to what exact language Abdul Aziz used towards the said canteen Supervisor upon which the canteen Supervisor reported to the Mnagement that Abdul Aziz's conduct was arrogant and insulting. Charge No. 3, falls to the ground because it is now clear from the evidence that Abdul Aziz went up to the counter of the canteen where every person has the right to go on business. Abdul Aziz also went there on business, viz., to enquire how and why the defective egg was supplied to him. The charge that Abdul Aziz went inside the kitchen is entirely incorrect. As a matter of fact Abdul Aziz did not go inside the kitchen. The next part of the charge is that Abdul Aziz has no right to argue with the canteen staff. Ordinarily people do not move the higher authority on each and every point of grievance. I do not think that Abdul Aziz committed such wrong by

arguing with Lalmohon, (the canteen boy) for which such a charge can be made against Abdul Aziz. The charge No. 4, calls for some comments. I think Abdul Aziz did the right thing. It is strange that after Abdul Aziz had already taken and participated the meal served out to him and he had made the things *Jutha*, the canteen Supervisor had the audacity to ask Abdul Aziz to return the said defective egg from the dish of Abdul Aziz, so that the Supervisor might replace it by another from the canteen. What business did the Supervisor get in asking Abdul Aziz to return the said *Jutha* egg to the canteen, unless the Supervisor had the idea to pass the said *Jutha* egg on to an innocent worker customer. I think Abdul Aziz acted like a sane man in that he refused to return the *Jutha* egg in the said circumstances. The canteen Supervisor could have asked Abdul Aziz to throw away the said *Jutha* egg and could have assured Abdul Aziz that for the said egg he would be at once given a new one from the canteen; but that was not suggested by the learned canteen Supervisor (Mr. Chatterjee). Charge No. 5, is vague and indefinite and it calls for no reply from anybody. Let me now consider the important charge viz., whether Abdul Aziz used or showed arrogant and insulting language or attitude towards the canteen Supervisor. In the evidence the canteen Supervisor, O.P.W.1. admitted that "Abdul Aziz did not abuse me, but the way in which he behaved, it was taken as an insult to me". In the report Abdul Aziz is said to have used insulting and insinuating remarks (see the last line of Ext. E). There was no evidence before the Labour Officer (Mr. Majumder) nor before the Manager (Mr. Garratte) from which they could understand whether the remark was insulting, insinuating or not. The remark itself was not mentioned anywhere nor in the evidence here. In cross-examination the canteen Supervisor explained that by "*insulting*" remark he meant that Abdul Aziz made such a remark as suggesting:—

> "We the canteen men misappropriate the things at the cost of the workmen taking meal in the canteen",

and that by "*insinuating*" remark I meant that Abdul Aziz used such expressions as—

"Aisa Nahi Bardast Karega, Adha Egg Dia"

I cannot agree that this can be said to be an insulting one. But with regard to the insinuating remark there are some circumstances which should be referred to. It appears from the evidence that one Durga Babu is the maternal uncle-in-law of this canteen Supervisor. When the canteen Supervisor was asked in cross-examination as to what Durga Babu was to him, the canteen Supervisor got much annoyed and refused to answer the said question and on the other hand went out of his way to argue with the cross-examiner that the question was irrelevant. Subsequently it appeared from the evidence that the said Durga Babu is an employee in the Head Office of this company and it also emerged in his evidence that canteen is run by a contractor and that the said contractor is no other than the brother-in-law of the said Durga Babu. Therefore the canteen Supervisor has some interest in the canteen affairs which a person having no relationship with the contractor would not have. In such circumstances it is probable on the part of the contractor's relation Mohon Babu (canteen Supervisor) to find fault with anything spoken regarding the canteen affairs. The Labour Officer and the Manager ought to have been careful enough to have it from the canteen Supervisor as to what exact word Abdul Aziz had used on the basis of which the canteen Supervisor reported that Abdul Aziz made "insinuating and insulting" remarks to him. Remark cannot be held to be insulting and insinuating simply because the complainant says that the remark was so. It is a matter of judgment. The canteen Supervisor who happens to be the relation of the canteen contractor may find insult and insinuation in every word used regarding canteen affairs, but unless

the Labour Officer and the Manager had known the exact words used, it was simply difficult and impossible on their part to decide or judge whether those words were really insinuating or insulting. I remember that in a session trial the prosecution witness deposed that the accused in the murder case made extra judicial confession of his guilt. When I asked the witness to reproduce the exact words used by the said confessing accused, the witness said that the accused uttered "*pup pup Maha pup*" and nothing else. The jurors could not spell out any confession of guilt from the said utterance. The principle laid down in the old case of Queen vs. Shoobjan, 10 B.L.R., page 332, is still the law on the point. It was held there that the court should not accept merely the conclusions at which witnesses deposing to a confession, themselves arrived at from the answers which the accused gave to the questions put by them and that the answers themselves are the relevant materials. In the order of suspension (*vide* the bottom of the charge-sheet) the period of suspension is said to be 4 days and not 5 days as stated in Annexure "A". In the evidence also Abdul Aziz admits that he was suspended for 4 days. In the standing Orders maximum period of suspension is said to 4 days only. So I think that the statement in Annexure "A" is mistaken and it is held that the suspension is not a violation of any clause of the Standing Orders.

In the Standing Orders there is no express provision that the management has any right to suspend without pay or allowance. But there is a provision to the effect "if however, the order is rescinded, the worker shall be deemed to be on duty during the full period of suspension and shall be entitled to the same wages as he would have received if he had not been suspended". From this it has been argued that as the suspension order was not rescinded by the management as a result of the enquiry, the employee was not to be deemed to be on duty during the whole period of suspension and shall not be entitled to the wages for the period. I think from this provision in the Standing Order, the employee cannot be legally deemed to be not on duty during the period of suspension. The deeming provision cannot be interpreted in that way. It is admitted that Abdul Aziz has not been paid anything for the said period of 4 days of suspension. I have followed in several cases the principle laid down in Warburton *vs.* Taffvale Railway Company (1902), 18 T.L.R., Page 420:—

> "where an employer is entitled to suspend an employee and withhold his wages during the period of suspension, the employee is entitled to wages during the period of suspension if he is dismissed at the end of that period" and it was held in that case that "the suspended employee was in Company's service during the suspension period".

So it follows that even if the company has power to suspend under the Standing Order, relation between the parties was not suspended. The contrary view was however taken in Wallwork *vs.* Fielding (1922), 2 K.B., page 66; where it has been held that where there is a power to suspend the suspension order suspends for the time being, the contract of relation between the parties on both sides and therefore the employer is relieved of in performing his part of the contract, viz., to pay the wages. In the latter case the said case of Warburton *vs.* Taffvale Railway Company, does not appear to have been referred to.

The Standing Order provision cannot be interpreted in the way as has been done by the representative of the Company. The Standing Order provides that "if the suspension is rescinded, the worker shall be deemed to be on duty during the full period of suspension". This provision cannot be construed that if the suspension is not rescinded, the worker shall not be deemed to be on duty during the period of suspension. The *maxim expressio unius excrusio*

alterius is one that requires to be watched (per Justice Wills, 1887-19 Q.B.D. page-400 at page-406). The interpretation that the worker shall not be deemed to be on duty if the suspension order is not rescinded cannot be said to be an inevitable corollary of the state of affairs which is specifically provided for in the Standing Order on the basis of the said "deeming" provision. If the said "deeming" provision (in case the suspension order is ultimately rescinded) in the Standing Order be treated as a proviso the principle laid down in West Derby Union *vs.* Metropolitan Life Assurance Society, 1887, A.C. page-697, would appear to be applicable in this present case. There it was observed—

> "That if the language of the enacting part of the statute does not contain the provisions which are said to occur in it, you cannot derive the said provision by implications from a proviso".

I am of opinion that there is no satisfactory evidence that Abdul Aziz made any insulting or insinuating remark to the canteen Supervisor, Shri Chatterjee. On the other hand it seems to me that Shri Chatterjee was hypersensitive and because of his relationship with the Canteen Contractor he was ready to smell insult and insinuation from anything whatsoever, concerning the state of affairs of the Canteen. The canteen Supervisor is not a superior officer to Abdul Aziz. So the remark alleged to have been made by Abdul Aziz towards the canteen Supervisor must be clearly shown by evidence to be grossly abusive language, otherwise Abdul Aziz cannot be held to be guilty of misconduct for which he would be punished by suspension under the Standing Order. The mere fact that Abdul Aziz got much annoyed because of the defective egg being served to him and that he indulged in loud voice over the said affair in the Canteen cannot be said to be a riotous or disorderly behaviour or "any act subversive of discipline". It has been remarked in a foreign case that in these days a much greater laxity of language is permitted than what was the case many years ago. In that case the words which Mr. Gill used to Mr. Finnerman were found to be abusive language and it was observed that the use of such words "particularly when used by an employee to the man supervising him in his work, i.e., to the man who is representing in the disciplinary sense the employer—amounts to misconduct". In the present case, the canteen Supervisor was not a person supervising the work of Abdul Aziz nor was this canteen Supervisor a superior officer to Abdul Aziz. So the present case is distinguishable from the case of Mr. Gill *vs.* Finnerman.

It is the contention of the Union that Abdul Aziz was suspended by the management when the conciliation proceeding was pending before the Concilliation Officer and that the suspension order was passed without any permission from the Conciliation Officer. It is contended that under the Government notification Labour Officer is also *ex officio* a Conciliation Officer. Such notification has not been produced here before me. There is a letter purporting to have been addressed by the Labour Officer to the company in the matter of an Industrial Dispute. The suspension order was dated 10th June 1952. The letter of the Labour Officer (Ext. 6) is dated 19th June 1952. From this letter it does not appear that Britannia Biscuit Company was informed of the said proceeding prior to the date of this letter, on the other hand it appears that the representative of the Union was asked to see the Labour Officer on 21st June 1952. So this letter is irrelevant. But there is another letter Ext. 6(a), dated 9th May 1952, by which Labour Officer asked the representative of this company to see him for joint discussion on 30th May 1952. That was a letter regarding "Grievances of the workers". So it would appear, if I am to assume that the Labour Officer was a Conciliation Officer that the suspension order was passed after the Conciliation Officer had began and before it terminated. I am not in a position to hold that the Labour

Officer was a Conciliation Officer, I cannot conclude that this suspension was in contravention of section 33 of the Industrial Disputes Act. I have already come to the conclusion that the suspension order with the forfeiture of the wages during the suspension period was an unjustified order and it should be set aside and Abdul Aziz should be paid his wages and allowance for the said period of four days suspension and accordingly I direct that the Company shall pay the said amount to Abdul Aziz within a week from the date of publication of the award.

Issue No. 7.—Revision of standing orders.

The Union has made out a case in the written statement that the Standing Orders should be revised in such a way as to meet the following demands:—

(i) After three months' service all workmen should be made permanent without discrimination.

(ii) In cases of recruitment workmen's nominees should get first preference.

(iii) In cases of discharge and retirement, workmen should get gratuity at the rate of one month's wages for each year of service.

(iv) Whenever there is any involuntary unemployment, the workmen should be paid full wages.

(v) In cases of misconduct, there must a bi-partite enquiry before punishment is awarded.

The Company contends that these revisions as prayed for should not be granted and that the suggestions are unreasonable.

Let me now discuss the points one by one.

Point No. (i).—It is absurd that after three months' service all workmen whether probationer or temporary or casual should be made permanent without discrimination. In the previous Award (see *Calcutta Gazette*, September 27 1951), the Union raised the contention with regard to fixation of the probationary period only and the Tribunal observed that the existing practice should not be disturbed inasmuchas it has been "asserted by the Factory Manager, Mr. Garratte that the probationary period according to the practice of the company never exceeds three months". In the Standing Order there is no period stated with regard to probationer. It may be that in this company probationers are made permanent ordinarily after three months' satisfactory probation but if any rule is to be laid down in the Standing Order it should be in line with what has been accepted in the majority of cases. My experience is that in majority of cases 6 (six) months' probationary period is laid down as the qualifying period subject to the condition that the probation during this period must be satisfactory and that the employer should be the person to decide whether the probation has been satisfactory or not. In this present case I direct that similar rule, *i.e.*, 6 months' probationership to the satisfaction of the employer, is to be adopted.

Point No. (ii).—This prayer of the Union is not reasonable. It will make the factory something more than "closed shop". In America "all Union" or "closed shop" are not looked-upon with favour in all the States. It is fair that the shop should be an open one. It is not reasonable to make the factory *a family shop* of the present workmen. So this prayer is rejected.

Point No. (iii).—Gratuity was claimed in the previous adjudication also but it was turned down by the Tribunal as there is a Provident Fund System since 1939. In these circumstances I do not think it fair to impose an additional burden upon the finance of the company by providing for compulsory

payment of gratuity as suggested by the Union. Of course this does not mean that in a proper case arising out of a discharge of a workman, the Tribunal will not be in a position to Award gratuity in addition to Provident Fund in the case of individual worker.

Point No. (*iv*).—No revision is called for in view of the fact that there has been recently legislation on this point which governs this company as well.

Point No. (*v*).—This point was raised to some extent in the previous adjudication (see *Calcutta Gazette,* September 27 1951). There is no such demand for a bi-partite enquiry was made. The direction given in the said award is what is called for by natural justice. A departmental enquiry against the employee is always held by the employer as a domestic Tribunal. What is required is that the enquiry should be fair and impartial but it is not necessary to have the charges investigated by an outsider. During such enquiry the employer has to play the role of both the prosecutor and the judge. I find that in Boards Miscellaneous Rules, governing the Government servants, there is a provision that in exceptional circumstances the Enquiring Officer may permit the respondent, *i.e.*, the employee proceeded against, to be represented by a lawyer or a recognised agent. That is one thing, but what is demanded by the Union in this present case is a different one. However, I concede that there should be a rule to the effect that in case of enquiry in a charge of misconduct, the management in suitable cases should give the concerned employee opportunity to be represented by either a lawyer or by a competent officer of the Union to which the concerned employee belongs, because it has been experienced in some cases that all workmen are not intelligent enough to defend themselves unaided by a competent person. Therefore under the issue "Revision of Standing Orders" I direct that a like rule as stated above should be incorporated in the Standing Order.

Issue No. 1.—Whether it is possible for the canteen to offer food at rates cheaper than those prevailing at present?

The Unions contend that although the Company spends a decent sum every month for the purpose of running a cheap canteen for the benefit of the workmen, the beneficiaries do not get due amount of benefit as the present contract system takes away a good deal of the wherewithal. So the Unions suggest that the contract system should be dispensed with and the management should pay the money which it is now spending every month for the purpose of canteen to the committee of workmen who would themselves run the canteen.

On behalf of the Management however it is contended that so much money would not be required for the purpose of having cheaper meals and snacks if the contractor is dispensed with and therefore the Company suggest that tea and snacks should not be subsidised by the Company and that the company is prepared to give a subsidy of Rs. 750 per month and also free use of canteen equipment, newspaper, electricity, coke, soap and gas and it is made a condition by the company that the workmen themselves should be self-serving, so that the strength of the canteen servants may be appreciably reduced. The suggestion made by the management is not accepted by the Unions. It is evident that as the contractor takes a good slice out of the subsidy given by the Company every month for the purpose of the canteen, workmen are not in a position to have meals at a cheaper rate as they expect. Recently it has been held by the Labour Appellate Tribunal in Calcutta in the case of Burn Labour Union *vs.* Burn Co., 1954, 1. L.L.J., Page 774, "That it is for the company to bear a substantial part of the cost of running the canteen, so that the workers may have the benefit of having healthy food at a cost lower than at which it should be obtained outside". In that case the Tribunal directed the

the company to bear the following expenses which are not to be taken into account in fixing the cost of the Hotel meal to be charged to the workmen.

(i) Cost of utensils including cooking vessels, plates, glass and other articles, which would be necessary to serve meals to the workmen.

(ii) Cost of furniture.

(iii) Cost of coal, fuel and electricity.

(iv) Salary of the cooks and of the canteen staff.

My decision is that if the workmen form a committee for the purpose of the catering which is now done by the contractor and if the expenses as set forth above are made by the Company without the same being charged to the workmen towards the cost of the meals or snacks, there is the possibility for the workmen to have food from the canteen at rates cheaper than those prevailing at present. I do not think that what the company now spends for the purpose of running the canteen is inadequate or that the company is not sharing a good part of the overall cost of the canteen from its own pocket without charging the same to the workmen.

Issue No. 6.—Bonus for the periods 1950-51 and 1951-52.

In the previous adjudication there was a demand for bonus but it was not for any specific year. The said reference was made by an order, dated 10th March 1951. In the award already referred to, the adjudicator remarked—

"The demand is not for bonus for any specific service year, or in respect of past years, in which there have been profits, but for the future and irrespective of the Company's future profit or loss."

The Tribunal therefore rejected the demand for bonus.

The Appellate Tribunal however observed—

"That the workmen claimed bonus for the year 1949-50 and for future years at the rate of four months basic wages, and that the Tribunal did not consider the claim for the year 1949-50, but simply turned down the claim for future years."

The Appellate Tribunal allowed bonus at one month's wages in addition to what have been paid by the Company, *i.e.*, two months, in all three months' wages. The Appellate Tribunal held that the claim for bonus for future years has been rightly turned down by the Tribunal. The claim for additional bonus for the year 1950-51 is challenged by the Company on the ground that this claim has been made long after the closing of the accounts for that year and therefore the closed account cannot now be re-opened and additional bonus cannot therefore be paid to the workmen. In respect of the additional bonus for the year 1951-52, the contention of the Company is that there has been no profit for that year and therefore the claim is untenable. It is admitted that this company has been paying bonus every year at 2 months' wages regularly and that such bonus has been paid even for the year 1951-52, although there has been no profit in that year. So it is now contended on behalf of the workmen that 2 months' wages as bonus fall as service condition and what the workmen now claim is profit-sharing bonus. It is admitted on both sides that the principle to be followed has been laid down in Rastyiya Mill Case that the claim for bonus is to be decided on the available surplus profits of the particular year under claim. Questions have arisen whether the workmen's claim for bonus for future years in the adjudication proceeding before Shri S. K. Niyogi, as aforesaid can be treated as a claim for bonus for the year 1950-51, whether the initial allowance under section 10(2)(vi) of the Income-tax Act

is a measure of Rehabilitation cost and whether the said amount of deduction is called "statutory depreciation", whether the fair return on the reserve used as working capital or on the amount of reserve representing accumulated profits converted to bonus share should be 2 per cent. or 4 per cent. All these questions come up for decision.

It appears from the evidence that the accounts for the year 1950-51 were closed at the end of March 1951 and that notice of the share-holders' meeting was given in August 1951 and the meeting was held in September 1951, but the demand for extra bonus for the year 1950-51 was made sometime between May and October 1951. In July 1951, the workmen received the bonus (paid by the Company amicably). At that time also there was no claim for extra bonus for the year 1950-51. So it is evident that the claim for additional bonus for the year 1950-51 is a belated one, and therefore it is untenable.

Regarding alleged "statutory depreciation" under section 10(2)(vi) of the Income-tax Act, I think that the allowance or deduction provided in the said clause is not called depreciation or rehabilitation charge, it is simply an allowance or deduction. What is not taxed for the income-tax and is excluded from the calculation of the tax cannot be said to be depreciation, although for the purpose of the income-tax Act it may be so called in common parlance for equalising the incidents of income-tax amongst the profit earners, as a class. Such deduction as is provided under section 10(2)(vi) of the Income-tax Act may be fair and reasonable because if such deduction is not allowed the assessment against the Company which started business with machineries purchased at a time when the price had shot up immensely high would be extremely hard as compared with the assessment made against the Company which has been carrying on the business with the help of machineries purchased before 1940, *i.e.*, when the price was very low. But for the purpose of assessing the available surplus profits in order to decide whether any bonus is to be paid to the workmen for any particular year, the above consideration as indicated in section 10(2)(vi) of the Income-tax Act would be irrelevant. The Company has submitted a chart which is marked Annexure "A", showing available surplus profits for the years 1950-51 and 1951-52. The Company has also submitted a chart showing the addition and elimination of the machineries which is marked Annexure "B" and a chart marked Annexure "C" showing the analysis of calculation on the basis of the case of Ruston and Hornby (India), Ltd. *vs.* Their workmen, reported in 1, L.L.J, page 400. The initial deduction made by the income-tax authorities under section 10 has not been adopted as a (statutory) depreciation in Annexure "A" submitted by the Company. The bonus at 2 months' basic wages which have been already paid by the company has been added back in this calculation. This process is not justified. In my opinion the bonus which has been paid and which has been shown in the balance-sheet as costs of production and upon which Income-tax remission has been obtained cannot now be added back in order to get further deduction (by way of income-tax) thereon. So if this item of "adding back" is excluded the result will be that in the year 1951-52, the deficit would be Rs. 2,56,000 instead of Rs. 2,63,000 as shown in this statement and that the available surplus profit in the year 1950-51 would work out as Rs. 1,05,000 instead of Rs. 92,000 as shown in the statement. Much criticism has been levelled by the Unions against the item "donations" (Rs. 6,636) for the year 1950-51 and (Rs. 8,207) for the year 1951-52. It appears that in countries where trade and commence have developed immensely, the manufacturing and commercial concerns make huge donations for public utility on charitable purposes and therefore these small donations should not be made grievance of by the Unions. Public institutions cannot thrive unless some donations are made by the solvent companies

It has been contended on behalf of the Unions that huge stock in trade worth several lakhs has been shown in the balance-sheet of the Company for the year 1951-52 and it is contended that almost the entire surplus profit has been invested by purchasing this stock by way of forestalling. It has been also argued on behalf of the Unions that the balance-sheet would show that although huge amount of reserve profit has been spent by awarding bonus shares to the shareholders, the Company in the same breath borrowed Rs. 21,45,336 from the Chartered Bank. It has been further contended that the factory continued at Dum Dum till the end of 1952 financial year, and that the Behala factory did not commence working until March 1952 when Dum Dum factory ceased to exist ; and therefore it is contended that the costs of erection of the factory at Behala should not be taken into consideration as expenditure in carrying on the business which earned the profit for the year 1951-52 and as a matter of that the depreciation allowed for the said costs of construction of Behala factory should be excluded while calculating the available surplus profits for 1951-52.

The money invested in the stock-in-trade which remains at the end of the year 1951-52 is not liquid asset in the hand of the company. So in order to show available surplus profits in that year it is unfair on the part of the Union to point to the said stock-in-trade and argue that there lies a huge amount of profit money and it should be available for distribution as additional bonus to the workmen. The stock-in-trade may be floating asset as opposed to fixed asset, but stock-in-trade is not liquid asset. Liquid assets are those which are represented by cash or those that can easily be converted into money, such as "cash in hands, cash in bank, gilt-edged securities and bills receivable". The stock-in-trade cannot be sold immediately by the company for paying bonus to the workmen. There is no knowing whether immediate sale of the stock-in-trade would result in profit or loss.

The question is whether the Behala factory which was under construction during the year 1951-52 and which did not commence (*i.e.*, to make) production during the said year can be said to be "used for the purpose of the business" within the meaning of section 10 of the Income-tax Act. Similar question arose in the case of Liquidators of Pursa, Ltd. *vs.* Income-tax Commissioner, A.I.R. 1954, Supreme Court, page 253: it was held there—

> "that in order to attract the operation of clauses (v), (vi), (vii), the machinery and plant must be such as were used in whatever sense that word is taken (whether active or passive user) at least for a part of the accounting year. If the machinery and plant have not at all been used at any time during the accounting year, no allowance can be claimed under clause (vii) in respect of them and the second proviso also does not come into operation."

It appears from the analysis of available surplus profits (Annexure C) that the depreciation for 1951-52 has been excluded from the amount of depreciation claim. So it cannot be said that the company included the depreciation in respect of Building and Machineries installed at Behala, for the purpose of running business and earning profit for the year 1952-53 and onwards. The said annual depreciation for the year 1951-52 in respect of the said Building and Machineries may be claimed by the Company as allowable deduction on account of the passive user of the same for earning profit for the year 1952-53. When the Company has already excluded the said debatable depreciation of the building and machineries erected and installed at Behala (so far as the profits of the year 1951-52 are concerned), I find no reason to reduce depreciation amount over again in the way as suggested by the Union. So my conclusion is that the Company really suffered loss for the year 1951-52, and

therefore the Company cannot be saddled with a further burden in the shape of extra bonus in addition to two months' wages already paid as bonus for that year. In the result I hold that the claim for extra bonus for the years 1950-51, and 1951-52 is to be rejected.

The Company contends that 4 per cent. should be paid as fair return on the bonus share money which has been utilised as working capital whereas the Unions contend that the said return should not exceed 2 per cent. I have gone through several rulings on this point and it appears that in the majority of the cases 4 per cent. was given as fair return for the accumulated profit used as working capital after the said amount had already been declared to be the property of the share-holders by virtue of assignment of bonus shares to them. So I conclude that in this present case also fair return on the money represented by the bonus shares should be at 4 per cent.

No. 3550Dis./D/4L-4/54.—22nd July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 4394Dis./D/4L-16/53, dated the 19th November 1953, the industrial dispute between Messrs. Popular Transport Service, 10, Barrackpore Trunk Road, Calcutta, and their workmen represented by Bus Workers' Union, 249, Bowbazar Street, Calcutta, regarding the matters specified in the schedule thereto was referred for adjudication to the Sixth Industrial Tribunal;

And whereas during the pendency of proceedings before the said Tribunal a complaint was filed by Shri Kalipada Ghosh, an employee of the said Company before the said Tribunal against the said Company alleging that the said Company discharged the said workman concerned in such dispute;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Tribunal has adjudicated upon the said complaint and submitted its award to the State Government.

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto;

AWARD.

The original reference out of which this case has arisen was made under Government order Nos. 2894Dis./D/4L-34/52, dated 29th October 1952 and 4394Dis./D/4L-16/53, dated 19th November 1953.

This is an application made by the employee Shri Kalipada Ghosh, under section 33A of the Industrial Disputes Act for reliefs against the employer's order of dismissal passed during the pendency of the original case, without obtaining any permission of the Tribunal.

The employer Popular Transport Service filed written statement but did not contest the case at the hearing. The original case mentioned above was in respect of the dispute between the Popular Transport Service and their workmen represented by Bus Workers' Union, 249B, Bowbazar Street, Calcutta, and the issue was whether the termination of unemployment of Shri Madhusudan Das, (2) K. C. Dey, (3) Nanilal Bagchi and (4) Chintaharan Shaw is justified and whether the said workmen are entitled to reinstatement and/or compensation. Petitioner was a member of the said union at the time of his dismissal. So he was concerned in the dispute in the pending reference case.

The petitioner was a bus conductor in this Company, viz., Popular Transport Service, for about 7 years. His daily wages were at Rs. 2-8. From the evidence I find that he was dismissed from service in November 1952 without assigning any reason for the dismissal. No charge-sheet was given to him. He denies allegations which the Company made against him in the written statement. He says that after his dismissal he could not procure job anywhere except that he did casual work for a day or two in a month here and there.

Under the Labour Law the recognised principle is that workers shall not be discharged "without adequate cause". In the present case there was no cause whatsoever except that the petitioner happened to be a member of the Union. So it was a case of clear victimisation. Hence my award is that the dismissal is set aside and it is directed that the petitioner be reinstated in his job and he be paid compensation equivalent to two months' wages at the daily rate as he had been receiving prior to his dismissal. The reinstatement and the said

payment be made within a week from the date of publication of the award in the *Calcutta Gazette*.

AWARD.

This is an application under section 33A of the Industrial Disputes Act made by the employee Panchanan Dey, whose case is that during the pendency of

the original case under Government order Nos. 2894Dis./D/4L-34/52, dated 29th October 1952 and 4394Dis./D/4L-16/53, dated 19th November 1953, the employer, viz., Messrs. Popular Transport Service, dispensed with the services of the petitioner without assigning any reason except that the petitioner happened to be a member of the Union. The petitioner was a conductor and he served the Company for about two years at the rate of daily wage of Rs. 2-8 per day, The Company filed written statement denying that Panchanan Dey was an employee of the Popular Transport Service, but the Company did not appear at the hearing. The original case also was disposed of *ex parte* as the Company did not appear. I find no reason to disbelieve the evidence of the petitioner. It appears from the evidence that the petitioner has been dismissed from service without any notice and without giving any reason for the dismissal and that the evidence shows that the dismissal was due to the fact that the employee happened to be a member of the Union. So the dismissal is to be set aside and it is directed that the petitioner shall be reinstated and he shall also get unemployment compensation for a period of two months at the rate of the daily wage which he had been receiving from the Company at the time of his dismissal. The payment shall be made within a week from the date of publication of the Award.

AWARD.

The Original reference out of which this case has arisen was made under Government order Nos. 2894Dis./D/4L-34/52, dated 29th October 1952 and 4394Dis./D/4L-16/53, dated 19th November 1953.

This is an application made by the employee Shri Satya Charan Sadhukha, under section 33A of the Industrial Disputes Act for reliefs against the employer's order of dismissal passed during the pendency of the original case, without obtaining any permission of the Tribunal.

The employer Popular Transport Service filed written statement but did not contest the case at the hearing. The original case mentioned above was in respect of the dispute between the Popular Transport Service and their workmen represented by Bus Workers' Union, 249B, Bowbazar Street, Calcutta, and the issue was whether the termination of unemployment of Shri Madhusudan Das, (2) K. C. Dey, (3) Nanilal Bagchi and (4) Chintaharan Shaw is justified and whether the said workmen are entitled to reinstatement and/or compensation.

The petitioner was a member of the said Union at the time of his dismissal. From the evidence I find that the petitioner was a driver in this Company, i.e., employer Popular Transport Service, for about six years. His daily wages were at Rs. 5. In November 1952, he has been dismissed from service without any charge-sheet or without any reason being assigned. There was no notice of dismissal. The allegations made against the petitioner in the written statement of the employer have been denied by the petitioner on oath. The petitioner says that since his dismissal he was able to procure casual job here and there for only 2 or 4 days in a month.

I find from the evidence that the petitioner was concerned in the dispute in the original reference case because he was also a member of the said Union which represented the cause of "the workmen" who were the parties in the said proceeding. So it is a clear violation of section 33 of the Industrial Disputes Act. The greatest importance is today attached by Labour Law of the country to the reasons for termination of the contract of employment. In this present case there was no reason assigned for the said dismissal, therefore the dismissal must be set aside, and the petitioner should get reasonable compensation for loss of earning. My award is that the petitioner be reinstated and he be paid one month's wages at the rate of Rs. 5

per day as compensation and the reinstatement and payment of the said amount be made within a week from the date of publication of the award in the *Calcutta Gazette*.

ORDER.

No. 3552Dis./D/4L-4/54.—22nd July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 4394Dis./D/4L-16/53, dated the 19th November 1953, the industrial dispute between Messrs. Popular Transport Service, 10, Barrackpore Trunk Road, Calcutta, and their workmen represented by Bus Workers' Union, 249, Bowbazar Street, Calcutta, regarding the matters specified in the schedule thereto was referred for adjudication to the Sixth Industrial Tribunal;

And whereas during the pendency of proceedings before the said Tribunal a complaint was filed by Shri Sashi Kumar Dutta, an employee of the said Company, before the said Tribunal against the said Company alleging that the said Company discharged the said workman concerned in such dispute;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Tribunal has adjudicated upon the said complaint and submitted its award to the State Government;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of a complaint under section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), as amended by the Industrial Disputes (Appellate Tribunal) Act, 1950, filed by a workman named Sashi Kumar Datta, represented by Bus Workers' Union against Popular Transport Service (Case No. 83, under section 33A of 1953).

BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, WEST BENGAL CALCUTTA.

PRESENT:

SHRI MOTILAL CHAKRAVATTI, *District Judge, Judge, Sixth Industrial Tribunal.*

For the workmen: Shri Umapada Ganguly, Office Secretary, Bus Workers Union.

For the Company: None.

AWARD.

The original reference out of which this case has arisen was made under Government order Nos. 2894Dis./D/4L-34/52, dated 29th October 1952 and 4394Dis./D/4L-16/53, dated 19th November 1953.

This is an application made by the employee Shri Sashi Kumar Dutta, under section 33A of the Industrial Disputes Act for reliefs against the employer's order of dismissal passed during the pendency of the original case, without obtaining any permission of the Tribunal.

The employer Popular Transport Service filed written statement but did not contest the case at the hearing. The original case mentioned above was in respect of the dispute between the Popular Transport Service and their workmen represented by Bus Workers' Union, 249B, Bowbazar Street, Calcutta, and the issue was whether the termination of unemployment of Shri Madhusudan Das, (2) K. C. Dey, (3) Nanilal Bagchi and (4) Chintaharan Shaw is justified and whether the said workmen are entitled to reinstatement and/or compensation.

Shashi Kumar Dutta the present petitioner was a conductor in the Popular Transport Service and he was also a member of the said Union before his dismissal and as such he was concerned in the dispute in the reference case. He has been dismissed from service on 12th February 1953 without assigning any reason whatsoever and no charge-sheet was given to him. He denies that he made short collection of fair from passengers or that he made any defalcation or that he left the service of his own accord. The employer made these allegations as abovementioned against him in the written statement but there is no evidence in support thereof. So the denial of the petitioner is sufficient answer to the allegations made against him. I find no reason to disbelieve the evidence of the petitioner. Petitioner says that he could not procure any job anywhere and he has been sitting idle. Petitioner says that he served this Company for about seven years. So I find that the application succeeds. The accepted principle of Labour Law in this country is that a worker shall not be discharged without "adequate cause". He may be discharged or dismissed on the ground of misconduct or for any "adequate cause," e.g., trade reasons. In the present case there was no cause given for the dismissal. So my award is that the order of dismissal is set aside and that the petitioner be reinstated in his job and he be paid compensation for loss of earning equivalent to two months' daily wages at the rate as he was receiving prior to his dismissal and reinstatement and payment of compensation be made within a week from the date of publication of the award.

Advertisement, No. 25.

APPLICATIONS are invited for selection of a candidate for higher training in the Royal Veterinary College, Sweden, for appointment, on satisfactory completion of training, in a temporary post of Regional Sterility Officer in the West Bengal Higher Veterinary Service. The post is likely to be made permanent ultimately.

The selected candidate will have to undergo training at the Royal Veterinary College, Sweden, for 10 to 12 months.

The candidate selected will be required to give a guarantee that he shall serve the State Government for a period of at least 3 years after return from Sweden. He must be prepared to proceed to Sweden immediately on selection.

(1) **Qualifications.—**

Essential.

(i) Citizenship of India as defined in Part II of the Constitution of India.

(ii) A degree or diploma in Veterinary Science.

(iii) Post-graduate training in artificial insemination and physio-pathology of reproduction at the Indian Veterinary Research Institute or equivalent training in the field of animal reproduction or practical experience in artificial insemination for a period of two years

Desirable.

(i) A good post-graduate degree or diploma in Veterinary Science or in an allied science or Associateship of the Indian Veterinary Research Institute or Indian Dairy Research Institute.

(ii) Experience of pregnancy diagnosis and treatment in infertility in cattle.

(iii) Experience of research work in a branch of Veterinary Science or in an allied science.

(iv) Experience of veterinary extension work or Animal Husbandry extension work.

(v) Sound knowledge of Bengali—spoken and written.

Age should be between 25 and 45 years on 1st August 1954, relaxable for candidates possessing exceptionally high qualifications or for persons holding substantive posts under the Central or a State Government.

(2) **Pay or allowances.**—The selected candidate will be paid the cost of his passage between India and Sweden (both ways) as also the expenses for his board and lodging in Sweden.

If the selected candidate is already in the permanent service of the Central or a State Government, he will also receive half his present pay for the period of training.

On appointment as Regional Sterility Officer he will receive pay in the scale of Rs. 350—30—680—40—1,200 per month. The initial pay of the candidate, if not already in the West Bengal Veterinary Service, will be fixed on the basis of age on the date of assuming duties as follows:—

Age.	Pay in the time-scale.
	Rs.
25 or under	350
26	380
27	410
28	440
29	470
30	500
31	530
32	560
33	590
34	620
35 or above	650

(3) **Instructions regarding submission of applications.**—Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed **(not handwritten)** form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 10th March 1949, provided the blanks are filled up in the candidates' own handwriting.

The applications must be addressed to the Secretary and should reach him not later than the 4th August 1954.

(4) **Particulars and certificates required.**—Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

(5) **Fee.**—Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXXVI—Miscellaneous—Receipts of the Public Service Commission, West Bengal." Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal orders, however, may be accepted from candidates. They should be crossed and made payable to "the Secretary, Public Service Commission, West Bengal." No application will be considered unless accompanied with the requisite application fee.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers. In no case will the fee paid with the application be refunded.

The Commission may remit genuinely indigent and bona fide displaced persons' fee.

For the purpose of the concessions referred to above the definition of "Displaced Person" will be as follows:—

Definition.—"Displaced Person means a person ordinarily resident in the territories now comprising Pakistan, who has arrived from the said territory after the end of December 1950 in the Indian Union on account of civil disturbances or fear of such disturbances or the partition of India and intends to take up his permanent residence in the Union of India:

Provided that a person already in the permanent employ of Government shall not be deemed as a displaced person."

Note.—(i) "A displaced person claiming age concession must furnish with his application satisfactory evidence that he is a bona fide displaced person and came out to India after the end of December 1950, e.g., refugee registration card or a certificate from a gazetted officer or a member of Parliament or State Legislature, in original.

(ii) A member of the Scheduled Caste or Scheduled Tribe claiming age concessions must furnish with his application a certificate in original from a gazetted officer or a member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

(iii) A displaced person seeking remission of the application fee must furnish besides the evidence required under Note (i) above, a certificate (in original) from a district officer or a gazetted officer or a member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee."

(6) **Address.**—Candidates should give their present address and should communicate at once any subsequent change of address.

(7) **Canvassing.**—Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendation from persons interested in the candidates or otherwise known to them will be disregarded.

(8) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

APPLICATIONS are invited for a permanent post of Medical Inspectress, School Hygiene in the West Bengal Medical and Health Service. Men unsuitable.

(1) **Qualifications.**—

(i) Citizenship of India as defined in Part II of the Constitution of India.

(ii) M.B. or M.B.B.S.

(iii) Diploma in Maternity and Child Welfare.

(iv) Experience in environmental hygiene and school hygiene work.

Age should not ordinarily be more than 35 years on 1st August 1954, relaxable for an exceptionally qualified candidate.

The upper age limit is relaxable by three years for scheduled castes and scheduled tribes and up to 45 years for displaced persons from Pakistan who came out to India after the end of December 1950.

The upper age limit is relaxable for a non-Muslim Government servant in undivided Bengal who had originally opted to serve in East Bengal and was working under the Government of East Bengal after partition but has since formally resigned her service under that Government and has come over to India as refugee.

A candidate who before the 15th August 1947 was detained, imprisoned, interned or externed on account of her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(2) **Pay.**—The scale of pay is Rs. 200—10—420—15—450 per month plus the usual allowances. The selected candidate will be debarred from private practice and will not get any non-practising allowance. The question of granting a suitable non-practising allowance is however under consideration of Government.

(3) **Instructions regarding submission of applications.**—Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed **(not handwritten)** form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 10th March 1949, provided the blanks are filled up in the candidates' own handwriting.

The applications must be addressed to the Secretary and should reach him not later than the 20th August 1954.

(4) **Particulars and certificates required.**—Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

PART V—Acts of the Parliament of India assented to by the President and Ordinances promulgated by the President

GOVERNMENT OF INDIA.

Ministry of Law.

ORDINANCE NO. 8 OF 1954.

THE INDIAN INCOME-TAX (AMENDMENT) ORDINANCE, 1954.

Promulgated by the President in the Fifth Year of the Republic of India.

An Ordinance further to amend the Indian Income-tax Act, 1922, to provide for the assessment or re-assessment of persons who have to a substantial extent evaded payment of taxes during a certain period.

WHEREAS Parliament is not in session and the President is satisfied that circumstances exist which render it necessary for him to take immediate action;

NOW, THEREFORE, in exercise of the powers conferred by clause (1) of article 123 of the Constitution, the President is pleased to promulgate the following Ordinance :—

1. **Short title and commencement.**—(1) This Ordinance may be called the Indian Income-tax (Amendment) Ordinance, 1954.

(2) It shall come into force at once.

2. **Amendment of section 34, Act XI of 1922.**—During the period of operation of this Ordinance, section 34 of the Indian Income-tax Act, 1922, shall have effect as if after sub-section (1), the following sub-sections had been inserted, namely :—

"(1A) If, in the case of any assessee, the Income-tax Officer has reason to believe—

(i) that income, profits or gains chargeable to income-tax have escaped assessment for any year in respect of which the relevant previous year falls wholly or partly within the period beginning on the 1st day of September, 1939, and ending on the 31st day of March, 1946; and

(ii) that the income, profits or gains which have so escaped assessment for any such year or years amount, or, are likely to amount, to one lakh of rupees or more;

he may, notwithstanding that the period of eight years or, as the case may be, four years specified in sub-section (1) has expired in respect thereof, serve on the assessee, or, if the assessee is a company, on the principal officer thereof, a notice containing all or any of the requirements which may be included in a notice under sub-section (2) of section 22, and may proceed to assess or re-assess the income, profits or gains of the assessee for all or any of the years referred to in clause (i), and thereupon the provisions of this Act [excepting those contained in clauses (i) and (iii) of the proviso to sub-section (1) and in sub-sections (2) and (3) of this section] shall, so far as may be, apply accordingly :

Provided that the Income-tax Officer shall not issue a notice under this sub-section unless he has recorded his reasons for doing so, and the Central Board of Revenue is satisfied on such reasons recorded that it is a fit case for the issue of such notice :

Provided further that no such notice shall be issued after the 31st day of March, 1956.

(1B) Where any assessee to whom a notice has been issued under sub-section (1A) applies to the Central Board of Revenue at any time within six months from the receipt of such notice or before the assessment or re-assessment is made, whichever is earlier, to have the case to which the notice relates settled, the Central Board of Revenue may, after considering the terms of settlement proposed and subject to the previous approval of the Central Government, accept the terms of such settlement, and, if it does so, the assessment or re-assessment shall be made accordingly and shall be final and conclusive in so far as it relates to matters covered by the settlement."

PART VI.—Bills introduced in Parliament of India; Reports of Select Committees presented to Parliament; and Bills published before introduction in Parliament.

HOUSE OF THE PEOPLE.

The following Bill was introduced in the House of the People on the 18th May 1954 :—

BILL* No. 24 OF 1954.

A Bill to provide for the constitution of an Auxiliary Territorial Force.

BE it enacted by Parliament in the Fifth Year of our Republic as follows :—

1. **Short title and extent.**—(1) This Act may be called the Auxilitary Territorial Force Act, 1954.

(2) It extends to the whole of India.

2. **Definitions.**—In this Act, unless the context otherwise requires,—

(a) 'camp' means any place established under section 4 as a camp where any body of persons enrolled under this Act is for the time being undergoing training;

(b) 'Force' means the Auxiliary Territorial Force constituted under this Act;

(c) 'enrolled person' means a person enrolled in the Force under this Act;

(d) 'prescribed' means prescribed by rules made under this Act;

(e) 'superior officer' means any officer, junior commissioned officer or non-commissioned officer of the regular Army or of the Territorial Army;

(f) all words and expressions used in this Act and not defined but defined in the Army Act, 1950 (XLVI of 1950), or in the Territorial Army Act, 1948 (LVI of 1948), shall have the meanings respectively assigned to them in the said Acts.

3. Constitution of the Auxiliary Territorial Force.—There shall be raised and maintained by the Central Government in the manner hereinafter provided a force to be designated the Auxiliary Territorial Force.

*The President has, in pursuance of clause (3) of article 117 of the Constitution of India, recommended to the House of the People the consideration of the Bill.

4. Establishment of camps.—The Central Government may establish such number of camps for the purposes of the Force as it thinks fit and may close down or re-establish any such camps.

5. Enrolment.—Any citizen of India may offer himself for enrolment as a member in the Force; and may, if he satisfies the prescribed conditions, be enrolled by the prescribed authority for such period not exceeding five years and subject to such conditions as may be prescribed.

6. Duties of enrolled persons.—No enrolled person shall, by virtue of being a member of the Force, be liable for military service, but subject thereto an enrolled person may be called upon at any time to undergo such training as may be prescribed, and while undergoing such training shall perform such duties and discharge such obligations as the prescribed authority may, by general or special order, direct :

Provided that where an enrolled person has, during the period of his enrolment, undergone training at least once after being called upon for the purpose, any further training shall be at his option, and if any enrolled person fails to attend at any place for subsequent training when called upon to do so, he shall not be deemed to have committed an offence within the meaning of clause (i) of sub-section (1) of section 8.

7. Discharge.—Every enrolled person shall be entitled to receive his discharge from the Force on the expiration of the period for which he was enrolled, but any such person may, prior to the expiration of that period, be discharged from the Force by such authority and subject to such conditions as may be prescribed.

8. Offences and penalties.—(1) If any enrolled person commits any of the following offences, that is to say,—

(i) without sufficient cause fails to attend at any place when duly required to do so; or

(ii) while in camp on duty—

(a) absents himself from the camp without leave;

(b) uses criminal force or uses threatening or insubordinate language to a superior officer or assaults a superior officer;

(c) disobeys any lawful command of a superior officer;

(d) neglects to obey any standing, general or other orders by the officer commanding the camp;

(e) uses criminal force to or assaults any enrolled person or any person subject to the Army Act, 1950 (XLVI of 1950), or any officer or person enrolled under the Territorial Army Act, 1948 (LVI of 1948);

(f) escapes from lawful custody;

(g) knowingly does any act which is prejudicial to the maintenance of good order or military discipline in camp;

he shall be punished summarily by order of the prescribed authority with fine which may extend to fifty rupees or in default by being confined to barracks for a term which may extend to seven days.

(2) Any fine imposed by order of the prescribed authority under sub-section (1) may, on application made in this behalf by the prescribed authority to a magistrate having jurisdiction in the place where the enrolled person resides or has a place of business, be recovered in accordance with the provisions of the Code of Criminal Procedure, 1898 (Act V of 1898), as if it were a fine imposed by such magistrate.

9. Liability for causing loss of or damage to Government property.—If any enrolled person wilfully or negligently causes loss of, or damage to, any property of the Government, the prescribed authority may, after giving that person an opportunity of being heard and after making such inquiry into the matter as it thinks fit, make an order requiring him to make good the loss or damage within such time as may be specified in the order or within such further time as may be allowed by the prescribed authority in this behalf, and where the amount thereof as determined by the prescribed authority is not paid within the time allowed, it shall, on application made by the prescribed authority to the Collector of the district in which the enrolled person resides or has his place of business, be recovered from such person in the same manner as an arrear of land revenue may be recovered by the Collector under any law for the time being in force relating to public demand.

10. Presumption as to certain documents.—Where an enrolled person is required by or in pursuance of any rule made under this Act to attend at any place, a certificate purporting to be signed by the prescribed officer stating that the person so required to attend failed to do so in accordance with such requirement shall, without proof of the signature or appointment of such officer, be evidence of the matters stated therein.

11. Power to make rules.—(1) The Central Government may, by notification in the Official Gazette, make rules to carry out the purposes of this Act.

(2) In particular, and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely :—

(a) the authorities by which, the manner in which, the period for which, and the conditions subject to which, any person may be enrolled under this Act;

(b) the training, discipline, duties and obligations which an enrolled person has to undergo, observe, perform or discharge under this Act;

(c) the authorities by which, and the conditions subject to which, any enrolled person may be discharged;

(d) the manner in which, and the conditions subject to which, an enrolled person may be called out for training or duties;

(e) the allowances or other remuneration payable to enrolled persons;

(f) the determination of authorities for the purposes of this Act;

(g) the officers by whom certificates may be signed under section 10; and

(h) any other matter which under this Act is to be or may be prescribed.

STATEMENT OF OBJECTS AND REASONS.

The object of the scheme is to inculcate a sense of discipline among the members of the public by giving them elementary military training. Military training is imparted in camps which are set up at convenient places both in urban and in rural areas. All able-bodied male citizens between the ages of 18 and 40, except serving and ex-personnel of the Territorial Army, ex-servicemen and ex-cadets of the National Cadet Corps, are eligible to join the Auxiliary Territorial Force which does not carry any liability for compulsory military service.

The Bill seeks to provide the legal basis for the imparting of training and lays down the broad principles for the establishment of training camps and for the exercise of disciplinary control over the trainees while in the camps. All other matters of administrative details connected with training, remuneration payable to trainees, issue of stores, etc., will be regulated by means of rules to be framed under the proposed law.

MAHAVIR TYAGI.

NEW DELHI;
The 4th May, 1954.

FINANCIAL MEMORANDUM.

The formation of the Auxiliary Territorial Force, originally called the Auxiliary Territorial Army, involves expenditure from the Consolidated Fund of India. At the rural camps, the trainees are provided with free rations and tented or other accommodation for the period of training. Trainees in urban camps are not required to stay in camp, but they are entitled to a small refreshment allowance. All trainees are given an out-of-pocket allowance of Rs. 5 on completion of training. A rural camp has hitherto been of one week's duration and in urban camps, training has been given for 3 hours per day for two weeks. In future, it is proposed to increase the duration of the rural camp to 10 days and of an urban camp to 20 days. Each camp is intended to train about 480 persons.

2. The cost of training will vary from year to year depending on the number of persons to be trained. It is estimated that the expenditure involved in a rural camp will be about Rs. 9,000 per camp and in an urban camp Rs. 5,000 per camp. This amount does not take into account the pay and allowances of the training teams which are provided by the Army out of its existing resources.

3. As an experimental measure, 36 camps were set up in 1953-54 and financial provision necessary for similar camps and training has been included in the Defence Services Estimates for 1954-55 under Demand No. 12 and voted by the Parliament. An extract from the Explanatory notes to the Defence Services Estimates is enclosed.

AN EXTRACT FROM THE EXPLANATORY NOTES TO THE DEFENCE SERVICES ESTIMATES FOR THE YEAR 1954-55.

The Territorial Army was constituted under the Territorial Army Act, 1948 and commenced raising in 1949. When fully formed, it will be composed of combatant, technical and administrative units. The personnel of the Territorial Army are given periodical military training. During the training period and when embodied for service, they are entitled to pay, allowances, etc., at the same rates as for corresponding ranks of the regular Indian Forces.

Commencing from the year 1953-54, a new organisation given so far the name of Auxiliary Territorial Army has been formed. All able-bodied Indian male citizens between the ages of 18 and 40 years are eligible to join this organisation. Training in these Forces consists of drill without arms, elementary field engineering and physical training, etc.

MEMORANDUM REGARDING DELEGATED LEGISLATION IN THE AUXILIARY TERRITORIAL FORCE BILL, 1954

The broad features of the scheme, namely, the constitution of the Auxiliary Territorial Force, the establishment and closure of camps (both rural and urban), the enrolment of citizens of India as members of the Force, the commission of offences by members of the Force and the penalties to which they will be liable are laid down in the Bill itself. With a view to a succesful implementation of the scheme, the powers to provide matters of administrative details, such as the prescription of the authorities by which members of the Force may be enrolled, the manner in which, the period for which, and the conditions subject to which, such persons may be enrolled, the training, discipline, duties and obligations which such persons may undergo, observe, perform or discharge, the manner in which, and the conditions subject to which, such persons may be called out for training or duties, the allowances or other remuneration to be paid to such persons, the conditions subject to which such persons may be discharged, etc., have been delegated to the Central Government to prescribe by means of subordinate legislation, as it is not practicable for Parliament to visualise, at the moment, the actual working of the scheme and to lay down in the Bill itself all the necessary details. Some of the powers delegated to the Central Government such as the powers to appoint authorities by which persons may be enrolled and to prescribe the training, discipline, duties and obligations which such enrolled persons may undergo, observe, or discharge and the allowances to be paid to such enrolled persons etc., which may not appear *prima facie* to be normal in character are really so if one has regard to the fact that in enactments relating to the Army, the Navy and the Air Force, it is not possible for Parliament to lay down matters of administrative details in the law itself.

Darjeeling.—No. 6282/M.3R-14/54.—17th July 1954.—Whereas the provisions of Schedule VI to the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), have not been extended under section 312 of the said Act to the Kalimpong Municipality in the district of Darjeeling;

And whereas the Commissioners of the said municipality, having been so required by the State Government, have made the following by-laws under sub-section (1) of section 329 of the said Act;

And whereas the Commissioners of the said municipality have applied to the State Government for confirmation of the said by-laws under section 506 of the said Act;

And whereas—

(a) notice of the intention to apply for such confirmation of the said by-laws has been duly given one month before the making of the application for confirmation as required by clause (1) of sub-section (2) of section 506 of the said Act, and

(b) for one month before the making of the application a copy of the said by-laws has been kept at the office of the Commissioners of the said municipality and has been open during office hours thereat to the inspection of the inhabitants of the said municipality, without fee, as required by clause (ii) of sub-section (2) of section 506 of the said Act;

Now, therefore, in exercise of the power conferred by section 506 of the said Act, the Governor is pleased to confirm the following by-laws, namely :—

BY-LAWS.

By-laws framed for the control of the erection of buildings and material alterations and addition to buildings within the Kalimpong Municipality as required by the Governor of West Bengal under order No. M.3R-5/51(ii), dated 29th February 1952, issued in exercise of the powers conferred by sub-section (1) of section 328 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932).

Part I—Definitions.

Definitions.

1. In these by-laws unless there is anything repugnant in the subject or context,—

(a) the word "base", as applied to a wall, means the underside of the course immédiately above the footings of the wall;

(b) "nogging" means lime or cement concrete, or brickwork in lime or cement mortar, which is filled in between the frames of iron or wood in a framed building;

(c) "party-wall" means a wall forming part of a building and used or constructed to be used for the support and separation of adjoining buildings belonging to different owners or constructed or adapted to be occupied by different persons; and

(d) "topmost storey" means the uppermost storey in a building, whether constructed wholly or partly in the roof or not, and whether constructed, used or adapted to be used for human habitation or not.

Part II—Building sites.

Certificate by Engineer as to site.

2. (1) No place shall be used as a site for the erection or re-erection of a masonry or framed building, or a hut unless the municipal Engineer or Overseer certifies—

(a) that, in his opinion, the site is reasonably secure from danger from hillside slips either from above or from below, or could be made secure as aforesaid by the addition of protective works, and

(b) that, in his opinion, if the site be built upon as proposed, the stability or security of any hillside or bank or any immovable property thereon would not be threatened by the building or could be made secure by the addition of protective works.

(2) If the said engineer or overseer certifies that the site is not secure as aforesaid, or that the stability or security of any hillside, bank or property would be threatened by the proposed building, or that the addition of protective works is necessary, and if the Commissioners consider that the site ought nevertheless to be approved and permission to execute the work to be granted or that the said protective works need not be added,

the Commissioners shall refer the matter to the Engineer appointed under section 494 and shall deal with the application in accordance with his decision.

(3) If protective works have to be added as aforesaid to any site, permission to execute the work shall not be granted until the necessary protective works have been constructed and have received the written approval of the Commissioners.

Part III—Buildings generally.

Structure and architecture.

3. Every building erected or re-erected must have such structural and architectural features as to prevent the building being in the opinion of the Commissioners at a meeting, unsightly or unsuitable to its surroundings.

Buildings in the vicinity of dwelling houses.

4. No building, other than a dwelling house, shall be erected or re-erected in the vicinity of dwelling houses without the written sanction of the Commissioners.

Buildings in crowded localities.

5. No building shall be erected or re-erected in any locality if, in the opinion of the Commissioners at a meeting certified in writing,—

(i) the locality is so crowded with buildings that the sanitation thereof is or will be prejudiced;

(ii) the building is intended to occupy so large a space as not to leave one-third of the whole area as open space within the compound;

(iii) the building, either by reason of the nature of its construction and location or by reason of the uses to which it is intended to be put, is likely in any substantial degree prejudicially to affect any existing building in the locality—

(a) by diminishing any advantage it enjoys on account of its situation or otherwise; or,

(b) by reducing its market value.

5A. No building shall be erected or re-erected in which the rooms are in the opinion of the Commissioners placed back to back without proper ventilation.

Compensation to owner debarred from re-erecting a building.

6. The Commissioners shall make full compensation to the owner for any damage which he may sustain in consequence of being debarred by-law 4 or by-law 5 from re-erecting a building.

Accommodation for servants.

7. Except in special sites, where in the opinion of the Commissioners, the conditions are such that the provisions of this by-law may be relaxed, no building, the annual valuation of which is estimated from the plan to be Rs. 180 or more, shall be erected without providing for decent servants' quarters which must be proportionately big and commensurate with the maximum requirement of the possible number of inmates which such building is capable of housing.

Height of building.

8. (1) Except in special sites where, in the opinion of the Commissioners, the conditions are such that the provisions of this by-law may be relaxed, the height of a building shall be regulated by the width of the surrounding open space in the same holding plus the width of the road or roads, if any, in the following manner, namely :—

(i) if such width in any direction be twenty feet or less the height of the building shall not exceed fourteen feet in that direction;

(ii) if such width in any direction be over twenty feet, but under twenty-eight feet, the height of the building shall not exceed twenty-three feet in that direction;

(iii) if such width in any direction be twenty-eight feet or over the height of the building shall not exceed thirty feet in that direction;

(iv) if the width of the street does not exceed twenty-six feet, such building shall not be raised or erected to a height greater than one and a half times the width of such street;

(v) if the width of the street exceeds twenty-six feet, but does not exceed forty feet, such building shall not be erected or raised to a height greater than forty feet;

(vi) if the width of the street exceeds forty feet, such building shall not be erected or raised to a height greater than the width of such street;

(vii) where such building abuts upon more than one street, its height shall be regulated by the width of such streets, so far as it abuts upon such wider street, and also to a distance of eighty feet from such wider street, and also to a distance of 80 feet from such wider street so far as it abuts upon the narrower of such streets.

(viii) Every interior court yard shall be raised at least one feet above the level of the centre of the nearest street, so as to admit of easy drainage into such street;

(ix) Every house, if this in the opinion of the Chairman, be practicable, shall be provided with a secondary means of egress in case of fire.

(2) In every case in which the provisions of clause (1) are relaxed the material and method of construction of the building must be such as may be prescribed by the Commissioners.

Level of floor.

9. The floor or lowest floor of every building erected or re-erected from the ground level must be constructed at such level as will admit of—

(a) the construction of a drain sufficient for the effectual drainage of the building and placed at such level as will admit of the drainage being led into some drain at the time existing or projected, and

(b) there being a ventilated air space of at least six inches in depth between the underside of the floor joists and the ground level.

Building over drain.

10. A building shall not be placed over any drain, except with the written permission of the Commissioners.

Part IV—Masonry buildings and framed buildings generally.

Foundation.

11. The foundation of a masonry or framed building must rest on solid ground or rock subject to the minimum of 2 feet 6 inches below ground level and 3 feet where soil is not at all rocky. In all cases the depth of the foundation proposed shall be spported by calculations of accepted engineering principles to be verified and passed by the municipal Engineer or Overseer.

Footings for walls.

12. (1) The projection of the bottom of the footings of each side of such wall of a masonry or framed building must be at least one-fourth of the thickness of the wall at its base.

(2) The height from the bottom of such footings to the base of each wall must be at least two-thirds of the thickness of the wall at its base.

(3) Except where the foundation is a rock, the bottom of such footings shall not be less than three feet below the ground level.

(4) When a wall is built on rock, footings may be omitted if the surface of the rock is properly cleaned and stepped to receive the first course of masonry.

External and cross-walls of one-storied or two-storied buildings.

13. (1) The external and cross-walls of a masonry or framed buildings of one or two storeys must may be built of—

(a) stone or concrete brick bedded in cement mortar;

(b) timber or iron framings covered with corrugated or plain iron, or planked, or with metal lath and plaster :

Provided that if any of the said cross-walls are intended for partitions only and do not support any wall in the upper storey, they may be built of timber framing planked with boards or corrugated iron or metal lath and plaster.

(2) The external and cross-walls of the upper storey of a masonry or framed building of two-storeys must be built of the materials specified in clause (a) or clause (b) of this by-law.

14. (1) The external and cross-walls of the lowest storey of a masonry or framed building of three storeys must be built of—

(a) stone bedded in cement mortar, or

(b) iron, wood, or ferro-concrete framing covered with corrugated iron, or plain iron or metal lath and plaster, or wooden planking; and

(2) The external and cross-walls of the storey next above the lowest storey of such a building must be built of similar materials :

Provided that if any of the cross-walls in either of the said storeys are intended for partitions only and do not support any wall in the storey above, they may be built of planked timber framing.

(3) The external and cross-walls of the top-most storey of a masonry or framed building of three storeys must be built of timber, or iron, or ferro-concrete framing, covered with corrugated or plain iron or planked.

Party-walls.

15. The party-walls of a masonry or framed building must be built of stone or brick bedded in lime or cement mortar for their full height, and, if the Commissioners so direct, must be carried up, of a thickness of not less than nine inches, above the roof, flat or gutter to such a height as will give a distance of at least eighteen inches measured at right angles to the slope of the roof above the highest part of the roof, flat or gutter.

Damp-proof course.

16. (1) Every wall of a masonry or framed building must have a damp-proof course at or above the level of the ground floor.

(2) Such damp-proof course may consist of sheet-lead, asphalt, slates laid in cement, vitrified bricks or any other durable material impervious to moisture.

Roofs.

17. (1) The roof of every masonry or framed building must be constructed of corrugated or plain iron, lead, slates, tiles or ferro-concrete :

Provided that with the written permission of the Commissioners, any such roof may be constructed of shingles securely attached to a frame of iron or timber.

(2) The rise of the roof shall not in any case be less than one-eighth of the span in the case of a roof with corrugated or plain iron, lead, slates or tiles.

Floors.

18. The floors of every masonry or framed building must be constructed to bear safely the maximum load to be carried, such load being taken in the case of planked floors in dwelling houses as not less than sixty pounds per square foot including the weight of the floor.

Beams and girders.

19. (1) All beams and girders in a masonry or framed building must be supported by a breadth of stone or other solid substances sufficient to secure their stability. In the case or stone walls, bed plates of steel, stone slabs or concrete slabs are to be provided under the beams to distribute the direct load and guard against crushing.

(2) The bearing of a beam or girder on a wall shall not, without the sanction of the Commissioners, be less than three-fourths of the thickness of the wall.

Iron work.

20. All iron posts, girders or joists or other iron work used for the support of any portion of a masonry or framed building must be of such quality and strength as are approved by the Commissioners.

Repairing, painting or colour-washing any part of a building.

21. If the roof or walls of any building are, in the opinion of the Commissioners, in an unsightly condition they may by written order direct the owner to repair, paint or colour-wash such part of the building as they may direct within a period to be specified in the order.

Part V—Ferro-concrete buildings.

Foundations, walls, roofs, floors and design of ferro-concrete buildings.

22. (1) The foundation of ferro-concrete building must rest on a solid ground or rock.

(2) The depth of foundation for ferro-concrete buildings must be to the satsifaction of the municipal Engineer or Overseer.

(3) The spread of foundation wall bases shall be so designed that the intensity of uniform pressure on soil does not exceed half ton per square foot, except in the case of solid rock, in which case the allowable pressure will be determined by the municipal Engineer or Overseer.

(4) The external and cross-walls of a ferro-concrete building not carrying any load except its own weight may be built of timber of iron framing covered with corrugated or plain iron sheets, metal lath and plaster, planked or ferro-concrete walling of not less than three inches thick.

(5) The party or end wall of a ferro-concrete building must be built to such a height above roof level as may be required by the Commissioners.

(6) Every wall of a ferro-concrete building except those constructed entirely of cement concrete must have a damp-proof course at or above the level of the ground floor which may consist of sheet lead, asphalt or slates, stones or vitrified bricks laid in cement or any other durable material impervious to moisture.

(7) The roof of a ferro-concrete building may be of re-inforced concrete laid to a fall of at least 1 in 150 and be sufficiently strong to carry a load of 40 pounds per square foot excluding its own weight. If plain or corrugated iron or lead sheets, slates or tile roofing are used the rise should in no case be less than one-eighth of the span.

(8) The floors of ferro-concrete buildings shall be designed to carry live loads as shown in the following schedule in addition to its own weight :—

Schedule of live loads.

Class No.	Type of building or floor.	Slab (pound per square foot of floor area).	Beams, columns, piers, walls, and foundations (pounds per square foot of floor area).
1.	Rooms used for domestic purposes, hotel, bedrooms, hospital rooms and wards.	50	40
2.	Offices, floors above entrance floor ..	80	50
3.	Offices, entrance floor and floors below entrance floor.	80	80
4.	Churches, schools, reading rooms, art galleries and the like.	80	70
5.	Retail shops and garages for cars of not more than 2 tons dead weight.	80	80
6.	Assembly halls, drill halls, dance halls, gymnasia light workshops, staricases, landing, etc.	100	100
7.	Warehouses, book stores and similar uses together with garages for motor vehicles exceeding 2 tons dead weight, actual load to be calculated but not less than.	200	200
8.	Flat roofs and roofs inclined at an angle with the horizontal of not more than 20 inches.	50	50

(9) In the case of a ferro-concrete rigid framed structure bending stresses in all external columns and in such internal columns as support an unsymmetrical arrangement of beams, shall be taken into account. Calculations and detailed drawings supporting the design of different members of the frame should be to the satisfaction of the Mechanical Engineer and the Commissioners.

Part VI—Free passage about building.

23. (1) Except in special sites where, in the opinion of the Commissioners, the conditions are such that the provisions of this by-law may be relaxed, no building or part thereof shall

be erected, re-erected or extended so that any portion thereof is in any direction at a distance less than—

(a) ten feet from any part of any adjacent building;

(b) three feet from the toe of any bank or retaining wall; and

(c) ten feet from the boundary of the holding on which the building stands, except in the case of public roads of over ten feet in width the distance shall be four feet, but in the case of roads of ten feet width or less, the distance shall not be less than ten feet from the centre of the road :

Provided that godowns erected in continuation of the main building shall, for the purpose of this by-law, be considered part and parcel of that building.

(2) The provisions of clause (1) shall not be relaxed unless the Commissioners are satisfied that notice of the intention to build has been given by the applicant to the neighbouring proprietor or his agent who will have the opportunity of raising an objection to such relaxation on sanitary or public grounds and that sufficient space has been left in the holding for light and air.

(3) In every case in which the provisions of clause (1) are relaxed the Commissioners shall send a copy of the order both to the applicant and to the said neighbouring proprietor.

Out-houses.

24. Every person who erects or re-erects out-houses or ranges or blocks of out-houses, whether the same are to be used as dwellings or stables or for any other purpose, must build the same—

(a) so that they may stand in regular lines with a free passage or way in front of and between every two lines of such width as the Commissioners may direct for ventilation and for facilitating scavenging;

(b) with such and so many privies, latrines or urinals, and such means of drainage, as the Commissioners may require; and

(c) at such level as will suffice for the means of drainage required by the Commissioners.

Part VIA—Dwelling house.

Ventilation of rooms of dwelling house.

25. Every room to be used for habitation in a dwelling house—

(a) must be so constructed that the whole of at least one side of the room either is an external wall or abuts on a verandah, or

(b) must have suitable and sufficient sky-lights and room ventilation.

Size and ventilation of inhabited rooms.

26. Every room in a dwelling-house which is intended to be used as an inhabited room—

(a) must be in every part not less than eight feet in height from floor to ceiling or, in the case of a room in the roof, must have an average height of not less than seven feet from floor to ceiling;

(b) must have a clear superficial area of not less than eighty square feet; and

(c) must be ventilated by means of at least one window or aperture, other than a door, opening directly into a verandah or into the open air and having an aggregate area not less than one-tenth of the superficial area of the floor space of the room.

Part VII—Applications for permission to erect or re-erect masonry buildings or framed buildings.

Application for permission to erect or re-erect a masonry or framed building.

27. (1) Every person who intends to erect or re-erect a masonry or framed building shall first submit an application to the Commissioners. Every such application must be written on a printed form (to be supplied by the Commissioners free of charge) and must state the position of the site, the number assigned to it in the valuation and rating list, the description of the building proposed to be erected or re-erected, its dimensions and such other particulars as may be prescribed by the Commissioners.

(2) The site-plan sent with an application must be drawn to a scale of not less than one fiftieth of an inch to a foot, must be sent in triplicate, and must show—

(a) the boundaries of the site;

(b) the position of the site in relation to neighbouring roads, hillsides and banks;

(c) the angle and the character of the hill-sides or banks occupied by an abutting on the site;

(d) whether the site is wooded or not;

(e) what springs and jhoras (if any) there are on the site;

(f) what excavations (if any) it is proposed to make on or near the site;

(g) what protective works (if any) it is proposed to construct on or for the support of, the site;

(h) the name of the road (if any) in which the building is proposed to be situated;

(i) the position of the building in relation to—

(i) the boundaries of the site, and

(ii) all adjacent roads, buildings and premises within a distance of forty feet of the site, or,

(iii) (if there is no road within a distance of forty feet of the site) some existing or projected road;

(j) the means of access to the building from the road;

(k) the position, form and dimensions of privies, urinals, drains, stables, cattle-sheds, cow-houses and other appurtenances of the building, and the inclination of such drains;

(l) free passage or way in front of the building;

(m) space to be left about the building to secure a free circulation of air, admission of light, and access for scavenging purposes;

(n) the width and level of the road (if any) in front and of the road (if any) at the rear of the building, and

(o) such other particulars as may be prescribed by the Commissioners.

(3) The plan of the building and the elevations and sections accompanying such an application must be neatly and accurately drawn to a scale of not less than one-eight of an inch to a foot, must be fully dimensioned, and must be sent in triplicate, and the said plan must show—

(a) the levels and width of the foundation of the building;

(b) the level of the lowest floor of the building; and

(c) the level of all open spaces in the building or premises and the plinth level of buildings with reference to the level at the centre of the nearest road.

(4) The specifications accompanying such an application must comprise full information as to the following particulars, namely :—

(i) the materials and method of construction to be used for external walls, party-walls, foundations roofs, floors, fire-places and chimneys;

(ii) the manner in which roof and house drainage and the surface drainage of land will be disposed of;

(iii) the manner, if any, in which it is proposed to pave the open spaces in the building or premises, and the slope to which the surface is to be made in each case;

(iv) the purpose for which it is intended to use the building;

(v) if the building is intended to be used as dwelling-house for two or more families, or as a place for carrying on any trade or business in which more than twenty people may be employed, or as a place of public resort, the means of ingress and egress; and

(vi) such other particulars as may be prescribed by the Commissioners.

Explanation to clause (iv).—If it is intended to use the building or any part thereof for any of the purposes specified in section 370, or as stable, cattle-shed or cow-house the fact must be expressly stated,

Signature of plans and specifications.

28. The plans and specifications referred to in by-law 27 must be signed clearly and in a prominent place by the owner of the building.

(2) If the said documents have been prepared by an architect or an engineer, they may be signed by him as well as by the owner.

Power to require further information.

29. (1) Within thirty days after the receipt of any application under by-law 27 of the Commissioners may require the applicant to furnish them with any information which has not already been given in the document received.

(2) If any information required under clause (1) is, in the opinion of the Commissioners, incomplete or defective, they may, within thirty days after the receipt of the same, require further information to be furnished.

(3) If any requisition made under clause (1) or clause (2) is not complied with within three months, the application received under by-law 27 shall be deemed not to have been made.

Modifications, signature and disposal of plans.

30. (1) When the Commissioners have granted permission to execute any work, any modifications which they may have directed to be made in any of the approved plans of the work shall be entered on both copies of the plan, and the copies shall be signed on behalf of the Commissioners.

(2) One of the signed copies of each plan shall then be returned to the applicant, and the other shall be kept in the office of the Commissioners.

Part VIII—Huts.

Prohibition of projection or dropping of water over road or passage.

31. Every hut abutting on a road or passage, whether public or private, must be constructed so as not to project over, or admit of water from the roof falling upon or injuring the road or passage.

Part IX—Applications for permission to erect or re-erect huts.

Application for permission to erect or re-erect a hut.

32. (1) Every application for permission to erect or re-erect a hut must be written on a printed form (to be supplied by the Commissioners free of charge) and must contain a description of the site.

(2) If it is intended to use the hut or any part thereof, for any of the purposes specified in section 370 or as a stable, cattle-shed or cow-house, the fact must be expressly stated in the said application.

Power to require further information.

33. (1) When any application for the erection or re-erection of a hut has been received, the Commissioners may require the applicant to furnish them with any additional information which they may consider it necessary to obtain.

(2) If any information required under clause (1) is, in the opinion of the Commissioners, incomplete or defective, they may require further information to be furnished.

(3) If any requisition made under clause (1) or clause (2) is not complied with within two months, the application received for the erection or re-erection of the hut shall be deemed not to have been made.

RESOLUTION No. Medl./5339/28-4/54.

Calcutta, the 19th July 1954.

Read Resolution No. Medl./1686/DHS/HR/18-6/47, dated the 27th April 1949, as subsequently amended, regarding the transfer of the School of Tropical Medicine, Calcutta, and its attached hospital from Government management to the management of a Governing Body and constitution and functions of that Body.

Whereas it is considered appropriate that there should be a specific provision laying down the procedure for filling up the important posts under the Governing Body it has been found necessary to amend the said resolution. It is accordingly resolved by the State Government to make the following amendment:—

Amendment.

After the proviso to paragraph 3(c) of the resolution *add* the following:—

"Provided further that the Public Service Commission, West Bengal, shall be consulted through the State Government

in all matters relating to method of recruitment, qualifications for appointment and suitability of candidates for appointment and promotion to posts of the institution, analogous to gazetted posts under the State Government except—

(1) in the case of appointment to a post of the institution when it is filled by a Government servant from a comparable post in the West Bengal Medical and Health Service and the West Bengal General Service, and

(2) in regard to appointments which, for special reasons the Governing Body may, with the previous approval of the State Government, make through a selection committee appointed by them.

Note.—The posts of the institution, analogous to gazetted posts under the State Government, are those which are declared by the Governing Body as such with the approval of the State Government."

By order of the Governor,
B. C. DAS GUPTA, Secy.

Mines and Power

ORDERS.

No. 1806M.P.—14th July 1954.—Whereas Shri Abinash Chandra Ghosh has entered into an agreement with the Calcutta Electric Supply Corporation, Limited, licensees of the Calcutta and District Consolidated Electric License, 1946 (hereinafter referred to as the said licensees), for taking from the said licensees the supply of energy at the premises of Shri Abinash Chandra Ghosh, at 13, Ghoshpara, Bally, in the district of Howrah, situated outside the area of supply of the said licensees;

And whereas the said premises are not situated within the area of supply of any other licensee;

Now, therefore, in exercise of the power conferred by section 27 of the Indian Electricity Act, 1910 (IX of 1910), the Governor is pleased to authorise the said licensees to supply energy to the said Shri Abinash Chandra Ghosh at the said premises at 13, Ghoshpara, Bally, in the district of Howrah, for domestic purposes and to lay down or place electric supply lines for that purpose subject to the following conditions and restrictions, namely:—

The authority hereby conferred shall—

(a) remain in force until—

(i) the area of supply of the said licensees is extended so as to include within its limits the said premises of Shri Abinash Chandra Ghosh, at 13, Ghoshpara, Bally, in the district of Howrah, or

(ii) a license is granted to any other person whose area of supply includes the said premises within its boundaries and such person is in a position to supply energy to the said premises, or

(iii) any transmission or distribution system for supplying energy outside the area of supply of the said licensees is established by or on behalf of the State Government,

enabling energy to be supplied at the said premises without such authority;

(b) be subject to the restrictions referred to in the third proviso to section 27 hereinbefore mentioned.

This authority is not in lieu of the permission required under the West Bengal Electricity (Emergency Powers) Act, 1948 (West Bengal Act XVII of 1948).

No. 1807M.P.—14th July 1954.—Whereas Messrs. Nippon Steel Products, Limited, Messrs. United Engineers and Company and Messrs. Pioneer Engineering Works have entered into an agreement with the Calcutta Electric Supply Corporation, Limited, licensees of the Calcutta and District Consolidated Electric License, 1946 (hereinafter referred to as the said licensees), for taking from the said licensees the supply of energy at the premises of Messrs. Nippon Steel Products, Limited, Messrs. United Engineers and Company and Messrs. Pioneer Engineering Works at Old Benares Road, Belgachia, in the district of Howrah, situated outside the area of supply of the said licensees;

And whereas the said premises are not situated within the area of supply of any other licensee;

Now, therefore, in exercise of the power conferred by section 27 of the Indian Electricity Act, 1910 (IX of 1910), the Governor is pleased to authorise the said licensees to supply energy to the said Messrs. Nippon Steel Products, Limited, Messrs. United Engineers and Company and Messrs. Pioneer Engineering Works at the said premises on Old Benares Road, Belgachia, in the district of Howrah, for domestic purposes and to lay down or place electric supply-line for that purpose subject to the following conditions and restrictions, namely:—

The authority hereby conferred shall—

(a) remain in force until—

(i) the area of supply of the said licensees is extended so as to include within its limits the said premises of Messrs. Nippon Steel Products, Limited, Messrs. United Engineers and Company and Messrs. Pioneer Engineering Works at Old Benares Road, Belgachia, in the district of Howrah, or

(ii) a license is granted to any other person whose area of supply includes the said premises within its boundaries and such person is in a position to supply energy to the said premises; or

(iii) any transmission or distribution system for supplying energy outside the area of supply of the said licensees is established by or on behalf of the State Government,

enabling energy to be supplied at the said premises without such authority;

(b) be subject to the restrictions referred to in the third proviso to section 27 hereinbefore mentioned.

This authority is not in lieu of the permission required under the West Bengal Electricity (Emergency Powers) Act, 1948 (West Bengal Act XVII of 1948).

No. 1870M.P.—20th July 1954.—In exercise of the powers conferred by section 51 of the Indian Electricity Act, 1910 (IX of 1910), the Governor is pleased to confer on the Calcutta Electric Supply Corporation, Limited, licensees of the Calcutta and District Consolidated Electric License, 1946, for the purpose of placing underground electric supply lines in the passage leading to premises No. 28/E and 28/G, Pottery Road, Calcutta, from the existing underground service lines serving the premises No. 28/B, Pottery Road, Calcutta, to the said two premises first mentioned situated within the area of supply of the said licensees and for repairing the same whenever necessity arises, the powers which the telegraph authority possesses under sections 10 to 19 of the Indian Telegraph Act, 1885 (XIII of 1885), with respect to the placing of telegraph lines and posts for the purposes of a telegraph established or maintained by the Government or to be so established or maintained. The exercise of the powers hereby conferred is subject to the provisions of the Indian Telegraph Act, 1885.

By order of the Governor,
P. M. DAS GUPTA, Dy. Secy.

ORDERS.

Malda-West Dinajpore.—No. 10876L.Ref.—20th July 1954.—In exercise of the power conferred by clause (b) of sub-section (1) of section 39 of the West Bengal Estates Acquisition Act, 1953 (West Bengal Act I of 1954), read with rule 26 of the West Bengal Estates Acquisition Rules, 1954, the Governor is pleased, for carrying out the purposes of the said Act, to make this order directing that the record-of-rights prepared and finally published under Chapter X of the Bengal Tenancy Act, 1885 (VIII of 1885), in respect of the districts of Malda and West Dinajpore, be revised by a Revenue Officer in accordance with the provisions of Chapter V of the said Act and the rules made in this behalf by the State Government, and to specify the following as the particulars to be recorded under sub-section (3) of the said section by the Revenue Officer in such record-of-rights, namely:—

(a) The name of each person who is a tenant or occupant of land or who is a *bargadar* as described in the West Bengal *Bargadars* Act, 1950;

(b) the class or classes to which each tenant belongs;

(c) the situation and quantity of the land held by each tenant, occupant or *bargadar;*

(d) the name of each tenant's or occupant's landlord;

(e) the name of each proprietor of an estate in the notified area;

(f) the rent and cesses payable or deemed to be payable at the time the record-of-rights being revised;

(g) the amount payable or deemed to be payable in respect of any rights of pasturage, forest-rights, rights over fisheries and the like at the time the record-of-rights is being revised, the conditions and incidents appertaining to such rights and if the amount is gradually increasing, the time at which, and the increments by which, it increases;

(h) the mode in which that rent has been fixed —whether by contract, or by order of a Court, or otherwise;

(i) the rights and obligations of each tenant and landlord in respect of—

(1) the use by tenants of water for agricultural purposes, whether obtained from a river, *jhil*, tank or well, or any other source of supply, and

(2) the repair and maintenance of appliances for securing a supply of water for the cultivation of the land held by each tenant whether or not such appliances be situated within the boundaries of such land;

(j) the special conditions and incidents, if any, of the tenancy;

(k) any right of way or other easement attaching to the land for which a record-of-rights is being revised;

(l) if the land is claimed to be held rent free—whether or not rent is actually paid, and, if not paid, whether or not the occupant is entitled to hold the land without payment of rent and if so entitled, under what authority:

Provided that, if lands are not used for purposes connected with agriculture or horticulture, it shall be sufficient to record that fact together with the prescribed particulars relating to the occupant, the landlord and the tenancy.

Burdwan-Bankura.—No. 10878L.Ref.—20th July 1954.—In exercise of the power conferred by clause (b) of sub-section (1) of section 39 of the West Bengal Estates Acquisition Act, 1953 (West Bengal Act I of 1954), read with rule 26 of the West Bengal Estates Acquisition Rules, 1954, the Governor is pleased, for carrying out the purposes of the said Act, to make this order directing that the record-of-rights prepared and finally published under Chapter X of the Bengal Tenancy Act, 1885 (VIII of 1885), in respect of the districts of Burdwan and Bankura, be revised by a Revenue Officer in accordance with the provisions of Chapter V of the said Act and the rules made in this behalf by the State Government, and to specify the following as the particulars to be recorded under sub-section (3) of the said section by the Revenue Officer in such record-of-rights, namely:—

(a) The name of each person who is a tenant or occupant of land or who is a *bargadar* as described in the West Bengal *Bargadars* Act, 1950;

(b) the class or classes to which each tenant belongs;

(c) the situation and quantity of the land held by each tenant, occupant or *bargadar;*

(d) the name of each tenant's or occupant's landlord;

(e) the name of each proprietor of an estate in the notified area;

(f) the rent and cesses payable or deemed to be payable at the time the record-of-rights is being revised;

(g) the amount payable or deemed to be payable in respect of any rights of pasturage, forest-rights, rights over fisheries and the like at the time the record-of-rights is being revised, the conditions and incidents appertaining to such rights and if the amount is gradually increasing, the time at which, and the increments by which, it increases;

(h) the mode in which that rent has been fixed—whether by contract, or by order of a Court, or otherwise;

(i) the rights and obligations of each tenant and land lord in respect of—

(1) the use by tenants of water for agricultural purposes, whether obtained from a river, *jhil*, tank or well, or any other source of supply, and

(2) the repair and maintenance of appliances for securing a supply of water for the cultivation of the land held by each tenant whether or not such appliances be situated within the bounderies of such land;

(j) the special conditions and incidents, if any, of the tenancy;

(k) any right of way or other easement attaching to the land for which a record-of-rights is being revised;

(l) if the land is claimed to be held rent free—whether or not rent is actually paid, and, if not paid, whether or not the occupant is entitled to hold the land without payment of rent and if so entitled, under what authority:

Provided that, if lands are not used for purposes connected with agriculture or horticulture, it shall be sufficient to record that fact together with the prescribed particulars relating to the occupant, the landlord and the tenancy.

ANNEXURE.

In the matter of a complaint under section 33A of the Industrial Disputes Act, 1947, by Shri Shankar Narayan Bakshi, an employee of Naskarpara Jute Mills, Co., Ltd., 220/2, Shivgopal Banerji Lane, post office Ghusuri, Howrah, arising out of an industrial dispute between 100 Jute Mills in West Bengal and their workmen referred by Government Order No. 1988Dis./D/7L-48(A)/54, dated 7th April 1954.

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI M. C. BANERJEE, *District Judge (Retd.), Judge, First Industrial Tribunal.*

AWARD.

The Government of West Bengal, in the Department of Labour, by order No. 1988-Dis./D/7L-48(A)/54, dated 7th April 1954, referred the industrial dispute between 100 Jute Mils in West Bengal, including the Naskarpara Jute Mills Co., Ltd. and their workmen to this Tribunal for adjudication. The proceedings arising out of this reference are still pending.

On 5th June 1954 Shri Shankar Narayan Bakshi, a clerk of the Naskarpara Jute Mills Co., Ltd. of 220/2, Shivagopal Banerji Lane, post office Ghusuri, Howrah, filed a complaint under section 33A of the Industrial Disputes Act stating as follows:—

The petitioner has had a clean record of service till 15th September 1953. The petitioner's brother, Shri N. K. Bakshi, was also in the employment of the Company as Batching and Preparing Overseer, and he resigned his post on 15th September 1953, as he got a better appointment in Fort Gloster Jute Mills. On 17th September 1953 the petitioner was served with a retrenchment notice and when he asked the reason thereof, he was told to see Shri K. L. Jalan, one of the Directors of the Company. The petitioner saw Shri Jalan and the retrenchment notice was cancelled. The petitioner was being persuaded to prevail upon his brother to come back to his previous employment in Naskarpara Jute Mills Co., Ltd., by the Manager of the Company. As the terms offered could, not be agreed upon by the petitioner's brother, he could not come back to the Company. After this, the Company started harassing the petitioner through charge-sheets, warnings and ill-treatment. On 8th May 1954 the petitioner was on casual leave. He was called by the Manager at 8 a.m. and was asked to tender his resignation. On 10th May 1954 when the petitioner went to resume his work at 11 a.m. as usual, he was refused access to the Mills. The matter was then referred to the Assistant Labour Commissioner, Howrah. In the circumstances, the petitioner should be reinstated with full compensation for the period of his unemployment.

3rd July 1954 was fixed as the date for filing the written statement by the Company. On this date, no written statement was filed by the Company. The petitioner, however, filed a petition praying for withdrawal of the application under section 33A. He states in this petition that the matter has been amicably settled and the petitioner has received the compensation of Rs. 463-8-9 in full and final settlement of his claims. He states that there is no dispute between the petitioner and the Company and the application under section 33A is to be withdrawn. This petition appears as Appendix A to this award. The petitioner is permitted to withdraw the application under section 33A of the Act.

M. C. BANERJEE,
Judge, First Industrial Tribunal.

APPENDIX A.

BEFORE SHRI M. C. BANERJEE, *District and Sessions Judge, First Industrial Tribunal, Calcutta.*

In the matter of an industrial dispute

between

The Jute Mills of West Bengal, represented by the Indian Jute Mills Association

and

Their workmen represented by their provincial Unions of Jute workers

and

In the matter of an order No. 1988Dis., dated 7th April 1954 of the Government of West Bengal, Department of Labour

and

In the matter of an application under section 33A of Industrial Disputes Act, 1947, by Shri Sankar Narayan Bakshi, Clerk, Naskarpara Jute Mills Co., Ltd., 220/2, Shivagopal Banerjee Lane, post office Ghusuri, Howrah (own address), C/o. N. K. Bakshi, Fort Gloster Old Jute Mills, post office Fort Gloster, Howrah.

Your humble petitioner most respectfully sheweth:—

(1) That an application under section 33A filed by your petitioner on 29th May 1954 in the above matter, seeking relief and redress for wrongful discharge.

(2) That since then the Company had started negotiations with your petitioner and the matter has been amicably settled, wherein your petitioner had accepted a compensation of Rs. 463/8/9 in full and final settlement of his claims.

Under the circumstances therefore it is prayed that your honour be graciously pleased to allow to withdraw the application under section 33A mentioned above, as there is no dispute between your petitioner and the Company.

Thanking you.

Yours faithfully,

ORDER.

No. 3524Dis./D/10L-15/54.—21st July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 265Dis./D/10L-131/52, dated the 24th January 1953, the industrial dispute between Messrs. Leipzieg Chemical & Engineering Works, Ltd., 12 and 13, Pran Krishna Mukherji Road, Calcutta, and their workers as represented by Leipzieg Chemical & Engineering Workers' Union, 99/2, Cossipore Road, Calcutta-2, was referred for adjudication to the Fourth Industrial Tribunal;

And whereas during the pendency of proceedings before the said Tribunal a complaint was received from Shri Gurdayal Singh, an employee of the said Company, against the said Company before the said Tribunal alleging that the said Company had discharged the said employee concerned in such dispute;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Tribunal has adjudicated upon the said complaint and submitted its award to the State Government;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an application under section 33A of the Industrial Disputes Act filed by Shri Gurdayal Singh against Messrs. Leipzieg Chemical and Engineering Works, Ltd., for contravention of section 33 of the Industrial Disputes Act under Government order No. 265Dis./D/10L-131/52, dated 24th January 1953 (Case No. 216 of 1953).

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT :

SHRI S. C. MUKHERJI, *District Judge, Judge, Fourth Industrial Tribunal.*

For the Union : Shri Panchanan Bhattacharji.

For the Company : Shri N. K. Mukherji, Advocate.

While the dispute referred to this Tribunal by Government order No. 265Dis./D/10L-131/52, dated 24th January 1953, was pending the present application under section 33A of the Industrial Disputes Act was filed by the petitioner Gurdayal Singh on the allegation that he has been discharged illegally on 6th October 1953 without any charge-sheet and without payment of his arrear wages.

The notice of this application having been served on the Company the latter filed a written statement on 26th December 1953 by which they contended *inter alia* that the opposite party never discharged the petitioner from service. On the contrary, he absented himself and joined in the strike, that there was no violation of the provisions of section 33A of the Industrial Disputes Act. They also contended that they are entitled to agitate the fact that the petitioner joined the strike and committed misconduct and on that ground the Company is not liable to reinstate the worker.

The only point for decision is : Whether there is any contravention of section 33 of the Industrial Disputes Act. If so, whether the applicant is entitled to reinstatement and on what terms?

AWARD.

No question of reinstatement arises as according to the contention of the employer the applicant iis still in their service and may report to duty on any day. There is, therefore, no violation of the provisions of section 33 of the Industrial Disputes Act and as such the present petition is not maintainable.

The petitioner contended that he has been discharged on 6th October 1953 and in support of this allegation he has examined himself and one witness. Both of them said that on 6th October 1953 the applicant went at the gate of the Company, but he was not allowed to enter and was told that he has been discharged. It appears that the employee absented himself on 1st and 2nd of October but was present on 3rd and 5th, 4th being a Sunday and thereafter he was absent throughout. His story that on 2nd October 1953 he fell ill and he applied for leave along with a medical certificate on that date and thereafter he came to join on 6th of October 1953, is palpably false. The Manager said that on 6th he suddenly absented himself and did neither verbally apply for leave nor filed any medical certificate or any application for leave. In view of the state of the record in the *hazira* book I am prepared to accept the statement of the Manager in preference to the statement of Gurdayal Singh. On 7th, however, there was a strike and the Manager says that on that date he was found picketing at the gate requesting the workers not to join work. Company admits that they were not regular in payment of wages and on this particular occasion they made a default but the workers having failed to appreciate the financial difficulties of the Company went on strike. This is palpably the reason why Gurdayal Singh absented himself from that day onwards. Subsequent to this there was an incident over an assault of a worker Debendra Mondal. It is said that after assault Debendra Mondal was made to sign a chit and Gurdayal Singh was amongst the party that obtained the signature of him. The evidence shows that Gurdayal Singh was there though he did not take part in obtaining the chit. However, that Gurdayal Singh is one of the strikers is beyond dispute. On 1st of November Company issued notice to the workers asking them to join work. A notice was served on Gurdayal Singh also asking him to join and the Manager says that he personally served this notice on Gurdayal Singh and when he refused to accept it, it had to be put up on the notice board. I have no reason to disbelieve the statement of the Manager on this point although tt was vehemently contended that the notice was concocted. That being so, it comes to the same thing whether it be a fact that Gurdayal Singh was locked out with effect from 7th October 1953 or whether it be a fact that he voluntarily absented himself from duty from 7th October 1953. In any case, if he voluntarily absented himself then he has no cause of action, and if he was locked out, still in that case also the Company having asked him to rejoin and he having failed to comply with it, he has still no cause of action against the Company. In either case there will be no violation of the provisions of section 33 of the Industrial Disputes Act and the present application is not tenable. The Company, however, wrote his name in the muster-roll only in the months of November and December. Company filed its written statement on 26th December 1953 and thereafter from 1st of January they have discontinued his name from the register. In my opinion, the position remains the same as it stood on 26th December 1953 and the discontinuance of the name does not by itself show that he was discharged. Manager under the pressure of cross-examination said that he had discharged him from January 1954 but in his examination-in-chief he has clearly stated that the Company has never discharged this worker. In any case his reinstatement being a settled fact, the only question is whether in the circumstances the worker can ask for any compensation. I think he cannot ask for any compensation as he has failed to report to the Company when called. It is admitted that he never wrote to the Company that he has been illegally dismissed. On the other

hand, Manager personally served a notice to him asking him to rejoin even after his participating in the strike. But he failed to comply with it. That being so, he has no cause of action for compensation either.

For the Company : Shri J. C. Bose, Pleader.

AWARD.

The Government of West Bengal, Labour Department, by its order No. 2989Dis./D/10L-89/53, dated 10th August 1953, referred an industrial dispute existing between Messrs. Bengal Iron and Brass Foundry & Co., 5/8, Canal East Road, Calcutta-4, and their workmen represented by Engineering Mazdoor Panchayat, 59/B, Kankurgachi Road, Calcutta-11, regarding the matters specified in the schedule to the order of reference under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), to this Tribunal for its adjudication.

The reference was received in the office of this Tribunal on 17th August 1953 and usual notices were issued to the parties for appearance and written statements. Both parties appeared and filed written statements in the case in due course.

The Union in its written statement alleged that the Company was a private concern of Shri Lalit Mohan Kundu, a big merchant and an industrialist. The Company manufactures various machinery parts but the wages structure and other benefits of the workmen are very low and compare very unfavourably with those of the other engineering industries in Calcutta. The workmen formed a Union in 1952 but the Company did not accept it in good grace. It asked the workmen not to join the Union and forced them to sign a blank paper. Having failed in its attempt to crush the Union, it declared a lock-out on 17th February 1952 and discharged all the workmen on the plea of "no work". That matter was settled on the intervention of the Labour Commissioner and the factory was reopened from 6th November 1952. The Company however did not implement the agreement and refused work to five important members of the Union. The Union placed a "Charter of Demands" on 29th December 1952 and the Management began to harass the workmen in every possible way. The Company dismissed Shri Ratan Maity and Nemai Bag, Vice-President and Secretary of the Union and the Company declared a lock-out on 23rd April 1953. Conciliation failing, the Union's demand for minimum basic wage, dearness allowance, leave and holidays and service condition were referred to this Tribunal for adjudication.

The Company, in its reply, stated among others, that it was a very small concern, established in 1356 B.S. and was still running at a loss. It alleged that it never declared a lock-out any time but that it was compelled to lay off or retrench the workmen on account of sheer paucity of work. On 22nd April 1953, Nemai Bag, one of the employees, was dismissed and the other employees at once stopped work putting the management to a loss of several hundred rupees. That was the casting day and the furnace was heated, but no casting was done. On the next day, the Management had to dismiss those employees who struck work and carried on the work with the remainder of the workmen. There was no lock-out on 23rd April 1953 and the entire body of workers was not discharged. Regarding the demands for scales of wages, it stated that it was fair and that it never resisted the amicable settlement of the demands of the employees.

The issues as per schedule to the order of reference are—

(1) Minimum basic wages.

(2) Dearness allowance.

(3) Leave and holidays.

(4) Service condition.

DECISION.

The case was taken up for hearing on 1st July 1954, the day fixed for its hearing. Both parties were present. The Company filed a signed statement informing the Tribunal that its business was completely closed and the partnership was dissolved from 4th October 1953. In view of the admitted fact that the work was completely stopped for a long time, and the alleged fact that the business was closed, the Union did not press the issues in this reference for hearing.

I am satisfied after hearing both parties that the business was completely closed for a long time and that the partnership was dissolved. There is no work at present and no possibility of any in near or distant future. The Company is not employing even a single workman for a long time. Accordingly, the Union is justified in not proceeding with the hearing of the issues in

this case. After all, no useful purpose would be served by deciding scales of wages, etc., for the workmen of a Company which is not in existence. In these circumstances, a report that no dispute regarding the issues in the case between the parties is submitted to the Government. The reference is disposed of.

ORDER.

No. 3541Dis./D/10L-156/54.—21st July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 3736Dis./D/10L-148/53, dated the 8th October 1953, the industrial dispute between Messrs. Hindusthan Motor Works, Ltd., Uttarpara, Hooghly, and their workmen as represented by Hind Motor Employees' Union, Bhadrakali, post office Kotrung, district Hooghly, regarding the matters specified in the schedule thereto was referred for adjudication to the Fourth Industrial Tribunal;

And whereas the said Fourth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

Industrial dispute between Messrs. Hindusthan Motor Works, Ltd., Uttarpara Hooghly, and their workmen as represented by Hind Motor Employees Union, Bhadrakali, post office Kotrung, district Hooghly, referred under Government order No. 3736Dis./D/10L-148/53, dated the 8th October 1953 (Case No. VIII-254/53).

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT :

SHRI S. C. MUKHERJI, *District Judge, Judge, Fourth Industrial Tribunal.*

For the Union : Shri P. K. Sanyal, Advocate instructed by N. R. Roy, Pleader

For the Company : Shri S. K. Bose, Counsel instructed by Shri K. P Mukherjee, Advocate of Messrs. Khaitan & Co., Solicitors.

By Government order No. 3736Dis./D/10L-148/53, dated 8th October 1953, the aforesaid dispute was referred to this Tribunal for adjudication. The

issue framed by the Government was the same as the issue framed by this Tribunal and it was as follows :—

(1) Puja bonus for 1953.

Notice of the reference having been served on the parties, the Union filed its written statement on 11th December 1953 and the Company filed its written statement on 9th January 1954.

The case for the Union is that it was a condition of the service of the workmen of the factory that they should be paid an annual bonus every year at or about the time of Pujas irrespective of profit and loss of the Company, that in pursuance thereto the Company had paid bonus during the years 1948-51 although the factory remained closed for six weeks in 1951, that in 1952 the factory was closed from 7th of April till August but still the Company paid Rs. 5 as bonus to all workmen irrespective of their period of service in the year, that the abovenamed Company having carried on their work in full swing from October 1952 till September 1953 the workmen are entitled to one month's pay with dearness allowance as Puja bonus for the year 1953.

The Company, on the other hand, contended that it was never a condition and/or stipulation express or implied that any bonus will be paid irrespective of profit and loss of the Company or at all, that the workmen are not entitled to any bnnus or Puja bonus or any bonus in any form or any ex-gratia payment as the Company is making loss consistently and has yet to pay 1 crore and 20 lakhs of rupees to build up its depreciation funds.

AWARD.

The case was taken up for hearing on 6th July 1954 and on subsequent dates. During discussion the learned Counsel for the Company as a measure of gesture offered to pay 5 days' wages for bonus for the year in question on the understanding that this will not act as a precedent to the workmen. During discussion it was also settled that 5 days' basic wages only will be paid, that it will be paid to all workers temporary or permanent, that the qualifying period of service for being entitled to bonus, will be six months ending on the date of reference, *i.e.*, 8th October 1953. The learned Advocate for the workmen and the workmen themselves agreed to this proposal. I am glad to note that the workmen were trying wholeheartedly to show increased production of cars since the time of the last Tribunal and they have appreciated the gesture on the part of the Company. I, therefore, make my award in terms of the said offer as accepted by the workmen and I hope that the employer and the employees should now advance hand in hand for the mutual benefit. The matter rests here but it will not act as precedent on the question of bonus.

ORDER.

No. 3539Dis./D/14L-5/54.—21st July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 116Dis./D/14L-5/53, dated the 12th January 1954, the industrial dispute between Bally Municipality, post office Bally, Howrah, and one of its employees Shri Madan Mohan Banerjee of 94, Rai A. C. Banerjee Bahadur Street, Bally, Howrah, represented by himself regarding the matters specified in the schedule thereto was referred for adjudication to the Sixth Industrial Tribunal;

And whereas the said Sixth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute existing between Bally Municipality, post office Bally, Howrah, and one of its employees Shri Modan Mohan Banerjee of 94, Rai A. C. Banerjee Bahadur Street, Bally, Howrah.

BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, 8, LYONS RANGE, SECOND FLOOR, CALCUTTA.

PRESENT:

SHRI MOTILAL CHAKRAVATTI, *District Judge, Judge, Sixth Industrial Tribunal.*

Appearances:

For the Bally Municipality: Shri Amarnath Banerjee, Advocate, assisted by Shri Sasanka Sekhar Choudhury, Administrator.

For the employee: Shri Bimal Chandra Chatterjee, Advocate, assisted by Modan Mohan Banerjee.

The Industrial dispute existing between Bally Municipality and its employee Shri Modan Mohan Banerjee, represented by himself regarding the matters specified in the schedule has been referred to me under Government order No. 116Dis./D/14L-5/53, dated the 12th January 1954, for adjudication.

SCHEDULE.

(1) Whether the discharge of Shri Modan Mohan Banerjee is justified?

(2) To what relief by way of reinstatement and/or compensation is he entitled?

The contention of the municipality is that Modan Mohan Banerjee is an Warrant Bailiff and he had no authority to do the work of a Collecting Sircar and that Modan Mohan Banerjee in violation of the circulated order of the Chairman of the municipality accepted the tender of the municipal tax for the year ending with 31st March 1952 due from one Keshab Chandra Banerjee at about 8-40 a.m. on the 1st April 1952 and issued receipt purporting to be of date 31st March 1952 and that this was a dishonest and a *mala fide* act on the part of the employee Modan Mohan Banerjee. There

is also further allegation against Modan Mohan to the effect that he received a part only of the accumulated arrears of municipal tax due from Shri Keshab Chandra Banerjee, in respect of which demand notice had already served upon him. It is the contention of the municipality that after the service of the demand notice the Warrant Bailiff or the Collecting Sircar has no authority or power to receive any part payment of such demand.

Modan Mohan Banerjee was accordingly charge-sheeted and after an enquiry held by the municipality his dismissal was recommended and it was confirmed in a meeting of the municipality. But on the 1st April 1953 the Bally Municipality was superseded by an order of the Government and an Administrator was appointed who then dismissed Shri Modan Mohan Banerjee from service on the 17th July 1953.

Petitioner Modan Mohan Banerjee contends that there was no order written or verbal restricting the long standing practice of receiving municipal tax on the 1st April (morning) for the year just ending with the 31st March, *i.e.*, on the preceding day and that there was also the long standing practice of issuing receipt in respect of such payment as per date 31st March of the immediately preceding financial year. The petitioner however contends that the Chairman had enmity with Keshab Chandra Banerjee and therefore the Chairman found fault with the petitioner in respect of the particular receipt from Keshab Chandra Banerjee, although similar payments were received on 1st April 1952, by several other employees also of the municipality and receipts purporting to be of date 31st March 1952, were issued in respect thereof and that the petitioner also had received payment on the 1st April 1952 in good faith from some other owners also of municipal holdings. It is further contended by the petitioner Shri Modan Mohan Banerjee that he was authorised by the tax collector, that is, his immediate superior officer to make such collection on the 1st April 1952 morning before the cash would be sent to the Bank by the municipality.

The municipality contends that the Government of West Bengal is a necessary party in this proceeding because under section 554 of the Bengal Municipal Act, all property of the municipality vested in the Government on the 1st April 1953 and therefore an award for compensation against the municipality would be nugatory unless the Government is bound by such award. It is further contended that under section 535 of the Bengal Municipal Act, a notice was essentially necessary before the proceeding was instituted by the petitioner and it is also argued that as the petitioner's case is an individual dispute it cannot be held to an industrial dispute and therefore this Tribunal has got no jurisdiction to decide it and it is argued that the municipality is neither a business, nor an undertaking, nor a trade or manufacturing concern and therefore it is not an industrial dispute within the meaning of Industrial Disputes Act, section 2 clause (s) (definition of workman).

On behalf of the petitioner Modan Mohan Banerjee it is argued that the dismissal order was passed by the Administrator during the pendency of the Conciliation proceeding without obtaining any permission from the Conciliation Officer and therefore the dismissal order is illegal.

AWARD.

Issue Nos. 1 and 2.

Under section 554 of the Bengal Municipal Act, the Municipality itself is not superseded. Under section 553 of the sad Act the State

Government has the power to supersede the Commissioners of the municipality and under section 554 the consequence of such supersession are stated. It is there provided that all the powers and duties under the provisions of this Municipal Act or any rule or by law made thereunder, which were exercisable by the Chairman and the Commissioner whether at a meeting or otherwise, shall, during the period of supersession, be exercised and performed by Administrator as appointed by State Government. In this section it is also provided that all property vested in such Commissioners shall, during the period of supersession, vest in the State Government. So in view of section 554 of the Bengal Municipal Act, the municipality cannot invoke section 535 of the said Act which speaks of notice of suit against Commissioner. That section speaks of suits and other legal proceeding and it also speaks of *"Court"*. Here the proceeding is not a legal proceeding and it has not been brought by any party who can be said to be required by section 535 to give notice of suit. The reference has been made by the Government. Moreover the Tribunal is not a Court so far as the award or decision is concerned and the proceeding is not a suit or a legal proceeding and the proceeding is not against the Commissioner, therefore, section 535 does not apply. Section 15 of the Bengal Municipal Act is not also applicable because this proceeding is not a suit. It is a broad and unchallenged fact that the Administrator is personally present in this room all along during the hearing of the case, so I do not think that the proceeding is bad simply because the State Government is not made a party or was not given any notice by the Tribunal after the reference was received from the Government.

The question is whether the dismissal order was passed by the Administrator during the pendency of the Conciliation proceeding and, if so, whether the dismissal is illegal.

It is admitted that the petitioner was drawing a salary below Rs. 100 per month. It appears from the evidence that the Labour Commissioner wrote to the Administrator on 1st July 1953 in the matter of the dispute taken there by the petitioner Shri Modan Mohan Banerjee. The dismissal order was passed by the Administrator on the 17th July 1953. So it can be safely inferred that the letter of the Labour Commissioner reached the Administrator in right time long long before the 17th July 1953, *i.e.*, the date of dismissal. It is admitted that no permission of the Conciliation Officer was obtained before the dismissal order was passed. Prior to the dismissal order Modan Mohan was placed under suspension by the Chairman of the municipality. At the time of dismissal order suspension allowance was ordered in his favour by the Administrator. This shows that the suspension order passed by the Chairman was originally without any allowance and the fact is also admitted that Modan Mohan was not given any subsistence allowance or any order of such allowance was passed in his favour before the order of the Administrator on the date of discharge. The lawyer of the municipality has referred me to sections 66 and 67 of Bengal Municipal Act. Those sections do not speak of suspension order, they speak of dismissal only. I agree that power to dismiss carries also the power to suspend but such suspension order cannot deprive the employee of his wages or allowances for the period of suspension even if he is dismissed ultimately. However in this present case I am not concerned so much with the question of suspension as with that of dismissal. I find that the dismissal order was passed by the Administrator in contravention of section 33 of the Industrial Disputes Act (if the Industrial Disputes Act is at all applicable to the present case). On that point I shall give my decision later on. The point in the reference is whether the dismissal is justified or not,—"whether the

dismissal is legal or illegal". It was observed by the Appellate Tribunal in 1951, 2 L.L.J., page 509—

> "That if the Act is held to be illegal the question would arise whether it was justified or not; and if not justified what relief should be given to the worker".

It may be that the Government accepted the position that the dismissal of Modan Mohan Banerjee was illegal and therefore it referred the point to the Tribunal for its decision as to whether this dismissal order was justified, or it may be that the Government did not decide anything. In that case also, I find from the evidence that the dismissal order was illegal and now the question arises whether it was justified or not.

It is admitted that Keshab Chandra Banerjee could not be a voter in the ensuing municipal election unless he had paid the tax of the financial year 1951-52 by the 31st March 1952 and that a day's default on the 31st March would disentitle him to be a voter, otherwise there was no bar to receive any tax for the year 1951-52 on the 1st April 1952, *i.e.*, at the beginning of the next financial year. Such arrear tax is always realisable from 1st April 1952 onwards.

I have not been shown any law by which accumulated arrears covered by demand notice cannot be received by the municipality in part, after the notice is once served. Section 155 speaks of the demand notice and section 156 speaks of levy by distress on failure to pay tax, toll, fee or rate.

I do not find anything improper in receiving the payment of the municipal tax made by Shri Keshab Banerjee on the morning of the 1st April 1952 on account of the year 1951-52 but issuing of the receipt purporting to be of date 31st March 1952, in spite of such payment being made on the 1st April 1952 is a serious offence and improper act on the part of the employee unless he can show that he did it in good faith and *bona fide*. Modan Mohan's case is that other Collecting Sarkars or Warrant Bailiff also did this because there was such practice continuing for a long time and nobody ever found fault with it. Modan Mohan Banerjee says in evidence that even the Chairman himself made payment of his own tax for the year 1951-52 on the 1st April 1952 and got receipts (for the several holdings) purporting to be of date 31st March 1952. On this point the evidence of Modan Mohan, tax collector Gopal Krishna Chattapadhya, tax payer Satya Charan Banerjee, Collecting Sircar Balaram Banerjee speaks volumes. On behalf of the municipality there is the evidence by the Chairman Shri Abani Mookerjee alone. The municipality could not produce the alleged circulated order of the Chairman Abani Mookerjee purporting to restrict or stop receiving any payment of the tax for the year 1951-52 on the 1st April 1952. The Administrator seems to have simply relied on the *ipse dixit* of the Chairman Abani Mookerjee in his report although it now transpires from the evidence that the allegation of such "circulated order" is not true. If there had been any such order in writing certainly the municipality could have produced it before me for which I allowed sufficient time also to the municipality. On the 1st April 1952, Shri Modan Mohan Banerjee submitted his explanation to the Chairman (see Ext. A). There he clearly stated that he accepted the payment on the 1st April under receipt, dated 31st March 1952, according to the long standing practice of the office. The Chairman asked the Tax Collector to report as to "on whose order the payment has been accepted at 8-30 a.m. on the morning of the 1st April 1952, from Shri Keshab Banerjee". The

Government has the power to supersede the Commissioners of the municipality and under section 554 the consequence of such supersession are stated. It is there provided that all the powers and duties under the provisions of this Municipal Act or any rule or by law made thereunder, which were exercisable by the Chairman and the Commissioner whether at a meeting or otherwise, shall, during the period of supersession, be exercised and performed by Administrator as appointed by State Government. In this section it is also provided that all property vested in such Commissioners shall, during the period of supersession, vest in the State Government. So in view of section 554 of the Bengal Municipal Act, the municipality cannot invoke section 535 of the said Act which speaks of notice of suit against Commissioner. Here the proceeding is not a legal proceeding and it has not been brought by any party who can be said to be required by section 535 to give notice of suit. The reference has been made by the Government. Moreover the Tribunal is not a Court so far as the award or decision is concerned and the proceeding is not a suit or a legal proceeding and the proceeding is not against the Commissioner, therefore, section 535 does not apply. Section 15 of the Bengal Municipal Act is not also applicable because this proceeding is not a suit. It is a broad and unchallenged fact that the Administrator is personally present in this room all along during the hearing of the case, so I do not think that the proceeding is bad simply because the State Government is not made a party or was not given any notice by the Tribunal after the reference was received from the Government.

If there had been any such order in writing certainly the municipality could have produced it before me for which I allowed sufficient time also to the municipality. On the 1st April 1952, Shri Modan Mohan Banerjee submitted his explanation to the Chairman (see Ext. A). There he clearly stated that he accepted the payment on the 1st April under receipt, dated 31st March 1952, according to the long standing practice of the office. The Chairman asked the Tax Collector to report as to "on whose order the payment has been accepted at 8-30 a.m. on the morning of the 1st April 1952, from Shri Keshab Banerjee". The

Tax Collector submitted the report on that very day (see Ext. C) and he wrote thus—

> "I ordered to close at 8 a.m. to enable all to finish up preliminaries for ultimate entry in the Cash Book after checking up entries. No order is given to part payment of demand notices".

The meaning of this note is not clear. I mean the exact meaning of the word "*close*" in the first sentence. It may mean that the account of the 31st March 1952 was to be closed at 8 a.m. on the 1st April 1952 or that the account of the 1st April 1952 was to be closed at 8 a.m. morning. The Tax Collector deposed—

> "That when the (questioned) practice was continuing collections made on the 1st April, were shown in the account as receipts on the 31st March and that the receipts were issued accordingly and before the end of 31st March 1952, we did not get any order or instruction either verbally or in writing from the Chairman of the municipality to the effect that in no case collection of taxes of the period ending with 31st March will be made on the 1st April, of the next year".

At the enquiry the Chairman examined Lakshan Manna, the Chaprasi of the Warrant Bailiff, Modan Mohan, the petitioner. Lakshan Manna has not been examined in this proceeding before me. Lakshan Manna said in the examination before the Chairman that Modan Mohan Babu was brought by him from home at the request of Keshab Banerjee and that the transaction was done in secret. I cannot believe this statement of Lakshan Manna to be true. It appears from the evidence that several other persons besides Keshab Babu made payments on the 1st April 1952 and took receipts of date 31st March, and that Modan Mohan alone did not do this. His colleagues also did this practice on that very day. It also appears that the receipts of the tax paid by Keshab Babu and other persons following him were not entered in the Cash Book under the instruction of the Chairman Abani Mookerjee, but other payments made by other staff on the 1st April 1952 were entered in the Cash Book as per date 31st March. I find no reason to disbelieve the evidence of Shri Satya Babu. It appears from the Receipt Book that the Receipt No. 1280, written in the name of Shri Abani Mookerjee was written and then cancelled. No date was given there. But the other receipts, *i.e.*, 1281, 1282, 1283, 1284, 1285, 1286, were also in the name of Shri Abani Mookerjee and those were not cancelled and there is the endorsement that Abani Mookherjee made those payments some by cheque and some adjustment against the previous deposit and the endorsement were dated 31st March 1952. Receipt No. 1287 and onwards were not written at all. So it appears that in this book the payment by Shri Abani Babu, the Chairman of the Municipality, was received last of all. It appears from the Receipt Book that receipt Nos. 1267, 1268, 1269, 1270 were written in the name of Shri Abani Mookherjee, purporting to be of date 31st March 1952, and it was then cancelled. All these receipts bear the endorsement "paid by cheque", although the particulars of the cheques were not noted there. Receipt Nos. 1274, 1275, 1276 are in the name of Shri Satya Banerjee. Receipt No. 1279 also is in the name of Shri Satya Charan Banerjee. Receipt No. 1280 is in the name of Shri Abani Mookherjee and then it was cancelled. Later on receipt Nos. 1281, 1282, 1283, 1284, 1285, 1286 were again written in the name of Shri Abani Mookherjee and there the particulars of the cheques were given. From the

evidence I find that Keshab Banerjee had ill feeling with Abani Mookherjee about the date 1st April 1952. It appears from the evidence that Abani Mookherjee did not care to see if any other tax payers besides Keshab Babu made any payment on the 1st April 1952 and obtained receipt of date 31st March. All the attention of Abani Babu was centered on Keshab Babu alone. Abani Babu wants me to believe that on the 31st March 1952 he was in the municipal office till late hours in the night and that his object was to see that the accounts be closed on that very night. But it appears from the evidence that the accounts were not at all closed. Even the Receipt Books not marked or cancelled after the business was over on the night of the 31st March. On the other hand the accounts were left in unclosed state. If really Abani Mookherjee had any intention to see that the collecting staff might not receive any payment for the year 1951-52, on the next morning, *i.e.*, 1st April, he would certainly have closed the accounts by at least cancelling the remaining pages in the Receipt Books or putting his signature on the last page actually written in the Receipt Books on the night of the 31st March 1952. Of course the Collecting staff including Modan Mohan Banerjee did not do the right thing in that they received payments on the 1st April under receipts, dated 31st March, but the fact remains that this they did relying on the practice which obtained in the municipal's office for a long time and which practice was never found fault with by anybody. In these circumstances punishment meted out to Shri Modan Mohan Banerjee picked out of so many was an act of discrimination on the part of the Chairman Shri Abani Mookherjee and I think if Modan Mohan Babu had not the misfortune of receiving the payment from Shri Keshab Babu he would not have incurred the displeasure of the Chairman Abani Mookherjee. The punishment as meted out to Modan Mohan Banerjee is really shocking in the extreme and therefore such order of dismissal should not be upheld by the Tribunal under the Industrial Disputes Act and it cannot be said to be justified because I find that it is an extremely hard punishment and moreover it is highly discriminatory against Modan Mohan Banerjee simply because the payment in question related to Shri Keshab Banerjee with whom the Chairman had ill-feeling at that time.

Now I come to the question whether the present dispute between Modan Mohan Banerjee and the municipality is an individual dispute and if so whether the Tribunal has jurisdiction to decide the matter under the Industrial Disputes Act.

The matter has been made highly complicated by the conflicting decisions of the Supreme Court and the Full Bench of the Appellate Tribunal. The Supreme Court decision was in December 1952 and the Full Bench decision of the Appellate Industrial Tribunal was in February 1953. In the Full Bench decision of the Appellate Industrial Tribunal, there is no reference to the Supreme Court's decision. Presumably it was not published before the Full Bench of the Appellate Tribunal gave this decision on the 20th February 1953. The Appellate Industrial Tribunal or any Industrial Tribunal is not a body to decide any question of law. These are administrative bodies and they are concerned with "the question of policy, not law; of special advantage, not legal mandate." Holmes observed as follows:—

> "The true grounds of decision are considerations of policy, and of social advantage and it is vain to suppose that solutions can be attained merely by logic and the general propositions of law which nobody disputes".

It has been held by Allahabad High Court in Kashi Iron Foundry *vs.* State of U.P., 1954, F.J.R., page 428—

"That the conclusion reached by the Appellate Tribunal is the decision of the administrative body and cannot properly be described as 'law' at all".

So the intricate question comes up in view of the conflict between the Appellate Tribunal Full Bench decision and the Supreme Court decision, which decision is to be followed by me? I think so far as the decision on a point of law is concerned the decision of the Supreme Court prevails over the decision of the Appellate Tribunal, Full Bench decision and so far as Labour Law as dintinguished from judicial or statutory law is concerned the Industrial Tribunal should follow the directions of the Appellate Tribunal Full Bench decision as the Supreme Court decision is silent on such point.

Ludwig Teller says—

"In Labour Law as in other branch of the law, the process of judicial law making has been proceeding with rapid pace for the reasons:—

(1) The questions presented for judicial determination are so novel,
(2) That they involve so patently considerations of public policy that it is difficult to hide their underlying drives,".

Labour Law as is developed by the Labour Tribunals by their decisions may be illustrated thus—

(Such law is not law in the real sense as observed by the Allahabad High Court already quoted.)

For example, principles to be followed by the Tribunal in adjudication of disputes arising out of retrenchment have been settled by the Appellate Tribunals. Similarly they have laid down the law that—

a sit down strike is illegal, that in settling the amount of dearness allowance payable by the Company to its employees—the consideration to bear is the present day condition of the Company and reasonable expectations of the future, that if an award has been made between the parties under the Industrial Disputes Act, it should be tried for a sufficiently long time before any change can be effected in the terms thereof; that the rule of "manifest in justice and unfairness" only—as applied by Civil Courts to decisions of domestic Tribunals—should not govern the powers of Industrial Tribunals in judging the orders of the Managements regarding employment and non-employment and the charges of the Management will not avail if there is—

(i) want of *bona fides*,
(ii) or it is a case of victimisation or violation of the principles of natural justice,
(iii) or there is a basic error of fact,
(iv) or there has been a perverse finding on the materials;

that the ordinary rule is to order reinstatement of the employee if his dismissal is found to be unlawful; that a workman shall not be discharged without "adequate cause" and that the greatest importance is to be attached to the reasons for termination of the contract of employment. These are directions on points of "Labour Law" given by the Appellate Tribunals

from time to time. The High Court or the Supreme Court will not interfere with the above or similar principles of "Labour Law" as laid down by the Appellate Tribunal. Judicial Tribunals always regard legal rights and liabilities as pre-existing, because they are bound by fixed standards; they only do what is according to law. But Administrative Tribunals which act upon policy and expediency, themselves dictate what is politic or expedient. The same idea has also been expressed by John Dickinson in his book on "Administrative Justice" and the "Supremacy of Law". The Courts however will decide whether the Appellate Tribunal's interpretation of any provision of the section of the Act is correct or not, or whether Appellate Tribunal has exceeded its jurisdiction or illegally refused to exercise the jurisdiction vested in it. I think, whether a dispute is an Industrial Dispute or not—is a question regarding the basic fact upon which the jurisdiction of the Tribunal depends and it involves the question of correct interpretation of the definition clauses in section 2 of the Industrial Disputes Act. So on such jurisdiction point of law the decision of the Supreme Court is final. The Supreme Court has decided in the case of Shri D. N. Banerjee *vs.* Shri P. R. Mookherjee—

> "After all—whether there is an industrial dispute at all—is for the Government primarily to find out, for it is only then that it has jurisdiction to refer. Moreover it is not every case of an industrial dispute that the Government is bound to refer. They may refer some but may not also. It is a question of expediency".

(Reported in A.I.R. 1953, Supreme Court, page 58.)

In view of the above decision of the Hon'ble Supreme Court I need not decide whether the dispute referred to me by the Government is an industrial dispute or not. I must assume that the dispute referred to me by the Government is an industrial dispute. The above quoted decision of the Supreme Court disposes also of the question whether the dispute in the present case is an individual dispute or not. In the result my award is that the discharge of Shri Modan Mohan Banerjee is not justified and that he is to be reinstated. The reinstatement is to be made within a week from the date of publication of the award in the *Calcutta Gazette*.

As regards compensation for loss of earning I cannot but consider the fact that issue of ante-dated receipt was an improper act, although such practice was going on in this municipality for a long time without anybody attempting to prevent or restrict it. So in my opinion Shri Modan Mohan Banerjee is not entitled to get any compensation for loss of earning for the period of unemployment besides what he has received as suspension allowance under the order of the Administrator.

ORDER.

No. 3575Dis./D/11L-298/54.—24th July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 2030Dis./D/11L-166/53, dated the 2nd June 1953, the industrial dispute between Messrs. Basanta Ram Kedar Nath of 17/6, Hat Lane, Howrah, with office at 23/1, Kali Banerjee Lane, Howrah, and their workers Shri Nirapada Dutta, Shri Ram Jatan Lohar, Shri Nazir Ahmed and Shri Provat Porel of 164, Andul Road, post office Botanic Garden, Howrah, regarding the matters specified in the schedule thereto was referred for adjudication to the Third Industrial Tribunal;

And whereas the said Third Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between Messrs. Basanta Ram Kedar Nath of 17/6, Hat Lane, Howrah, with office at 23/1, Kali Banerjee Lane, Howrah, and their workers Shri Nirapada Dutta, Shri Ram Jatan Lohar, Shri Nazir Ahmed and Shri Provat Porel of 164, Andul Road, post office Botanic Garden, Howrah.

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI J. N. MAITRA, *Judge, Third Industrial Tribunal.*

Present for the workmen: None.

Present for the Company: Shri P. R. Mukherjee, M.A., LL.B.

AWARD.

1. By order No. 2030Dis./D/11L-166/53, dated the 2nd June 1953, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Basanta Ram Kedar Nath of 17/6, Hat Lane, Howrah, with office at 23/1, Kali Banerjee Lane, Howrah, and their workers Shri Nirapada Dutta, Shri Ram Jatan Lohar, Shri Nazir Ahmed and Shri Provat Porel of 164, Andul Road, post office Botanic Garden, Howrah, regarding the matters specified in the schedule, to the Third Industrial Tribunal constituted under section 7 of the Industrial Disputes Act, 1947, by notification No. 592Dis./D/11L-5/52, dated the 23rd February 1953, for adjudication.

2. After usual notices the three workmen out of four, namely, Shri Nirapada Dutta, Shri Nazir Ahmed and Shri Provat Porel as also the

employer entered appearance. The three workmen filed a joint written statement of claim. The Firm in reply filed its written statement. The pleadings were completed on 1st April 1954. Shri Ram Jatan Lohar though duly served with notice did not put in appearance. The parties were directed to file lists of documents and then the dispute was fixed for hearing. The first date of hearing was fixed on 28th June 1954. The employer was ready but the representative of the three workmen filed a petition for time. On the petition the hearing was adjourned to 9th July 1954. On that day the workmen did not take any step. The case was thereafter adjourned to 10th July 1954, but the workmen did not turn up. Accordingly the dispute was heard *ex parte* under rule 15 of the West Bengal Industrial Disputes Rules, 1947, and the award was reserved.

3. The matter of dispute as stated in the schedule to the order of reference is as follows:—

(1) If the discharge of the following workers was justified and to what relief in the way of reinstatement and/or compensation they are entitled—

(a) Shri Nirapada Dutta, (b) Shri Ram Jatan Lohar, (c) Shri Nazir Ahmed, (d) Shri Provat Porel.

4. It was alleged that the workmen were discharged. The Firm on the other hand contended that they were not discharged but they ceased to attend their duty without assigning any reason and refused to join when asked to do so. In the circumstances the employer submitted that the workmen were entitled to no relief.

DECISION.

The Firm examined one of the partners, D. W. 1 Shri Kedar Nath Jayswal and one of its employees, D.W. 2, Shri Shew Prasad Shaw, besides proving attendance register, Ext. A. From the evidence which is *ex parte*, I accept the employer's version of the case. The evidence reveals that the four workmen named in the order of reference along with others absented without any leave or justification from 3rd January 1953. The evidence further reveals that they were found loitering round the factory premises and were sent for but none of them did turn up for duty. It further appears that they refused to come even when requested. In the circumstances, I accept the employer's version that the workmen must be deemed to have voluntarily abandoned their service of this Firm. The result is that they are not entitled to any relief. I award accordingly.

AWARD.

1. By order No. 5092Dis./D/10L-113/53, dated the 30th December 1953, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Angus Engineering Works, post office Angus, Hooghly, and their workmen represented by Angus Engineering Works Employees' Union, post office Angus, Hooghly, regarding the matters specified in the schedule, to the Third Industrial Tribunal constituted under section 7 of the Industrial Disputes Act, 1947, by notification No. 592Dis./D/12L-5/52, dated the 23rd February 1953, for adjudication.

2. After usual notices the parties entered appearance and filed their written statements in due course. The pleadings were completed on 22nd March 1954. The hearing was concluded on 25th June 1954 and the award was reserved.

3. The matter of dispute as stated in the schedule to the order of reference is as follows:—

(1) Bonus payable in the year 1953.

DECISION.

The parties have not adduced any oral evidence. They rely on the annexures to their respective written statements. Besides the Company filed documents which have been marked Exts. A and B (confidential).

The Union demands one month's pay as bonus for each of 1951 and 1952 as payable in the year 1953 for all categories of workers including the clerks. The Company resists the claim.

There is nothing to show that bonus for the year 1951 was payable in 1953. The Union's claim for bonus for the year 1951 cannot, therefore, be entertained as being a claim for past bonus. It has been held by the Hon'ble Appellate Tribunal that bonus can be allowed from the profits of the year from which it is claimed and that it is not possible to reopen the accounts for previous years. The claim for 1951 must, therefore, fail.

As regards 1952, claim for it is maintainable as being payable in the year 1953. Angus Engineering Works, whose workmen claim bonus, is a separate engineering establishment situated within the general precincts of the Angus Works and adjacent to the Angus Jute Works. The Angus Jute Works is also operated as separate establishment. Both these establishments are separate units and are owned by the Angus Co., Ltd., which is the parent Company. The main business of the parent Company is the manufacture of jute which it does from Angus Jute Works. Besides, the parent Company also handles agency work.

The Angus Engineering Works, it appears, has since the war been mainly and primarily engaged in the manufacture of jute mill machinery and spare parts required for the industry as a whole. As the demand for them began to wane since cessation of hostilities, the Angus Engineering Works has of late undertaken manufacture of tools and appliances of brass metals said to be as a measure to avoid retrenchment of existing staff following reduction in orders and recession in trade, due to jute mills no longer requiring the former type of obsolete machinery and spare parts and their plants for modernisation. The engineering Works, it further appears, has been started in 1932 and has ever since maintained separate accounts. It further appears that in the past when bonus was claimed in 1948 and in 1950, the Company filed its profit and loss account to show the trade position of the Engineering Works. In the present case too the Company have filed a profit and loss statement for the year ended 31st December 1952 as annexure to their written statement. The said profit and loss statement was prepared by Messrs. Lovelock Lewes, Chartered Accountants. It shows a loss of Rs. 10,018 for the year ended 31st December 1952 in question. The Union obtained inspection of the account books maintained in the Works. I am told that as many as 55 separate account books were shown to the Union representatives during such inspection. The Union after such inspection could suggest nothing definite against the correctness of the figures in the statement of profit and loss account filed by the Company with its written statement as above. Vague allegations or suggestions are no proof. If this statement can be accepted for the purpose of bonus, the claim of the workment cannot obviously be entertained there having been no profit for the year 1952. Thus finding their position untenable, the Union as a last resort filed a petition during trial on 25th June 1954 that the Angus Engineering Works had no separate existence in law and that it was integral and indivisible part of the Angus Co., Ltd., and as such the balance sheet of the Angus Co., Ltd., should be the guide for the purpose of the bonus. The Company on the other hand contends that when the different units carried on altogether different business, the Engineering Works doing manufacture of implements while the Angus Jute Works doing jute business and the third unit doing a different kind of business the workmen of the Engineering Works are not entitled to share the profit, if any, made by the major undertaking namely, the Augus Jute Works, to the earnings of which they had in no way contributed. I think the contention of the Company must

prevail. It has been well settled that employees of one establishment are not entitled to share in the profits to the earning of which they have not contributed. Therefore, Company's contention that the profits as may appear in the Company's over all balance sheet can in no way be shared by the workers who have not contributed to its earning is well founded. Even if it is otherwise, the balance sheet of the parent Company, Ext. A marked 'confidential', although reveals a profit would leave no surplus but a huge deficit after deduction of the prior charges as admissible under the Full Bench Formula. The calculation according to the Full Bench Formula has been given by the Company in Ext. B. This would show that there would be no surplus left for distribution as bonus but a huge deficit. So the Union's claim for bonus for the year 1952 cannot be sustained in any view of the matter.

I award accordingly.

PRESENT:

SHRI M. L. CHAKRAVATTI, *Judge, Sixth Industrial Tribunal.*

This is an application under section 33A of the Industrial Disputes Act made by the employee Shri Babaji Sahani against the employer Messrs. Britannia Biscuit Company, Limited, on the allegation that during the pendency of the reference case under Government order Nos. 2769Dis./D/11L-120/52, dated 14th October 1952 and 748Dis./D/11L-72/54, dated 16th February 1954, the employer discharged him on 8th June 1954 when he returned after prolonged illness for which he had to go on leave and that his application for extension of the leave on medical certificate furnished by him was disregarded by the Company. It is contended that the discharge was made without any permission having been obtained from the Tribunal in which the reference case was pending.

AWARD.

Both the parties have come to an amicable settlement and the Company have been pleased to reinstate the petitioner with effect from the 7th July 1954.

In the circumstances, the joint petition of compromise be recorded and an award is hereby passed in terms of the said petition, which shall form part of the award.

versus

Standard Vacuum Oil Company .. *Opposite party.*

For the petitioner: Shri P. K. Sanyal, Advocate.

For the opposite party: Shri S. K. Mullick (Jr.) of Sandersons & Morgans, Solicitors.

AWARD.

This is a complaint under section 33A of the Industrial Disputes Act by workman Shri Ramadhar. He has been doing refuelling work in this Company at the Calcutta Air Port at Dum Dum. On 4th September 1952, he complained of having pain in the stomach. He was examined by the Medical Officer of the Company and sent to the Medical College for admission with a letter of introduction. He could not, however, get admission in the Medical College. According to the Company, the workman was not heard of since he had been sent to the Medical College and before he came to resume duty on 17th August 1953, after 10 months. The workman on the contrary alleges that failing to get admission in the Medical College, he had been under the treatment of Dr. Satya Ranjan Mukherjee of Dum Dum Cantonment from 9th September 1952 to 11th September 1952. He then went home and was there for about 10 months. On 17th August 1953, he reported for duty with a chit written in Hindi purporting to be a certificate of a Kaviraj (Ext. C), under whom he was alleged to have been under treatment at home for the period of

10 months during which he had been absent without leave and without intimation to the Company. He also produced at the time another medical certificate from Dr. Mukherjee of Dum Dum showing treatment for 3 days from 9th to 11th September 1952, Ext. C1. The workman was not permitted to resume duty pending enquiry against him.

Behind this background the Company issued a charge-sheet (Ext. D) on 28th August 1953. The workman was charged for absence without leave and without offering to the Company reasons for his absence for a period of 10 months. The workman submitted explanation to the said charge on the 31st August 1953, Ext. A. Then an enquiry was held on 1st September 1953. Ext. F is the proceeding of the said enquiry. The questions put to the workman and the answers he gave to them were recorded as also the statements of the persons referred to by the workman. As a result of the enquiry the workman was found guilty of the charges framed against him. The management directed that workman's two years' normal salary increments be withheld and that the workman be permitted to resume duty on 17th September 1953, and that he would not get any pay for the preceding period from 17th August 1953 to 16th September 1953 when he was not allowed to join work pending enquiry.

This took place during the pendency of a reference made by Government order No. 2150Dis./D/15L-13(A)/53, dated 12th June 1953, before this Tribunal. Hence the complaint under section 33A.

The workman alleges that the punishment inflicted upon him is unjust and unfair and should, therefore, be rescinded. The Company on the other hand contends that there was no justification whatever for his absence without leave and without intimation. The management therefore maintains that it was justified in imposing the punishment in the interest of discipline. It is said that the employee has rather been treated leniently. Besides, the Company alleges that as the workman was not concerned in the original dispute, the application under section 33A is not maintainable.

DECISION.

I find no justification whatever on the part of the workman to absent for such a long time without previous permission and without any intimation to the Company. Even if he had obtained permission from the Superintendent, Mr. Cole, for going home, there was no justification on his part to continue to absent indefinitely without any intimation and without leave. No doubt the Company did not write to the workman to resume duty but this did not exonerate the employee from applying for leave or from obtaining permission from the Company for continuing indefinitely at home. Even if the medical certificate of the Kaviraj be genuine about which there is no proof this does not show that his disease was anything serious. The certificate speaks of stomach trouble. According to the workman, he was having sometimes loose stool and sometimes hard stool and this was his ailment for which he was absent at home for about 10 months. This is no excuse whatever for his not intimating the Company or for his not applying for leave. The workman's explanation that he was too weak to engage in correspondence with Dum Dum Installation is anything but satisfactory in view of his own evidence disclosing the nature of his ailment. The Superintendent, Mr. Cole, is not here but is now at Madras. His letter (Ext. D) however shows that the workman did not obtain permission from him before leaving for home. In view of the evidence and circumstances, I find nothing to interfere with the action taken by the management. I agree that the workman had been dealt with rather leniently.

As to the preliminary objection of the Company, it appears that the workmen of the installation to which the complainant belongs were no party to the dispute over bonus which was the subject matter of the previous reference. It further appears that these workmen obtained their bonus and granted signed receipts of having accepted the amount paid by the Company in full satisfaction of their claim. It being so, it cannot be said that the complainant was concerned in the previous dispute. So, section 33 cannot be said to have been contravened. I, therefore, agree with the Company that complaint under section 33A is not maintainable. So the application must fail both on merits and on law.

I award accordingly.

No. 3578Dis./D/10L-155/54.—24th July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 6005Dis./D/10L-151/53, dated the 30th December 1953, the industrial dispute between Messrs. Oriental Metal Industries, Ltd., Agarpara, 24-Parganas, and their employee Shri Santosh Kumar Mukherjee, "Prosonno Kutir", 50-A, Halderpara Road, Kalighat, Calcutta-26, represented by himself regarding the matter specified in the schedule thereto was referred for adjudication to the Third Industrial Tribunal;

And whereas the said Third Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provision of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute between Messrs. Oriental Metal Industries, Ltd., Agarpara, 24-Parganas, and their employee, Shri Santosh Kumar Mukherjee, "Prosonno Kutir", 50A, Halderpara Road, Kalighat, Calcutta-26, represented by himself.

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI J. N. MAITRA, *Judge, Third Industrial Tribunal.*

For the employee: Shri Santosh Kumar Mukherjee, himself.

For the Company: Shri P. R. Mukherjee, M.A., LL.B.

AWARD.

1. By order No. 6005Dis./D/10L-151/53, dated the 30th December 1953, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Oriental Metal Industries, Ltd., Agarpara, 24-Parganas, and their employee Shri Santosh Kumar Mukherjee, "Prosonno Kutir", 50A, Halderpara Road, Kalighat, Calcutta-26, represented by himself, regarding the matters specified in the schedule, to the Third Industrial Tribunal constituted under section 7 of the Industrial Disputes Act, 1947, by notification No. 592Dis./D/12L-5/52, dated the 23rd February 1953, for adjudication.

2. After usual notices the parties entered appearances and filed their written statements. The pleadings were completed on 27th March 1954. The parties were thereafter directed to file lists of documents and then the dispute was fixed for hearing on 8th July 1954.

3. The matter of dispute as stated in the schedule to the order of reference is as follows:—

> Is the dismissal of Shri Santosh Kumar Mukherjee justified? Is he entitled to reinstatement and/or compensation?

4. The dispute arises out of termination of employment of Shri Santosh Kumar Mukherjee with effect from 1st August 1953. He was an employee in this concern and was getting Rs. 135 per month including dearness allowance. His service was terminated without assigning any reason with a offer to pay one month's salary in lieu of notice. He alleged that the termination was unfair and unjust and against the principles of natural justice. He accordingly prayed for payment under heads as below:

(a) Gratuity for 8 years.

(b) Puja bonus for 1952 and 1953.

(c) Pay for unavailed leave.

(d) Rs. 5,000 as special damage.

(e) Pay up to the date of award.

In the alternative he prayed for reinstatement with up-to-date pay and Puja bonus. The Company resisted the claim.

DECISION.

On the date of trial on 8th July 1954, the parties came to an amicable settlement and filed a joint petition of compromise. I find the terms to be fair. The petition of compromise is accordingly given effect to and I make my award in terms thereof. The petition of compromise with annexure is made a part of my award.

ANNEXURE.

In the matter of an industrial dispute existing between Messrs. Standard Vaccum Oil Co., 6, Church Lane, Calcutta, and their Lower Grade Staff, represented by Standard Vaccum Employees' Union, 158, Mukfaram Babu Street, Calcutta-7.

BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, WEST BENGAL, CALCUTTA.

PRESENT:

SRI MOTILAL CHAKRAVATTI, *District Judge, Judge, Sixth Industrial Tribunal.*

Appearances:

For the Standard Vaccum Employees Union: Shri Atin Sadhu, Vice-President, Petroleum Workers Federation assisted by Md. Habibur Rahaman and Shri Indu Chakravatti, Vice-President and General Secretary respectively of Standard Vaccum Employees' Union.

For the Company: Shri Phullashree Ghosh, Employee Relations Officer and Shri Premansu Mohan Chatterjee, Employee Relations Supervisor.

By order No. 4844Dis./D/15L-13(B)/53, dated the 22nd December 1953, the abovementioned dispute was referred to me by the Government of West Bengal, Labour Department, for adjudication regarding the matters specified in the schedule to the said Order of Reference.

SCHEDULE.

(1) Revision of basic pay and grade.

AWARD.

There had been an Award by a Tribunal and on the said basis the wage scale relating to lower grade staff was settled. The contention of the workmen is that the said settlement by the Tribunal was on an *ad hoc* basis without any scientific approach and that the Appellate Tribunal made observation in Appeal No. Cal 105 Gr. 952.

> "That the basic wages of the lower grade staff which are on an average Rs. 69-3-0 (basic wage Rs. 32-8-0 plus dearness allowance Rs. 36-11-0) per month are below the minimum wages at the living cost index of 180 and slightly above what it would be at the living cost index of 100 points",

and it has been also argued that the Madras Tribunal gave awards in respect of the same categories of the lower grade staff in Oil Companies (I.D. 52 of 1951 and I.D. 2 of 1952), by which the basic pay of the lower grade staff of the Standard Vaccum Company in Madras was fixed at Rs. 50 in the minimum. So the present contention of the workmen is that the differents categories of the lower grade staff now in question should henceforth be graded thus—

Grade "A"—Rs. 70—3—100—5—130.

Grade "B"—Rs. 60—3—90—5—120

and that a separate grade at Rs. 75—5—100—7½—130 for Duftries, Head Bearer, Head Jamader and that the Cooks should get a separate grade, viz.,

Rs. 75—5—100—7½—205 and that suitable adjustment for fitting in be laid down by the Tribunal and that effect be given as from 1st September 1952.

The Company contends that the existing wage scale was not fixed without any scientific approach and that the grade and scales as suggested by the workmen are exorbitant, excessive and unreasonable and that the present pay of the lower grade staff fully commensurates with the nature and responsibility of their work and there is no justification for the demand for an alteration thereof.

I find that the Appellate Tribunal really made the remark that the present basic wages of the lower grade staff in Calcutta of this Company are "below the minimum wages at the living cost of index of 180 and slightly above what it would be at the living cost of index of 100 points" and also that the Madras awards have fixed the minimum wages of the lower grade staff of this Company for Madras presidency at Rs. 50 per month. The present pay scale of the lower grade staff now in question has been stated by the workmen in their written statement as follows:—

Categories.	Present monthly pay scales.
Peon	Rs. 35-8-0 to Rs. 53-0-0
Sweepers	Rs. 32-8-0 to Rs. 50-0-0
Head Sweeper	Rs. 40-0-0 to Rs. 58-0-0
Car Cleaners	Rs. 32-8-0 to Rs. 50-0-0
Duftries	Rs. 35-8-0 to Rs. 64-0-0
Durwans	Rs. 35-8-0 to Rs. 53-0-0
Cook-Tiffin Room	Rs. 50-8-0 to Rs. 60-8-0
Cook Canteen	Rs. 49-0-0 to Rs. 60-0-0
Asstt. Cook—Canteen ..	Rs. 32-8-0 to Rs. 42-8-0
Kitmatgars	Rs. 32-8-0 to Rs. 45-8-0
Masalchis	Rs. 32-8-0 to Rs. 42-8-0
Vendors	Rs. 32-8-0 to Rs. 42-8-0

Head Durwan and Head Peon are now getting maximum wages at the rate of Rs. 63 per month.

It appears from Annexure "A" to the written statement of the workmen that the following scale was insisted upon by the workmen:—

Grade "B"—Rs. 60—3—90—5—120.

Grade "A"—Rs. 70—3—100—5—130.

Cooks—Rs. 75—5—100—7½—130.

Drivers—Rs. 100—6—160—7½—205.

It further appears that a different Union representing the workmen (Labour and Service employees) of this Company entered into an agreement with the Company regarding the lower grade categories of the said staff and their Sweepers, Canteen Vendors, Masalchis, Car cleaners, Assistant Canteen Cook were given—

Minimum.	Annual increment.	Maximum
Rs. 37—8—0	Rs. 1—4—0—47—8—0 E.B.—1—40—55—0—0.	

Durwans and Khitmagars were given scale as—

Rs. 39—0—0. Rs. 1—4—0 49—E.B. 1—4—0 56—8—0

	Minimum.	Annual increment.	Maximum.
Duftries were given scale as—			
Rs. 42—0—0	Rs. 1—8—0 54—E.B.—1—8—0		69—0—0.
Head Durwans and Head Peons were given scale as—			
Rs. 46—0—0	Rs. 1—12—0 60—E.B. 2—0—0		70—0—0.
Head Sweepers were given scale as—			
Rs. 44—0—0	Rs. 1—12—0 58—E.B. 2—0—0		66—0—0.
Canteen Cooks were given scale as—			
Rs. 51—0—0	Rs. 1—8—0—63—E.B.—1—8—0—66—0—0.		
Car Drivers were given scale as—			
Rs. 76—0—0	Rs. 4—8—0—103—E.B.—4—8—0—121—0—0.		

When there has been an agreed grade and scale of wages of similar categories in the lower grade staff of another department in the selfsame company, I find no reason as to why the present lower grade staff in question should get a different grade and wage scale. In this connection I may refer to the view of the Learned Appellate Tribunal, reported in 1953, 1, L.L.J., page 782—

> "Shri Swaminadhan appearing for the Company (Standard Vacuum) conceded that if there be any employee of these two categories getting less than what the employees doing similar jobs in the Burmah Shell Company are getting, they should be put on the same footing. We think that Shri Swaminadhan has taken a very reasonable attitude. We accordingly direct that the members of the service and security staff of this Company doing the same or similar jobs shall be put on the same footing as those of Burmah Shell Company".

If this be the view in that case, I think it is all the more reasonable that similar view should be taken in the present case and that the members of the lower grade staff now in question should be put on the same footing as those of the lower grade staff of other department of the selfsame Standard Vacuum Company; otherwise there would be serious discontent amongst the workmen in these two different departments of this Company. So I am of opinion that the grade and scales of wages accepted with regard to lower grade staff (*vide* Ext. A), of the other department should be the grade and scale of wages in respect of the lower grade staff now in question.

As regards the dates from which this scale is to take effect, the contention of the Company is that retrospective effect if given will unsettle the closed accounts of the Company and therefore it would give rise to complication. On the other hand the workmen contend that the clerical staff with whom an agreement has been reached as per Ext. A was given benefit of retrospective effect as from 1st September 1952 and therefore the lower grade staff also should get similar benefit. It appears from Ext. A also, *i.e.*, the agreement regarding the scale of wages effect was given from 1st January 1953, although the agreement was signed in June 1953. In these circumstances I hold that the above wage scale which is now being awarded is to take effect from 1st January 1953. As regards adjustment and fitting in, I am of opinion that the adjustment in item "C" in Ext. 1 (clause 1, a and b) should be applicable as regards lower grade staff scale of wages in the present Award, *i.e.*, that all salaries will be increased

by one or two increments as the case may be in order to adjust the same to the next point in the time scale of the present award. In no instance shall such adjustment cause the resultant wage to exceed the maximum of the grade.

In the matter of an industrial dispute existing between the Calcutta Jute Manufacturing Co., Ltd., 93, Narkeldanga Main Road, Calcutta and their workmen as represented by the Calcutta Jute Manufacturing Workers' Union, 95, Narkeldanga Main Road, Calcutta.

Appearances:

For the Union: Shri Kalidas Chatterjee, Secretary.

For the Company: Shri K. B. Bose, Counsel, assisted by Shri M. M. Ghosh and Shri T. N. Janaki Raman of I.J.M.A.

AWARD.

The Government of West Bengal, Labour Department, by its order No. 3469Dis./D/7L-10/53, dated the 14th September 1953, referred an industrial dispute existing between The Calcutta Jute Manufacturing Co., Ltd., 93, Narkeldanga Main Road, Calcutta and their workmen represented by the Calcutta Jute Manufacturing Workers' Union, 95, Narkeldanga Main Road,

Calcutta, regarding the matters specified in the schedule to the order of reference under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), to this Tribunal for its adjudication.

This was received in the office of this Tribunal on 18th September 1953 and usual notices were issued to both parties for appearance and written statements. Both parties filed written statements in due course.

The three issues as per schedule to the order of reference are—

(1) How many permanent posts in the Mill are lying vacant and should be filled up immediately. (a) How are they to be filled up and by what time.

(2) Whether the registered Badlis are entitled to any kind of allowance, or benefits. If so, what.

(3) Whether the termination of services of Shri Jogen Prosad Sharma was justified. (a) What reliefs he is entitled to.

The parties in a joint petition filed on 24th April 1954 informed the Tribunal that issue Nos. 1 and 3 as mentioned in the schedule to the order of reference have been amicably settled. The terms of settlement are mentioned in the attachment (Annexure "A").

Regarding the second issue, the Union stated that the registered Badlis were formerly granted a weekly allowance of Rs. 2 but the practice was discontinued some time in 1950. The Union submitted that the practice should be re-introduced and the registered Badlis be paid Rs. 4 per week while not in job.

The Company in its written statement contended that the issue was not maintainable in law. The registered Badlis, when not actually employed, are merely employment seekers and as such they are not workmen within the meaning of the Industrial Disputes Act. The origin of the system of paying Rs. 2 per week to the registered Badlis was traced back to war years when they were supplied with foodstuffs at concessional rates which were *ex gratia*. After the First Jute Tribunal Award, these concessions were valued at Rs. 2 per week. Since the publication of the Second Jute Tribunal Award, all Mills gradually stopped this payment. The last Badli in this Mill receiving Rs. 2 under the old system was absorbed in the permanent cadre in October 1951. The badlis, when they are not employed, are not entitled to any allowance or benefit much less, at the increased rate of Rs. 4 per week as claimed by the Union.

FINDINGS.

Issue No. 2.

Neither party adduced any evidence. Heard representative for the Union and learned counsel Shri Bose and learned representative of the I.J.M.A., Shri Ghosh on this issue. Shri Bose relied on a case reported in 1953 L.A.C., page 440 of the Hon'ble Labour Appellate Tribunal of India (Nellimorla Jute Mills Co., Ltd., and another *vs.* their workmen) and contended that the Hon'ble Tribunal held in the case that the Badlis were not workmen under the Industrial Disputes Act and as such they were not entitled to any benefit. The facts as stated in the pleadings appear to be identically the same as in the case under report. Further, there is no rebuttal of the Company case that the last badli in the Mill receiving Rs. 2 under the old system was absorbed in the permanent cadre in 1951. The system of paying cash value of concessional foodstuffs was purely a war time measure and there is no justification for continuing the same. That being the position, the Union can hardly justify its claim on any ground. The position of law as pointed out by the learned counsel for the Company is clear. The registered Badlis are not workmen of the

Mill save and except when they are actually taken in for work. The Mill no doubt maintains a register for Badlis and whenever there is occasion to engage temporary hands, they choose those whose names appear on the register and for the purpose of giving every one a fair chance, they follow the practice of employment by rotation. The badlis are employment seekers and not workmen of the Mill. Therefore, they are not entitled to get any allowance or benefit as a matter of right. I answer the issue accordingly. This is my award.

The joint petition of compromise filed by the parties on 24th April 1954 and its Annexure marked "A" do form part of this award.

(2) In accordance with clause 1(b) of "Other Rules of Service" the management will have the right to revise this cadre in the event of installation of new machineries, change in the line of production and variation in manufacturing technique.

(3) In any section of the mill where the number of permanent workers is more than the stipulated cadre the number will be gradually reduced through natural wastage and superannuation of old workers and transfer of excess permanent hands to other departments according to the management's requirements.

(4) Similarly, if in any section of the mill the present complement of permanent workers is less than the stipulated cadre the deficiency will be made up within six weeks by making workers permanent or if possible by transferring excess permanent workers. Efficiency and security in service will be taken into consideration for filling up the permanent posts.

(5) A budli will be employed in place of a permanent worker temporarily absent from work and the budli will be allowed to work for the period he is so employed until the permanent worker returns or the job is declared vacant.

Issue No. 3.

(1) The order terminating the employment of Shri Jogen Prosad Sharma will remain and he will be paid gratuity at the rate of half month's basic pay for each completed year of service for the period uncovered by Provident Fund and normal Provident Fund dues.

AWARD.

The Government of West Bengal, Labour Department, by its order No. 3123Dis./D/13L-34/53, dated the 17th August 1953, referred an industrial dispute existing between Messrs. The Indian Press, Ltd., 93A, Dhuramtalla Street, Calcutta, represented by the Caloutta Printing Press Owners' Association, 32, Upper Circular Road, Calcutta and their workmen represented by the Press Employees' Association, 249B, Bowbazar Street, Calcutta, under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), to this Tribunal for its adjudication.

The reference was received in the office of this Tribunal on 26th August 1953 and usual notices were issued to both parties for appearance and written statements. Both parties filed written statemens in the case.

In the written statement filed on behalf of the employees, the employees among others stated that the Indian Press, Ltd. (hereinafter called the Company), Calcutta, is a large famous and prosperous printing and publishing house in India having its head office at Allahabad and principal branches at Calcutta, Patna, Lucknow and other principal towns in India. It employs about 130 employees in its Calcutta branch alone. In 1948, there was an industrial dispute between the Company and its workmen regarding grade, scales of pay, dearness allowance, Provident Fund, security of service, etc., which was referred to Shri A. Das Gupta, Judge, Industrial Tribunal for his adjudication. It was settled on the basis of an agreement between the parties and the Award was published in the *Calcutta Gazette* on 11th May 1948. In 1950, another dispute was referred to the same Tribunal who made an Award which was published in the *Calcutta Gazette* on 1st March 1951. The Company did not implement the award and took recourse to underhand and questionable methods to deprive the workers of their legitimate dues. A written representation of their grievances was put before Shri H. S. Ghose, Director-in-Charge, on 28th November 1953, which however was not attended to. Thereafter, at the intervention of the Assistant Labour Commissioner a settlement was made on 16th January 1953. A Memorandum of Settlement was drawn up that day and signed by the parties. The agreement was to take effect from 1st April next. That however was not implemented and the employees on 4th June

1953 moved the Labour Commissioner for immediate implementation of the terms of settlement. The Company failing to win over the employees on its side took recourse to methods of threat, coercion and victimisation. On 30th June 1953 it served notices on 27 employees terminating their services with effect from 1st of next month and placed them under suspension from immediate effect pending the approval of its action by the Labour Commissioner. The retrenchment was malafide, unnecessary, and made for ulterior purpose. Hence, this reference.

The Indian Press, Ltd. (hereafter called the Company) denied the allegations of the employees and stated that it sustained heavy losses in the past due to acute trade depression, dearth of work and unhealthy competition in market and the loss of several publications. There was also considerable fall in the number and value of orders for several years past. The Company, however, continued to keep the workmen in employment and expecting improvement in the situation in near future. Unfortunately, there was no bright prospect in the business in Calcutta. The Head Office accordingly wrote to the Calcutta branch on 20th April 1953 and sent a copy of the resolution dated 16th May 1953 asking it to adopt immediately such measures of economy as considered necessary in view of the gradual deterioration in its financial position.

The Head Office was unable to feed the Calcutta branch with orders as it did in the past and ran into debts to the extent of over sixty thousand rupees. The Calcutta branch instead of closing down the business completely thought it necessary to effect retrenchment of staff which it considered surplus to its requirements in view of the fall in work. It accordingly, decided to retrench 27 members of its staff from different departments out of a total strength of 91 and served notices on all of them terminating their services from 1st July 1953. As conciliation proceeding was pending, it did not discharge the said employees immediately but placed them under suspension with effect from 1st July 1953 as a security measure and in the interest of industry. In effecting the retrenchment in the Calcutta branch, the Company followed the normal rule of "Last come first go" as far as practicable. It has also filed an application under section 33 of the Industrial Disputes Act to this Tribunal for permission to retrench the said staff immediately.

The Company admitted that the two previous disputes referred to in the employees' written statement were adjudicated in the Tribunal and two awards were made on 11th May 1948 and 1st March 1951. The first award was fully implemented while the last was implemented in part due to stay order issued by the Hon'ble Supreme Court of India against the decision of the Hon'ble Labour Appellate Tribunal. It admitted having been a party to the Memorandum of Settlement dated 16th January 1953 and said that it implemented the terms fully for some time but due to financial instability and loss, it revoked the agreement by a notice, dated 4th June 1953. It is only for that that the employees approached the Labour Commissioner for implementation of that settlement. It pleaded that it was unable to carry out its obligations in view of its continued loss particularly in the Calcutta branch which had proved to be an uneconomic unit in the whole concern. Regarding the proposed retrenchment and alleged suspension of the employees, it stated that both were justified in the circumstances of the case.

The issues as per schedule to the order of reference are—

(1) Whether retrenchment is necessary? If so, to what extent?

(2) Whether the orders of suspension on the 27 workers are justified? What relief are the workers entitled to?

FINDINGS.

Issue No. 1.— The Company justifies its action for retrenchment on economic grounds. It is stated that acute trade depression and consequent dearth of work resulted in substantial loss. The loss was due to (i) trade depression; (ii) dearth of work (shortage of business); (iii) unhealthy competition; (iv) loss of several publications. In view of the substantial loss, the Head Office instructed its Calcutta branch to economise its expenditure as best as possible. The Board of Directors adopted a resolution to that effect and the Calcutta branch reacted promptly by issuing notices terminating the contract of employment of the 27 employees from various departments. In doing so, it alleged that it adopted a course which was less harmful to the business and to the employees in general. The choice was between closing the Calcutta business completely and retrenching the surplus staff. It decided to do away with the surplus staff and asked for necessary permission from this Tribunal in view of the fact that the adjudication of a dispute between the parties was pending before it. The Company further stated that in selecting the personnel departmentwise for retrenchment, it followed the well-known principle "last come first go" as far as possible. The defence of the Union is that the company was actuated by motives of victimisation and other ulterior motives, in making this retrenchment. It was not necessary for there was no shortage of business. The Company did not fulfil its obligations towards the employees under the two previous awards and an agreement of settlement and carried out the threat to curb the Union activities by rooting out the evil elements from the staff. There were no genuine trade reasons for this retrenchment and the action was far from *bona fide*. In fact, the defence was a complete denial of the Company's case.

The onus of proving the necessity for the proposed action is on the Company. The management has produced its accounts, its Balance-sheets for several years and all relevant files and registers in this Tribunal to show that the business in the Calcutta branch had been gradually deteriorating since 1948 and that it sustained heavy losses in the year ending 31st March 1953. It has proved abstracts and extracts from books of accounts and registers, showing considerable fall in the number of orders, both Head Office and local, and also showing loss of several publications in the relevant period. It examined witnesses including its Manager in support of the above and explained away the inconsistencies sought to be made out by the Union. The management no doubt has *prima facie* right to decide its labour force. It is not bound to incur any uneconomic expenditure merely to keep the certain number of workmen engaged. It has also the right to apply its capital in the manner it considers best.

Question now is whether a case of retrenchment has been made out, namely, whether the management has been able to establish a case of loss in business and dearth of work which alone would justify the retrenchment proposed in this case. The next point is whether in the matter of retrenchment, the management had acted *bona fide*. If both these elements are established, the management is the sole judge to the number to be discharged by way of retrenchment. If the action is not *bona fide*, in that case the Tribunal must scrutinise the number and uphold the retrenchment of such number as it thinks to have become surplus. The principal point is no doubt the loss in business during the relevant period. The Balance-sheets of 1948 to 1953 (Ext. C to Ext. C5) show the gradual deterioration in business profits. Profits in 1951 amounted to about Rs. 8 thousand. In 1952, it was Rs. 10 thousand and in the relevant year ending 31st March 1953, loss of the Calcutta branch amounted to Rs. 50 thousand. The Balance-sheets have not been challenged in the

written statement and after a very searching examination during the hearing of the case in the Tribunal, the learned representative for the Union could not point out any error in them. An endeavour was made to attack the company's accounts as disclosed in the abstracts filed (Exts. E, E1, F, G. H.) mostly on what appear to be speculative and unsubstantial grounds. It succeeded in finding a mistake in the total or alleged inconsistencies in the two statements which however were successfully explained on behalf of the company. Apart from raising suspicion here and there, the Union had failed to show that the accounts particularly the Balance-sheets relied on by the Company on this point are substantially incorrect. The main criticisms about the Company's accounts advanced on behalf of the Unon are: (i) The accounts are not strictly proved; (ii) not kept in regular course of business; (iii) no statutory presumption of correctness in case of Balance-sheet. The learned representative had apparently lost sight of the provisions of Rule 14 of the Industrial Disputes Act Rules in this connection. The Tribunal may accept, admit or call for evidence at any stage of the proceeding before it and any such manner as it thinks fit. Accordingly, the question of proving the accounts strictly according to the provisions of the Indian Evidence Act, particularly under section 34 of it, does not arise. It has not been shown that any of these accounts are not kept in regular course of business for in that event, the evidentiary value of the accounts will certainly be less than what it otherwise should be and a Balance-sheet of accounts prepared by auditors who certify them according to the provisions of the Indian Companies Act can of course be shown to be inaccurate and not reliable in the case. But unless that is done to the satisfaction of the Tribunal, the Balance-sheet may be looked upon, for our present purpose, as *prima facie* evidence in this case. No question of presumption eitherway arises. In the next place, the learned representative for the Union has urged that the entire accounts of the Company including the Head Office and its other branches be taken into consideration to decide whether the Company had sustained loss in a particular year. This is no doubt true in deciding the question of bonus payable to the workers. It would be entirely begging the question, if we treat the Company with its Head Office and branches as one unit, one undertaking, as suggested by the learned representative for the Union in deciding whether the Calcutta branch is running at a loss in a particular year. After all, the management has the freedom in the matter of incurring an uneconomic industrial expenditure in any of its branches or departments. The Tribunal cannot reasonably interfere with the management's discretion in that matter. The Tribunal would be wrong if it takes the entire account of the Company including its Head Office and other branches into consideration in deciding the issue whether the Calcutta branch is running at a loss. That contention is unsound as the Calcutta branch maintains its separate accounts and separate Balance-sheet which are prepared every year, as it should be, for the consideration of the Board of Directors and the Shareholders. Accordingly, that criticism of the accounts on behalf of the Union should fail. The only evidence forthcoming on the Union's side on this point is that of P.W. 6 Shri Kumud Behari Dey. He said that the Calcutta branch does work worth about 50 thousand rupees a month and makes a profit of rupees 10 thousand out of it. In 1954, calendars were printed of the value of one lakh fifty thousand rupees. The evidentiary value of this is nil for the witness admits that he said this by impression. It was his guess work. There is no corroboration on this point. Coming as it does from a biased person, an employee to be retrenched, in this case, this evidence leaves no impression on the Tribunal as against the entire accounts of the Company placed for scrutiny before it. The learned representative for the Union did his best at the hearing of the case. He left no stone unturned in the matter of scrutiny of accounts but since he had not the help from an earlier inspection of the accounts (which was not asked), some of the grounds taken

appear to be of merely speculative character. We are not unmindful of the difficulties of the employees in the matter of accounts, for ordinarily they do not get any access to the Company's accounts, neither they are taken into confidence by the Company in these matters. Naturally, they become suspicious and when the accounts are produced and shown to them in the Tribunal, they assailed almost every possible expenditure either as unduly heavy or as incorrect. That unfortunately happened in this case. The Union did not gave any idea of their points of dispute regarding the Company's accounts either in the written statement or in any petition of objection filed subsequent to that. The Company produced all the books of accounts, registers and files, relevant for the purpose of this enquiry and made suitable abstracts for proper appreciation of the points at issue. While the Union assailed some of the abstract accounts, it did not place its finger on any portion of the Balance-sheet and said that it was incorrect. The Union did not succeed in saying that the Company had concealed any of its income from the Balance-sheet or has dishonestly diverted it with some ulterior purpose. It has been said that a commission was paid in a year of loss. This has been explained. It has not been shown that it is an unusual feature in the Company's business and that it was incurred only in the year under review. It is in the next place said that paper worth rupees 77 thousand 7 hundred and 32 was used in the relevant year which showed that the volume of work was greater than accounted for in the Balance-sheet. It has been explained on the Company's side that this figure shows only the quantity of paper purchased and not consumed in the year in question. One cannot possibly make a reasonable guess from any such criticism of accounts. It is in the next place contended that the position of factory labour charges was going high whereas the average monthly volume of work, *i.e.*, printing was going down. This was taken from Ext. E1 as an instance of inconsistency. At the same time, it has been contended that the only reasonable conclusion a Tribunal should draw is that the volume of work must have increased along with the increase in labour charges. It appears that the factory labour charges was 26 per cent. in 1951, 29·25 per cent. in 1952 and 28 per cent. in 1953, whereas the monthly volume of work on an average in 1951 was 38 thousand, in 1952, 35 thousand, in 1953, 31 thousand. O.P.W. 1 Shri J. N. Bose, Assistant Manager, has explained that the labour charges have gone high in recent years and that due to unhealthy competition in the market and increased cost of materials, the printing charges in this particular concern, which is admittedly to be a quality press, are much higher. Accordingly, there could not be any such inconsistency as has been sought to be mde out from Ext. E1. A lot of comments was made on expenses under heads "Out Printing and Binding". It has been suggested that this shows that the Company has acted dishonestly in getting a part of the work done outside at an enormous cost and not in their own concern by the employees. Nothing has been shown from this that the accounts or for the matter of that the Balance-sheets are incorrect. It has been explained by O.P.W. 2 Shri Mukherjee that printed matters are sometimes finished outside. P.W. 6 Shri Dey has explained this in his deposition. He said that we had no employees to do this sort of work in our Press. Only such work as could not be done in the Press was done outside only to put a finishing touch to the printing work as for example, mounting a calendar after it was printed. O.P.W. 1 Shri Bose emphatically said that no portion of printing work was done outside. The Company had a temporary binding shop at Tangra and the casual labour charges paid for that shop was kept separate. That explains the casual labour charges paid in the accounts. As to binding charges, the Press had no binding department before and that it was done outside. It has not been shown that departing from its previous practice, the Company has with a view to defeat the just claim of the employees in pending

disputes, adopted a new measure in the particular year. The learned representative for the Union referred to Ext. 14, Bill Book and Ext. 17, Job Registrar and Ext. 18, Daily Allocations Book, and tried to show that regarding the volume of work, there was an inaccuracy noticed in the Bill Book. O.P.W. 3 Shri Mitra, the Estimator and outside representative who maintains these books, has explained it away saying that only so much of the work as was finished by the time has shown in these accounts and that they do not give any idea of the total value of the work. As I have already said above, that much of the criticism levelled against the Balance-sheet and the Company's other accounts, was based on suspicion. Suspicion is no substitute of proof. Accordingly, even if the Union can succeed in establishing a suspicious circumstances here and there in the accounts placed before the Tribunal, that would not serve their purpose namely to show that the accounts were substantially unreliable and that the Balance-sheet was wrong. After all, the Company does not gain anything in preparing a false Balance-sheet for the purpose of effecting this retrenchment in this case. It has been said on more than one occasion in course of hearing of the case that Shri H. S. Ghose, the Director in charge of the Calcutta branch, is a good and reasonable man, who was always on the employees' side and that it was the Head Office people who had prevailed upon him in doing this mischief to the employees. It was sought to be made out in this case by Shri I. B. Sircar and Shri Mantu Choudhury that the Company never fulfilled its obligations towards its employees and that the two previous awards and a settlement, amicably made between the parties, were not implemented. The Manager's evidence, on the other hand is (and that is corroborated by Shri I. B. Sircar, Secretary of the Union) that the award of 1948 was fully implemented, and that the award of 1951 was partly implemented due to stay order issued by the Supreme Court of India, in an appeal against that award and that the settlement was also partly given effect to. It was only when the staggering loss became known to the Board of Directors that they changed their minds and pleaded inability to continue to give effect to the terms of settlement. The Calcutta branch took action only when it was instructed to do so by a letter and a resolution of the Board of Directors (*vide* annexures to the Company's written statement). Therefore, in all probabilities, the management here could not even dream of manipulating its accounts at a time when it was entering, into, in a spirit of conciliation, a solemn agreement, with its employees and when all disputes for the time being did not exist. Further, a Company as in this instant case, could not risk its reputation in the market by publicly proclaiming its loss in business. Judging by all reasonable standards, the Tribunal fails to appreciate the criticism of the Balance-sheet from the Union side. The loss to the extent of rupees fifty thousand in the year ending 31st March 1953 in the Calcutta branch has been established. In addition to that, the debt amounting to about rupees sixty thousand due to "Sundry Creditors" is also disclosed in the Balance-sheet. O.P.W. 1 Shri Bose says that this debt remains unpaid over and above the loss indicated above. This is a substantial loss in the business and the management is no doubt justified in adopting measures of economy in its expenditure in the manner proposed. The proposed retrenchment of 27 employees will result in the reduction of expenditure amounting to Rs. 2,159 per month, *i.e.*, Rs. 25,908 a year. The over-all financial position in the Calcutta branch does not show any improvement at present. The gloomy prospect of which O.P.W. 1 Shri Bose says (and that is the Company's case in the written statement) still holds good.

Next question is whether there is any real dearth of work as a result of the alleged trade depression and unhealthy competition in the market and loss of several publications as alleged. The Union's case is that there was plenty of

work for everybody, and that there was no employee who was surplus in any real sense. The alleged dearth of work was more fictitious, rather than real, and of the Company's own creation, for the purpose of carrying out its intention "to root out the evil elements" out of the staff. This would be amply borne out by the admitted facts, namely, (i) refusal of work, *i.e.*, publications on no justifiable grounds; (ii) overtime work; (iii) re-employment of retrenched staff and new recruits. It is, therefore, necessary to examine the evidence on this point. It would be wrong to do so, in complete isolation in disregarding the back-ground of the present distpute. The evidence of what happened in the past regarding the previous disputes between the parties was given an undue emphasis on the Union's side. I have already referred to Shri I. B. Sircar's evidence on this point. He is the Secretary of the Press Employees' Union, a party to this dispute. He said that the two previous awards were not implemented. Accordingly a fresh list of demands was forwarded to the Assistant Labour Commissioner on 28th November 1952 (Ext. 2). This was followed by an amicable settlement between the parties even without the intervention of the Press Employees' Union and the Labour Directorate. A Memorandum of Settlement, dated 16th January 1953 (Ext. 3), was prepared which, among others, provided for payment of dearness allowance to some of the employees, who were not getting it, tiffin allowance for menial workers and arrears of wages under the last award from April 1953. I recall the evidence of O.P.W. 1 Shri Bose who said that the awards and settlement were implemented and so much of the second award as stayed by the orders of the Supreme Court of India was not given effect to. In fact, it was admitted by the employees themselves that they were getting full dearness allowance under the award of 1951. Then came the directive from the Head Office due to disclosure of substantial loss in the Balance-sheet of 1952-53. This was followed by revocation of the settlement (Ext. 3) and lastly, by this retrenchment in dispute. In one of its letters to Mantu Choudhury (Ext. E) the management took exception to his too frequent intervention, on behalf of the employees in general, in controversial matters, regarding the grievances of the employees. This letter has been interpreted as an open threat against the employees. All that it said that the management did not approve of the conduct of Mantu Choudhury playing the role of a self-styled leader of the employees, that it knew of the existence of a group of mischief-mongers and anti-social elements among the employees and that it was determined to *root out the evil.* At the same time, it assured that genuine Union activities would not be interfered with. This, according to the Union, is the background against which the evidence of dearth of work will be examined. First of all, regarding matters of publications, the Company has admitted that there has been gradual loss in some publications. It has been sought to be made out on Union's side that the management whimsically and with dishonest motive refused these publications and tried to connect it with the existence of labour dispute in the undertaking. The Union examined Dhirendra Kumar Dey, Manager of the fortnightly paper "CHITTARANJAN". This was printed up to March or April 1953 in the Calcutta branch of the Indian Press, Ltd. Since then, it was discontinued. By letter (Ext. 1), dated 25th March 1953, Shri Dey said that Shri Bose, Assistant Manager, told him that he would not be able to make any arrangement for printing this journal due to existence of labour dispute in the Press. It was suggested to him in cross-examination that their bills were always in arrears. Shri Dey admitted that there was no letter to show that the management declined to print the journal due to existence of labour dispute. Ext. 1 gives a different story. Shri J. N. Bose was not asked a word about this conversation in his cross-examination. He said that this was an unprofitable work which the management undertook on special request of the lady Editor. Since the Press could not carry on an unprofitable undertaking for a long time it had to

stop printing after repeated notices, the last one was in Ext. 1. There was no strike in the Press, no stoppage of work in it due to existence of labour trouble. As a matter of fact, the pending dispute with the employees was settled by the Memorandum of Settlement on 16th January 1953 at least two months before the printing of "CHITTARANJAN" was stopped. There was no labour dispute in existence at the time, at least nothing of any importance to be mentioned as a ground for refusing to print the fortnightly journal to Shri Dey, an outsider. I think this evidence is absolutely untrue. Shri J. N. Bose and Shri N. K. Mitra, Manager and Estimator, on the side of the management, have given reasons to show why some of the publications were stopped by them and why some others were discontinued. Mainly the reason was that the work was unprofitable from the point of view of the Press. Here again an unsuccessful attempt was made to show that in every case the Press was making a good profit out of the publications and that it stopped publications without assigning any reason whatsoever. This is against probabilities. Why should the Press refuse a profitable and paying work and adopt a suicidal policy? Apart from making allegation that this was done to remove some undesirable elements from service, the Union did nothing to explain this apparent improbability in the story. No other witness is forthcoming on the side of the Union to say that the publication was stopped with a view to curb the Union activities, or defeat the just claim of the employees.

Another link of some importance in the story, which is said to be in the background of this dispute is, the Union alleges, that 8 workers were dismissed on 31st March 1953 for sale of machines. These workers did not take part in trade union activities. It appears from the evidence of Shri Bose and Shri Mantu Choudhury that their dispute was settled at the intervention of Shri Bose. Shri Mantu Choudhury however suggests that they were not paid a single piece though promised by the Manager. In fact, he went on carrying on agitation on their behalf after the workers' joint petition (Ext. P) was filed on 7th May 1953, and that to the knowledge of Mrs. P. Chakravorty, Assistant Labour Commissioner, who signed it. There was hardly any necessity for the agitation over the dispute particularly when the aggrieved persons did not authorise any one on Union's side to do it. This does not show any absence of *bona fides* on the part of the management in this matter. The evidence of dearth of work on the management's side is sought to be rebuked by the story of overtime work, of re-employment of the retrenched staff, and appointment of new hands, as also by the evidence of work of printing of calenders in 1954 of the value of a lakh of rupees and of diaries of the value of several thousand rupees. P.W. 3, Shri Kripa Sindhu, was one of the employees, proposed to be retrenched in this case. He said he worked for 1½ years before he was suspended from service. A month after he was re-employed and worked continually for five months. Thereafter, he was discharged. He said that he used to do overtime both before suspension and after. He found 14 or 15 new hands doing work when he was re-employed. He admitted that he was re-employed, not on monthly basis, but on daily basis. He does not know the names of new comers. It was suggested to him that he worked temporarily at intervals before his retrenchment. P.W. 4 Shri Dhiren Das said that after his suspension he was given repair works (4 lamps) and was promised some work of adjustment of machines in the Press according to plan (Exts. 7 and 8). He further stated that there was overtime work for everybody and he had seen 10 or 12 new hands working in the Press. The promised plan of work is not signed by Mr. Ghose. He could not give the names of any of the new hands or their pay or the date of their appointment. He could not even say whether they worked on a specific job like himself or not. P.W. 5 Mantu Choudhury said that there was regular overtime work in May and June. In other departments

(other than machine) there was regular overtime work for three or four days in the week. There was no dearth of work in the Indian Press at the time of their suspension. Overtime work has been explained by O.P.W. 1 Shri Bose, Assistant Manager of the Press. He said that overtime was paid to get the work done according to the urgency of the orders for it. The overtime work was not necessary in the Letter Press Section but it was necessary in the Offset Section. It was necessary because unless the work was done completely at a time with one ink, there was likely to be different shades in the work which the customers would refuse to accept. This is the position with regard to the overtime work. It is not that the work was more than sufficient for the staff to complete within office hours, it is not that everybody in every department was fully occupied with work or that every one of them had to do overtime. The exigencies of business require some work to be done overtime and that explains the overtime expenses in the accounts. Admittedly, few retrenched hands were given re-employment, temporarily on specific job. That does not prove that the work in the Press was plenty and that it was more than what the existing staff could themselves do. On the contrary, it shows that in effecting the retrenchment, the Company was not actuated by any ulterior motives against the employees. In taking up the retrenched personnel, the Company was proceeding on right lines in the matter. After all, the retrenched persons should get the preference over new recruits, if not unsuitable, whenever available for the work. Regarding the new recruits, admittedly some new hands were taken. They were taken in temporarily, some on part-time basis, some on contract basis, to do some specialised work. After all, the management will have to carry out its obligations and it is the best judge to do in any way it likes. Shri Bose and Shri Mitra, both said that they were very good skilled men whose services are necessary in the interest of business. Even then they were not taken immediately after these 27 employees were placed under suspension. The Union's evidence on this point particularly Ext. 12 does not stand any reasonable scrutiny. It does not appear how somebody who prepared it has proceeded with the work. The Company, on the other hand, has proved by Ext. D—printing letters executed in 1951-52, Ext. F—yearly allocation work, Ext. I—declining position of major publication year by year, Exts. J, J1, K and L showing stoppage of printing of United Provinces publication which was sometime the monopoly of the Press, also the registers Exts. J, H and L that there has been considerable fall in the number of orders, both Head Office and local, and that one of the main reasons for such fall, in Head Office orders, is the decision of the U. P. Government to stop giving work to one Press within the State. The fall in work is also attributable to unhealthy competition prevailing in the market since the Partition of Bengal in 1947. Evidence is that mushroom printing press has grown up in and around Calcutta which is doing job printing at a comparable less cost, than what the Indian Press, Ltd., a quality concern, was charging hitherto? The cost of materials have gone up and the cost of labour has also gone up in recent years. The Company, being a unit of the Press Owners Association, is governed by its own tariff rates. The Indent for work at this tariff rate only meet with refusal almost everywhere. These have been deposed by Shri J. N. Bose, Assistant Manager of the Press. Some inaccuracy in the list of work submitted to the Labour Directorate on 9th July 1953 and 14th July 1953 (*vide* Exts. 12 and 12A) was sought to be made out by the Union's own document (Ext. 16). They have made their own calculations from the tariff rates. But it is not the tariff rates that always explain the value of work. Sometimes work was done at lesser rates. Accordingly, the alleged inaccuracies in these lists which were prepared from the registers for the purpose of the conciliation proceedings before the Labour Directorate do not go to show that the orders are inaccurate. Taken along with the evidence of Shri Bose, it establishes that there has been

a 50 per cent. reduction in the work in the relevant year. The retrenchment proposed in this case covers one-third of the staff and in that way the Company urges that its action is justified. Existence of acute trade depression at the relevant time is not seriously disputed. In fact, P.W. 6 Shri Dey in a way concedes it. He has his own printing and binding business here. He admits that in Calcutta the Press has its dull season from May to September every year but at the same time, in order to support his story, he said that there was no dearth of work in June 1953. He used to employ 10 or 12 men in his business which number has been reduced to 3 in the last 4 or 5 years. This reduction is due to shortage of business. What was good ground for shortage of work in his own concern must be equally good in this Company. Any comparison made between the work in the relevant year with that of the past would show that there has been appreciable shortage of work in the Calcutta branch of the Indian Press, Ltd. On a careful consideration of the evidence of both sides and the facts and circumstances of the case, the Tribunal finds that the Calcutta branch of this Company was running at a substantial loss due to acute trade depression and dearth of work in the relevant year. This would no doubt justify the proposed retrenchment and make the same necessary.

Next question is whether in effecting the retrenchment as proposed, the Company acted *bona fide*. In view of the finding just recorded, the action does not *prima facie* appear to be *mala fide*. Economy in expenditure is ordinarily the only way to prevent recurring losses in a business. The management made this retrenchment with that end in view. It has already been noticed from the evidence discussed above that there has been about 50 per cent. reduction in work due to fall in orders and necessarily some employees have become surplus to its requirements. It is not that the workload on the remaining staff has been unduly increased. No one speaks of it. The reduction of staff as proposed comes up to one-third of them. Therefore, judging by that test the action does not appear to be *mala fide*. The Union of course alleged that the entire move was actuated by motives of victimisation of the undesirable elements in the staff. The Union saw *mala fides* in every step taken in this direction. It relied on one of Company's letters (Ext. 9E, addressed to Shri Mantu Choudhury) and on the evidence of P.W. 2 Shri I. B. Sircar and P.W. 5 Shri Mantu Choudhury in support of its contention that the Company never fulfilled any of its obligations to its employees, went back on its own agreement to settle current disputes and on flimsiest grounds discharged the employees. This has already been discussed. It would be sufficient if a review of the facts of the Labour Management Relations is made here. It is true that the two previous awards were not fully implemented. The reason was obvious. There was an appeal against the award of 1951 and the Hon'ble Supreme Court of India issued an order staying execution of the award in part. That stayed the hands of the management. The business was running at a loss and a cut in expenditure was considered necessary in the interest of the industry. The settlement of 16th January 1953 made amicably between the parties without outside intervention given effect to for some time was finally revoked. The dismissal of 8 workers on 31st March 1953 consequent to the sale of machines, proved in this case not only by the agreement (Ext. Q) but by the evidence of P.W. 5 Shri Mantu Choudhury and P.W. 6 Shri Dhirendra Nath Das, discussed above, raised a dispute which also was amicably settled. The workers in a signed petition endorsed by the Assistant Labour Commissioner withdrew it and the dispute was closed. These do not show that the entire move of the management was motivated by something else than economic reasons. I have already discussed the letter (Ext. 9E). The management expressed its displeasure at the conduct of Shri Mantu Choudhury and said

that the undesirable elements within the staff was a menace to internal discipline, so important in an industrial administration, and expressed its determination to root out the evil. At the same time, it assured that the genuine trade union activities should not be interfered with. If Ext. E is to be taken as an admission on the part of the management, it must be read as a whole. Further no admission is conclusive. Accordingly, it must be read in the context in which it is used. It leaves no doubt in any reasonable mind that the management did not like Mantu Choudhury interfering too frequently in the management functions on behalf of the employees. He is not an official of the Press Employees' Union which officially looks after the interest of the employees of this concern. He along with others were elected representative for a limited purpose, namely, to settle a dispute which was settled amicably. He was not the only representative of the employees but still he went on finding fault with the management in all matters affecting the employees in general. He would not even leave a closed dispute untouched. This naturally irritated the management and it came out with a reply in Ext. 9E. The action of the management appears to be *bona fide* but as Mantu Choudhury, one of the retrenched employees before this Tribunal has already incurred displeasure of the management and as there are good materials to show that some discrimination in his case was done, the Tribunal is justified in scrutinising the merits of the case of the proposed retrenched personnel. The Tribunal would be failing in its duty if it does not look into the case of the retrenched personnel in the circumstances stated above.

The written statement, filed on behalf of the Union is unfortunately silent on many material points, and contains many unnecessary details, which could have been easily omitted. It is now contended on behalf of the workers that the well-known principle of "last come first go" was not followed in making this retrenchment. This does not find any place in the written statement. It is essentially a question of fact and it is imperatively necessary that it should be specifically pointed out. The Company was taken by surprise when the Union challenged its action on the aforesaid ground. Be that as it may, now that the both sides have adduced evidence on this point, the question will be considered on its merits. The Company's contention is that the Block Department, Composing Department and Letter Press Department are running at a loss and that it has selected the personnel for retrenchment department-wise following the principle of "first come last go" as far as possible. The Union's evidence reveals that (i) junior compositor is in service whereas a senior is selected for retrenchment; (ii) only employee of a department has been retrenched and (iii) idle employees are kept in service. It is only in case of P.W. 5 Mantu Choudhury, that evidence has been given to show that his junior in the department continues in service whereas he was improperly selected. No other evidence is forthcoming to show that any such unfair discrimination was made in making the selection. Evidence was however given to show that in some cases only employee of a department has been selected and that the favourites of the management who are idling away their time are kept in service. Further evidence is that some superannuated employees are continuing in service who should have been retrenched in terms of the Press Award, dated 1st March 1951 (*vide* Government Publication, Major Tribunal's Awards, March 1951 p. 506). That shows that in case of retrenchment the superannuated employees should be first axed. Secondly, employees should be selected according to the "last come first go" principle as far as possible. Evidence is now given to show that Bafat Meah, Sudhamoy and Mutaleb are superannuated employees who are continuing in service. The age of retirement is 55. Here again, the Union's written statement is silent on this point. O.P.W. 1 Shri Bose said that Bafat

Meah is aged 55. He is strong and hardy and fit for further service. He is an experienced man. Sudam is an experienced camera man. He is aged 55 and Mutaleb is aged 40 to 42. According to the Standing Orders (Clause 14 at page 505) an employee who is considered fit can work up to the age of 58. The management's contention is that these persons are not hit by the aforesaid rule. P.W. 5 Mantu Choudhury said that Bafat Meah was head of the department. He was supervisor and repaired machines. Accordingly it cannot be said with any show of reason that the superannuated employees were continuing in service whereas those juniors to them were being selected for retrenchment. The case of Mantu Choudhury appears different from other cases alleged by the Union. P.W. 5 Mantu Choudhury is a senior English compositor whereas Narain Chandra is a senior Bengali compositor. O.P.W. 1 Shri Bose said that they worked in different departments and according to Ext. F, the value of English composition work was about Rs. 9,781 and that of Bengali composition was Rs. 1,383. Both of them are in the same grade. It appears from the Attendance Register (Ext. S) that Mantu Choudhury is a senior English compositor and Narain Chandra is a senior Bengali compositor. Ext. E shows that Narain was appointed on 1st November 1950 whereas Mantu Choudhury was appointed on 1st November 1948, two years earlier. Mantu Choudhury was drawing wages of Rs. 68 + 22 per month whereas Narain Chandra was getting Rs. 57 + 22 per month. Judging by the length of service, Mantu Choudhury is undoubtedly senior to Narain. Question now is whether the two really worked in two different departments. Ext. 18 shows that there was fall in work in the Hand Composing Department where both worked. The department is not labelled as Bengali Composing Department and English Composing Department. It further appears from Ext. 18 that Mantu Chowdhury worked as Bengali Compositor from 10th February 1953 to 4th March 1953. It has been established that Mantu Choudhury used to do Bengali Composing work now and then. Narain being a comparatively junior man was not given any complicated work. It is therefore abundantly clear that these compositors in the Hand Composing Department were employed, when necessary, on English-Bengali work. The Company could not prove that the two departments are *water-tied departments*, namely, that employees in one department are tied by the conditions of their service to that department alone and could not be employed in any other department. On the contrary, it has been shown by the Company's own document (Ext. 18) that Mantu Choudhury, a senior English Compositor, was given a senior Bengali Compositor's job. Unless the departments are water-tied, the normal rule of "last come first go" should be followed. The rule of "last come first go" has now been brought on the Statute Book by an amendment of the Industrial Disputes Act. [*Vide* Section 25(G).] The principle of retrenchment department-wise has been laid down in a very recent case by their lordships of the Hon'ble Labour Appellate Tribunal of India in Sudarsan Banerjee and others *vs.* McLeod & Co., Ltd. (1954, L.L.J., Volume I, page 174). Since Mantu Choudhury who is a good senior English Compositor can do Bengali composition work equally well, it is in the fitness of things that he should be retained in the service and not be selected for retrenchment. For good reasons, he seems to have been a headache to the management for his too frequent unwarranted move against the management for redress of the alleged grievances of the employees. But that should not be the reason why in the matter of retrenchment, he should be selected in place of junior man to him in service. I have considered the matter both subjectively and objectively from the point of view of the employer and the employee and considered it necessary to observe that the conduct of this employee was not always commendable. In the interest of discipline and industrial peace, he should not act as leader of the employees until he is elected as an official of the Press Employees Union or a Union of

the employees in this press. Too frequent demands coming from one of the many employees are likely to disturb discipline and peace in the industry. Internal discipline is as much necessary for the establishment and maintenance of peace as contentment among the employees. Patience and forbearance, mutual confidence and trust, are the most essential factors that can contribute to a lasting peace in any industry. It is hoped that both the employer and the employees shall do their utmost in this respect.

Evidence is now forthcoming that Anil Das Gupta, only distributor, Tarapada Banerjee, only Metal Printer, Paresh Chandra Pathak, the only Gullypool Press Man, Dhirendra Nath Das, only Electrician, Bankim Dey, only Canvasser, Tapash Ranjan Sen Gupta, only Half-tone Electrician are being selected for retrenchment. The management has a wide choice in making the selection provided they do not violate the Standing Orders on the point in any way and the workload on the remaining staff is not unduly increased. No evidence is forthcoming in this case that the management has done either in selecting these employees for retrenchment. The work is now being managed by the remaining staff and that without any protest. Therefore, the Tribunal does not consider it necessary to interfere with this action of the management.

It has been contended on behalf of the Union that Tulsi Mitra and Phani Mitra of the Gravure Machine Department, who are related to the Board of Directors of this Company, have no work to do for the greater part of the year and they were not selected for retrenchment. On the contrary, new hands have been recruited. They are Haripada Banerjee, Pilley and J. K. Roy. O.P.W. 3 Shri N. K. Mitra said that the Mitras received their training under a German Expert and are highly technical hands. They work on the Gravure Machines which are rare in India. There is one in Bombay and this Company has another. H. P. Banerjee is an expert in Map type imposing. Jugal Kishore Roy has got a special skill in Offset work and Pilley is a good painter and a very good Etcher. None of them have got any diploma, neither any of the retrenched men have got any diploma either. They work on contract basis and are indispensable in this business. The evidence on this point establishes one important fact, namely, that these employees are necessary in the interest of business in a quality press like the Indian Press Ltd. It cannot be expected that all sorts of work should be available at all times during the year. Therefore, these employees are not expected to be employed, like others, in ordinary departments, fully throughout the year. This does not show an example of unfair discrimination in selecting the personnel for retrenchment. Except in the case of Mantu Choudhury, the selection of the personnel for the retrenchment was done strictly according to the requirements and the provisions of Standing Orders of the Company. I answer this issue accordingly.

Issue No. 2.—The Company by a notice, dated 30th June 1953, suspended the 27 employees sought to be retrenched in this case for trade reasons, *as a security measure and in the interest of industry*. In the notice issued over the signature of the Manager, the workers were told that the management wanted to retrench them as surplus hands. The notice however says: "As proceedings are pending before the Labour Commissioner, West Bengal, for conciliation of certain matters, the Company is not able to give effect the above retrenchment forthwith, and it is necessary to seek the permission of the Labour Commissioner to discharge you on grounds of retrenchment with effect from 1st July 1953. * * * The Company hereby further informs you that on the grant of the permission referred to above, you will be paid one month's wages in lieu of notice and you shall collect your Provident Fund dues. You shall receive your wages up to the period ending 30th June 1953 between the

hours 4—40-30 p.m. and 5-30 p.m." This order of suspension is challenged on merits as also on point of law. The Union contends that there was no necessity for retrenchment, a point which has been decided in connection with Issue No. 1. It further contends that in suspending the employees without permission, the Company openly contravened the provisions of section 33 of the Industrial Disputes Act inasmuch as the order was illegal. The Company justifies its action on the allegation that the retrenchment is necessary for trade reasons and inasmuch as it cannot carry out its decision immediately in view of the ban of section 33 of the Industrial Disputes Act. It placed the employees under suspension with immediate effect as a security measure. O.P.W. 1 Shri Bose said that the management had to take recourse to this method in the interest of industry as also in view of the prohibition of section 33 of the Act. In due course, the Company applied for permission to the Conciliation Officer and thereafter to this Tribunal when the dispute was referred to it. Suspension is very different from dismissal. When a man is suspended from the office he holds it, it is merely a direction that so long he holds the office, he must not do anything in the discharge of his duties in the office. It has been held repeatedly that suspension is neither dismissal nor discharge from service. This order of suspension cannot be interpreted as one altering the conditions of service. In the notice the Manager makes it abundantly clear that the measure was not adopted by way of punishment to anybody but that was necessary inasmuch as the previous permission of the Tribunal is required to give effect to its decision to retrench them. Accordingly, in my opinion, this order of suspension is no violation of the provision of section 33, Industrial Disputes Act and accordingly it is not illegal.

Question is whether it is at all necessary. The 27 employees sought to be retrenched in this case include machinemen who work on the machine and the apprehension of the management that their continued presence in the workshop is likely to disturb the internal discipline and peace and the safety of the machineries does not appear to be unreasonable. In the opinion of the Tribunal, the action of the management in suspending the workmen pending the permission of the Tribunal is justified. This takes us to the last part of the issue namely what relief the workmen are entitled to. The case of Mantu Choudhury stands on a different footing. It has been found that his selection for retrenchment has not been proper. He cannot therefore be retrenched. In due course, he will go back to duty. Question now is whether he is entitled to any unemployment relief for the period since the date of suspension about a year ago. He is still out of employment and is presumed to have suffered a lot at least financially during this period. The Company, on the other hand, has suffered substantial loss in its business and is still running at a loss. The entire blame for this long period of unemployment does not rest with the Company for certain fortuitous circumstances are partly responsible for this long delay in disposal of this dispute. At first, it was pending before the Conciliation Officer, then it came up before this Tribunal for adjudication. Taking everything into consideration, the Tribunal finds that ends of justice would be made if Shri Mantu Choudhury is paid six months' wages as unemployment relief in this case. That he is going back to work is no doubt a substantial relief. He will report to the Manager in the office for duty within 15 days from the date of the operation of this award. He will be paid his dues under this award within a month from the date of the operation of this award.

The question of retrenchment relief to which 26 other employees are entitled to has been causing some anxiety. It is only after anxious consideration that the Tribunal finds that they should get substantial relief from the Company for losing their employment for no fault of theirs. The Company is duty bound to provide them suitable retrenchment compensation on the termination

of the contract of employment. I am not unmindful of the fact that the Company is passing through an economic crisis and has suffered substantial losses and incurred substantial debts in running its business. At the same time, the employees, many of them are said to be still out of employment, have suffered terrible in these days of economic distress. In assessing the amount of compensation, the Tribunal has kept in view the principles laid down in several cases of the Hon'ble Labour Appellate Tribunal in 1952 L.L.J., Volume I, page 796, 1954, L.L.J., Volume I, pages 45, 174, 228. The length of service, the causes of retrenchment, and the ability of the employer to pay are some of the many considerations in making this assessment. A reference to yet another controversial topic in connection with the retrenchment relief is called for. It has been urged on behalf of the Company that Shri Mantu Choudhury offered and accepted on behalf of the employees a certain amount of compensation on termination of services by way of retrenchment relief. The Company of course did not rely upon it so much, for the amount of compensation as to justify the necessity of retrenchment. It is said that the employees being satisfied with the necessity had approved the action of the management regarding this retrenchment. Be that as it may, Shri Mantu Choudhury's formula appears from a letter of the Deputy Labour Commissioner, dated 17th July 1953, to the Manager and the Director of the Indian Press, Ltd. This is annexure to the Company's written statement. Shri Mantu Choudhury has disowned this statement contained in this letter whereas Shri J. N. Bose stands by it. He said that it was dictated by the Deputy Labour Commissioner, a responsible officer, in the presence of both parties. In view of the denial which comes from Shri Mantu Choudhury, the maker of this statement and formula and in view of the fact that he was not authorised on behalf of the employees to make or accept that offer and in view of the further fact that the employees did not approve of this action of Shri Mantu Choudhury, this cannot be accepted as a basis for granting of compensation. The standard of compensation, not its minimum, has now been incorporated in section 25(f) of the Industrial Disputes Act. This act came into operation on 24th October 1953, a date subsequent to the date of retrenchment in this instant case. So strictly speaking, the provisions of this Act do not apply to the facts of this case. I think the ends of justice will be made if the following retrenchment reliefs are paid to the employees in this case:—

(1) *Notice pay.*—One month's wages in lieu of notice. This is conceded by the Company in the notice of retrenchment itself.

(2) *Provident Fund dues.*—This is conceded also in the same place. The employees shall get full Provident Fund accumulations up to the date of retrenchment namely their own contributions and the Company's contributions together with interest.

(3) They will be paid for unpaid leave, if any, due under the Factories Act.

(4) 15 (fifteen) days' wages for each completed year of service. This of course includes pay and dearness allowance, both at the rate last drawn by the employee.

Regarding the re-employment of the retrenched workers, I think it is now provided for in section 22(f) of the Industrial Disputes Act. In this case, the employees were paid some interim relief on their application under an "Interim Award" of this Tribunal, dated 6th November 1953, published in the *Calcutta Gazette* on November 19, 1953, Part I, page 3805. Those payments will be adjusted in the final award. The payments under this award shall be

made within a month from the date of operation of this award. I answer this issue accordingly. This is my award.

ORDER.

No. 3526Dis./D/11L-299/54.—21st July 1954.—Whereas under the Government of West Bengal, Labour Department, order No. 5091Dis./D/11L-309/53, dated the 30th December 1953, the industrial dispute between Messrs. Changrabandha Rice Mills, Ltd., post office Changrabandha, district Cooch Behar, and their employee Shri Kartik Chandra De Sarkar, post office Changrabandha, district Cooch Behar, regarding the matters specified in the schedule thereto was referred for adjudication to the Sixth Industrial Tribunal;

And whereas the said Sixth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE.

In the matter of an industrial dispute existing between Messrs. Changrabandha Rice Mills, Ltd., post office Changrabandha, district Cooch Behar, and their employee Shri Kartik Chandra De Sarkar, post office Changrabandha, district Cooch Behar.

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. L. CHAKRAVATTI, *Judge, Sixth Industrial Tribunal.*

For the workman: Shri Ajoy Nath Chakraborty, Pleader.

For the Company: Shri Dhirendra Nath Biswas, Pleader.

The industrial dispute existing between Messrs. Changrabandha Rice Mills, Ltd., post office Changrabandha, district Cooch Behar, and their employee Shri Kartik Chandra De Sarkar, post office Changrabandha, district Cooch Behar, as specified in the schedule, has been referred to me under Government order No. 5091Dis./D/11L-309/53, dated 30th December 1953, for adjudication.

SCHEDULE.

(1) Whether the dismissal of Shri Kartik Chandra De Sarkar is justified and whether he is entitled to reinstatement and/or compensation.

(2) Whether he is entitled to a payment of Rs. 515 as his arrear due?

AWARD.

After the evidence was taken on both sides and arguments were heard, the parties have come to an amicable settlement and a joint petition has been filed stating the terms of the said settlement and they moved me to pass an Award in terms of the said settlement.

It appears from the evidence that the Rice Mill in question had its slack season from the month of June. So, although Kartik Chandra was appointed as a permanent workman (Driver of the Engine) at a monthly wage of Rs. 120, the Management without giving notice of termination of the service of the said workman insisted on his going to Darbhanga and work there in a Mill under the Managership of Jamuna Prosad Babu who is also the Managing Director of Messrs. Changrabandha Rice Mills, district Cooch Behar. This was the origin of the trouble between the employer and the employee. I find that the terms of settlement are fair and equitable on both sides. So, the said compromise is recorded and an award is hereby passed accordingly in terms of the said settlement which shall form part of the Award.

Selected candidates may be appointed either at Bombay or Calcutta and are liable to be transferred from one place to other. Other terms remain unaltered. Closing date extended from 31st July to 14th August 1954.

PUBLIC SERVICE COMMISSION, WEST BENGAL.

Advertisement No. 27(a).

APPLICATIONS are invited for a post of Lawyer Member of the Agricultural Income-Tax Appellate Tribunal. The appointment will be made for a period of two years, terminable by three months' notice on either side. The member will not be a whole-time employee of Government but will only be required to attend when the Tribunal meets for hearing appeals. He will receive a daily fee of Rs. 100 for each sitting.

(1) **Qualifications**—

(i) Citizenship of India as defined in Part II of the Constitution of India.

(ii) A Barrister or Advocate of the High Court of Calcutta or a Pleader who has practised professionally for a period of not less than five years;

Or

an Agricultural Income-tax Practitioner who holds a degree in Law of any Indian University and has practised professionally for a period of not less than five years.

(2) **Instructions regarding submission of applications.**—Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed **(not handwritten)** form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 10th March 1949, provided the blanks are filled up in the candidates' own handwriting.

The applications must be addressed to the Secretary and should reach him not later than the 28th August 1954.

(4) **Particulars and certificates required.**—Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons testifying to their private character.

(5) **Fee.**—Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXXVI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal orders, however, may be accepted from candidates. They should be crossed and made payable to "the Secretary, Public Service Commission, West Bengal." No application will be considered unless accompanied with the requisite application fee.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers. In no case will the fee paid with the application be refunded.

The Commission may remit genuinely indigent and bona fide displaced persons' fee.

For the purpose of the concessions referred to above the definition of "Displaced Person" will be as follows:—

Definition.—"Displaced Person" means a person ordinarily resident in the territories now comprising Pakistan, who has arrived from the said territory after the end of December 1950 in the Indian Union on account of civil disturbances or fear of such disturbances or the partition of India and intends to take up his permanent residence in the Union of India.

Provided that a person already in the permanent employ of Government shall not be deemed as a "displaced person."

Note.—(i) "A displaced person claiming age concession must furnish with his application satisfactory evidence that he is a bona fide displaced person and came out to India after the end of December 1950, e.g., refugee registration card or a certificate from a gazetted officer or a Member of Parliament or State Legislature, in original.

(ii) A member of the Scheduled Caste or Scheduled Tribe claiming age concessions must furnish with his application a certificate in original from a gazetted officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

(iii) A displaced person seeking remission of the application fee must furnish besides the evidence required under Note (i) above, a certificate (in original) from a District Officer or a gazetted officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee."

(6) **Address.**—Candidates should give their present address and should communicate at once any subsequent change of address.

(7) **Canvassing.**—Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendation from persons interested in the candidates or otherwise known to them will be disregarded.

(8) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

[*Note.*—The figures of area and yield of Sugarcane for this year and last year except those of Darjeeling district as shown in this forecast are based on the results of sample survey conducted by the State Statistical Bureau, West Bengal. The figures of Darjeeling district for this year and last year are based on the reports received from the staff of the Directorate of Agriculture, West Bengal.]

Season.—The weather conditions have not been generally favourable for the cultivation and growth of the crop except in Birbhum, Bankura, Hooghly, Howrah, Jalpaiguri, Darjeeling and West Dinajpur.

Area and yield.—The total area planted with Sugarcane is estimated at 46,900 acres this year compared to 52,300 acres of last year. The total outturn of Sugarcane for the State as a whole is estimated at 650,200 tons this year compared to 1,038,300 tons of last year. Calculated on the basis of Gur/Cane ratio 1:10, the fixed standard of the State as a whole, the gross outturn in terms of Gur is estimated at 65,020 tons this year against 103,830 tons of last year. The average outturn per acre of Cane for the State as a whole is estimated at 377·38 maunds this year compared to 540·40 maunds of last year.

7. All questions arising at any meeting of the Governing Body shall be decided by a majority of votes and in the event of equality of votes the President shall have a second or casting vote. Absence on the part of a member, other than *ex officio* members, without leave of the Governing Body at more than six consecutive meetings of the Governing Body will render his seat vacant.

8. Detailed rules of business will be framed by the Governing Body with the approval of Government.

9. The Governing Body shall manage the said College and shall have power to employ the staff of the said College including the Principal, Professors, Lecturers and other Teachers and Demonstrators with the approval of Government, in accordance with qualifications and conditions of service to be prescribed by Government. No employee of the said Sripat Singh College shall be discharged, dismissed or reduced in rank without the approval of the Government.

10. The Governing Body shall duly frame annual budget of income and expenditure and submit the same for approval of the Government. No expenses or liabilities shall be made or incurred by the Governing Body or any item exceeding the provision therefor made in such budget, so approved by the Government without the previous sanction of the Government therefor.

11. The Governing Body shall have power to retain and accumulate such portion of the income of the Fund for the purpose of augmenting the reserve fund for the maintenance, development and expansion of the college. Such reserve fund shall, when amounting to Rs. 5,000, be remitted to the Treasurer of Charitable Endowments to be invested by him.

12. The Governing Body of the College shall conform to the Education Department rules relating to the construction of buildings, size and accommodation of classes, scholarships, free-studentships, hostel discipline and holidays and to any other rules which may from time to time be declared to be applicable to Government-aided Colleges.

13. The Governing Body shall keep such books of account as are prescribed in the Accounts Rules for the guidance of administrators of trust funds in West Bengal and may require the Principal of the College or other officers to keep similar accounts as laid down in the grant-in-aid rules for colleges and all such accounts shall be produced, when called for, for the inspection by the Director of Public Instruction or any officer of the Education Department duly authorised.

14. Should the said Sripat Singh College cease to exist at any time hereafter, then and in such event, the properties appertaining to Sripat Singh College Endowment shall vest absolutely in the Government to be used and utilised for such objects and purposes as the Government may in its discretion think fit.
